

A

ABATTOIRS → SLAUGHTERING**ABORTION**

Study of pregnancy outcomes among workers at a smelter in Sweden and nearby residents (CIS 02-720)
Male-mediated spontaneous abortion among spouses of stainless steel welders in Denmark (CIS 02-839)

ACARIDS

Case of occupational protein contact dermatitis in a cook due to contact with shrimps (CIS 02-1937)

ACCIDENT ABSENTEEISM

Proposed research areas on factors affecting the duration of disability and return-to-work after work-related injury and illness (CIS 02-623)
Factors influencing successful reintegration of injured workers (European Union), 2002 (CIS 02-634)

ACCIDENT DESCRIPTIONS

Investigations and case reports of occupational fatal accidents in confined spaces (USA), 1994 (CIS 02-253)
Case studies of accidents in the metalworking industry (Singapore) (CIS 02-1159)
Compendium of the most significant major accidents having occurred since 1945 (CIS 02-1872)

ACCIDENT INSURING AGENCIES → COMPENSATION OF OCCUPATIONAL ACCIDENTS**ACCIDENT INVESTIGATION**

Analysis of processes having an impact on the reliability of accident investigation information (CIS 02-121)
Report on accident investigation in industry (United Kingdom), 2001 (CIS 02-137)
Framework for carrying out analyses of accident causes within the company (Switzerland), 2002 (CIS 02-644)
Study of pipeline accidents using computerized risk assessment tools (CIS 02-1873)

ACCIDENT NEUROSIS → TRAUMATIC NEUROSIS**ACCIDENT NOTIFICATION FORMS → NOTIFICATION OF OCCUPATIONAL ACCIDENTS****ACCIDENT PREVENTION → OCCUPATIONAL SAFETY****ACCIDENT PREVENTION LITERATURE → SAFETY LITERATURE****ACCIDENT PREVENTION PROGRAMMES → SAFETY PROGRAMMES****ACCURACY**

Checking the accuracy of noise emission measurements in Germany (CIS 02-1431)

ACETIC ACID

New method for the sampling and analysis of acetic acid in workplace air (CIS 02-789)

ACETIC ANHYDRIDE

Data sheet on acetic anhydride (France), 1988 (CIS 02-1138)

ACETYLENE

Data sheet on acetylene (France), 2000 (CIS 02-1095)

ACOUSTIC EMISSION TESTING → ULTRASONIC TESTING**ACOUSTIC SIGNALLING**

Design of acoustic alarms (CIS 02-138)
Comparison of acoustic distress signalling and speech communication units used by forestry workers (CIS 02-1729)
Using semantics and acoustics in the design of speech warnings (CIS 02-1955)

ACRALDEHYDE → ACROLEIN**ACROLEIN**

Data sheet on acrolein (France), 1999 (CIS 02-1060)
Summary of toxicology and ecotoxicology of 11 chemicals (Germany), 2001 (CIS 02-1128)
Potential hazards resulting from occupational exposure to acrolein (CIS 02-1784)

ACRYLAMIDE

Products and processes for the repair of sewers, and consequences for occupational hygiene (Germany), 1997 (CIS 02-351)
Evaluation of inhalation exposures to acrylamide in biomedical laboratories (CIS 02-1369)

ACRYLATES

Contact dermatitis among dental personnel (CIS 02-799)

ACRYLIC RESINS → POLYACRYLATES**ACRYLONITRILE**

Criteria document on acrylonitrile (WHO), 2002 (CIS 02-577)
Statistical evaluation of different air sampling methods for acrylonitrile (CIS 02-1374)

ACTIVATED CARBON

Review of substitutes for carbon tetrachloride in measuring activated carbon activity in gas removing respirators (CIS 02-303)

ACUTE EXPOSURE → SHORT-TERM EXPOSURE**ACUTE POISONING**

Acute methomyl poisoning in the agricultural sector (CIS 02-306)
Therapy for acute intoxication from monochloroacetic acid (ECETOC), 2001 (CIS 02-372)

ADAPTATION OF WORK TO MAN → ERGONOMICS**ADHESIVES**

Criteria document on methyl cyanoacrylate and ethyl-2-cyanoacrylate (WHO), 2001 (CIS 02-76)
Case study of a sensitization dermatitis from a polyacrylate derivative (CIS 02-793)

ADMINISTRATION OF SAFETY LEGISLATION → ROLE OF LABOUR INSPECTION**ADOLESCENTS → YOUNG PERSONS****AEROBIC WORKING CAPACITY → WORK CAPACITY****AEROSOL SIZE SPECTRA → PARTICLE SIZE DISTRIBUTION****AEROSOLS**

Exposure evaluation to metalworking fluids in the small machine shops (CIS 02-767)
Exposure evaluation of aerosols in the metalworking industry (bearings and grinding machines) (CIS 02-768)
Experimental determination of relationship between dust mass and differential pressure across filters (CIS 02-1312)
Study of long-term trends in exposure to nickel aerosols in nickel-producing and nickel-using industries (CIS 02-1770)
Study of metalworking fluid aerosol generation at a milling machine (CIS 02-1817)
Controlling metalworking fluid aerosols in a machining centre (CIS 02-1818)

AETIOLOGY

Pathologies related to disinfectants and detergents used in hospitals and proposed preventive measures (CIS 02-294)

AFRICA

Impact of globalization on employment and occupational health in southern Africa (CIS 02-200)
Collection of articles on the experiences of several African countries in the field of occupational medicine (CIS 02-687)
Occupational safety and health in the agricultural sector in Africa (CIS 02-710)

Working documents of an African Regional Occupational Hygiene and Safety Forum (Cotonou, Benin, 5-9 August 2002) (CIS 02-1638)

Interactions between the HIV epidemic in sub-Saharan Africa and crises falling under the scope of the ILO's InFocus Programme on Crisis Response and Reconstruction (ILO), 2002 (CIS 02-1947)

AGE-LINKED DIFFERENCES

Age and gender-linked differences in occupational injuries and illnesses among employees at an university in the United States (CIS 02-191)
Ageing and work aptitude in Italy (CIS 02-196)
Survey of working time preferences as a function of workers' age in Europe (CIS 02-475)
Comparing performance on a simulated 12 hour shift rotation in young and older subjects (CIS 02-964)
Statistical analysis of occupational injuries (Norway), 1991-1996 (CIS 02-1185)
Case-control study of aerobic power and muscle strength among young and elderly waste-collection workers (CIS 02-1972)

AGEING

Ageing and work aptitude in Italy (CIS 02-196)

AGRICULTURAL CHEMICALS

Relationship between maternal occupation in agriculture and the risk of limb defects at birth (CIS 02-706)
Three cases of acute methyl bromide poisoning in a farm family in Japan (CIS 02-1342)
Modification of Directive 91/414/EEC, adding 6 new substances to the list of active plant protection products (European Union), 2002 (CIS 02-1518)

AGRICULTURAL OPERATIONS

Tractor work among children on North American farms (CIS 02-227)
Analysis of tractor-drawn mower occupational fatalities (USA), 1992-1997 (CIS 02-918)
Work-related respiratory symptoms in New Zealand farmers (CIS 02-1245)
Incidence of rickettsial diseases in Sicily (CIS 02-1934)

AGRICULTURE

Reliability of reproductive history data obtained by either spouse among agricultural worker couples (CIS 02-186)
Risk awareness among Australian farmers (CIS 02-225)
Future trends in risk management among farmers (CIS 02-226)
Risk factors of severe farm injuries among New York farmers (CIS 02-228)
Fatal injuries in farming, forestry and horticulture (United Kingdom), 2000-2001 (CIS 02-249)
Code of practice on safety and health in agricultural work (ILO), 1965 (CIS 02-255)
Job-exposure relation and antiferility effects in male workers in Italy (CIS 02-274)
Induction of DNA and cytogenetic damage in lymphocytes among farm workers exposed to pesticides in Poland (CIS 02-288)
Evaluation of the risk associated with the use of pesticides and other chemicals on farms (CIS 02-307)
Trends of occupational pesticide-related injuries in Costa Rica, 1982-1992 (CIS 02-308)
Catalogue of insecticides, acaricides, fungicides and other pesticides used in France (CIS 02-350)
Predictors of hearing loss among New York farmers (CIS 02-399)
Influence of exercise-focused group activities on the physical activity, functional capacity, and work ability of female farmers (CIS 02-443)
Study of the risk of Parkinson's disease among agricultural workers in Denmark (CIS 02-673)
Cross-sectional analysis of farm-related dermatoses among Iowa farmers and farmer wives (CIS 02-674)
Relationship between maternal occupation in agriculture and the risk of limb defects at birth (CIS 02-706)
Study of risk factors for work-related injuries among male farmers in Iowa (CIS 02-707)

Respiratory symptoms and lung function in livestock farm workers (CIS 02-708)

Occupational safety and health in the agricultural sector in Africa (CIS 02-710)

Survey of health insurance coverage among farmers in Iowa (United States) (CIS 02-711)

Analysis of farm injuries having occurred over a three-year period in South Carolina (CIS 02-712)

Cross-sectional study of the prevalence of backache among farmers (CIS 02-714)

Study of hearing loss among farmers (CIS 02-715)

Analysis of the causes of occupational accidents in farming in the Spanish region of Extremadura (CIS 02-716)

Training needs for occupational physicians in the agricultural sector in the United States (CIS 02-745)

Occupational diseases in the agricultural sector (France), 2001 (CIS 02-758)

Videotape on four cases of occupational accidents on farms (CIS 02-760)

Survey of working methods among pesticide applicators in a Kenyan district (CIS 02-778)

Study of unsafe work practices during pesticide handling among small-scale farmers in Nicaragua (CIS 02-831)

Study of pesticide-related illness among migrant farm workers in the United States (CIS 02-832)

Pesticide exposures among farmers of an ethnic minority in Thailand (CIS 02-833)

Study of pesticide-handling practices in coffee and cotton farms in Tanzania (CIS 02-834)

Study of the exposure to pesticide deposits on agricultural spraying equipment (CIS 02-869)

Analysis of tractor-drawn mower occupational fatalities (USA), 1992-1997 (CIS 02-918)

Information note on common zoonoses in agriculture (United Kingdom), 2002 (CIS 02-945)

Study of risk factors for back pain among male farmers (CIS 02-947)

Editorial article giving an overview of published literature on ergonomics in agriculture (CIS 02-950)

Incidence of green tobacco sickness among Latino farm workers in the United States (CIS 02-1244)

Survey on methods preferred by farmers for the dissemination of safety information (CIS 02-1268)

Statistics of injuries among youth on farms (USA), 1998 (CIS 02-1286)

Statistics of injuries among farm workers (USA), 1995 (CIS 02-1287)

Three cases of acute methyl bromide poisoning in a farm family in Japan (CIS 02-1342)

Agricultural exposure to carbamate pesticides and risk of non-Hodgkin lymphoma in the United States (CIS 02-1352)

Occupational airborne contact dermatitis caused by thyme dust among farmers (CIS 02-1353)

Farm worker reports of pesticide safety and sanitation at work in the United States (CIS 02-1359)

Hygiene practices of pesticide sprayers when using chlorpyrifos (CIS 02-1360)

Human toxicology of pesticides (CIS 02-1381)

Eye and respiratory symptoms among farmers exposed to airborne microbial agents (CIS 02-1453)

Lung cancer and indoor exposure to coal and biomass combustion products in rural China (CIS 02-1669)

Analysis of the relationship between the occurrence of farmer's lung disease and meteorological conditions over a 20-year period (CIS 02-1680)

Case-control study of cancer risk among male farmers (CIS 02-1725)

Special issue on the feasibility of conducting epidemiologic studies on a population of migrant and seasonal farmworkers (CIS 02-1726)

Study of the effects of occupational exposure to organophosphate pesticides on nerve and muscular function (CIS 02-1803)

Survey of the ability of health care providers to treat and prevent pesticide poisoning in agricultural areas of Tanzania (CIS 02-1808)

Case of airborne allergic contact dermatitis from olaquinox in a rabbit breeder (CIS 02-1810)

Study of the exposure of farmers to dust in various types of farms in Poland (CIS 02-1811)

Predictors of exposure to herbicides among pesticide sprayers (CIS 02-1812)

Report on the experimental evaluation of dermal exposure during pesticide spraying (United Kingdom), 2002 (CIS 02-1840)

Study of the risk factors of fatal and serious nonfatal accidents involving falls through roofs (CIS 02-1916)

Guidance for controlling risks to workers from bio-solids used for land fertilization (USA), 2002 (CIS 02-1948)

Study of the relation between time spent driving tractors and self-reported low-back and hip symptoms (CIS 02-1949)

Risk perception leading to risk-taking behaviour among farmers (CIS 02-1993)

AGRICULTURE AND FORESTRY

Report on pesticide-related incidents investigated by the Health and Safety (United Kingdom), 2001-2001 (CIS 02-860)

Fatal accidents in Swedish farming and forestry (Sweden), 1988-1997 (CIS 02-1269)

Occupational safety and health in the small farming and forestry sectors (ISSA) (CIS 02-1295)

Working documents of a training course on occupational safety and health management in the farming sector in Brazil (CIS 02-1570)

Report explaining the rationale behind the testing requirements for power take-off shaft guards for agricultural tractors defined in a UK draft standard (CIS 02-1924)

AIDS → IMMUNODEFICIENCY SYNDROME

AIR CLEANING → AIR PURIFICATION

AIR DISINFECTION → DISINFECTION OF AIR

AIR FILTRATION

Method for diesel exhaust filtration (CIS 02-287)

Method for testing the performance of filter media used in industrial dust filtration (CIS 02-1769)

AIR HOSTESSES → AIRCRAFT

AIR POLLUTION → ATMOSPHERIC POLLUTION

AIR PURIFICATION

Controlling metalworking fluid aerosols in a machining centre (CIS 02-1818)

AIR PURIFYING RESPIRATORS

New method for cleaning and disinfecting protective masks (CIS 02-302)

AIR RENEWAL → VENTILATION

AIR SAMPLING

Testing of calibration equipment for air sampling pumps (CIS 02-266)

Air sampling at the chest and ear as representative of the breathing zone (CIS 02-269)

AIR TRAFFIC CONTROL

Study of circadian rhythm of heart rate, urinary cortisol excretion and sleep in civil air traffic controllers (CIS 02-445)

Working and health conditions air traffic controllers in Italy (CIS 02-480)

AIR TRANSPORT

Cases of irritation and toxicity among aircrew exposed to chemicals in aircraft (CIS 02-842)

Algorithm for estimating the radiation dose of flight attendants (CIS 02-906)

Study of the impact of frequent business travel on stress and family life (CIS 02-982)

Study of the efficiency of controlled breaks as a fatigue countermeasure among airline pilots on intercontinental flights (CIS 02-1958)

Study of sleep disturbances during and after an intercontinental trip (CIS 02-1967)

AIRBORNE DUST

Study on dust emission, particle size distribution and formaldehyde concentration during machining of medium density fibreboard (CIS 02-325)

Analysis of airborne fungi in a bakery (CIS 02-434)

Estimating historical respirable crystalline silica exposures for workers in pottery and mining industries in China (CIS 02-770)

Characterization of airborne silica dust and asbestos fibres (CIS 02-772)

Trend of airborne asbestos concentrations in Japanese plants manufacturing asbestos-containing products (CIS 02-780)

Evaluation of control measures for odour pollution and bioaerosols during the secondary treatment of pulp and paper industry effluents (CIS 02-845)

Comparison of endotoxin assays using agricultural dusts (CIS 02-1451)

Eye and respiratory symptoms among farmers exposed to airborne microbial agents (CIS 02-1453)

Overview of respirators (CIS 02-1807)

Serum levels of ochratoxin A as a measure of occupational exposure (CIS 02-1928)

Influence of building maintenance, environmental factors and seasonal climatic changes on airborne contaminants in pigpens (CIS 02-1933)

AIRCRAFT

Cases of irritation and toxicity among aircrew exposed to chemicals in aircraft (CIS 02-842)

Algorithm for estimating the radiation dose of flight attendants (CIS 02-906)

Development of a method for the detection of nicotine in air (CIS 02-1791)

Study of the efficiency of controlled breaks as a fatigue countermeasure among airline pilots on intercontinental flights (CIS 02-1958)

AIRCRAFT INDUSTRY

Management of musculoskeletal pain in an aircraft manufacturing plant in the United States (CIS 02-1229)

AIRCRAFT REPAIR AND MAINTENANCE

Guidelines for isolation and infection control in relation with SARS (USA), 2002 (CIS 02-1461)

AIRFLOW MEASUREMENT

Comparison of pressure measurement methods in ventilation systems with obstructive ventilatory impairment (CIS 02-264)

AIRPORTS

Description of an automated system for cleaning the glazing at a new airport passenger terminal (CIS 02-1761)

AIRWAY OBSTRUCTION → OBSTRUCTIVE VENTILATORY IMPAIRMENT

ALARM SYSTEMS

Design of acoustic alarms (CIS 02-138)

ALASKA

Factors associated with respiratory symptoms among crab processing workers in Alaska (CIS 02-238)

ALBANIA

Ordinance concerning the designation of difficult and dangerous work (Albania), 2002 (CIS 02-1013)

ALBERTA

Study of the effectiveness of construction site safety inspections in reducing occupational accidents (CIS 02-1733)

ALCOHOLISM

Cohort study of the relation between work environment, alcohol consumption and health in the United Kingdom (CIS 02-1493)

Report on the treatment of alcohol problems in the US through employment-based health insurance (CIS 02-1496)

ALERTNESS → VIGILANCE

ALGERIA

Order concerning the minimum number of occupational health nurses to be employed by employers (Algeria), 2001 (CIS 02-9)

Order establishing standards concerning the basic requirements of occupational medical services (Algeria), 2001 (CIS 02-10)

Decree on the instruction, information and training of workers in the area of occupational safety and health (Algeria), 2002 (CIS 02-1017)

Survey of activities on OSH in 5 countries in North Africa (CIS 02-1608)

Occupational safety and health statistics (Algeria), 1999 (CIS 02-1613)

Occupational safety and health statistics (Algeria), 2000 (CIS 02-1614)

ALLENE → PROPADIENE

ALLERGENIC EFFECTS → SENSITIZATION

ALLERGENS

Contact dermatitis due to primrose (CIS 02-185)

Report on exposure, sensitization and allergy to industrial enzymes in Finland (CIS 02-348)

Data sheet on occupational skin diseases caused by cutting fluids (France), 2000 (CIS 02-373)

Data sheet on occupational asthma from disinfectants used in hospitals (France), 2000 (CIS 02-374)

Case studies of amaranth-induced allergy in five bakery workers (CIS 02-433)

Analysis of airborne fungi in a bakery (CIS 02-434)

Epidemiology of occupational skin disease (Singapore), 1989 - 1998 (CIS 02-662)

Review article on occupational asthma (CIS 02-672)

Case study of an allergic contact dermatitis from a perinone-type dye in spectacle frames (CIS 02-800)

Occupational skin diseases among national servicemen and military personnel in Singapore between 1989 and 1999 (CIS 02-1253)

Occupational contact dermatitis among nurses with hand eczema (CIS 02-1254)

Total plasma protein adducts of allergenic hexahydrophthalic and methylhexahydrophthalic anhydrides as biomarkers of long-term exposure (CIS 02-1318)

Literature review of occupational airway sensitizers (CIS 02-1343)

Occupational airborne contact dermatitis caused by thyme dust among farmers (CIS 02-1353)

Review of skin diseases due to colophony (CIS 02-1355)

Case of fatal occupational asthma following exposure to shark cartilage dust (CIS 02-1665)

Review article on respiratory allergies in bakeries and confectionaries (CIS 02-1688)

Study of occupational contact and allergic contact dermatitis among healthcare workers (CIS 02-1692)

Allergic respiratory diseases among bakery workers in France (CIS 02-1737)

Full issue on the quality of indoor air (CIS 02-1779)

Case of airborne allergic contact dermatitis from olaquinox in a rabbit breeder (CIS 02-1810)

Case of protein contact dermatitis from spices in a butcher (CIS 02-1826)

Case of occupational protein contact dermatitis in a cook due to contact with shrimps (CIS 02-1937)

ALLERGIC ASTHMA

Review article on irritant-induced asthma (CIS 02-293)

Literature review of occupational airway sensitizers (CIS 02-1343)

Exposure evaluation to Aspergillus moulds and diagnosis of allergic asthma in a greenhouse environment (CIS 02-1681)

Long-term study of insect breeding workers with allergies to biological insecticides (CIS 02-1931)

ALLERGIC RESPIRATORY DISORDERS

Hypersensitivity pneumonitis among workers of a metal-working plant (CIS 02-188)

Sensitization to enzymes among workers of the animal feed industry (CIS 02-1367)

Specific immune response to occupational antigens in asymptomatic egg packaging and processing workers (CIS 02-1686)

Review article on respiratory allergies in bakeries and confectionaries (CIS 02-1688)

Allergic respiratory diseases among bakery workers in France (CIS 02-1737)

ALLERGIC RHINITIS

Long-term study of insect breeding workers with allergies to biological insecticides (CIS 02-1931)

ALLERGIES

Pathologies related to disinfectants and detergents used in hospitals and proposed preventive measures (CIS 02-294)

Case study of a food and contact allergy to pumpkin seeds in a baker (CIS 02-1687)

Latex allergies in hospitals and preventive measures (CIS 02-1792)

Long-term study of insect breeding workers with allergies to biological insecticides (CIS 02-1931)

Long-term study of allergies to laboratory animals among exposed workers (CIS 02-1932)

ALLERGY TESTS

Occupational asthma caused by bacillary amylase used in the detergent industry (CIS 02-1450)

ALTERNATIVE EMPLOYMENT → CHANGE OF EMPLOYMENT

ALUMINIUM INDUSTRY

Presentation of the task exposure matrix (TEM) as an improvement of the job exposure matrix (JEM) (CIS 02-116)

Effect of supervisors' presence on the effectiveness of a training programme to improve musculoskeletal health (CIS 02-1959)

AMAUROSIS → BLINDNESS

AMBULANCE SERVICES → FIRST-AID AND RESCUE ORGANIZATION

AMBULANCES

Safe design of ambulances (CIS 02-415)

AMERICA

Project on Occupational Sentinel Health Events (WHO/PAHO), 2001 (CIS 02-1258)

2-AMINO-6-METHOXYBENZOTHAZOLE

Criteria document on 2-amino-6-methoxybenzothiazole (Germany), 1995 (CIS 02-1556)

AMINO GUANIDINE BICARBONATE

Criteria document on aminoguanidine bicarbonate (Germany), 1997 (CIS 02-1541)

AMINOTRIAZOLE

Data sheet on aminotriazole (France), 2000 (CIS 02-1104)

AMITROLE → AMINOTRIAZOLE

AMMONIUM AZIDE

Analysis of the causes of an accidental explosion in a chemical plant (CIS 02-1410)

AMMONIUM BISULFITE

Data sheet on ammonium bisulfite (IPCS, Spain), 1991-1999 (CIS 02-1089)

AMMONIUM NITRATE

Description of an explosion in a fertilizer plant in France (CIS 02-885)

AMMONIUM PERCHLORATE

Study of cancer risk in a population having been exposed over a long time to ammonium perchlorate and trichloroethylene in drinking water (CIS 02-1356)

AMOSITE

Review of asbestos-related lung cancer and mesothelioma in Japan (CIS 02-816)

AMYLASE

Occupational asthma caused by bacillary amylase used in the detergent industry (CIS 02-1450)

AMYOTROPHIC LATERAL SCLEROSIS

Case report of amyotrophic lateral sclerosis in a worker exposed to cadmium (CIS 02-819)

ANAESTHETIC GASES → INHALATION ANAESTHETICS

ANAESTHETISING LOCATIONS → OPERATING THEATRES

ANALYSIS OF ACCIDENT CAUSES

Study on work-related injuries among firefighters (CIS 02-738)

Videotape on four cases of occupational accidents on farms (CIS 02-760)

Preventing falls from heights in the building industry (CIS 02-1439)

Working documents of a training course on the prevention of fatal occupational accidents in Brazil (CIS 02-1565)

Working documents of an introductory course on chemical safety and the prevention of major accidents in Brazil (CIS 02-1583)

Study of pipeline accidents using computerized risk assessment tools (CIS 02-1873)

Classification of the causes of public transport bus accidents in Sweden (CIS 02-1918)

ANAMNESIS

Reliability of reproductive history data obtained by either spouse among agricultural worker couples (CIS 02-186)

Assessment of the reliability and validity of an occupational health history questionnaire (CIS 02-1660)

ANEMOMETERS → AIRFLOW MEASUREMENT

ANGIOSARCOMA

Epidemiological aspects of liver angiosarcoma (CIS 02-1668)

ANGIOSARCOMA OF THE LIVER → LIVER CANCER

ANHELATION → DYSPNOEA

ANILINE

Occupational exposures and risk of pancreatic cancer in Spain (CIS 02-169)

ANIMAL HUSBANDRY → LIVESTOCK REARING

ANOMALIES OF CHARACTER → PERSONALITY DISORDERS

ANTHRACOSILICOSIS → COALWORKERS PNEUMOCOINOSIS

ANTHRACOSIS → COALWORKERS PNEUMOCOINOSIS

ANTHRAX

Information note on anthrax (India), 2001 (CIS 02-1458)

Information note on preventive measures at workplaces exposed to bioterrorist risks of anthrax (France), 2001 (CIS 02-1464)

ANTI-KICKBACK DEVICES → KICKBACK PREVENTERS

ANTIBODIES

Epidemiologic study of frequency rates of varicella zoster (chickenpox) serum antibodies in health care personnel in Belgium (CIS 02-1452)

Tetanus prophylaxis at work (CIS 02-1930)

ANTIFERTILITY EFFECTS

Decree for the prevention of the hazards of carcinogenicity, mutagenicity and reproductive toxicity associated with workplace exposures to chemical substances (France), 2001 (CIS 02-18)

Environmental health criteria on principles for evaluating health risks to reproduction associated with exposure to chemicals (WHO), 2001 (CIS 02-70)

Reliability of reproductive history data obtained by either spouse among agricultural worker couples (CIS 02-186)

Job-exposure relation and antifertility effects in male workers in Italy (CIS 02-274)

List of substances with carcinogenic or mutagenic effects or toxicity to reproduction with their threshold limit values in air (Germany), 2001 (CIS 02-366)

Case-control study of occupational risk factors of male infertility (CIS 02-648)

Time to pregnancy among male workers of the reinforced plastics industry (CIS 02-681)

Effects of climatic conditions favouring fungal growth in grain on hormone-dependent cancer and adverse reproductive outcomes in farmers' families (CIS 02-709)

List of carcinogens, mutagens and substances toxic for reproduction and their regulatory classification (France), 2002 (CIS 02-787)

Literature review of studies on the association between exposure to lead and male fertility (CIS 02-809)

Solvent use and time to pregnancy among female personnel in biomedical laboratories in Sweden (CIS 02-813)

Male-mediated spontaneous abortion among spouses of stainless steel welders in Denmark (CIS 02-839)

Evaluation of the effects of mercury and its compounds on reproduction and recommendation for classification (Netherlands), 2000 (CIS 02-1099)

Evaluation of the effects of nitrous oxide on reproduction and recommendation for classification (Netherlands), 2000 (CIS 02-1100)

Leaflet describing INHST publications on occupational risks to reproduction and pregnancy (Spain), 2002 (CIS 02-1568)

General overview and conclusions of a European Union project aimed at improving the protection of workers from risks to reproductive health and pregnancy (CIS 02-1718)

Guide to good practices for improving the protection of workers from risks to reproductive health and pregnancy (Spain), 2002 (CIS 02-1719)

Literature review of work-related reproductive, musculoskeletal and mental disorders among Japanese working women (CIS 02-1721)

Case-control study of the relationship between male infertility and occupational stress (CIS 02-1991)

ANTIFOULING PAINTS

Potential exposure of amateurs from wood preservative and antifouling preparations (CIS 02-282)

ANTIMONY TRIOXIDE

Data sheet on antimony trioxide (France), 2000 (CIS 02-1102)

ANTINEOPLASTIC DRUGS

Case study of harmful exposure of a nurse to antineoplastic drugs (CIS 02-275)

Comment on the guideline on manual handling by health care personnel of antineoplastic drugs in Italy (CIS 02-1793)

ANTIOXIDANTS

Criteria document on N,N'-di-sec-butyl-p-phenylenediamine (Germany), 1995 (CIS 02-1552)

ANTIOXONANTS → ANTIOXIDANTS

ANTISEPTICS → DISINFECTANTS

ANTISTATIC PRECAUTIONS → STATIC ELECTRICITY ELIMINATION

ANXIETY

Organizational downsizing and musculoskeletal problems in Finnish workers (CIS 02-972)

Cross-sectional survey on stress and depressive state among sales representatives (CIS 02-978)

APOPHYSITIS → EPICONDYLITIS

APPRENTICES

Study of the incidence of work-related hand eczema during apprenticeship in the automobile industry (CIS 02-314)

Long-term study of risk factors that can lead to a change of occupation among bakers and confectioners in Germany (CIS 02-754)

Study of occupational safety and health issues among apprentice machinists and cooks (CIS 02-1636)

Improvements in acceptance of skin protection measures in bakers' apprentices through an intervention programme (CIS 02-1827)

APPROVAL

Factors associated with medical consultation for low-back pain among scaffolders (CIS 02-721)

Study of risk factors for back pain among male farmers (CIS 02-947)

Study of energy costs of dragging sheep during sheep shearing (CIS 02-953)

Posture recording and sampling methods for work posture to determine risk factors of backache in the motor vehicle industry (CIS 02-955)

Ergonomic interventions in the furniture industry aimed at reducing manual handling loads (CIS 02-958)

Cross-sectional study of backache among health women health care workers (CIS 02-961)

Literature review of the effectiveness of external lumbar supports for low back pain prevention (CIS 02-965)

Characteristics of manual lifting activities in patients with low-back pain (CIS 02-967)

Relationship between psychosocial job factors and return-to-work after compensated low back injury in the United States (CIS 02-988)

Study of the relationship between co-morbidity and duration of absenteeism among workers with nonspecific low back pain (CIS 02-1242)

Review of epidemiological studies on the relation between whole-body vibration exposure and backache (CIS 02-1420)

New approaches for better understanding the root causes of low-back pain (CIS 02-1656)

Analysis of the relationship between working hours spent on repeated activities and prevalence of back pain (CIS 02-1678)

Ergonomic study of vehicle access and handling of tools among fire fighters (CIS 02-1747)

Study of the relation between time spent driving tractors and self-reported low-back and hip symptoms (CIS 02-1949)

Literature review of biomechanical and psychophysical research on risk factors associated with low-back pain (CIS 02-1968)

BACTERIA

Information note on legionella at the workplace (France), 2001 (CIS 02-1459)

Isolation of a rapidly growing mycobacterium involved in the contamination of metalworking fluids in a production plant (CIS 02-1935)

BACTERIAL ENZYMES

Occupational asthma caused by bacillary amylase used in the detergent industry (CIS 02-1450)

BACTERIAL TOXINS

Exposure assessment document on metal working fluids (United Kingdom), 2000 (CIS 02-370)

Follow-up study of respiratory health of newly-hired female cotton textile workers in China (CIS 02-730)

Evaluation of control measures for odour pollution and bioaerosols during the secondary treatment of pulp and paper industry effluents (CIS 02-845)

Literature survey on sampling and analysis of airborne endotoxins (France), 2002 (CIS 02-938)

Comparison of endotoxin assays using agricultural dusts (CIS 02-1451)

Study on treatments for removing endotoxins from water-soluble metalworking fluids (CIS 02-1936)

BACTERICIDES → DISINFECTANTS

BAG FILTERS → FILTER DUST COLLECTORS

BAKERY PRODUCTS INDUSTRY

Report on exposure, sensitization and allergy to industrial enzymes in Finland (CIS 02-348)

Case studies of amaranth-induced allergy in five bakery workers (CIS 02-433)

Analysis of airborne fungi in a bakery (CIS 02-434)

Cases of malignant pleural mesothelioma in bakers and pastry cooks in Italy (CIS 02-704)

Long-term study of risk factors that can lead to a change of occupation among bakers and confectioners in Germany (CIS 02-754)

Prevention of occupational hand dermatitis among bakers, confectioners and employees in the catering trades (CIS 02-1249)

Exercises to be carried out at the workplace by bakery shop saleswomen (CIS 02-1470)

Case study of a food and contact allergy to pumpkin seeds in a baker (CIS 02-1687)

Review article on respiratory allergies in bakeries and confectionaries (CIS 02-1688)

Allergic respiratory diseases among bakery workers in France (CIS 02-1737)

Improvements in acceptance of skin protection measures in bakers' apprentices through an intervention programme (CIS 02-1827)

BAND SAWS

Information note on noise reduction at band re-saws (United Kingdom), 2001 (CIS 02-409)

Information note on safety in the use of narrow band sawing saws (United Kingdom), 2001 (CIS 02-428)

Efforts undertaken by an enterprise in the slaughterhouse and meat packaging industry for improving safety during cutting operations (CIS 02-1920)

BANKING AND INSURANCE

Importance of achievement and social relations values for job satisfaction (CIS 02-491)

Influence of psychological factors on visual fatigue when working with video display terminals (CIS 02-761)

Case study of a worksite-based programme for asthma management (CIS 02-1228)

Predictors of musculoskeletal disorders among call-centre workers based on job analysis and workers' perceptions (CIS 02-1952)

Approach adopted by a bank for preventing armed robberies (CIS 02-1979)

Collection of articles on workplace violence (CIS 02-1989)

Law on radiation protection (Barbados), 1971 (CIS 02-535)

BARBER SHOPS → HAIRDRESSING

BIARIUM AND COMPOUNDS

Criteria document on barium and its compounds (WHO), 2001 (CIS 02-73)

Data sheet on barium (France), 2001 (CIS 02-361)

BIARIUM FLUORIDE

Data sheet on alkali metal and alkaline-earth fluorides (France), 1992 (CIS 02-62)

BARRIER CIRCUITS

Optical barrier curtains for minimizing crushing risks during plastics processing operations (CIS 02-917)

BARRIER CREAMS

Efficacy of a protective cream against hand irritation among apprentice hairdressers (CIS 02-848)

BATTERY AND DRY CELL MANUFACTURE

Lip lead as an alternative measure for lead exposure of battery assembly workers (CIS 02-284)

Case report of amyotrophic lateral sclerosis in a worker exposed to cadmium (CIS 02-819)

Cancer mortality study of employees at lead battery plants and lead smelters in the US (CIS 02-1246)

Long-term exposure to lead and vibration perception threshold (CIS 02-1324)

Case-control study of the neurological effects of manganese exposure among shipbuilding and electrical industry workers (CIS 02-1787)

BEARINGS

Exposure evaluation of aerosols in the metalworking industry (bearings and grinding machines) (CIS 02-768)

BEAUTY PARLOURS

Comment on legislation regulating electrical and mechanical equipment in beauty parlours (Italy), 2001 (CIS 02-259)

Controlling health risks from the use of UV tanning equipment (United Kingdom), 2002 (CIS 02-1906)

BEHAVIOUR → HUMAN BEHAVIOUR

BEHAVIOURAL EFFECTS → NEUROPSYCHIC EFFECTS

BELGIUM

Modification of the Order on radiation protection (Belgium), 2002 (CIS 02-25)

Booklet describing the initiatives taken by insurance companies in the field of occupational safety and health (CIS 02-128)

Annual report of the Occupational Disease Compensation Fund (Belgium), 1999 (CIS 02-210)

Analysis of cases of diseases caused by ionizing radiation recognized as occupational diseases between 1932 and 1997 in Belgium (CIS 02-905)

Lyme's disease among forestry workers in the Belgian region of Flanders (CIS 02-940)

Order modifying the Order of 11 Mar. 2002 concerning chemical safety in the workplace (Belgium), 2002 (CIS 02-1028)

Regulation concerning the health surveillance of workers (Belgium), 2003 (CIS 02-1511)

Ordinance on safe work involving asbestos decontamination and encapsulation (Belgium - Brussels-Capital Region), 2001 (CIS 02-1520)

Order modifying the 1982 Order on the placing on the market of dangerous substances (Belgium), 2002 (CIS 02-1522)

Order modifying the 1993 Order on the classification, packaging and labelling of dangerous chemical substances (Belgium), 2002 (CIS 02-1523)

Occupational diseases newly recognized for purposes of workers' compensation in Belgium (CIS 02-1675)

BENIN

Social Security Code (Benin), 2003 (CIS 02-1510)

Working documents of an African Regional Occupational Hygiene and Safety Forum (Cotonou, Benin, 5-9 August 2002) (CIS 02-1638)

BENZENE

Relationship between exposure to petrochemicals and menstrual disturbances (CIS 02-237)

Evaluation of the exposure to benzene among automobile repair shop mechanics and tank-truck drivers (CIS 02-279)

Follow-up study of *hprt* mutation frequencies among benzene-exposed oil refinery workers (CIS 02-289)

Exposure evaluation of dry cleaning workers to aromatic compounds and to tetrachloroethylene (CIS 02-290)

Assessment of benzene exposure among car mechanics (CIS 02-311)

Evaluation of exposure to polycyclic aromatic hydrocarbons, benzene, toluene and xylenes in workers in an oil-burning power plant in Italy (CIS 02-321)

Data sheet on benzene (France), 1997 (CIS 02-546)

Information leaflet on the health hazards of benzene (Singapore) (CIS 02-1165)

Biological monitoring of exposure to benzene in service station and dry cleaning workers (CIS 02-1341)

Biological monitoring of benzene at low exposure (EEC), 1998 (CIS 02-1382)

Evaluation of the exposure of mechanics to benzene (CIS 02-1783)

Long-term study of the relationship between benzene exposure and haematopoietic mortality (CIS 02-1805)

Determination of firefighter exposure to polycyclic aromatic hydrocarbons and benzene using biological indicators (CIS 02-1831)

Evaluation of gasoline distribution workers' exposure to major gasoline components in Finland (CIS 02-1836)

BENZENE HEXACHLORIDE → LINDANE

BENZO(A)PYRENE

Occupational exposures and risk of pancreatic cancer in Spain (CIS 02-169)

Exposure to polycyclic aromatic hydrocarbons by occupation, expressed at benzo(a)pyrene equivalents in Germany (CIS 02-345)

BENZOIC ACID

Concise chemical assessment document on benzoic acid and sodium benzoate (WHO), 2000 (CIS 02-1393)

3,4-BENZOPYRENE → BENZO(A)PYRENE

BENZOTHAZOLES

Criteria document on 2-amino-6-methoxybenzothiazole (Germany), 1995 (CIS 02-1556)

BENZYL ALCOHOL

Data sheet on benzyl alcohol (France), 1992 (CIS 02-47)

BENZYL CHLORIDE

Criteria document on benzyl chloride (Germany), 1997 (CIS 02-1542)

BENZYLDIMETHYLAMINE → DIMETHYLBENZYLAMINE

BERYLLIOSIS

Efficacy of serial medical surveillance for chronic beryllium disease in a beryllium machining plant (CIS 02-315)

Relationship between beryllium particulate exposure and disease among workers of a beryllium machining plant (CIS 02-316)

Racial differences in the prevalence of a genetic marker used in pre-employment screening for susceptibility to berylliosis (CIS 02-1800)

BERYLLIUM

Efficacy of serial medical surveillance for chronic beryllium disease in a beryllium machining plant (CIS 02-315)

Relationship between beryllium particulate exposure and disease among workers of a beryllium machining plant (CIS 02-316)

Racial differences in the prevalence of a genetic marker used in pre-employment screening for susceptibility to berylliosis (CIS 02-1800)

BERYLLIUM AND COMPOUNDS

Criteria document on beryllium and its compounds (WHO), 2001 (CIS 02-77)

BEVERAGE INDUSTRY

Information note on controlling exposure to disinfectants used in the food and drink industries (United Kingdom), 2001 (CIS 02-1406)

Information note on safeguarding thermoform, fill and seal packaging machines (United Kingdom), 2001 (CIS 02-1444)

Information note on safeguarding palletizing and depalletizing packaging machines (United Kingdom), 2001 (CIS 02-1445)

Information note on safeguarding pre-formed rigid container packaging machines (United Kingdom), 2001 (CIS 02-1446)

Information note on preventing falls from height in the food and drink industries (United Kingdom), 2001 (CIS 02-1447)

Information note on measures to reduce noise exposure in the food and drink industries (United Kingdom), 2002 (CIS 02-1755)

BHC → LINDANE

BICYCLE ERGOMETERS

Metabolic processes during ergometric tests (CIS 02-1964)

BIOCIDES

Hazard evaluation of the arduous working conditions of art restorers (CIS 02-245)

BIOLOGICAL AND MEDICAL TESTS

Review article on biological exposure indices (CIS 02-272)

BIOLOGICAL EFFECTS

Review article on the risks associated with extremely low frequency and intermediate frequency electromagnetic fields (France), 2001 (CIS 02-914)

Review article on safety and health prevention measures to be adopted when working with lasers (France), 2001 (CIS 02-916)

BIOLOGICAL HAZARDS

Regulations concerning the prevention of biological hazards (South Africa), 2001 (CIS 02-29)

Case study of harmful exposure of a nurse to antineoplastic drugs (CIS 02-275)

Risks of infection in medical laboratories (CIS 02-436)

Guidelines for the management, design and operation of microbiological containment laboratories (United Kingdom), 2001 (CIS 02-438)

Notification concerning biological agents on offshore installations (Denmark), 2002 (CIS 02-539)

Directive amending provisions dealing with micro-organisms in the 1991 Directive on the placing of plant protection products on the market (European Union), 2001 (CIS 02-540)

Order on the protection of workers against biological hazards (Slovak Republic), 2002 (CIS 02-541)

Occupational safety and health issues of biomedical waste treatment (CIS 02-705)

Upper airway inflammation and respiratory symptoms in domestic waste collectors (CIS 02-938)

Review article on the occupational hazards of exposure to radiofrequency electromagnetic radiation (France), 2001 (CIS 02-915)

Literature survey on sampling and analysis of airborne endotoxins (France), 2002 (CIS 02-938)

Study of the risk of occupational exposure to blood-transmissible diseases among prison guards (CIS 02-941)

Survey of current practices with respect to the medical inspection of workers at risk of leptospirosis, the frequency rates of the disease and the effectiveness of vaccination (CIS 02-942)

Study of occupational HIV postexposure prophylaxis among health care workers in a medical care facility (CIS 02-944)

Practical guide on the steps to be taken in cases of accidental exposure to blood or biological fluids (Tunisia) (CIS 02-1176)

Eye and respiratory symptoms among farmers exposed to airborne microbial agents (CIS 02-1453)

Study of the applicability of normal chemical industry plant checks to biotechnology plants (Germany), 2001 (CIS 02-1454)

Selecting operating procedures and equipment in biotechnology laboratories in Germany (CIS 02-1455)

Reducing the exposure to microorganisms during refuse collection (CIS 02-1456)

Study of microbial exposure during the collection and transport of garbage (CIS 02-1457)

Information note on legionella at the workplace (France), 2001 (CIS 02-1459)

Information note on personal protective equipment against biological agents (Spain), 2000 (CIS 02-1465)

Information note on the management of personal protective equipment in health care services (Spain), 2000 (CIS 02-1466)

Official standard on the classification and handling of infectious biological residues (Mexico), 2003 (CIS 02-1534)

Case of fatal occupational asthma following exposure to shark cartilage dust (CIS 02-1665)

Specific immune response to occupational antigens in asymptomatic egg packaging and processing workers (CIS 02-1686)

Exposure to bioaerosols and ergonomic aspects when using trucks with side-lift arms for collecting household waste (CIS 02-1748)

Full issue on the quality of indoor air (CIS 02-1779)

Influence of building maintenance, environmental factors and seasonal climatic changes on airborne contaminants in pigpens (CIS 02-1933)

Relationship between exposure to culturable microorganisms in paper mills and symptoms associated with infections (CIS 02-1938)

Epidemiological studies of accidents involving exposure to blood among private sector health care workers in the Paris area (CIS 02-1939)

Proposed procedure to be adopted in non-hospital environments following injuries by potentially-contaminated blood-stained objects (CIS 02-1945)

Guidance for controlling risks to workers from bio-solids used for land fertilization (USA), 2002 (CIS 02-1948)

BIOLOGICAL INSECTICIDES

Long-term study of insect breeding workers with allergies to biological insecticides (CIS 02-1931)

BIOLOGICAL MONITORING → EXPOSURE TESTS

BIOLOGICAL PROTECTION

Selecting operating procedures and equipment in biotechnology laboratories in Germany (CIS 02-1455)

BIOMECHANICS → BODY MECHANICS

BIOTECHNOLOGY INDUSTRY

Study of the applicability of normal chemical industry plant checks to biotechnology plants (Germany), 2001 (CIS 02-1454)

Selecting operating procedures and equipment in biotechnology laboratories in Germany

(CIS 02-1455)BIOTRANSFORMATION → METABOLIC PROCESS

BIPHENYL

Summary of toxicology and ecotoxicology of 9 chemicals (Germany), 2000 (CIS 02-1134)

BIRD BREEDING → LIVESTOCK REARING

N,N'-BIS(1-METHYLPROPYL)-1,4-DIAMINO BENZENE → N,N'-DI-SEC-BUTYL-P-PHENYLENEDIAMINE

BIS(2-CHLOROETHYL) ETHER

Summary of toxicology and ecotoxicology of 9 chemicals (Germany), 2000 (CIS 02-1134)

2,2-BIS(BROMOMETHYL)PROPANE-1,3-DIOL

Evaluation of the carcinogenic risks of selected industrial chemicals (CIS 02-335)

BIS(ETHYLHEXYL) PHTHALATE

Data sheet on bis(ethylhexyl) phthalate (France), 1994 (CIS 02-41)

BIS(TRIBUTYL TIN) OXIDE → TRIBUTYL TIN OXIDE

BISCUIT MAKING INDUSTRY → BAKERY PRODUCTS INDUSTRY

BISPHENOL A

Summary of toxicology and ecotoxicology of 9 chemicals (Germany), 2000 (CIS 02-1134)

BISULFITES

Data sheet on ammonium bisulfite (IPCS, Spain), 1991-1999 (CIS 02-1089)

BITUMEN

Current practices for reducing worker exposures to asphalt fumes during the manufacture of asphalt roofing products (CIS 02-339)

Case-control study of lung cancer and non-malignant respiratory disease risk among asphalt roofing manufacturing and asphalt production workers (CIS 02-1683)

Spectrophotometric determination of organic soluble matter in bitumen fumes (CIS 02-1781)

BLACK LIGHT → ULTRAVIOLET RADIATION

BLACK LUNG → COALWORKERS PNEUMOCONIOSIS

BLADDER TUMOUR

Booklet on the detection, reporting and compensation of occupational bladder cancer (CIS 02-203)

Population-based case-control study of the relation between occupation and bladder cancer in Iowa (CIS 02-1243)

BLAST FURNACES

Safety techniques and development of a pyrotechnic system for hot mass blasting (CIS 02-886)

BLINDNESS

Personal accounts of vision-impaired workers working in normal working environments (CIS 02-1971)

BLOOD

Study of the risk of occupational exposure to blood-transmissible diseases among prison guards (CIS 02-941)

Practical guide on the steps to be taken in cases of accidental exposure to blood or biological fluids (Tunisia) (CIS 02-1176)

Epidemiological studies of accidents involving exposure to blood among private sector health care workers in the Paris area (CIS 02-1939)

Proposed procedure to be adopted in non-hospital environments following injuries by potentially-contaminated blood-stained objects (CIS 02-1945)

BLOOD COUNT

Study of the relationship between haematocrit and the risk of hypertension in middle-aged Japanese male office workers (CIS 02-1652)

BLOOD DERIVATIVES INDUSTRY → PHARMACEUTICAL INDUSTRY

BLOOD MONITORING

Neurological effects in workers following exposure to manganese (CIS 02-1320)

BLUE ASBESTOS → CROCIDOLITE

BLUE-COLLAR WORKERS

Mortality of blue-collar and white-collar workers in a petroleum refining plant in Italy (CIS 02-236)
Relationship between occupation and risk of permanent disability in the elderly in Taiwan (CIS 02-600)

BOARD-MAKING INDUSTRY → PULP AND PAPER INDUSTRY

BODY MECHANICS

Study of the effects of lifting unexpectedly heavy objects on low-back loading and balance loss (CIS 02-1954)
Literature review of biomechanical and psychophysical research on risk factors associated with low-back pain (CIS 02-1968)
Literature review of biomechanical and psychophysical research on risk factors associated with upper extremity disorders (CIS 02-1969)

BODY POSTURE → WORK POSTURE

BODY-CORE TEMPERATURE

Study of body core temperature of underground miners (CIS 02-901)

BOILERS → FIRED PRESSURE VESSELS

BOLTS → FASTENERS

BONDING EQUIPMENT → EARTHING

BONE LESIONS

Case of occupational stress fracture in a health care worker (CIS 02-684)

BONE MARROW DISEASES

Long-term study of the relationship between benzene exposure and haematopoietic mortality (CIS 02-1805)

BORANES

Data sheet on boranes (France), 1987 (CIS 02-59)

BOREDOM → MONOTONOUS WORK

BORON

Information sheet on boron and its compounds (France), 2002 (CIS 02-1402)

BORON AND COMPOUNDS

Information sheet on boron and its compounds (France), 2002 (CIS 02-1402)

BORON HYDRIDES → BORANES

BOSNIA AND HERZEGOVINA

Law on construction safety (Bosnia and Herzegovina), 2002 (CIS 02-1024)

BOVINE SPONGIFORM ENCEPHALOPATHY

Answers to frequently-asked-questions on the risk of transmission of bovine spongiform encephalopathy to workers in the meat industry (CIS 02-435)

BRAIN

Assessment of neurotoxic impairment using cerebral magnetic resonance imaging on solvent-exposed workers (CIS 02-812)
Cases of frontotemporal dementia revealed during work (CIS 02-977)

BRAIN CANCER

Case-control study of occupational risk factors of brain cancer (CIS 02-656)
Epidemiologic study on cancer frequency rates in a US petrochemical research facility (CIS 02-1231)
Cohort study on the relationship between brain and nervous-system cancers and occupational exposures among Finnish women (CIS 02-1241)

BRAKES

Safety aspects of braking systems of pedestrian-operated industrial trucks (CIS 02-423)

BRAKING → DECELERATION

BRASSFOUNDERS AGUE → METAL FUME FEVER

BRAZIL

Non-malignant asbestos-related diseases among Brazilian asbestos-cement workers (CIS 02-769)
Working documents of a training course on the prevention of fatal occupational accidents in Brazil (CIS 02-1565)
Working documents of a course on occupational safety and health strategy in Brazil (CIS 02-1567)

Working documents of a training course on occupational safety and health management in the farming sector in Brazil (CIS 02-1570)

Working documents of an introductory course on chemical safety and the prevention of major accidents in Brazil (CIS 02-1583)

Occupational accident statistics (Brazil), 2000 (CIS 02-1615)

New Brazilian OSH systems and incidence and mortality indicators of occupational accidents (CIS 02-1631)

Occupational accident insurance and employers' civil responsibility in Brazil (CIS 02-1632)

Handbook of occupational diseases aimed at health services (Brazil), 2001 (CIS 02-1715)

BREAST CANCER

Investigation of the relationship between breast cancer in men and exposure to electromagnetic fields (CIS 02-1425)

Population-based case-control study of the relationship between occupation and breast cancer risk among Chinese women (CIS 02-1676)

BREATH ANALYSIS → DETERMINATION IN EXHALED AIR

BREATH-HOLD DIVING → DIVING

BREATHING APPARATUS → RESPIRATORS

BREATHING ATMOSPHERE

Exposure evaluation of dry cleaning workers to aromatic compounds and to tetrachloroethylene (CIS 02-290)

Indoor air quality of metropolitan New York commercial office buildings (CIS 02-1777)

Study of the effect of an improved work environment on labour productivity in a storage facility (CIS 02-1973)

BREATHING RESISTANCE

Work capacity modifications in workers wearing respirators through different breathing resistances (CIS 02-459)

BREATHLESSNESS → DYSPNOEA

BREWERIES

Report on frequency rates of musculoskeletal disorders in the food and drink industries as a function of the weight of the loads lifted (United Kingdom), 2002 (CIS 02-1742)

BRICK AND TILE INDUSTRY

Risk factors for musculoskeletal disorders in a handmade brick manufacturing plant (CIS 02-448)
Neuro-ototoxicity among workers of the ceramic tile lead-glazing cottage industry workers (CIS 02-1659)
Information note on priorities for safety and health in the ceramics industry (United Kingdom), 2002 (CIS 02-1756)
Information note on the control of exposure to silica dust in small potteries (United Kingdom), 2002 (CIS 02-1858)

BRICKLAYING

Physical workload among bricklayers (CIS 02-444)
Study of the causes of mortality among construction plasterers and cement masons (CIS 02-1274)

BRICKYARDS → BRICK AND TILE INDUSTRY

BRIDGE BUILDING

Lead exposure among workers renovating a bridge (CIS 02-319)
Results of a lead-exposure reduction programme in road construction workers (CIS 02-1373)

BRITAIN → UNITED KINGDOM

BRITISH COLUMBIA

Regulations on occupational health and safety (Canada - British Columbia), 1997 (CIS 02-1016)
Cohort study of cancer morbidity in the pulp and paper industry in British Columbia (Canada) (CIS 02-1252)

BROMOMETHANE → METHYL BROMIDE

1-BROMOPROPANE

Criteria document on 1-bromopropane (CIS 02-858)
Guide to assessing hazards from exposure to n-propyl bromide (CIS 02-1559)

BRONCHIAL ASTHMA → ASTHMA

BRONCHIAL CANCER

Risk of bronchopulmonary cancer in a stainless and alloyed steels plant in France (CIS 02-1247)

BRONCHITIS

Work-related respiratory symptoms in New Zealand farmers (CIS 02-1245)

BRONCHOGENIC CARCINOMA → BRONCHIAL CANCER

BRONCHOPULMONARY LAVAGE

Importance of broncho-alveolar lavage in demonstrating previous exposure to asbestos (CIS 02-1774)

BROOMS → BRUSHES

BRUISE → CONTUSION

BRUSHES

Safety regulations and application directive for grinding and brushing tools (Germany), 2002 (CIS 02-1531)

BRUSSELS-CAPITAL REGION

Ordinance on safe work involving asbestos decontamination and encapsulation (Belgium - Brussels-Capital Region), 2001 (CIS 02-1520)

BSE → BOVINE SPONGIFORM ENCEPHALOPATHY

BUILDING INDUSTRY

Preventive measures applicable to the selective demolition and dismantling aimed at the re-use of materials (Germany), 1999 (CIS 02-251)
Information note on work plans for removing or maintaining of asbestos-containing materials (Spain), 1999 (CIS 02-357)
Code of practice for the safe use of synthetic vitreous fibre insulation wools (ILO), 2001 (CIS 02-376)
Guidance for hazard identification aimed at building contractors in Australia (CIS 02-741)
Effective occupational health and safety management systems for building contractors in Australia (CIS 02-742)
Indicators for the measurement of safety performance in building contractors' workplaces in Australia (CIS 02-743)
Questionnaire for the evaluation of safety and health hazards associated with the use of resins during the laying of floorcovering (CIS 02-840)
Evaluation of a training programme to reduce lead exposure among building industry painters (CIS 02-841)
Study of the causes of mortality among construction plasterers and cement masons (CIS 02-1274)
Preventing falls from heights and electrical accidents during light and rapidly-executed construction work (CIS 02-1288)
Special feature on hazards due to lead (CIS 02-1336)
Survey on safety culture in the construction industry in the United States (CIS 02-1438)
Preventing falls from heights in the building industry (CIS 02-1439)
Leaflet on the responsibilities of clients having construction work done with respect to safety and health (United Kingdom), 2002 (CIS 02-1574)
Full text and interpretation of the main provisions of the law on the prevention of occupational hazards (Spain), 1996 (CIS 02-1753)

BUILDING MATERIALS

Practical issues relating to the effects of the transposition into French legislation of the "Construction Products" European Directive (CIS 02-1275)

BUILDING PANELS

Description of a fatal accident in a woodworking shop caused by the weight of particleboard panels (CIS 02-921)

BUILDING SITES → CONSTRUCTION SITES

BUILDINGS

Emergency stairway regulations (Costa Rica), 1977, 1980 (CIS 02-529)
Design guide for the layout of chemical laboratories (France), 2002 (CIS 02-1757)
Exposure to artificial fibres in public buildings (CIS 02-1773)
Voltage control and earthing in buildings to prevent electrical accidents (CIS 02-1881)

BUILT-IN SAFETY → SAFETY BY DESIGN

BULGARIA

Labour code (Bulgaria), 1986-2001 (CIS 02-504)

Law on occupational safety and health (Bulgaria), English translation, 1997 (CIS 02-505)
Order on risk assessment of new chemicals (Bulgaria), 2002 (CIS 02-522)
Law on nuclear safety (Bulgaria), 2002 (CIS 02-534)
Decree on minimum requirements for occupational safety and health in workplaces (Bulgaria), English translation, 1999 (CIS 02-1503)
Regulation on the safety requirements and inspection of pressurized equipment (Bulgaria), 2001 (CIS 02-1532)

BULK LIQUID CONTAINERS

Pilot-scale experiments to simulate the spreading of liquids leaking from bulk storage tanks (CIS 02-1866)

BULLYING

General review article on bullying (CIS 02-485)
Retrospective cross-sectional study of mobbing (CIS 02-985)
Psychological harassment and employee rights in Spain (CIS 02-993)
Legal aspects of bullying at work in France (CIS 02-994)
Study of bullying at the workplace in Germany (CIS 02-1000)
Survey of violence at work in the European Union (CIS 02-1490)
Review article on bullying aimed at occupational physicians in France (CIS 02-1985)
Neuropsychic stress derived from labour-management relations (CIS 02-1986)
Risk awareness of bullying and mobbing (CIS 02-1987)

BUOYANT WORK VESTS → LIFEJACKETS

BURNS

Fire hazards caused by aluminium regulators on oxygen cylinders (CIS 02-1862)

BUSBARS → CONDUCTORS

BUSES

Guide to hazard prevention in road passenger transport (Spain), 2002 (CIS 02-1575)
Classification of the causes of public transport bus accidents in Sweden (CIS 02-1918)

BUTADIENE

Animal models for predicting cancer risk among humans on exposure to 1,3-butadiene (CIS 02-811)

1,4-BUTANEDIOL

Toxicological data for the hazard assessment of seven chemicals (UNEP), 2002 (CIS 02-1560)

BUTANETHIOL

Data sheet on methylmercaptan, ethanethiol and butanethiol (France), 1992 (CIS 02-61)

BUTANONE PEROXIDE

Data sheet on butanone peroxide (France), 1997 (CIS 02-547)

BUTCHERS TRADE → MEAT INDUSTRY

BUTT WELDING → RESISTANCE WELDING

BUTYL MERCAPTAN → BUTANETHIOL

4-TERT-BUTYLBENZALDEHYDE

Criteria document on 4-tert-butylbenzaldehyde (Germany), 2001 (CIS 02-1129)

p-TERT-BUTYLPHENOL

Toxicological data for the hazard assessment of seven chemicals (UNEP), 2002 (CIS 02-1560)

BYSSINOSIS

Prevalence of occupational diseases among workers of a cotton mill in India (CIS 02-682)
Compensation of cases of byssinosis among textile workers in Amritsar, India (CIS 02-729)
Monitoring for air contamination by cotton dust in cotton seed milling machines in Uzbekistan (CIS 02-1313)

Safety implications of the ageing of low-voltage cables (CIS 02-393)

CADMIUM

Relationship between smoking and blood cadmium concentrations among young workers in a cadmium and zinc extraction facility (CIS 02-783)
Case report of amyotrophic lateral sclerosis in a worker exposed to cadmium (CIS 02-819)
Data sheet on cadmium and its inorganic compounds (France), 1997 (CIS 02-1063)
DNA microarray analysis of a human gene expression induced by a non-lethal dose of cadmium (CIS 02-1789)

CADMIUM AND COMPOUNDS

Data sheet on cadmium (France), 2001 (CIS 02-362)
Data sheet on cadmium and its inorganic compounds (France), 1997 (CIS 02-1063)
DNA microarray analysis of a human gene expression induced by a non-lethal dose of cadmium (CIS 02-1789)

CADMIUM CHLORIDE

Data sheet on cadmium and its inorganic compounds (France), 1997 (CIS 02-1063)

CADMIUM NITRATE

Data sheet on cadmium and its inorganic compounds (France), 1997 (CIS 02-1063)

CADMIUM OXIDE

Data sheet on cadmium and its inorganic compounds (France), 1997 (CIS 02-1063)

CADMIUM SULFATE

Data sheet on cadmium and its inorganic compounds (France), 1997 (CIS 02-1063)

CADMIUM SULFIDE

Data sheet on cadmium and its inorganic compounds (France), 1997 (CIS 02-1063)

CAISSON DISEASE → DECOMPRESSION SICKNESS

CALCIUM ARSENATE

Data sheet on arsenic and its inorganic compounds (France), 1992 (CIS 02-63)

CALCIUM FLUORIDE

Data sheet on alkali metal and alkaline-earth fluorides (France), 1992 (CIS 02-62)

CALIBRATION

Testing of calibration equipment for air sampling pumps (CIS 02-266)
International standard on the calibration of radiation protection devices (ISO), 2000 (CIS 02-1907)

CALIFORNIA

Study of pesticide-related illness among migrant farm workers in the United States (CIS 02-832)

CALL CENTRES

Predictors of musculoskeletal disorders among call-centre workers based on job analysis and workers' perceptions (CIS 02-1952)

CALORIC EXPENDITURE → ENERGY EXPENDITURE

CANADA

Safety and health guide aimed at welders (Canada), 1999 (CIS 02-89)
Safety and health guide for school workers (Canada), 2001 (CIS 02-92)
Safety and health guide aimed at food service workers (Canada), 2002 (CIS 02-93)
Safety and health guide on indoor air quality (Canada), 1999 (CIS 02-95)
Training booklet on the effects of toxic substances (Canada) (CIS 02-96)
Training booklet on the identification and measurement of hazards from toxic substances (Canada) (CIS 02-97)
Training booklet on controlling chemical health hazards (Canada) (CIS 02-98)
Training booklet on personal hygiene and respiratory equipment (Canada) (CIS 02-99)
Training booklet on fire and explosions hazards of chemicals and their control (Canada) (CIS 02-102)
Guide for the control of noise in industry (Canada), 2000 (CIS 02-104)
Safety and health guide for work in cold weather (Canada), 1999 (CIS 02-106)

Safety and health guide for work in warehouses (Canada), 1999 (CIS 02-107)

Guide to the implementation of an office ergonomics programme (Canada), 2001 (CIS 02-112)

Guide to the prevention of violence at the workplace (Canada), 2001 (CIS 02-114)

Tractor work among children on North American farms (CIS 02-227)

Regulations on occupational health and safety (Canada - British Columbia), 1997 (CIS 02-1016)

Information note on regulations concerning industrial chemicals (Japan), 1998/4 (CIS 02-1332)

Information note on regulations concerning industrial chemicals (Japan), 1999/1 (CIS 02-1333)

Guidance to the prevention of SARS infection among health care workers (Canada), 2003 (CIS 02-1460)

Law modifying the legislative measures concerning the provincial occupational health and safety fund and obliging the Occupational Health and Safety

Commission to publish a declaration concerning its objectives (Canada - Quebec), 2003 (CIS 02-1502)

Regulations on occupational health and safety (Canada - Quebec), 2001 (CIS 02-1506)

Study of the effectiveness of construction site safety inspections in reducing occupational accidents (CIS 02-1733)

CANCER

Mortality from six work-related cancers among African American and Hispanic workers (CIS 02-177)

Importance of genetic factors in the individual susceptibility to diseases caused by occupational exposure at the workplace (CIS 02-180)

Availability and quality of industry and occupation information in the Massachusetts Cancer Registry (CIS 02-184)

Booklet on the detection, reporting and compensation of occupational cancers (CIS 02-201)

Cancer mortality among hairdressers and barbers in the United States (CIS 02-242)

Update of cancer mortality in a cohort of workers of the North American vinyl chloride industry (CIS 02-297)

Study of the relation between parental occupations and childhood cancer in Sweden (CIS 02-649)

Study of cancer mortality of Belgian coal miners having received compensation for silicosis (CIS 02-676)

Analysis of respiratory, cardiac, and cancer outcomes in auto industry tool grinding operations using medical insurance claims (CIS 02-678)

Information sheet on work-related cancer (France), 2001 (CIS 02-698)

Study of the risk of cancer among painters and workers in the paint manufacturing industry in Sweden (CIS 02-702)

Effects of climatic conditions favouring fungal growth in grain on hormone-dependent cancer and adverse reproductive outcomes in farmers' families (CIS 02-709)

Cohort study of cancer frequency rates in the rubber industry in the United Kingdom (CIS 02-728)

Epidemiologic study on cancer frequency rates in a US petrochemical research facility (CIS 02-1231)

Cancer mortality study of employees at lead battery plants and lead smelters in the US (CIS 02-1246)

Case-referent study of cancer mortality among sulfate process pulp mill workers in Sweden (CIS 02-1251)

Meta-analysis of formaldehyde exposure and pancreatic cancer (CIS 02-1317)

Cancer incidence among Danish workers exposed to trichloroethylene (CIS 02-1321)

Study of two cohorts of workers exposed to methyl methacrylate in acrylic sheet production (CIS 02-1325)

Study of cancer risk in a population having been exposed over a long time to ammonium perchlorate and trichloroethylene in drinking water (CIS 02-1356)

Report of the results of an on-going cancer control programme at the worksite (CIS 02-1657)

Development of a carcinogen exposure assessment system for an international study on cancer risks among paper industry workers (CIS 02-1690)

Effectiveness of workplace health promotion programmes in reducing cancer risk (CIS 02-1699)

Case-control study of cancer risk among male farmers (CIS 02-1725)

Long-term study of the relationship between benzene exposure and haematopoietic mortality (CIS 02-1805)

Evaluation of the carcinogenic risks of man-made vitreous fibres (IARC), 2002 (CIS 02-1834)

CANCER OF THE SKIN → SKIN CANCER

CANNING INDUSTRY (MEAT) → MEAT INDUSTRY

CANTEENS

Review of regulations concerning company canteens (France), 1999 (CIS 02-157)

CAPE BLUE → CROCIDOLITE

CAR-BODY REPAIR → COACHWORK

CARBAMATES

Agricultural exposure to carbamate pesticides and risk of non-Hodgkin lymphoma in the United States (CIS 02-1352)

CARBENDAZIM → METHYL 2-BENZIMIDAZOLYL CARBAMATE

CARBON

Survey of exposure to diesel engine exhaust emissions in the workplace (CIS 02-283)

CARBON DIOXIDE

Data sheet on carbon dioxide (France), 2001 (CIS 02-1144)

Indoor air quality of metropolitan New York commercial office buildings (CIS 02-1777)

CARBON DISULFIDE

Mortality in a cohort of viscose plant workers exposed to carbon disulfide (CIS 02-810)

CARBON FIBRES

Characterization of particulate matter in smoke released during carbon/epoxy composite material combustion (CIS 02-1348)

CARBON MONOXIDE

Data sheet on carbon monoxide (France), 1996 (CIS 02-544)

Review article on occupational carbon monoxide poisoning (CIS 02-782)

Indoor air quality of metropolitan New York commercial office buildings (CIS 02-1777)

Hazards due to the formation of carbon monoxide when using explosives in civil engineering work (CIS 02-1842)

CARBON TETRACHLORIDE

Review of substitutes for carbon tetrachloride in measuring activated carbon activity in gas removing respirators (CIS 02-303)

Summary of toxicology and ecotoxicology of 9 chemicals (Germany), 2000 (CIS 02-1134)

CARBONIC DICHLORIDE → PHOSGENE

CARBONYL CHLORIDE → PHOSGENE

CARBOXYLIC ACID ANHYDRIDES

Criteria document on mucochloric acid (Germany), 1997 (CIS 02-1540)

CARBOXYLIC ACIDS

Criteria document on α -chloropropionic acid and sodium α -chloropropionate (Germany), 1995 (CIS 02-1557)

CARCINOGENIC EFFECTS

Evaluation of the carcinogenic risks of selected industrial chemicals (CIS 02-335)

Literature review of the reproductive toxicity and carcinogenicity of lead (CIS 02-1337)

Evaluation of the carcinogenic risks of static and extremely low-frequency (ELF) electric and magnetic fields (IARC), 2002 (CIS 02-1433)

Evaluation of the carcinogenic risks of man-made vitreous fibres (IARC), 2002 (CIS 02-1834)

CARCINOGENS

Regulation on carcinogens (Finland), 2000 (CIS 02-17)

Decree for the prevention of the hazards of carcinogenicity, mutagenicity and reproductive toxicity associated with workplace exposures to chemical substances (France), 2001 (CIS 02-18)

Data sheet on bis(ethylhexyl) phthalate (France), 1994 (CIS 02-41)

Data sheet on epichlorohydrin (France), 2000 (CIS 02-58)

Data sheet on arsenic and its inorganic compounds (France), 1992 (CIS 02-63)

Data sheet on polychlorinated biphenyls (France), 1992 (CIS 02-65)

Training programme aimed at industrial physicians on carcinogens at the place of work (CIS 02-100)

Use of T25 estimates and alternative methods in the regulatory risk assessment of non-threshold

carcinogens in the European Union (ECETOC), 2002 (CIS 02-337)

List of substances with carcinogenic or mutagenic effects or toxicity to reproduction with their threshold limit values in air (Germany), 2001 (CIS 02-366)

Information note on carcinogenic substances and preparations covered by Directive 90/394/EEC (Spain), 1999 (CIS 02-369)

Regulation on the protection of workers against carcinogenic and mutagenic substances (Luxembourg), 2002 (CIS 02-519)

Order on the protection of workers against carcinogenic and mutagenic agents (Slovak Republic), 2002 (CIS 02-523)

Data sheet on carbon monoxide (France), 1996 (CIS 02-544)

Data sheet on ethanol (France), 1997 (CIS 02-545)

Data sheet on benzene (France), 1997 (CIS 02-546)

Information sheet on work-related cancer (France), 2001 (CIS 02-698)

Review of the carcinogenicity of chrysotile asbestos (CIS 02-779)

Trend of airborne asbestos concentrations in Japanese plants manufacturing asbestos-containing products (CIS 02-780)

List of carcinogens, mutagens and substances toxic for reproduction and their regulatory classification (France), 2002 (CIS 02-787)

Review of asbestos-related lung cancer and mesothelioma in Japan (CIS 02-816)

Review of 557 cases of malignant pleural mesothelioma (CIS 02-817)

Study of the possible confounding by carcinogens of the relation between lung cancer risk, silica exposure and silicosis among Chinese mining and pottery industry workers (CIS 02-846)

Resolution on the National Registry of Carcinogenic Substances and Agents (Argentina), 2002 (CIS 02-1032)

Ordinance modifying the 2000 ordinance on the protection of workers against exposure to carcinogenic substances (Hungary), 2002 (CIS 02-1033)

Data sheet on lead and its inorganic compounds (France), 1998 (CIS 02-1062)

Data sheet on cadmium and its inorganic compounds (France), 1997 (CIS 02-1063)

Data sheet on isopropyl alcohol (France), 1992 (CIS 02-1069)

Data sheet on nickel and its inorganic compounds (France), 1992 (CIS 02-1071)

Data sheet on ethylene oxide (France), 1992 (CIS 02-1072)

Data sheet on o-toluidine (France), 1992 (CIS 02-1101)

Data sheet on antimony trioxide (France), 2000 (CIS 02-1102)

Data sheet on ethidium bromide (France), 2000 (CIS 02-1142)

Data sheet on triglycidyl isocyanurate (France), 2000 (CIS 02-1143)

Comparison of the carcinogenic risk assessment and management of asbestos, nickel and ionizing radiation (CIS 02-1259)

Development of a carcinogen exposure assessment system for an international study on cancer risks among paper industry workers (CIS 02-1690)

Information note on the implications of the reclassification of trichloroethylene on the metal industry (United Kingdom), 2002 (CIS 02-1851)

CARDIAC DEFIBRILLATION

Benefits of installing automated external defibrillators in occupational settings (CIS 02-1702)

CARDIAC DISEASES → HEART DISEASES

CARDIAC OUTPUT

Method for computing the cardiac strain of jobs (CIS 02-195)

CARDIOLOGICAL EFFECTS

Relationship between lead exposure and blood pressure and left ventricular mass among workers of a battery manufacturing facility (CIS 02-318)

CARDIOPULMONARY RESUSCITATION → RESUSCITATION

CARDIOVASCULAR DISEASES

Collection of articles and short communications on the workplace and cardiovascular disease (CIS 02-207)

Cohort study of cardiovascular diseases, shift work and other risk factors in Denmark (CIS 02-1255)

Metabolic studies and shift work in nursing personnel (CIS 02-1473)

CARDIOVASCULAR DISORDERS

Exposure evaluation of the pathological risks incurred by Italian police forces and their prevention (CIS 02-224)

CARGO HANDLING → DOCK WORK

CARPAL-TUNNEL SYNDROME

Incidence of carpal tunnel syndrome among workers in an Egyptian electronics assembly factory (CIS 02-457)

Study of the carpal tunnel syndrome among vineyard workers involved in grapevine pruning (CIS 02-952)

Epidemiologic study on injuries to upper extremities in US workers (CIS 02-1257)

CARPENTRY

Case study of sensitization dermatitis in carpenters (CIS 02-792)

CASE HISTORY → ANAMNESIS

CASE LAW

Legal comment on the concept of inexcusable error (CIS 02-1596)

Recent trends in occupational safety and health jurisprudence in France (CIS 02-1618)

CASE REGISTRY → HEALTH SERVICE RECORDS

CASH REGISTERS

Evaluation of the working conditions of supermarket cashiers in Portugal (CIS 02-1294)

Ergonomic study of women cashiers at a large Tunisian retailer (CIS 02-1471)

CASHIERS, TELLERS AND RELATED CLERKS

Study of the job of women supermarket cashiers (CIS 02-1953)

CASINOS

Development of a method for the detection of nicotine in air (CIS 02-1791)

Survey of the perception of indoor air quality and comfort in hotel and entertainment environments (CIS 02-1887)

CATALYSTS

Criteria document on thiourea (Germany), 1995 (CIS 02-580)

Criteria document on triethylenediamine (Germany), 1995 (CIS 02-1555)

CATERING INDUSTRY → HOTEL INDUSTRY

CATTLE BREEDING → LIVESTOCK REARING

CAUSES OF ACCIDENTS

Retrospective analysis of the causes of electrical accidents (Germany), 2002 (CIS 02-891)

Recommendations for the prevention of construction industry accidents involving falls from low heights in Germany (CIS 02-931)

Information note on priorities for safety and health in the ceramics industry (United Kingdom), 2002 (CIS 02-1756)

CAUTION SIGNS → HAZARD IDENTIFICATION

CD-ROM

Using the ILO Encyclopaedia of Occupational Health and safety as a source of definitions in the OSH field (CIS 02-1609)

CEILING VALUES → THRESHOLD LIMIT VALUES

CELL CULTURE

Study of the influence of polymorphisms of detoxification enzyme genes on sister chromatid exchange induction by epoxides in cultured human lymphocytes (CIS 02-867)

CELLOSOLVE → ETHOXYETHANOL

CELLULAR PLÁSTICS → EXPANDED PLASTICS

CEMENT

40-year literature review of cement burn case studies (CIS 02-798)

Special feature on occupational skin diseases caused by cement (CIS 02-1234)

Information note on occupational skin diseases due to cement (France), 2001 (CIS 02-1264)

Information sheet on cement (France), 2002 (CIS 02-1401)

CEMENT (ADHESIVE) → ADHESIVES

CEMENT (MASONRY) → CEMENT

CEMENT (SEALANT) → SEALANTS

CEMENT INDUSTRY

Effectiveness of local exhaust ventilation in reducing exposure to dust during concrete cutting and grinding (CIS 02-1364)

Evaluation of the health hazards due to chemicals in quarries and cement plants (CIS 02-1730)

Evaluation of the hazards due to physical agents in quarries and cement plants (CIS 02-1731)

CERAMIC FIBRES

Data sheet on man-made fibres (Italy), 2001 (CIS 02-356)

Exposure evaluation to ceramic fibres during insulating work on electrical equipment (CIS 02-1776)

Evaluation of the carcinogenic risks of man-made vitreous fibres (IARC), 2002 (CIS 02-1834)

CERAMICS INDUSTRY → POTTERY INDUSTRY

CEREAL FARMING

Effects of climatic conditions favouring fungal growth in grain on hormone-dependent cancer and adverse reproductive outcomes in farmers' families (CIS 02-709)

CERTIFICATES OF COMPETENCE → QUALIFICATIONS

CERTIFICATION BY FIRE AUTHORITIES → LICENSING OF UNDERTAKINGS

CERTIFICATION OF EQUIPMENT → APPROVAL

CERVICAL CANCER → UTERINE CANCER

CERVICAL COLUMN

Long-term case-control study of risk factors for neck and shoulder disorders (CIS 02-176)

CERVICALGIA → NECK DISORDERS

CERVICOBRACHIAL SYNDROME

Long-term case-control study of risk factors for neck and shoulder disorders (CIS 02-176)

Use of external health care or company programs neck and upper limb problems among workers at a newspaper (CIS 02-239)

Association between plasma testosterone and work-related neck and shoulder disorders among female workers (CIS 02-655)

Case-control study of the relation between neck and shoulder pain, conditions of work and duration of exposure (CIS 02-1224)

Literature review of biomechanical and psychophysical research on risk factors associated with upper extremity disorders (CIS 02-1969)

CHAIN SAWS

Safe working methods with top-handled chainsaws (CIS 02-420)

CHAIRS → SEATS

CHANGE OF EMPLOYMENT

Healthy worker survivor effect in a cohort of workers in the construction industry (CIS 02-680)

CHARACTER

Effect of job insecurity, coping resources and personality dispositions on occupational strain indicators (CIS 02-488)

Relationship between exposure to organic solvents and personality characteristics (CIS 02-801)

CHECK LISTS

Use of check-lists to evaluate chair comfort (CIS 02-1956)

CHEMICAL BURNS

40-year literature review of cement burn case studies (CIS 02-798)

CHEMICAL CARTRIDGE RESPIRATORS → GAS REMOVING RESPIRATORS

CHEMICAL HAZARDS

Hazard evaluation of the arduous working conditions of art restorers (CIS 02-245)

Tax incentives for controlling chemical hazards in Singapore (CIS 02-286)

Development of a methodology to design and evaluate effective risk messages and its application to the electroplating industry (CIS 02-354)

Comments on the Ordinance on major-accident hazards and the Seveso II Directive (Germany), 2001 (CIS 02-388)

Law on chemical safety (Germany), 1994-2002 (CIS 02-518)

Order on risk assessment of new chemicals (Bulgaria), 2002 (CIS 02-522)

Order on the protection of workers against chemical hazards (Slovak Republic), 2002 (CIS 02-524)

Dictionary of industrial chemicals (CIS 02-865)

Principles to be followed when evaluating the exposure to dangerous chemicals (France), 2002 (CIS 02-876)

Principles of technical preventive measures against chemical hazards (France), 2002 (CIS 02-877)

CD-ROM of dangerous substance databases (USA), 2000 (CIS 02-880)

Notification concerning the special obligations of producers, suppliers and importers of substances and materials under the Working Environment Act (Denmark), 2002 (CIS 02-1027)

Investigation of an accident in a sewer leading to exposure to fluorinated hydrocarbons (CIS 02-1322)

Regulation on chemical safety (Ireland), 2001 (CIS 02-1524)

Exposure to chemical and physical risk factors in hazardous waste management facilities (CIS 02-1723)

Survey of the level of understanding of chemical hazards by workers in the small enterprises in the electroplating industry (CIS 02-1820)

CHEMICAL INDUSTRY

Planning and design of gas alarm systems in chemical plants (CIS 02-324)

Control of leaks in the chemical and petroleum industries (CIS 02-381)

Assessing the impact on safety of staffing reductions in the chemical and allied industries (United Kingdom), 2001 (CIS 02-386)

Assessment of emergency preparedness in industries exposed to major accident hazards (United Kingdom), 2001 (CIS 02-387)

Criteria document on 1-naphthylamine (Germany), 1995 (CIS 02-563)

Criteria document on fluorobenzene (Germany), 1995 (CIS 02-564)

Criteria document on chloroacetyl chloride (Germany), 1995 (CIS 02-565)

Criteria document on triethyl phosphite (Germany), 1995 (CIS 02-566)

Criteria document on thiourea (Germany), 1995 (CIS 02-580)

Criteria document on m-chlorobenzotrifluoride (Germany), 1997 (CIS 02-584)

Criteria document on glyoxal (Germany), 1997 (CIS 02-586)

Criteria document on isoamyl alcohol (Germany), 1997 (CIS 02-587)

Long-term mortality study among employees of a chemical company (CIS 02-701)

Occupational hazards for pregnant women (France), 2002 (CIS 02-757)

Information sheet on Japanese regulations concerning industrial chemicals (CIS 02-785)

Information sheet on Japanese regulations concerning industrial chemicals (CIS 02-786)

Concise chemical assessment document on chloral hydrate (WHO), 2000 (CIS 02-1124)

Information note on regulations concerning industrial chemicals (Japan), 1998/2 (CIS 02-1330)

Information note on regulations concerning industrial chemicals (Japan), 1998/3 (CIS 02-1331)

Information note on regulations concerning industrial chemicals (Japan), 1998/4 (CIS 02-1332)

Information note on regulations concerning industrial chemicals (Japan), 1999/1 (CIS 02-1333)

Concise chemical assessment document on benzoic acid and sodium benzoate (WHO), 2000 (CIS 02-1393)

Analysis of the causes of an accidental explosion in a chemical plant (CIS 02-1410)

Criteria document on isobutene (Germany), 1997 (CIS 02-1538)

Criteria document on aminoguanidine bicarbonate (Germany), 1997 (CIS 02-1541)

Criteria document on benzyl chloride (Germany), 1997 (CIS 02-1542)

Criteria document on dinoseb (Germany), 1997 (CIS 02-1546)

Criteria document on dimethyl chlorothiophosphate (Germany), 1995 (CIS 02-1548)

Criteria document on α -chloropropionic acid and sodium α -chloropropionate (Germany), 1995 (CIS 02-1557)

Basic guide to the 2002 British regulations on hazard information for and packaging of chemicals (United Kingdom), 2002 (CIS 02-1580)

Booklet providing basic guidance on British regulations on hazard information and packaging of chemicals (United Kingdom), 2002 (CIS 02-1582)

Proposed approach for estimating workplace risk (CIS 02-1599)

Description of a workers' union occupational safety and health training programme in the hazardous waste industry (CIS 02-1740)

Guidelines for proof testing of safety instrumented systems in the chemical industry in the United Kingdom (CIS 02-1871)

CHEMICAL PRODUCTS

Environmental health criteria on principles for evaluating health risks to reproduction associated with exposure to chemicals (WHO), 2001 (CIS 02-70)

Training booklet on fire and explosions hazards of chemicals and their control (Canada) (CIS 02-102)

Relationship between occupational exposure and risk of endometrial and cervix cancer in Finland (CIS 02-173)

Epidemiology of skin and respiratory diseases among hairdressers in Finland (CIS 02-209)

Computer program for assessing chemical risks in the workplace (CIS 02-281)

Comment on the Royal Decree 374/2001 (Spain) concerning the protection of workers' health and safety against risks from chemicals at the place of work (CIS 02-291)

Evaluation of the risk associated with the use of pesticides and other chemicals on farms (CIS 02-307)

Evaluation of the carcinogenic risks of selected industrial chemicals (CIS 02-335)

Occupational exposure limits for chemicals in Spain (Spain), 2001-2002 (CIS 02-343)

Hazards due to chemicals used in the ceramics industry in Limoges (CIS 02-353)

Order modifying the 1995 regulations on the notification, classification, packaging and labelling of dangerous chemicals (Spain), 2002 (CIS 02-521)

List of carcinogens, mutagens and substances toxic for reproduction and their regulatory classification (France), 2002 (CIS 02-787)

Dictionary of industrial chemicals (CIS 02-865)

Information note on multiple chemical sensitivity and related phenomena (Spain), 2000 (CIS 02-1262)

Toxicity testing reports for 31 chemical substances (Japan), 1999 (CIS 02-1334)

Toxicity testing reports for 26 chemical substances (Japan), 1999 (CIS 02-1335)

List of occupational exposure limits for hazardous substances (United Kingdom), 2001 (CIS 02-1389)

Information note on the evaluation of daily exposure to chemicals (Spain), 2000 (CIS 02-1391)

Information note on the evaluation of short-term exposure to chemicals (Spain), 2000 (CIS 02-1392)

Information note on sampling and evaluation of daily exposure to chemicals (Spain), 2000 (CIS 02-1398)

Basic guide to the 2002 British regulations on hazard information for and packaging of chemicals (United Kingdom), 2002 (CIS 02-1580)

Working documents of an introductory course on chemical safety and the prevention of major accidents in Brazil (CIS 02-1583)

Issues relating to the development, selection and use of QSARs (ECETOC), 1998 (CIS 02-1838)

General principles to be adopted when planning environmental monitoring projects, with particular reference to aquatic pollution risk assessment (ECETOC), 1999 (CIS 02-1839)

Occupational exposure limits for chemicals (Spain), 2003 (CIS 02-1849)

CHEMICAL PROTECTIVE CLOTHING

Predicting cold strain when using chemical protective clothing in cold working environments (CIS 02-400)

Study of the efficiency of cooling systems in reducing heat strain when wearing protective clothing against toxic chemicals (CIS 02-1886)

CHEMICAL SAFETY

Manual of analytical techniques for hazardous substances, with related regulations (CIS 02-338)

Manual of analytical methods appropriate for dangerous substances, with related regulations (CIS 02-342)

Report comparing chemical safety institutions of several European countries (CIS 02-776)

Proposals for updating the Chemical Safety Action Plan of Hungary (CIS 02-777)

Manual of analytical techniques for dangerous substances, with related regulations (CIS 02-861)

Manual of analytical techniques for dangerous substances, with related regulations (Germany), 1995 (CIS 02-863)

Manual of analytical techniques for dangerous substances, with related regulations (Germany), 1996 (CIS 02-864)

Directory of international agreements, instruments, organizations and programmes related to chemicals management (UNEP), 2001 (CIS 02-1380)

Ordinance on chemical safety (Norway), 2001, amended to 2003 (CIS 02-1519)

Information note on peroxides (France), 2002 (CIS 02-1852)

CHICKEN

Reducing mechanical hazards in a chicken preparation plant by restricting access (CIS 02-1277)

CHICKENPOX

Epidemiologic study of frequency rates of varicella zoster (chickenpox) serum antibodies in health care personnel in Belgium (CIS 02-1452)

CHILD LABOUR

Clinical symptoms among children working in cotton fields in Benin (CIS 02-305)

Health and safety risks for children at work (ILO), 2002 (CIS 02-756)

CHILDREN

Tractor work among children on North American farms (CIS 02-227)

Study of the relation between parental occupations and childhood cancer in Sweden (CIS 02-649)

Literature review of the relation between paternal occupations and birth defects (CIS 02-1223)

Job study of nursery school helpers in France (CIS 02-1281)

Information note on safety and health of young workers in catering (United Kingdom), 2001 (CIS 02-1301)

CHINA

Prevalence of musculoskeletal disorders at various workplaces in China (CIS 02-182)

Occupational health survey in small-scale industries in China (CIS 02-198)

Accelerated silicosis among Chinese workers exposed to agate dust (CIS 02-268)

Estimating historical respirable crystalline silica exposures for workers in pottery and mining industries in China (CIS 02-770)

Risk of silicosis among Chinese tin miners exposed to silica (CIS 02-836)

Report of an ILO mission to China on working conditions and environmental protection (ILO), 1995 (CIS 02-1623)

Population-based case-control study of the relationship between occupation and breast cancer risk among Chinese women (CIS 02-1676)

CHINA INDUSTRY → POTTERY INDUSTRY

CHINAWARE → POTTERY

CHLORACETYL CHLORIDE

Criteria document on chloroacetyl chloride (Germany), 1995 (CIS 02-565)

CHLORAL HYDRATE

Concise chemical assessment document on chloral hydrate (WHO), 2000 (CIS 02-1124)

CHLORALOSE

Data sheet on chloralose (France), 2000 (CIS 02-1105)

CHLORAMINE-T

Information note on the prevention of health hazards due to chloramines in swimming pools and in the food industry (France), 2000 (CIS 02-1854)

CHLORINATED HYDROCARBONS

Data sheet on propylene dichloride (France), 1997 (CIS 02-1066)

Data sheet on 1,2-dichloroethylene (France), 1988 (CIS 02-1077)

Data sheet on lindane (France), 1992 (CIS 02-1078)

CHLORINATED ORGANIC COMPOUNDS

Stockholm convention on persistent organic pollutants (UNEP), 2001 (CIS 02-15)

CHLORINE

Data sheet on chlorine (France), 1996 (CIS 02-548)

Information note on the prevention of health hazards due to chloramines in swimming pools and in the food industry (France), 2000 (CIS 02-1854)

CHLORINE DIOXIDE

Criteria document gaseous chlorine dioxide (WHO), 2002 (CIS 02-579)

2-CHLORO-4-NITROANILINE

Summary of toxicology and ecotoxicology of 11 chemicals (Germany), 2001 (CIS 02-1128)

1-CHLORO-4-TRIFLUOROMETHYLBENZENE

Criteria document on 1-chloro-4-trifluoromethylbenzene (Germany), 1995 (CIS 02-1549)

CHLOROACETAMIDE

Criteria document on chloroacetamide (Germany), 2001 (CIS 02-573)

CHLOROANILINES

Criteria document on 2,4,5-trichloroaniline (Germany), 2002 (CIS 02-568)

m-CHLOROBENZOTRIFLUORIDE

Criteria document on m-chlorobenzotrifluoride (Germany), 1997 (CIS 02-584)

o-CHLOROBENZYLIDENEMALONONITRILE

Data sheet on o-chlorobenzylidenemalononitrile (France), 1987 (CIS 02-1098)

CHLORODIFLUOROMETHANE

Case description of a refrigerator serviceman who died of a heart attack following exposure to chlorodifluoromethane decomposition products (CIS 02-1799)

CHLOROETHYLENE → VINYL CHLORIDE

CHLOROFUOROXYDROCARBONS

Literature review of reported cases of poisoning from halogenated hydrocarbon substitutes (CIS 02-277)

Concise chemical assessment document on 1,1-dichloro-2,2,2-trifluoroethane (WHO), 2000 (CIS 02-1122)

CHLOROMETHANE

Data sheet on chloromethane (France), 1997 (CIS 02-1067)

CHLORONAPHTHALENES

Criteria document on chlorinated naphthalenes (WHO), 2001 (CIS 02-74)

p-CHLORONITROBENZENE

Data sheet on p-chloronitrobenzene (USA), Spanish translation, 2002 (CIS 02-53)

4-CHLOROPHENYL ISOCYANATE

Criteria document on 4-chlorophenyl isocyanate (Germany), 1997 (CIS 02-1544)

CHLOROPROPANONE → MONOCHLOROACETONE

α-CHLOROPROPIONIC ACID

Criteria document on α-chloropropionic acid and sodium α-chloropropionate (Germany), 1995 (CIS 02-1557)

CHLORPYRIFOS

Hygiene practices of pesticide sprayers when using chlorpyrifos (CIS 02-1360)

CHROMIUM

Toxicological profile for chromium (USA), update, 2000 (CIS 02-79)

Male-mediated spontaneous abortion among spouses of stainless steel welders in Denmark (CIS 02-839)

Lung cancer among workers in the production of chromates (CIS 02-1236)

Study of the effects of chromium in occupationally-exposed tannery workers (CIS 02-1825)

CHROMIUM AND COMPOUNDS

Toxicological profile for chromium (USA), update, 2000 (CIS 02-79)

Special feature on occupational skin diseases caused by cement (CIS 02-1234)

Lung cancer among workers in the production of chromates (CIS 02-1236)

Study of the effects of chromium in occupationally-exposed tannery workers (CIS 02-1825)

CHROMOSOME CHANGES

Study of the influence of polymorphisms of detoxification enzyme genes on sister chromatid exchange induction by epoxides in cultured human lymphocytes (CIS 02-867)

Review article on exposure evaluation and medical supervision of workers exposed to genotoxic substances (France), 2002 (CIS 02-875)

Literature survey on the genotoxicity of inorganic arsenic compounds (CIS 02-1786)

CHRONIC BRONCHITIS

Cross-sectional study of respiratory symptoms and lung function among heavy and highway construction workers (CIS 02-234)

CHRONIC DISABILITY → HANDICAPPED WORKERS

CHRONIC EXPOSURE → LONG-TERM EXPOSURE

CHRONIC RESPIRATORY DISEASES

Surveillance of groups at high risk of occupational chronic obstructive pulmonary disease (CIS 02-657)

Two-year study of morbidity from chronic lower respiratory diseases among elderly persons as a function of air pollution (CIS 02-1239)

CHRONIC TOXICITY

Review article on occupational carbon monoxide poisoning (CIS 02-782)

CHRYSOTILE

Review of the carcinogenicity of chrysotile asbestos (CIS 02-779)

Trend of airborne asbestos concentrations in Japanese plants manufacturing asbestos-containing products (CIS 02-780)

Health hazards due to industrial fibres (CIS 02-1376)

Proceedings of a workshop on the health effects of chrysotile asbestos (Montreal, Canada, 14-16 Sep. 1997) (CIS 02-1377)

CIGARETTE INDUSTRY → TOBACCO INDUSTRY

CINEMATICS → MECHANICS

CINIDON-ETHYL

Modification of Directive 91/414/EEC, adding 6 new substances to the list of active plant protection products (European Union), 2002 (CIS 02-1518)

CIRCADIAN RHYTHM

Study of circadian rhythm of heart rate, urinary cortisol excretion and sleep in civil air traffic controllers (CIS 02-445)

CIRCULAR SAWS

Information sheet on circular saw benches and dimension saws (France), 2001 (CIS 02-935)

CIVIL ENGINEERING

Report on practical experience in taking safety and health issues into account during the planning and implementation of an investment project in Germany (CIS 02-630)

Safety and health training programmes in civil engineering companies in the United States (CIS 02-1272)

Hazards due to the formation of carbon monoxide when using explosives in civil engineering work (CIS 02-1842)

CLASSIFICATION

Data sheet on man-made fibres (Italy), 2001 (CIS 02-356)

Information note on carcinogenic substances and preparations covered by Directive 90/394/EEC (Spain), 1999 (CIS 02-369)

Order modifying the 1995 regulations on the notification, classification, packaging and labelling of dangerous chemicals (Spain), 2002 (CIS 02-521)

Regulations on establishing the minimum degrees of hazard for hazardous substances (New Zealand), 2001 (CIS 02-1035)

Regulations on the classification of hazardous substances (New Zealand), 2001 (CIS 02-1036)

Information approved for the classification and labelling of substances and preparations dangerous for supply (United Kingdom), 2000 (CIS 02-1390)

Order modifying the 1993 Order on the classification, packaging and labelling of dangerous chemical substances (Belgium), 2002 (CIS 02-1523)

Retrospective survey of occupationally-relevant sensitizers in employed persons with a report of a skin disease (CIS 02-1679)

Approved guide for the classification and labeling of dangerous substances (United Kingdom), 2002 (CIS 02-1845)

Information approved for the classification and labelling of substances and preparations dangerous for supply (United Kingdom), 2002 (CIS 02-1848)

Classification of the causes of public transport bus accidents in Sweden (CIS 02-1918)

CLASSIFICATION SYSTEMS

Classification system for characterization of physical and non-physical work factors (CIS 02-468)

Recommendations on the transport of dangerous goods (United Nations), English version, 2001 (CIS 02-530)

Recommendations on the transport of dangerous goods (United Nations), Spanish version, 2001 (CIS 02-531)

Recommendations on the transport of dangerous goods (United Nations), Arabic version, 2002 (CIS 02-1052)

CLEANING

New method for cleaning and disinfecting protective masks (CIS 02-302)

Steps to be followed in cases of minor spills (Costa Rica) (CIS 02-592)

Guide to hazard prevention in automobile cleaning and lubricating workshops (Spain), 2002 (CIS 02-1573)

Description of an automated system for cleaning the glazing at a new airport passenger terminal (CIS 02-1761)

CLEANING OF MACHINERY → MAINTENANCE

CLEARANCE CERTIFICATES → PERMITS-TO-WORK

CLIMATE

Analysis of the relationship between the occurrence of farmer's lung disease and meteorological conditions over a 20-year period (CIS 02-1680)

CLINICAL PICTURE → SYMPTOMS

CLIPPING → SHEEP SHEARING

CLOSE-QUARTER WORK SPACES → CONFINED SPACES

CLOTH FILTERS → FILTER DUST COLLECTORS

CLOTHING INDUSTRY

Exposure evaluation of N,N-dimethylformamide through biological and environmental monitoring (CIS 02-795)

Effects of gasoline used as a degreasing solvent in the clothing industry on the skin of exposed workers (CIS 02-822)

Regulation on the registration of clothing factories for OSH purposes (Australia - New South Wales), 2001 (CIS 02-1026)

Report on working conditions of home workers in the textile, clothing and footwear industries (ILO), 2000 (CIS 02-1292)

Standard on occupational health and safety in the clothing industry (Nicaragua), 2002 (CIS 02-1512)

COACHWORK

Immunological and physiological responses in hexamethylene diisocyanate-exposed auto body shop workers (CIS 02-313)

COAL

Lung cancer and indoor exposure to coal and biomass combustion products in rural China (CIS 02-1669)

COAL DUST

Experimental determination of relationship between dust mass and differential pressure across filters (CIS 02-1312)

Genetic polymorphisms of various enzymes and susceptibility to coal workers' pneumoconiosis (CIS 02-1672)

COAL MINING

Order on the safe use of machinery in coal mines (Poland), 1994 (CIS 02-28)

Interstitial lung fibrosis among coal miners (CIS 02-187)

Risks of ground collapse in underground coal mine roadways (United Kingdom), 2001 (CIS 02-437)

Code of practice on safety and health in coal mines (ILO), Spanish and Mongolian versions, 1986/1996 (CIS 02-643)

Study of cancer mortality of Belgian coal miners having received compensation for silicosis (CIS 02-676)

Factors affecting safety in coal mines (CIS 02-717)

Polymorphisms of the IL-1 gene complex in coal miners with silicosis (CIS 02-1226)

Genetic polymorphisms of various enzymes and susceptibility to coal workers' pneumoconiosis (CIS 02-1672)

Relationship between dust exposure and lung cancer mortality among coal miners (CIS 02-1815)

COALWORKERS PNEUMOCONIOSIS

Genetic polymorphisms of various enzymes and susceptibility to coal workers' pneumoconiosis (CIS 02-1672)

Relationship between dust exposure and lung cancer mortality among coal miners (CIS 02-1815)

COBALT

Information sheet on safety and health precautions and regulations concerning cobalt and its compounds (France), 2001 (CIS 02-1396)

COBALT (II) CHLORIDE

Contact dermatitis in Korean dental technicians (CIS 02-820)

COBALT AND COMPOUNDS

Information sheet on safety and health precautions and regulations concerning cobalt and its compounds (France), 2001 (CIS 02-1396)

CODE OF PRACTICE → DIRECTIVE

COFFEE BREAKS → WORKBREAKS

COGNAC INDUSTRY → DISTILLERIES

COGNITIVE PERFORMANCE

Effects of hearing protectors on auditory localization (CIS 02-398)

Long-term follow-up study of the cognitive performance of floor layers formerly exposed to solvents (CIS 02-1801)

Study of the risk of cognitive impairment following exposure to electromagnetic fields from high-voltage transmission lines (CIS 02-1891)

COHORT STUDY

Update of a South African mortality study of mesothelioma from exposure to crocidolite (CIS 02-838)

COLD

Safety and health guide for work in cold weather (Canada), 1999 (CIS 02-106)

COLD GALVANISING → ELECTROPLATING

COLD WORKPLACES

Job study of work in frozen-food departments (CIS 02-223)

Effect of cold hands on the use of computer pointing devices (CIS 02-262)

Predicting cold strain when using chemical protective clothing in cold working environments (CIS 02-400)

Objectives of an European programme on the assessment and management of hazards from cold workplaces (CIS 02-899)

COLLAPSE

Risks of ground collapse in underground coal mine roadways (United Kingdom), 2001 (CIS 02-437)

Guide to safety during open excavation work (Costa Rica) (CIS 02-599)

COLLIERIES → COAL MINING

COLOPHONY

Case study of sensitization dermatitis from colophony in sawdust (CIS 02-791)

Review of skin diseases due to colophony (CIS 02-1355)

COLOUR VISION

Impairment of colour vision in workers exposed to organic solvents (CIS 02-1323)

COLOUR VISION DEFICIENCY

Impairment of colour vision in workers exposed to organic solvents (CIS 02-1323)

COLOURING PIGMENTS → PIGMENTS

COMBUSTIBLE GAS DETECTION → EXPLOSIVE ATMOSPHERE DETECTION

COMBUSTIBLE GASES → FLAMMABLE GASES

COMBUSTION GASES → SMOKE

COMBUSTION RESIDUES

Adverse respiratory effects following overhaul in firefighters (CIS 02-735)

COMFORT ASSESSMENT

Use of check-lists to evaluate chair comfort (CIS 02-1956)

COMFORT CRITERIA

Evaluation of workspace layout design (CIS 02-490)

COMFORT HEATING → HEATING

COMMENT ON DIRECTIVE

Guide to the supply of personal protective equipment during the use of hand knives in the food industry (CIS 02-411)

COMMENT ON STANDARD

Guide to the supply of personal protective equipment during the use of hand knives in the food industry (CIS 02-411)

COMMERCIAL VEHICLES → TRUCKS

COMMON COLD → RHINITIS

COMMUNICATIONS

Comparison of acoustic distress signalling and speech communication units used by forestry workers (CIS 02-1729)

COMMUNITY PROTECTION → NEIGHBOURHOOD PROTECTION

COMMUNITY SERVICES

Effect of job insecurity, coping resources and personality dispositions on occupational strain indicators (CIS 02-488)

COMMUTING ACCIDENTS

Analysis of fatal road accidents in France involving employees in the course of their work (CIS 02-922)

Occupational safety and health statistics (Algeria), 1999 (CIS 02-1613)

Occupational safety and health statistics (Algeria), 2000 (CIS 02-1614)

Impact of workplace fatalities on the deceased workers' relatives, colleagues and friends (CIS 02-1990)

COMPARATIVE ANALYSIS

Testing of calibration equipment for air sampling pumps (CIS 02-266)

COMPENSATION OF OCCUPATIONAL ACCIDENTS

Epidemiologic study of frequency rate of fractures in West Virginia, derived from workers' compensation data (CIS 02-1230)

COMPENSATION OF OCCUPATIONAL DISEASES

Comments on laws and court rulings in the area of occupational safety and health (France), 2001 (CIS 02-146)

Criteria for establishing the occupational nature of diseases in France (CIS 02-166)

Reporting, recognition and compensation of occupational respiratory diseases in France (CIS 02-168)

Booklet on the detection, reporting and compensation of occupational cancers (CIS 02-201)

Booklet on the detection, reporting and compensation of occupational leukaemia and lymphoma (CIS 02-202)

Booklet on the detection, reporting and compensation of occupational bladder cancer (CIS 02-203)

Booklet on the detection, reporting and compensation of occupational skin cancer (CIS 02-204)

Booklet on the detection, reporting and compensation of occupational lung and pleural cancer (CIS 02-205)

Booklet on the detection, reporting and compensation of occupational ENT cancers (CIS 02-206)

Annual report of the Occupational Disease Compensation Fund (Belgium), 1999 (CIS 02-210)

Data sheet on chronic occupational disorders of the lumbar spine (France), 2001 (CIS 02-215)

Exposure to polycyclic aromatic hydrocarbons by occupation, expressed at benzo[a]pyrene equivalents in Germany (CIS 02-345)

Relationship between health risk factors and occupational disease compensation among workers in a large industrial enterprise (CIS 02-690)

Compensation of cases of byssinosis among textile workers in Amritsar, India (CIS 02-729)

Management of musculoskeletal pain in an aircraft manufacturing plant in the United States (CIS 02-1229)

Court interpretation of safety and health guidelines and regulations (United Kingdom), 2002 (CIS 02-1617)

Study of the advantages of a medical care utilization review programme on back and neck injury claims (CIS 02-1671)

Effect of a health care management initiative on workers' compensation costs (CIS 02-1711)

COMPENSATORY WORK → FLEXIBLE WORKING TIME

COMPILATION OF STATISTICS

Critical review of sources of data on occupational safety and health in Australia (CIS 02-624)

Occupational health indicators for South Africa (CIS 02-693)

COMPLICATIONS OF PREGNANCY

Adverse reproductive outcome associated with outdoor exposure to airborne polycyclic organic matter (CIS 02-804)

COMPRESSED ATMOSPHERES → HYPERBARIC PRESSURE

COMPRESSED GASES

Guide to working safely with compressed gases (Costa Rica) (CIS 02-594)

Standard on the inspection of cylinders in bundles for permanent and liquefiable gases (Singapore), 2000 (CIS 02-1877)

COMPRESSED-AIR ILLNESS → DECOMPRESSION SICKNESS

COMPRESSION IGNITION ENGINES → DIESEL ENGINES

COMPUTER AIDED DESIGN

Tests on models and assessment of working capacity in visual tasks in computer aided design work (CIS 02-762)

COMPUTER APPLICATIONS

Safety implications of using internet technology in industrial process control (CIS 02-263)

Computer-assisted tool for carrying out literature surveys, applied to the field of occupational stress (CIS 02-487)

Complete database on CD-ROM of accident prevention directives (Germany), 2002 (CIS 02-645)

Dictionary of industrial chemicals (CIS 02-865)

Software application for the design and calculation of antivibratory damping of machinery and equipment (CIS 02-910)

Software tool for evaluating the return on OSH investment in Germany (CIS 02-1201)

Method of evaluating the usability of software applications (Germany), 2001 (CIS 02-1309)

Using databases for evaluating exposure to electromagnetic fields in Germany (CIS 02-1426)

Evaluating the effectiveness of a safety culture survey tool in the United Kingdom (CIS 02-1628)

Assessment of the reliability of the Linux computer operating system for safety-related applications (United Kingdom), 2002 (CIS 02-1764)

Method for calculation of safe distances for the occupational exposure to mobile phone antennas (CIS 02-1892)

COMPUTER PROGRAMME

Study of problems related to the use of safety-related software applications (France), 2002 (CIS 02-603)

Description of a software tool for evaluating the hazards from exposure to optical radiation sources (CIS 02-1422)

Study of pipeline accidents using computerized risk assessment tools (CIS 02-1873)

COMPUTER TERMINALS

Effects of neutral posture on muscle tension during computer use (CIS 02-464)

Ergonomic evaluation of arm supports during the use of the mouse and keyboard when working on computers (CIS 02-465)

Study of workplaces which require the use of both computer screens and telephones in call centres (CIS 02-482)

Regulations on visual display units (Hong Kong), 2002 (CIS 02-516)

Practical guide to working at visual display screens (Tunisia) (CIS 02-1163)

Effects of monotonous work at computer terminals on electroencephalographic changes and vigilance (CIS 02-1763)

COMPUTER-ASSISTED CONTROL

Safety implications of using internet technology in industrial process control (CIS 02-263)

Assessment of the reliability of the Linux computer operating system for safety-related applications (United Kingdom), 2002 (CIS 02-1764)

COMPUTERIZED DATA BASES

Database of hydrocarbon solvent exposure (CIS 02-285)

Compilation of population data for use in major hazard accident modelling in the United Kingdom (CIS 02-1411)

Study of the possibilities of using database search results as a decision support tool in occupational medicine (CIS 02-1700)

CONCERT HALLS → THEATRES

CONCRETE BLOCK INDUSTRY → CEMENT INDUSTRY

CONCRETE GRINDERS

Effectiveness of local exhaust ventilation in reducing exposure to dust during concrete cutting and grinding (CIS 02-1364)

CONCRETE POKERS → VIBRATING TOOLS

CONDITIONS OF EXPOSURE

Reducing exposure to paraquat among pesticide sprayers in developing countries (CIS 02-829)

CONDITIONS OF WORK

Law on occupational safety and health (Slovak Republic), 2001 (CIS 02-2)

Commentary on current Italian law concerning lack of fitness to work (CIS 02-124)

Occupational safety and health management in the Polish enterprises implementing total quality management systems (CIS 02-130)

Quality of jobs in micro firms in the European Union (CIS 02-149)

Job study of work in frozen-food departments (CIS 02-223)

Occupational hazards among workers in the field of photography (CIS 02-241)

Study of the occupation of housekeeping assistant (CIS 02-243)

Study of working conditions at asbestos-removal sites (CIS 02-320)

Work conditions inducing back injuries among nursing personnel (CIS 02-450)

Survey of conditions of work among part-time and short-term workers in Europe (CIS 02-474)

Survey of working conditions in Europe (EEC), 2000 (CIS 02-476)

Working and health conditions air traffic controllers in Italy (CIS 02-480)

Study of workplaces which require the use of both computer screens and telephones in call centres (CIS 02-482)

Booklet on occupational safety and hygiene (Costa Rica) (CIS 02-589)

Examples of good practices in the assessment of working conditions in Germany (CIS 02-629)

Evaluating the quality and degree of implementation of occupational safety and health measures in enterprises and public administrations in Germany (CIS 02-639)

Ten-year trends in working conditions in the European Union (CIS 02-642)

Literature survey on the economic consequences of working conditions that are hazardous to health (CIS 02-696)

Survey of working conditions in the beedi industry (CIS 02-731)

Health and safety risks for children at work (ILO), 2002 (CIS 02-756)

Evaluation of heat stress among foundry workers in India (CIS 02-898)

Study of the relation between various social and occupational factors and the risk of musculoskeletal disease (CIS 02-973)

Evaluation of occupational psychosocial hazards (CIS 02-991)

Occupational health prevention strategies for working conditions (CIS 02-1188)

Results of the IV. national survey on working conditions (Spain), 2001 (CIS 02-1203)

Information note on the method for the auto-evaluation of total quality management systems based on the updated EFQM audit model (Spain), 2000 (CIS 02-1209)

Case-control study of the relation between neck and shoulder pain, conditions of work and duration of exposure (CIS 02-1224)

Analysis of working time and conditions of professional drivers in the road transport industry (CIS 02-1276)

Job study of nursery school helpers in France (CIS 02-1281)

Cross-sectional study of the state of health of workers in large retail chains in France (CIS 02-1284)

Government support for programmes aimed at improving working conditions in small and medium enterprises in the Philippines (CIS 02-1285)

Report on changes in employment relationships in the construction industry (ILO), 2001 (CIS 02-1289)

Report on working conditions of home workers in the textile, clothing and footwear industries (ILO), 2000 (CIS 02-1292)

Report on the social situation of musical performers in Africa, Asia and Latin America (ILO), 2001 (CIS 02-1293)

Evaluation of the working conditions of supermarket cashiers in Portugal (CIS 02-1294)

Impact of changing work organization on musculoskeletal disorders in the automobile industry (CIS 02-1469)

Ergonomic study of women cashiers at a large Tunisian retailer (CIS 02-1471)

Survey of conditions of work among part-time and short-term workers in Europe (CIS 02-1480)

Decree on minimum requirements for occupational safety and health in workplaces (Bulgaria), English translation, 1999 (CIS 02-1503)

Report of an ILO mission to China on working conditions and environmental protection (ILO), 1995 (CIS 02-1623)

Collection of documents providing background information and a basis for discussions on decent work and the informal economy aimed at delegates attending the 90th International Labour Conference (ILO), 2002 (CIS 02-1646)

Association of low job control with a decrease in memory T lymphocytes in Japanese middle-aged male workers (CIS 02-1705)

Safety and health promotion in Italy (CIS 02-1708)

Evaluation of occupational stress factors in the printing and publishing industries in France (CIS 02-1736)

Report providing background information and a basis for discussions on the evolution of employment, working time and training in the mining industry aimed at delegates attending a tripartite conference held in Geneva (ILO), 2002 (CIS 02-1744)

Videotape showing how women working under precarious conditions in India can get help by joining an association (ILO), 2002 (CIS 02-1759)

Study of the effects of shift work on the psychological health of workers (CIS 02-1960)

Proceedings of a conference on work life in the 21st century (Helsinki, Finland, 15-17 October 2001) (CIS 02-1995)

CONDUCTORS

Safety implications of the ageing of low-voltage cables (CIS 02-393)

CONFINED SPACES

Exposures and prevention measures when applying resins in confined spaces during construction work (CIS 02-270)

Guidelines for the management, design and operation of microbiological containment laboratories (United Kingdom), 2001 (CIS 02-438)

Guide to occupational safety and health measures for work in confined spaces (Costa Rica) (CIS 02-595)

Using multisorbent tubes for improving the collection of volatile organic compounds in spacecraft air (CIS 02-1760)

Improving the use of mixing factors for dilution ventilation design (CIS 02-1778)

Exposure of workers to pesticides in greenhouses and evaluation of re-entry times (CIS 02-1841)

Standard for entering and working in confined spaces (Singapore), 2000 (CIS 02-1847)

CONFOUNDING FACTORS

Study of the possible confounding by carcinogens of the relation between lung cancer risk, silica exposure and silicosis among Chinese mining and pottery industry workers (CIS 02-846)

CONJUNCTIVITIS

Ocular discomfort and conjunctival alterations among workers in operating theatres (CIS 02-1279)

CONSANGUINITY → HEREDITARY VARIABLES

CONSTRUCTION EQUIPMENT

Study of exposures to quartz, diesel, dust, and welding fumes in selected jobs in the construction industry (CIS 02-1363)

CONSTRUCTION INDUSTRY

Training programme on the role of the Occupational Safety and Health Administration (OSHA) in the construction industry (USA), 1997 (CIS 02-90)

Training programme on personal protective equipment in the construction industry (USA), 1997 (CIS 02-91)

CONTAINER HANDLING

Report on the safety of roll containers (CIS 02-1923)

CONTAINERS

Information note on warning signs on vessels and piping (Spain), 2000 (CIS 02-1414)

CONTAINMENT

Method for testing the containment of hospital isolation rooms (CIS 02-1946)

CONTAMINATION

Information note on the workplace hazards sheet (CIS 02-120)

Practical guide on the steps to be taken in cases of accidental exposure to blood or biological fluids (Tunisia) (CIS 02-1176)

Interim results of an ongoing study of occupational HIV and HCV seroconversions among health care workers in France (CIS 02-1943)

CONTINUOUS WORK

Internal and external factors of injury risk in shift work (CIS 02-458)

Study of the impact of frequent business travel on stress and family life (CIS 02-982)

CONTROL DESK OPERATORS → VIGILANCE TASKS

CONTROL OF ISSUE OF DANGEROUS MATERIALS

Regulations on the tracking of dangerous substances (New Zealand), 2001 (CIS 02-1043)

CONTUSION

Information note on first aid in cases of bruises and wounds (Spain), 2000 (CIS 02-1265)

CONVENTIONS (ILO) → INTERNATIONAL AGREEMENTS

COOLING

Collection of articles on industrial heating and cooling (CIS 02-893)

COOPERATION

Safety implications of the interaction between maintenance and production operators (CIS 02-1593)

COORDINATION NEUROSIIS → OCCUPATIONAL NEUROSIIS

COPPER

Literature survey of the relationship between copper exposure and metal fume fever (CIS 02-295)

COPPER PHTHALOCYANINE (CHLORINATED)

Criteria document on chlorinated copper phthalocyanine (Germany), 1995 (CIS 02-582)

CORE BINDERS

Case-control study of lung disease in ferrous foundry workers exposed to chemical binders (CIS 02-1714)

CORNEAL DAMAGE

Relationship between outdoor work and the risk of pterygia (CIS 02-164)

CORONARY DISEASES

Study of the association between shift work and cardiovascular disease (CIS 02-671)

Relationship between standing at work and progression of carotid atherosclerosis (CIS 02-688)

Association between pleural plaques and coronary heart disease in Finland (CIS 02-1227)

Job study on the association in Japanese workers between neuropsychic stress and glycosylated haemoglobin A1c levels (CIS 02-1489)

Supervisors' attitudes toward the return to work of subordinate employees after a myocardial infarction or a coronary bypass (CIS 02-1706)

CORONARY OCCLUSION → MYOCARDIAL INFARCTION

CORROSIVE SUBSTANCES

Regulations on for class 6,8 and 9 hazardous substances (New Zealand), 2001 (CIS 02-1040)

CORTICOID EXCRETION

Study of circadian rhythm of heart rate, urinary cortisol excretion and sleep in civil air traffic controllers (CIS 02-445)

CORTICOSTEROID EXCRETION → CORTICOID EXCRETION

CORYZA → RHINITIS

COSMETICS

Comment on legislation regulating electrical and mechanical equipment in beauty parlours (Italy), 2001 (CIS 02-259)

COSMIC RAYS

Algorithm for estimating the radiation dose of flight attendants (CIS 02-906)

COST OF ACCIDENTS

New method for estimating the cost of occupational injuries and illnesses by US government agencies (CIS 02-611)

Mathematical model for assessing the economic impact of injuries in professional football (CIS 02-1436)

COST OF DISEASES

New method for estimating the cost of occupational injuries and illnesses by US government agencies (CIS 02-611)

Relationship between health risk factors and occupational disease compensation among workers in a large industrial enterprise (CIS 02-690)

Case study of a worksite-based programme for asthma management (CIS 02-1228)

Study of the cost of occupational diseases (Germany), 2002 (CIS 02-1261)

Effect of a health care management initiative on workers' compensation costs (CIS 02-1711)

Study of the relationship between health risks and the cost of time away from work (CIS 02-1712)

COST OF SAFETY

Booklet on personal protective equipment of forestry workers (Switzerland), 2002 (CIS 02-598)

COST-BENEFIT ANALYSIS

Ergonomic evaluation to reduce musculoskeletal diseases in nursing personnel (CIS 02-461)

Exposure evaluation/cost-benefit analysis of blood lead monitoring and inspection in the workplace (CIS 02-853)

Cost-benefit analysis of hepatitis A prevention strategies among hospital health-care workers (CIS 02-943)

Software tool for evaluating the return on OSH investment in Germany (CIS 02-1201)

Proposed decision-support approach for investing in safety (CIS 02-1589)

COSTA RICA

Training booklet on the eyes, vision problems and risks to vision (Costa Rica), 2000 (CIS 02-87)

CD-ROM containing a system for developing and strengthening occupational safety and health

management within the enterprise (Costa Rica), 1999 (CIS 02-163)

Trends of occupational pesticide-related injuries in Costa Rica, 1982-1992 (CIS 02-308)

Collection of occupational safety and health management system standards (Costa Rica), 2000 (CIS 02-510)

Emergency stairway regulations (Costa Rica), 1977, 1980 (CIS 02-529)

Guide to the selection and use of personal protective equipment (Costa Rica) (CIS 02-588)

Booklet on occupational safety and hygiene (Costa Rica) (CIS 02-589)

Guide to the safe handling of chemicals (Costa Rica) (CIS 02-591)

Steps to be followed in cases of minor spills (Costa Rica) (CIS 02-592)

Guide to the official standard on the use of safety colours (Costa Rica) (CIS 02-593)

Guide to working safely with compressed gases (Costa Rica) (CIS 02-594)

Guide to occupational safety and health measures for work in confined spaces (Costa Rica) (CIS 02-595)

Safety guide to hearing protection (Costa Rica) (CIS 02-596)

Safety guide to the use of safety devices for machinery (Costa Rica) (CIS 02-597)

Guide to safety during open excavation work (Costa Rica) (CIS 02-599)

Comparison of the frequency rates of pesticide-related illness and injuries among banana workers in Costa Rica between 1993 and 1996 (CIS 02-835)

CD-ROM-based training course in occupational safety and health management systems (Costa Rica), 2000 (CIS 02-1150)

CD-ROM-based training programme on cleanliness and housekeeping in the enterprise (Costa Rica), 2001 (CIS 02-1151)

Manual for improving conditions of work and the working environment (Costa Rica) (CIS 02-1154)

Guide to personal protective equipment selection (Costa Rica) (CIS 02-1170)

Basic ergonomic principles (Costa Rica) (CIS 02-1177)

CÔTE D'IVOIRE

Critical review of the list of occupational diseases in the Ivory Coast (CIS 02-663)

COTININE

Determination of serum cotinine to evaluate occupational exposure to passive smoking (CIS 02-1782)

COTTON CARD-ROOM ASTHMA → BYSSINOSIS

COTTON FARMING

Clinical symptoms among children working in cotton fields in Benin (CIS 02-305)

Study of pesticide-handling practices in coffee and cotton farms in Tanzania (CIS 02-834)

COTTON INDUSTRY

Prevalence of occupational diseases among workers of a cotton mill in India (CIS 02-682)

Compensation of cases of byssinosis among textile workers in Amritsar, India (CIS 02-729)

Follow-up study of respiratory health of newly-hired female cotton textile workers in China (CIS 02-730)

Rhinitis and respiratory disorders among workers at a Tunisian textile mill (CIS 02-771)

Monitoring for air contamination by cotton dust in cotton seed milling machines in Uzbekistan (CIS 02-1313)

COUNTERBORING MACHINES → DRILLING MACHINES

CRANK PRESSES → MECHANICAL POWER PRESSES

CREOSOTE

Advantages of biological monitoring of the exposure of wood treatment workers to creosote (CIS 02-1829)

CROATIA

Regulations concerning work tasks requiring health certification (Croatia), 2002 (CIS 02-8)

Regulation amending the 1998 regulation on hazard evaluation (Croatia), 2002 (CIS 02-1003)

Regulation on the professional examination of OSH experts (Croatia), 2002 (CIS 02-1004)

Regulation on evaluation of the employer's capacity to perform/authorize OSH-related tasks (Croatia), 2002 (CIS 02-1005)

Regulation on the OSH training of workers (Croatia), 2002 (CIS 02-1006)

Regulation on the conditions under which individuals or enterprises can carry out occupational safety activities (Croatia), 2002 (CIS 02-1007)

Regulation on hazard evaluation in the workplace with high levels of danger (Croatia), 2002 (CIS 02-1008)

CROCIDOLITE

Review of asbestos-related lung cancer and mesothelioma in Japan (CIS 02-816)

Update of a South African mortality study of mesothelioma from exposure to crocidolite (CIS 02-838)

CROP DUSTING → CROP PROTECTION

CROP PROTECTION

Catalogue of insecticides, acaricides, fungicides and other pesticides used in France (CIS 02-350)

Report on pesticide-related incidents investigated by the Health and Safety (United Kingdom), 2001-2001 (CIS 02-860)

CRT DISPLAY TERMINALS

Health hazards due to work with visual display units (CIS 02-260)

Benefit of microbreaks during work at computer terminals (CIS 02-261)

Regulations on visual display units (Hong Kong), 2002 (CIS 02-516)

Influence of psychological factors on visual fatigue when working with video display terminals (CIS 02-761)

Is the reduction in exposure to electrical fields next to VDUs due to filters or the "Hawthorne effect" ? (CIS 02-763)

Ergonomic evaluation of a training course on work posture at CRT display terminals (CIS 02-765)

Effectiveness of an ergonomics training programme in reducing musculoskeletal disorders among video display terminal users (CIS 02-966)

Comparison of neck and shoulder postures in symptomatic and asymptomatic office workers (CIS 02-968)

Information leaflet on the ergonomic factors applicable to work at visual display unit workstations (Singapore), 1998 (CIS 02-1162)

Practical guide to working at visual display screens (Tunisia) (CIS 02-1163)

Approach for the ergonomic evaluation of VDT workstation layouts in Germany (CIS 02-1310)

Study of lighting preferences of VDT workers (CIS 02-1417)

Effects of electric field reduction in visual display units on skin symptoms (CIS 02-1421)

Basic guide for workers using visual display units (Spain), 2002 (CIS 02-1579)

Literature review on visual fatigue during work on screens (CIS 02-1762)

Effects of monotonous work at computer terminals on electroencephalographic changes and vigilance (CIS 02-1763)

CRUDE OIL EXTRACTION → PETROLEUM AND NATURAL GAS INDUSTRY

CRUSHING → CONTUSION

CRUSTACEA

Case of occupational protein contact dermatitis in a cook due to contact with shrimps (CIS 02-1937)

CRYOGENIC EQUIPMENT

Official standard on the safe operation of pressure vessels and boilers (Mexico), 2002 (CIS 02-538)

CUTANEOUS ABSORPTION → SKIN ABSORPTION

CUTANEOUS SCLEROSIS → SCLERODERMA

CUTTING FLUIDS

Hypersensitivity pneumonitis among workers of a metal-working plant (CIS 02-188)

Exposure assessment document on metal working fluids (United Kingdom), 2000 (CIS 02-370)

Data sheet on occupational skin diseases caused by cutting fluids (France), 2000 (CIS 02-373)

Evaluation of measuring techniques for metalworking fluids in the metalworking industry (CIS 02-766)

Exposure evaluation to metalworking fluids in the small machine shops (CIS 02-767)

Exposure evaluation of aerosols in the metalworking industry (bearings and grinding machines) (CIS 02-768)

Study of metalworking fluid aerosol generation at a milling machine (CIS 02-1817)

Controlling metalworking fluid aerosols in a machining centre (CIS 02-1818)

Information note on the hazards of cutting fluids (France), 2002 (CIS 02-1855)

Isolation of a rapidly growing mycobacterium involved in the contamination of metalworking fluids in a production plant (CIS 02-1935)

Study on treatments for removing endotoxins from water-soluble metalworking fluids (CIS 02-1936)

CUTTING RESISTANCE

Test equipment for the evaluation of hand knives employed in the poultry processing industry (CIS 02-410)

Physiological optimization of cut-resistant protective clothing in Germany (CIS 02-928)

CYCLOHEXANE

Effectiveness of measures to control exposure to inhalable particulate and dermal contamination in the rubber manufacturing industry (CIS 02-322)

CYCLOTHEMIA → MANIC-DEPRESSIVE PSYCHOSIS

CYHALOFOP BUTYL

Modification of Directive 91/414/EEC, adding 6 new substances to the list of active plant protection products (European Union), 2002 (CIS 02-1518)

CYTOGENETIC STUDIES

Risk from reagents and wastes in hospital diagnostic laboratories in Italy (CIS 02-276)

CYTOLOGICAL EFFECTS

Polymorphisms of the IL-1 gene complex in coal miners with silicosis (CIS 02-1226)

CYTOSTATIC DRUGS

Regulation on cytostatic and other toxic medicines (Sweden), English translation, 1999 (CIS 02-527)

Study of the exposure of workers in hospital oncology units to cytostatic substances (CIS 02-1350)

CYTOTOXIC EFFECTS

Study of the exposure of workers in hospital oncology units to cytostatic substances (CIS 02-1350)

DNA microarray analysis of a human gene expression induced by a non-lethal dose of cadmium (CIS 02-1789)

CZECH REPUBLIC

System of recognition and compensation of occupational diseases in the Czech Republic (CIS 02-694)

Survey of perceptions of occupational safety and health hazards (Czech Republic), 2002 (CIS 02-1199)

Retrospective study of occupational diseases in the Czech Republic (CIS 02-1586)

D

2,4-D → DICHLOROPHENOXYACETIC ACID

DAHOMÉY → BENIN

DAIRY INDUSTRY

Report on frequency rates of musculoskeletal disorders in the food and drink industries as a function of the weight of the loads lifted (United Kingdom), 2002 (CIS 02-1742)

Information note on priorities for safety and health in the dairy industry (United Kingdom), 2002 (CIS 02-1754)

DALTONISM → COLOUR VISION DEFICIENCY

DAMPERS

Comparison of pressure measurement methods in ventilation systems with obstructive ventilatory impairment (CIS 02-264)

DANGER SYMBOLS

Development of a methodology to design and evaluate effective risk messages and its application to the electroplating industry (CIS 02-354)

DANGER ZONES

Review article on industrial vision applied to human presence detection in hazardous areas (CIS 02-1913)

DANGEROUS EQUIPMENT

Regulation on the use of dangerous equipment (Latvia), 2000 (CIS 02-27)

Safety data sheet on two-hand control devices (France), 2001 (CIS 02-934)

Review article on industrial vision applied to human presence detection in hazardous areas (CIS 02-1913)

DANGEROUS OCCURRENCES

Report on the safety record of railways (United Kingdom), 2000-2001 (CIS 02-1291)

Leaflet explaining the services of the Incident Contact Centre with respect to reporting of injuries, diseases and dangerous occurrences (United Kingdom), 2002 (CIS 02-1578)

Philosophical considerations on the question of risk (CIS 02-1592)

Inventory of industrial accidents and incidents having occurred during 2001 in France (CIS 02-1594)

Statistical analysis of fatal occupational accidents in Italy (CIS 02-1595)

DANGEROUS PRACTICES → UNSAFE PRACTICES

DANGEROUS SUBSTANCES

Stockholm convention on persistent organic pollutants (UNEP), 2001 (CIS 02-15)

Regulation on carcinogens (Finland), 2000 (CIS 02-17)

Manual of analytical techniques for hazardous substances, with related regulations (CIS 02-338)

Manual of analytical methods appropriate for dangerous substances, with related regulations (CIS 02-342)

Comparison of British Explosives Transport Regulations and ADR 2001 for the transport of explosives by road (United Kingdom), 2001 (CIS 02-383)

Best practice for the inspection of pressure equipment and systems (CIS 02-385)

Law on chemical safety (Germany), 1994-2002 (CIS 02-518)

Regulation on the protection of workers against carcinogenic and mutagenic substances (Luxembourg), 2002 (CIS 02-519)

Regulations for chemical safety (Luxembourg), 2002 (CIS 02-520)

Order modifying the 1995 regulations on the notification, classification, packaging and labelling of dangerous chemicals (Spain), 2002 (CIS 02-521)

Order on risk assessment of new chemicals (Bulgaria), 2002 (CIS 02-522)

Order on the protection of workers against carcinogenic and mutagenic agents (Slovak Republic), 2002 (CIS 02-523)

Order on the protection of workers against chemical hazards (Slovak Republic), 2002 (CIS 02-524)

Order on the protection of workers against the hazards of exposure to asbestos (Slovak Republic), 2002 (CIS 02-525)

Regulations on lead (South Africa), 2001 (CIS 02-528)

Recommendations on the transport of dangerous goods (United Nations), English version, 2001 (CIS 02-530)

Recommendations on the transport of dangerous goods (United Nations), Spanish version, 2001 (CIS 02-531)

Directive amending provisions dealing with micro-organisms in the 1991 Directive on the placing of plant protection products on the market (European Union), 2001 (CIS 02-540)

Information booklet on the toxicological assessment of chemicals (Germany), 1997 (CIS 02-1537)

Basic guide to the 2002 British regulations on hazard information for and packaging of chemicals (United Kingdom), 2002 (CIS 02-1580)

Leaflet on the responsibilities of employers in the prevention of occupational asthma (United Kingdom), 2002 (CIS 02-1581)

Booklet providing basic guidance on British regulations on hazard information and packaging of chemicals (United Kingdom), 2002 (CIS 02-1582)

Working documents of an introductory course on chemical safety and the prevention of major accidents in Brazil (CIS 02-1583)

Description of a workers' union occupational safety and health training programme in the hazardous waste industry (CIS 02-1740)

Proceedings of a conference on occupational hazards during the conservation and restoration of cultural heritage objects (CIS 02-1749)

Potential hazards resulting from occupational exposure to acrolein (CIS 02-1784)

Approved Code of Practice for the compilation of safety data sheets for dangerous substances (United Kingdom), 2002 (CIS 02-1844)

Approved guide for the classification and labeling of dangerous substances (United Kingdom), 2002 (CIS 02-1845)

Standard on the distribution of hazardous chemicals (Singapore), 1999 (CIS 02-1846)

Information approved for the classification and labelling of substances and preparations dangerous for supply (United Kingdom), 2002 (CIS 02-1848)

Pilot-scale experiments to simulate the spreading of liquids leaking from bulk storage tanks (CIS 02-1866)

Report on the changes in the latest edition of the UN regulations concerning the international carriage of dangerous goods by rail (CIS 02-1875)

DANGEROUS WORK

Regulations concerning work tasks requiring health certification (Croatia), 2002 (CIS 02-8)

Regulation on hazard evaluation in the workplace with high levels of danger (Croatia), 2002 (CIS 02-1008)

Ordinance concerning the designation of difficult and dangerous work (Albania), 2002 (CIS 02-1013)

Survey of perceptions of occupational safety and health hazards (Czech Republic), 2002 (CIS 02-1199)

Information note on information on the procedure for permits-to-work for special work as part of a safety and health management system (Spain), 2000 (CIS 02-1214)

Collection of articles on the prevention of occupational accidents in commercial fishing (CIS 02-1727)

Efforts undertaken by an enterprise in the slaughterhouse and meat packaging industry for improving safety during cutting operations (CIS 02-1920)

DATA → SAFETY AND HEALTH DOCUMENTATION

DATA PROCESSING

Effect of cold hands on the use of computer pointing devices (CIS 02-262)

DATA SHEET

Information leaflet on material safety data sheets (Singapore) (CIS 02-1168)

Approved Code of Practice for the compilation of safety data sheets for dangerous substances (United Kingdom), 2002 (CIS 02-1844)

DAY NURSERIES

Job study of nursery school helpers in France (CIS 02-1281)

Job study of occupations involved with young children in France (CIS 02-1282)

Information sheet on nursery school personnel (France), 2001 (CIS 02-1302)

Associations of length of employment and working conditions with neck, shoulder and arm pain among nursery school teachers (CIS 02-1722)

DAY-AND-NIGHT RHYTHM → CIRCADIAN RHYTHM

DBNPG → 2,2-BIS(BROMOMETHYL)PROPANE-1,3-DIOL

DDT

Criteria document on DDT and its derivatives (Germany), 2000 (CIS 02-1132)

DEAFNESS

Guide for the control of noise in industry (Canada), 2000 (CIS 02-104)

Information leaflet on noise-induced deafness (Singapore) (CIS 02-1171)

Information leaflet containing guidance on the application of noise regulations (Singapore) (CIS 02-1172)

DECABORANE

Data sheet on boranes (France), 1987 (CIS 02-59)

DECAHYDRONAPHTHALENE

Criteria document on decahydronaphthalene (Germany), 2000 (CIS 02-1131)

DECALIN → DECAHYDRONAPHTHALENE

DECAMETHRIN

Data sheet on decamethrin (France), 1987 (CIS 02-64)

DECELERATION

Safety aspects of braking systems of pedestrian-operated industrial trucks (CIS 02-423)

DECIDUOUS WOODS → HARDWOODS

DECOMPRESSION SICKNESS

Decrease in the incidence of decompression illness among Australian tuna farm divers due to government intervention (CIS 02-1428)

DECONTAMINATION

Ordinance on safe work involving asbestos decontamination and encapsulation (Belgium - Brussels-Capital Region), 2001 (CIS 02-1520)

DEEP-SEA FISHING

Regulations on the safe operation of fishing vessels (Ireland), 1999 (CIS 02-1515)

DEFENCE SERVICES

Occupational skin diseases among national servicemen and military personnel in Singapore between 1989 and 1999 (CIS 02-1253)

DEGENERATIVE JOINT DISEASE → OSTEOARTRITIS

DEGREASING

Effects of gasoline used as a degreasing solvent in the clothing industry on the skin of exposed workers (CIS 02-822)

Criteria document on aqueous metal degreasing agents (CIS 02-857)

Criteria document on 1-bromopropane (CIS 02-858)

Safety data sheet on degreasing solvents (France) (CIS 02-1395)

DEGREE OF DISABILITY

Relationship between occupation and risk of permanent disability in the elderly in Taiwan (CIS 02-600)

DELIVERYMEN

Description of the job of motorcycle dispatch workers and related hazards (CIS 02-736)

Questionnaire survey on occupational injuries among bicycle messengers in Boston (CIS 02-1919)

Effectiveness of sports shoes with good shock attenuation for reducing lower extremity overuse injuries among newspaper carriers (CIS 02-1961)

DELTAETHRIN → DECAMETHRIN

DEMOLITION

Preventive measures applicable to the selective demolition and dismantling aimed at the re-use of materials (Germany), 1999 (CIS 02-251)

DENMARK

Case studies of workplace hazard evaluation in various Danish companies (CIS 02-143)

Notification concerning biological agents on offshore installations (Denmark), 2002 (CIS 02-539)

Study of the risk of Parkinson's disease among agricultural workers in Denmark (CIS 02-673)

Notification concerning the special obligations of producers, suppliers and importers of substances and materials under the Working Environment Act (Denmark), 2002 (CIS 02-1027)

Study of the means of encouraging small enterprises in Denmark to adopt workplace hazard assessment (CIS 02-1965)

DENTAL ASSISTANTS

Study of the reasons behind the low use of safety glasses by dentists and dental assistants (CIS 02-463)

Contact dermatitis in Korean dental technicians (CIS 02-820)

DENTAL SERVICES

Occupational contact allergy to acrylates and methacrylates (CIS 02-298)

Testing of vibrating tools in dental services (CIS 02-394)

Contact dermatitis among dental personnel (CIS 02-799)

Literature survey of occupational health hazards in dentistry (CIS 02-1280)

DENTAL TECHNICIANS

Information note on the job of dental prosthetist (France), 2002 (CIS 02-1758)

DEPARTMENT STORES → SHOPS

DEPENDABILITY → RELIABILITY

DEPRESSIVE NEUROSIS

Cross-sectional survey on stress and depressive state among sales representatives (CIS 02-978)

Questionnaire survey of neuropsychic stress among Japanese workers with job insecurity (CIS 02-1486)

Study of depression-related short-term disability in an employed population (CIS 02-1491)

DERMAL EXPOSURE → SKIN ABSORPTION

DERMATITIS

Contact dermatitis due to primerose (CIS 02-185)

Analysis of risk factors for hand eczema among metalworker trainees (CIS 02-312)

Using vegetable fats for protection against irritant contact dermatitis in the food industry (CIS 02-666)

Skin test results in 542 patients with suspected contact dermatitis (CIS 02-667)

Cross-sectional analysis of farm-related dermatoses among Iowa farmers and farmer wives (CIS 02-674)

Study of the relevance of skin physiological parameters as predictors of irritant contact dermatitis in wet work (CIS 02-683)

Contact dermatitis among dental personnel (CIS 02-799)

Case study of an allergic contact dermatitis from a perinone-type dye in spectacle frames (CIS 02-800)

Irritant contact dermatitis caused by needle-like calcium oxalate crystals in *Agave tequiliana* among workers in tequila distilleries and agave plantations (CIS 02-1235)

Prevention of occupational hand dermatitis among bakers, confectioners and employees in the catering trades (CIS 02-1249)

Dermatitis among workers of a particleboard manufacturing facility (CIS 02-1250)

Occupational contact dermatitis among nurses with hand eczema (CIS 02-1254)

Occupational airborne contact dermatitis caused by thyme dust among farmers (CIS 02-1353)

Study of occupational contact and allergic contact dermatitis among healthcare workers (CIS 02-1692)

Case of airborne allergic contact dermatitis from olaquinox in a rabbit breeder (CIS 02-1810)

Case of protein contact dermatitis from spices in a butcher (CIS 02-1826)

Case of occupational protein contact dermatitis in a cook due to contact with shrimps (CIS 02-1937)

DERMATOLOGICAL EFFECTS

Effects of electric field reduction in visual display units on skin symptoms (CIS 02-1421)

DERMATOLOGICAL EXAMINATIONS

Epidemiology of occupational skin disease (Singapore), 1989 - 1998 (CIS 02-662)

DERMATOLOGICAL SERVICES

Epidemiology of occupational skin disease (Singapore), 1989 - 1998 (CIS 02-662)

DERMATOSES → SKIN DISEASES

DESCRIPTION OF TECHNIQUE

Data sheet on the method of data collection on the health effects of occupational hazards (France), 2001 (CIS 02-217)

Occupational health indicators for South Africa (CIS 02-693)

Description of a method for evaluating the performance of occupational safety and health management systems (CIS 02-1601)

Proposed method for assessing back load (CIS 02-1966)

DESIGN FOR SAFETY → SAFETY BY DESIGN

DESIGN OF EQUIPMENT

Ergonomic design of a driver's workplace in a side-loading refuse collecting vehicle (CIS 02-452)

Collection of articles on industrial heating and cooling (CIS 02-893)

Preventing injuries from sharp devices among emergency service workers (CIS 02-923)

Ergonomic interventions in the furniture industry aimed at reducing manual handling loads (CIS 02-958)

Ergonomic interventions in the furniture industry aimed at reducing upper extremity disorders (CIS 02-959)

Reducing the exposure to microorganisms during refuse collection (CIS 02-1456)

Ergonomic study of women cashiers at a large Tunisian retailer (CIS 02-1471)

Proposed simplified requirements for low complexity safety related systems (CIS 02-1765)

Design and development of efficient exhaust devices for radial saws and numerically-controlled routers (CIS 02-1767)

Evaluation of the risk factors of musculoskeletal disorders during machinery design (CIS 02-1974)

DESMODUR T → 2,4-TOLYLENE DIISOCYANATE

DETECTION

Study of the reliability of malfunction alarms of dust control equipment used in the woodworking industry (CIS 02-1314)

DETECTION OF FAULTS

Information note on the failure modes and reliability of safety valves (Spain), 1999 (CIS 02-390)

DETECTION OF RADIOACTIVE SUBSTANCES → RADIATION MONITORING

DETERGENT INDUSTRY

Report on exposure, sensitization and allergy to industrial enzymes in Finland (CIS 02-348)

Occupational asthma caused by bacillary amylase used in the detergent industry (CIS 02-1450)

DETERGENTS

Pathologies related to disinfectants and detergents used in hospitals and proposed preventive measures (CIS 02-294)

DETERMINATION IN AIR

Training booklet on the identification and measurement of hazards from toxic substances (Canada) (CIS 02-97)

Review article on biological exposure indices (CIS 02-272)

Potential exposure of amateurs from wood preservative and antifouling preparations (CIS 02-282)

Survey of exposure to diesel engine exhaust emissions in the workplace (CIS 02-283)

Lead exposure among workers renovating a bridge (CIS 02-319)

Manual of analytical techniques for hazardous substances, with related regulations (CIS 02-338)

Manual of analytical methods appropriate for dangerous substances, with related regulations (CIS 02-342)

Information note on the advantages and disadvantages of exposure evaluation by atmospheric sampling and biological monitoring (France), 1999 (CIS 02-365)

List of substances with carcinogenic or mutagenic effects or toxicity to reproduction with their threshold limit values in air (Germany), 2001 (CIS 02-366)

Exposure assessment document on metal working fluids (United Kingdom), 2000 (CIS 02-370)

Measurements of radon concentrations at the workplace (CIS 02-404)

New method for the sampling and analysis of acetic acid in workplace air (CIS 02-789)

Code of practice on occupational exposure to harmful airborne substances (ILO), French and Thai versions, 1981/1992 (CIS 02-859)

Manual of analytical techniques for dangerous substances, with related regulations (CIS 02-861)

Manual of analytical techniques for dangerous substances, with related regulations (Germany), 1995 (CIS 02-863)

Manual of analytical techniques for dangerous substances, with related regulations (Germany), 1996 (CIS 02-864)

Exposure to harmful products during automobile recycling in Germany (CIS 02-870)

Guidance note on asbestos exposure limits and measurement of airborne dust concentrations (United Kingdom), 2001 (CIS 02-871)

Laboratory method for the determination of mercury and its inorganic divalent compounds in air (United Kingdom), 2002 (CIS 02-872)

Literature survey on sampling and analysis of airborne endotoxins (France), 2002 (CIS 02-938)

Evaluation of inhalation exposures to acrylamide in biomedical laboratories (CIS 02-1369)

System for the quantitative analysis of dangerous substances (HVBG, Germany), 1999 (CIS 02-1399)

Study of long-term trends in exposure to nickel aerosols in nickel-producing and nickel-using industries (CIS 02-1770)

Full issue on the quality of indoor air (CIS 02-1779)

Evaluation of the exposure of mechanics to benzene (CIS 02-1783)

Development of a method for the detection of nicotine in air (CIS 02-1791)

Summary of a report on exposures to dust and harmful substances in dust during the disassembly and shredding of discarded electrical and electronic equipment (CIS 02-1832)

DETERMINATION IN BIOLOGICAL MATTER

Biological monitoring of exposure to harmful chemicals (CIS 02-827)

Statistical assessment of variability of biomonitoring data (CIS 02-1346)

Advantages of biological monitoring of the exposure of wood treatment workers to creosote (CIS 02-1829)

DETERMINATION IN BLOOD

Biological monitoring of N-methyl-2-pyrrolidone using 5-hydroxy-N-methyl-2-pyrrolidone in plasma and urine (CIS 02-774)

Sex-related differences in blood lead and haemoglobin levels in adults with chronic lead exposure living in high-altitude areas (CIS 02-784)

Study of the suitability of the micronucleus assay in assessing of mutagenic risk among workers occupationally exposed to formaldehyde (CIS 02-790)

Evaluation of a portable blood lead analyser with populations occupationally exposed to lead (CIS 02-796)

Exposure evaluation/cost-benefit analysis of blood lead monitoring and inspection in the workplace (CIS 02-853)

Lyme's disease among forestry workers in the Belgian region of Flanders (CIS 02-940)

Total plasma protein adducts of allergenic hexahydrophthalic and methylhexahydrophthalic anhydrides as biomarkers of long-term exposure (CIS 02-1318)

Job study on the association in Japanese workers between neuropsychic stress and glycosylated haemoglobin A1c levels (CIS 02-1489)

Determination of serum cotinine to evaluate occupational exposure to passive smoking (CIS 02-1782)

Lead levels in body fluids of workers of an automobile factory with arterial hypertension (CIS 02-1819)

DETERMINATION IN BONES

Toxic effects of organolead on the peripheral nervous system (CIS 02-1315)

DETERMINATION IN EXHALED AIR

Evaluation of control measures to reduce tetrachloroethylene exposure in dry-cleaning shops (CIS 02-1329)

DETERMINATION IN URINE

Biological monitoring of N-methyl-2-pyrrolidone using 5-hydroxy-N-methyl-2-pyrrolidone in plasma and urine (CIS 02-774)

Urinary concentrations of trichloroacetic acid in workers exposed to trichloroethylene (CIS 02-1316)

Evaluation of commercially-available tests for psychoactive drug screening in France (CIS 02-1482)

Evaluation of the exposure of mechanics to benzene (CIS 02-1783)

Lead levels in body fluids of workers of an automobile factory with arterial hypertension (CIS 02-1819)

DETERMINATION OF EXPOSURE LIMITS

Approach in the European Union for setting occupational exposure limits for sensory irritants (CIS 02-1340)

Proposed standard on occupational wood dust exposure in Italy (CIS 02-1771)

Tables for the adjustment of occupational exposure limits in unusual work schedule situations (CIS 02-1790)

DETONATIONS → EXPLOSIONS

DEVELOPERS

Occupational hazards among workers in the field of photography (CIS 02-241)

DEVELOPING COUNTRIES

Proceedings of a meeting on the role of research in promoting occupational safety and health (Bangkok, Thailand, 10-13 Oct. 2000) (CIS 02-151)

Impact of globalization on employment and occupational health in southern Africa (CIS 02-200)

Occupational safety and health aspects of globalization (CIS 02-613)

Occupational safety and health development programmes funded by the European Union (CIS 02-614)

Description of an occupational safety and health and environmental protection awareness programme based on multidisciplinary workshops (CIS 02-616)

Impact of globalization on small enterprises and the informal sector (CIS 02-617)

Collection of articles on the experiences of several African countries in the field of occupational medicine (CIS 02-687)

Reducing exposure to paraquat among pesticide sprayers in developing countries (CIS 02-829)

Proposed actions for reducing the exposure to hazardous pesticides in Central America (CIS 02-830)

Lung cancer and indoor exposure to coal and biomass combustion products in rural China (CIS 02-1669)

Videotape showing how women working under precarious conditions in India can get help by joining an association (ILO), 2002 (CIS 02-1759)

N,N'-DI-sec-BUTYL-p-PHENYLENEDIAMINE

Criteria document on N,N'-di-sec-butyl-p-phenylenediamine (Germany), 1995 (CIS 02-1552)

DIABETES MELLITUS

Case-control study of sickness absenteeism among diabetic employees (CIS 02-651)

DIACETONE ALCOHOL

Data sheet on diacetone alcohol (France), 1997 (CIS 02-1064)

Toxicological data for the hazard assessment of seven chemicals (UNEP), 2002 (CIS 02-1560)

DIAGNOSIS

Diagnostic methods and classification of work-related Raynaud's phenomenon (CIS 02-165)

General review article on bullying (CIS 02-485)

Predictive factors of radiological progression among silicosis patients (CIS 02-652)

Review article on occupational asthma (CIS 02-672)

Manual on toxic pathology in an occupational setting (CIS 02-868)

Review article on radiation accidents (CIS 02-903)

Development of a diagnostic approach for the detection of workers sensitized to high-molecular-weight protein allergens (CIS 02-1225)

New approaches for better understanding the root causes of low-back pain (CIS 02-1656)

Comparison between pulmonary function tests and a cardiopulmonary exercise test for evaluating patients with chronic obstructive pulmonary disease (CIS 02-1662)

Study of the possibilities of using database search results as a decision support tool in occupational medicine (CIS 02-1700)

Handbook of occupational diseases aimed at health services (Brazil), 2001 (CIS 02-1715)

Review article on bullying aimed at occupational physicians in France (CIS 02-1985)

DIAMINODIPHENYLMETHANE → METHYLENEDIANILINE

DIATOMACEOUS EARTH

Report on the prevention of hazards from exposure to diatomaceous earths during wine filtration (CIS 02-352)
Quantitative risk assessment of lung cancer mortality among diatomaceous earth industry workers exposed to silica dusts (CIS 02-803)

DIAZO COMPOUNDS → AZO COMPOUNDS

DIBORANE

Data sheet on boranes (France), 1987 (CIS 02-59)

DIBROMOETHANE

Summary of toxicology and ecotoxicology of 11 chemicals (Germany), 2001 (CIS 02-1128)

DIBROMONEOPENTYL GLYCOL → 2,2-BIS(BROMOMETHYL)PROPANE-1,3-DIOL

DIBUTYLAMINE

Inhalation toxicity of dibutylamine in rats (CIS 02-854)

1,1-DICHLORO-2,2,2-TRIFLUOROETHANE

Concise chemical assessment document on 1,1-dichloro-2,2,2-trifluoroethane (WHO), 2000 (CIS 02-1122)

3,3'-DICHLORO-4,4'-DIAMINODIPHENYLMETHANE → METHYLENEBIS(2-CHLOROANILINE)

3,3'-DICHLOROBENZIDINE

Data sheet on 3,3'-dichlorobenzidine (USA), Spanish translation, 2001 (CIS 02-560)

Summary of toxicology and ecotoxicology of 11 chemicals (Germany), 2001 (CIS 02-1128)

Bioavailability of azo pigments following inhalation exposure (CIS 02-1378)

2,2'-DICHLORODIETHYL ETHER → BIS(2-CHLOROETHYL) ETHER

1,2-DICHLOROETHANE

Data sheet on 1,2-dichloroethane (France), 1997 (CIS 02-551)

1,2-DICHLOROETHYLENE

Data sheet on 1,2-dichloroethylene (France), 1988 (CIS 02-1077)

DICHLOROMETHANE

Toxicological profile for dichloromethane (USA), update, 2000 (CIS 02-83)

Study of measures having reduced the exposure to methylene chloride among furniture strippers (CIS 02-1828)

DICHLOROPHENOXYACETIC ACID

Data sheet on 2,4-dichlorophenoxyacetic acid, its salts and esters (France), 1987 (CIS 02-1091)

1,2-DICHLOROPROPANE → PROPYLENE DICHLORIDE

DICHLOROTETRAFLUOROETHANE

Data sheet on dichlorotetrafluoroethane (USA), Spanish translation, 2000 (CIS 02-558)

DIELDRIN

Data sheet on dieldrin (France), 1992 (CIS 02-60)

DIELECTRIC MATERIALS → INSULATING MATERIALS

DIESEL ENGINES

Survey of exposure to diesel engine exhaust emissions in the workplace (CIS 02-283)

Method for diesel exhaust filtration (CIS 02-287)

Exposure evaluation of tunnelling workers to dust and gases (CIS 02-310)

Manual of analytical methods appropriate for dangerous substances, with related regulations (CIS 02-342)

Manual of analytical techniques for dangerous substances, with related regulations (CIS 02-861)

Study of exposures to quartz, diesel, dust, and welding fumes in selected jobs in the construction industry (CIS 02-1363)

DIETHYL ETHANOLAMINE → DIETHYLAMINOETHANOL

DIETHYL PHOSPHITE

Criteria document on diethyl phosphite (Germany), 1995 (CIS 02-567)

DIETHYLAMINOETHANOL

Data sheet on diethylaminoethanol (USA), Spanish translation, 2000 (CIS 02-557)

DIETHYLENE GLYCOL DIMETHYL ETHER

Criteria document on diethylene glycol dimethyl ether (WHO), 2002 (CIS 02-575)

DIISOCYANATES → ISOCYANATES

DIISOPROPYLAMINE

Data sheet on diisopropylamine (USA), Spanish translation, 2000 (CIS 02-556)

DIMETHYL CHLOROTHIOPHOSPHATE

Criteria document on dimethyl chlorothiophosphate (Germany), 1995 (CIS 02-1548)

DIMETHYL SULFOXIDE

Criteria document on dimethyl sulfoxide (CIS 02-856)

1,1'-DIMETHYL-4,4'-BIPYRIDINIUM → PARAQUAT

N,N-DIMETHYLANILINE

Summary of toxicology and ecotoxicology of 9 chemicals (Germany), 2000 (CIS 02-1134)

DIMETHYLBENZYLAMINE

Criteria document on dimethylbenzylamine (Germany), 1997 (CIS 02-1543)

DIMETHYLFORMAMIDE

Criteria document on dimethylformamide (WHO), 2001 (CIS 02-72)

Exposure evaluation of N,N-dimethylformamide through biological and environmental monitoring (CIS 02-795)

Abnormal liver function associated with occupational exposure to dimethylformamide and hepatitis B virus (CIS 02-815)

Case of severe hepatic dysfunction in a synthetic resins industry worker exposed to low concentrations of dimethylformamide (CIS 02-1823)

DIMETHYLNITROSOAMINE

Data sheet on dimethylnitrosoamine (USA), Spanish translation, 2002 (CIS 02-54)

Criteria document on dimethylnitrosoamine (WHO), 2002 (CIS 02-578)

DIMETHYLOL DIHYDROXYETHYLENE UREA

Criteria document on dimethylol dihydroxyethylene urea (Germany), 1995 (CIS 02-583)

Toxicological data for the hazard assessment of seven chemicals (UNEP), 2002 (CIS 02-1560)

DIMINUTION OF VISUAL FUNCTION → BLINDNESS

4,6-DINITRO-O-CRESOL

Environmental health criteria on 4,6-dinitro-o-cresol (WHO), 2000 (CIS 02-1121)

DINOSEB

Criteria document on dinoseb (Germany), 1997 (CIS 02-1546)

DIOXINS

Proceedings of a workshop on the identification and management of dioxins, furans and PCBs (Seoul, Republic of Korea, 24-28 July 2000) (CIS 02-340)

Proceedings of a workshop on the identification and management of PCBs, dioxins and furans (La Habana, Cuba, 23-26 April 2001) (CIS 02-341)

Manual of analytical methods appropriate for dangerous substances, with related regulations (CIS 02-342)

Manual of analytical techniques for dangerous substances, with related regulations (CIS 02-861)

DIPHENYL → BIPHENYL

DIPHENYLAMINE

Summary of toxicology and ecotoxicology of 9 chemicals (Germany), 2000 (CIS 02-1134)

1,2-DIPHENYLHYDRAZINE → HYDRAZOBENZENE

DIPHENYLMETHANE DIISOCYANATE

Case-referent study of exposure to isocyanates and occupational asthma (CIS 02-1326)

DIRECTIVE

Ageing and work aptitude in Italy (CIS 02-196)

Guidelines on occupational safety and health management systems (ILO), 2001 (CIS 02-615)

Practical issues relating to the effects of the transposition into French legislation of the "Construction Products" European Directive (CIS 02-1275)

Good practice guidelines for occupational health research funded by the private sector in the United States (CIS 02-1598)

DISABILITY → SICKNESS ABSENTEEISM

DISABILITY ASSESSMENT → EXPERTISE

DISABLED PERSONS → HANDICAPPED WORKERS

DISABLEMENT BENEFITS → WORKMEN'S COMPENSATION

DISASTER CONTROL ORGANIZATION → EMERGENCY ORGANIZATION

DISASTER MEDICAL SERVICE → EMERGENCY-TREATMENT ORGANIZATION

DISASTERS

Description of an explosion in a fertilizer plant in France (CIS 02-885)

Study of the state of health and occupational exposures among office workers near the World Trade Center disaster site (CIS 02-1370)

Collection of short articles on occupational safety and health issues related to terrorist attacks based on experience gained since September 11, 2001 (CIS 02-1610)

Fatalities among firefighters in the United States in 2001 (CIS 02-1864)

Compendium of the most significant major accidents having occurred since 1945 (CIS 02-1872)

Generic modules for responding to crisis situations (ILO), 2002 (CIS 02-1879)

Manual on the assessment of rapid needs following crisis situations (ILO), 2002 (CIS 02-1880)

Interactions between the HIV epidemic in sub-Saharan Africa and crises falling under the scope of the ILO's InFocus Programme on Crisis Response and Reconstruction (ILO), 2002 (CIS 02-1947)

DISC LESIONS

Data sheet on chronic occupational disorders of the lumbar spine (France), 2001 (CIS 02-215)

DISEASES OF CENTRAL NERVOUS SYSTEM

Cases of frontotemporal dementia revealed during work (CIS 02-977)

DISEASES OF NERVOUS SYSTEM

Cohort study on the relationship between brain and nervous-system cancers and occupational exposures among Finnish women (CIS 02-1241)

DISEASES OF PERIPHERAL NERVOUS SYSTEM

Peripheral neuropathy among workers exposed to nitromethane (CIS 02-301)

Toxic effects of organolead on the peripheral nervous system (CIS 02-1315)

Long-term exposure to lead and vibration perception threshold (CIS 02-1324)

DISEASES OF THE CIRCULATORY SYSTEM → CARDIOVASCULAR DISEASES

DISEASES OF THE LOCOMOTOR SYSTEM → MUSCULOSKELETAL DISEASES

DISEASES OF THE MUSCULOSKELETAL SYSTEM → MUSCULOSKELETAL DISEASES

DISEASES OF THE RESPIRATORY SYSTEM → RESPIRATORY DISEASES

DISEASES OF THE UPPER RESPIRATORY AIRWAYS → UPPER RESPIRATORY DISEASES

DISEASES TRANSMISSIBLE FROM ANIMAL TO MAN → ZOONOSES

DISINFECTANTS

Pathologies related to disinfectants and detergents used in hospitals and proposed preventive measures (CIS 02-294)

Data sheet on occupational asthma from disinfectants used in hospitals (France), 2000 (CIS 02-374)

Guidelines of the Mutual Occupational Accident Insurance Association (HVBG) with respect to the disinfection procedures in health care establishments (Germany), 1999 (CIS 02-759)

Case study of eczema due to an allergic reaction to quaternary ammonium compounds used as disinfectants by nurses (CIS 02-821)

Information note on controlling exposure to disinfectants used in the food and drink industries (United Kingdom), 2001 (CIS 02-1406)

Criteria document on benzyl chloride (Germany), 1997 (CIS 02-1542)

Study of occupational contact and allergic contact dermatitis among healthcare workers (CIS 02-1692)

Information note on the prevention of health hazards due to chloramines in swimming pools and in the food industry (France), 2000 (CIS 02-1854)

DISINFECTION OF AIR

Predicting the ultraviolet radiation distribution in a room with multilouvered germicidal fixtures (CIS 02-402)

DISINFECTION OF EQUIPMENT

Pathologies related to disinfectants and detergents used in hospitals and proposed preventive measures (CIS 02-294)

New method for cleaning and disinfecting protective masks (CIS 02-302)

Study of allergic contact dermatitis from glutaraldehyde in health-care workers (CIS 02-849)

DISOBEYING SAFETY INSTRUCTIONS

Practical guide on litigation in the field of occupational safety and health in France (CIS 02-1621)

Improving workers' compliance in wearing hearing protection based on behavioural studies (CIS 02-1904)

DISODIUM HEXAFLUOSILICATE

Data sheet on disodium hexafluorosilicate (IPCS, Spain), 1991-1999 (CIS 02-1084)

DISORDERS OF COLOUR VISION → COLOUR VISION DEFICIENCY

DISPOSAL OF HARMFUL WASTE

Risk from reagents and wastes in hospital diagnostic laboratories in Italy (CIS 02-276)

Law on waste disposal (Uzbekistan), 2002 (CIS 02-517)

Occupational safety and health issues of biomedical waste treatment (CIS 02-705)

Regulations on the disposal of dangerous substances (New Zealand), 2001 (CIS 02-1042)

Official standard on the classification and handling of infectious biological residues (Mexico), 2003 (CIS 02-1534)

Description of a workers' union occupational safety and health training programme in the hazardous waste industry (CIS 02-1740)

DISPOSAL OF RADIOACTIVE WASTE

Risk from reagents and wastes in hospital diagnostic laboratories in Italy (CIS 02-276)

DISTANCE PROTECTION

Method for calculation of safe distances for the occupational exposure to mobile phone antennas (CIS 02-1892)

DISTILLERIES

Irritant contact dermatitis caused by needle-like calcium oxalate crystals in *Agave tequilana* among workers in tequila distilleries and agave plantations (CIS 02-1235)

DISTRIBUTION OF ELECTRICITY → ELECTRIC POWER DISTRIBUTION

DISTURBANCES OF VISION → VISUAL FUNCTION DISORDERS

DIURNAL RHYTHM → CIRCADIAN RHYTHM

DIVERS PARALYSIS → DECOMPRESSION SICKNESS

DIVING

Regulations on diving safety (South Africa), 2001 (CIS 02-13)

Decrease in the incidence of decompression illness among Australian tuna farm divers due to government intervention (CIS 02-1428)

Information sheet on injuries caused by work under hyperbaric conditions (France), 2002 (CIS 02-1910)

DIVINYL → BUTADIENE

DMNA → DIMETHYLNITROSOAMINE

DMSO → DIMETHYL SULFOXIDE

DNA

Induction of DNA and cytogenetic damage in lymphocytes among farm workers exposed to pesticides in Poland (CIS 02-288)

DNA damage induced by UV-C irradiation in leukocytes of Chernobyl accident clean-up workers (CIS 02-904)

Genetic polymorphisms of various enzymes and susceptibility to coal workers' pneumoconiosis (CIS 02-1672)

Suitability of the gene expression assay for evaluating the exposure to harmful chemicals (CIS 02-1788)

DNA microarray analysis of a human gene expression induced by a non-lethal dose of cadmium (CIS 02-1789)

DNOC → 4,6-DINITRO-O-CRESOL

DOCK WORK

Report on working conditions in docks (ILO), 2002 (CIS 02-753)

DOCKS → HARBOURS

DODECYLAMINES

Case study of eczema due to an allergic reaction to quaternary ammonium compounds used as disinfectants by nurses (CIS 02-821)

DOGS

Incidence of rickettsial diseases in Sicily (CIS 02-1934)

DOMESTIC AND RELATED HELPERS, CLEANERS

Study of the occupation of housekeeping assistant (CIS 02-243)

Effects of exposure to solvents among graffiti removers (CIS 02-328)

Effectiveness of a participatory programme in reducing occupational injuries among cleaners at a hospital (CIS 02-604)

Cohort study of the causes of hospitalisation among female home helpers in Denmark between 1981 and 1997 (CIS 02-739)

Role of a consultative team to assess manual handling and reduce the risk of occupational injury (CIS 02-1467)

DOP → BIS(ETHYLHEXYL) PHTHALATE

DOSE-RESPONSE RELATIONSHIP

Population-based case-control study of the dose-response relationship between low levels of asbestos and pleural mesothelioma (CIS 02-828)

Lung cancer among workers in the production of chromates (CIS 02-1236)

Review of epidemiological studies on the relation between whole-body vibration exposure and backache (CIS 02-1420)

Pregnancy outcome following exposure to short-wave radiation among female physiotherapists in Israel (CIS 02-1424)

DOUBLE JOBBING → EXTRA WORK

DRIFTING → DRIVING (LEVELS)

DRILLING AND BORING (ROCK, EARTH)

Approach for evaluating the effects of damage on the stability of underground hard rock excavations (CIS 02-1925)

DRILLING MACHINES

Exposure evaluation of tunnelling workers to dust and gases (CIS 02-310)

DRINK INDUSTRY → BEVERAGE INDUSTRY

DRINKING WATER

Study of cancer risk in a population having been exposed over a long time to ammonium perchlorate and trichloroethylene in drinking water (CIS 02-1356)

DRIVERLESS POWER TRUCKS

Standard on pressure-sensitive bumpers for unmanned vehicles as a means of prevention of collision hazards (France), 2000 (CIS 02-1441)

DRIVERS

Practical answers to questions concerning the wearing of back belts at work in cases of backache (CIS 02-181)

Ergonomic design of a driver's workplace in a side-loading refuse collecting vehicle (CIS 02-452)

Disease pattern among male professional drivers in Denmark (CIS 02-727)

Description of the job of motorcycle dispatch workers and related hazards (CIS 02-736)

Analysis of fatal road accidents in France involving employees in the course of their work (CIS 02-922)

Analysis of working time and conditions of professional drivers in the road transport industry (CIS 02-1276)

Analysis of information contained in a database on fatal road accidents involving employees during the course of their work (CIS 02-1435)

Evaluation of gasoline distribution workers' exposure to major gasoline components in Finland (CIS 02-1836)

Model to explain the response of drivers to the installation of road lighting (CIS 02-1922)

Study of the relation between time spent driving tractors and self-reported low-back and hip symptoms (CIS 02-1949)

DRIVERS CABS

Test bench measurements and numerical modelling applied to designing power trucks with lower levels of vibration (CIS 02-1418)

Ergonomic assessment of whole-body vibration exposure risk in locomotive driver cabs (CIS 02-1430)

Numerical simulation of the effectiveness of lap straps in the event of tractor overturning (CIS 02-1437)

DRIVING (LEVELS)

Guide to the prevention and suppression of dust in mining, tunnelling and quarrying (ILO), 1965 (CIS 02-375)

DRIVING LICENCES → QUALIFICATIONS

DROWNING

Visual scanning methods and attention span in lifeguards (CIS 02-483)

DRUG DEPENDENCE

Evaluation of commercially-available tests for psychoactive drug screening in France (CIS 02-1482)

DRUGS

Regulation on cytostatic and other toxic medicines (Sweden), English translation, 1999 (CIS 02-527)

Relationship between physically demanding work, inadequate sleep, pain medication use and absenteeism among registered nurses (CIS 02-970)

DRY CLEANING

Exposure evaluation of dry cleaning workers to aromatic compounds and to tetrachloroethylene (CIS 02-290)

Evaluation of equipment to reduce tetrachloroethylene exposure in dry-cleaning shops (CIS 02-1328)

Evaluation of control measures to reduce tetrachloroethylene exposure in dry-cleaning shops (CIS 02-1329)

Biological monitoring of exposure to benzene in service station and dry cleaning workers (CIS 02-1341)

DRY DOCKS → SHIPYARDS

DUCTS

Comparison of pressure measurement methods in ventilation systems with obstructive ventilatory impairment (CIS 02-264)

DUMBWAITERS → GOODS LIFTS

DURBAN → CHLORPYRIFOS

DUST

Exposure evaluation of tunnelling workers to dust and gases (CIS 02-310)

Follow-up study of respiratory health of newly-hired female cotton textile workers in China (CIS 02-730)

Advantages of vertical air flow in open ventilated booths (CIS 02-773)

Monitoring for air contamination by cotton dust in cotton seed milling machines in Uzbekistan (CIS 02-1313)

Exposure to hazardous chemicals in opticians' workshops (CIS 02-1379)

Study of the exposure of farmers to dust in various types of farms in Poland (CIS 02-1811)

Evaluation of the exposure to lead-containing dust among painters during renovation work (CIS 02-1821)

DUST ANALYSIS

Characterization of airborne silica dust and asbestos fibres (CIS 02-772)

Description of a method for the determination of the respirable fraction of crystalline silica (CIS 02-1814)

DUST COLLECTORS

Advantages of variable-flow exhaust ventilation systems in small woodworking shops (CIS 02-1368)

DUST CONTROL

Guide to the prevention and suppression of dust in mining, tunnelling and quarrying (ILO), 1965 (CIS 02-375)

Study of the reliability of malfunction alarms of dust control equipment used in the woodworking industry (CIS 02-1314)

Method for testing the performance of filter media used in industrial dust filtration (CIS 02-1769)

Information note on dust capture at fixed belt sanding machines (United Kingdom), 2002 (CIS 02-1857)

DUST COUNTS → NUMBER CONCENTRATION DETERMINATION

DUST EXTRACTION → LOCAL EXHAUST

DUST FILTERS → PARTICULATE FILTERS

DUST MEASUREMENT

Experimental determination of relationship between dust mass and differential pressure across filters (CIS 02-1312)

Characterization of the thoracic fraction of airborne particulate matter in an urban area and in an adjacent office building in Italy (CIS 02-1775)

DYES

Occupational exposures and risk of pancreatic cancer in Spain (CIS 02-169)

Allergic contact dermatitis due to disperse blue 106 and disperse blue 124 in German and Austrian patients from 1995 to 1999 (CIS 02-299)

Criteria document on m-chlorobenzotrifluoride (Germany), 1997 (CIS 02-584)

Case study of an allergic contact dermatitis from a perinone-type dye in spectacle frames (CIS 02-800)

Data sheet on ethidium bromide (France), 2000 (CIS 02-1142)

Bioavailability of azo pigments following inhalation exposure (CIS 02-1378)

Criteria document on benzyl chloride (Germany), 1997 (CIS 02-1542)

Criteria document on p-nitrosophenol (Germany), 1995 (CIS 02-1553)

Criteria document on 2-amino-6-methoxybenzothiazole (Germany), 1995 (CIS 02-1556)

DYNAMICS → MECHANICS

DYSMENORRHOEA → MENSTRUAL DISORDERS

DYSNPOEA

Work-related respiratory symptoms in New Zealand farmers (CIS 02-1245)

Control measures of pulmonary oedema resulting from exposure to phosgene (CIS 02-1319)

E

EAR DEFENDERS → HEARING PROTECTION

EARTHENWARE INDUSTRY → POTTERY INDUSTRY

EARTHING

Voltage control and earthing in buildings to prevent electrical accidents (CIS 02-1881)

EARTHMOVING EQUIPMENT

Trends in occupational accidents due to earthmoving equipment (CIS 02-920)

Regulation on the safe operation of construction machinery and equipment (Poland), 2001 (CIS 02-1055)

ECCENTRIC PRESSES → MECHANICAL POWER PRESSES

ECONOMIC ASPECTS

Impact of economic incentives on costs and benefits of occupational safety and health (CIS 02-129)

Case studies of the inclusion of OSH aspects in marketing and procurement in member states of the European Union (CIS 02-147)

Case studies highlighting the economic advantages of good workplace design (France), 2000 (CIS 02-161)

Cost-effective way to identify worksites presenting a risk of silicosis (CIS 02-174)

Disability management of low back injuries by employer-retained physicians (CIS 02-193)

Comparison of published methods for the valuation of the economic consequences of work injury and illness (CIS 02-621)

Literature review of methods and data sources for measuring economic consequences of workplace injuries (CIS 02-622)

Analysis and assessment of occupational safety and health organization systems in medium-sized and large companies in Germany (CIS 02-631)

Analysis of an approach to occupational safety and health based on the financial performance of enterprises in Germany (CIS 02-638)

Proposals for occupational safety and health policies aimed at encouraging employment (ILO), 2002 (CIS 02-641)

Literature survey on the economic consequences of working conditions that are hazardous to health (CIS 02-696)

Survey of health insurance coverage among farmers in Iowa (United States) (CIS 02-711)

Role of management in quality control of work organization and economic aspects (CIS 02-981)

Review of papers presented at a conference on the social and economic consequences of workplace illness and injury (13-15 June 1999, Denver, Colorado, USA) (CIS 02-995)

Literature review on the social consequences of occupational injuries and diseases (CIS 02-996)

Analysis of working time and conditions of professional drivers in the road transport industry (CIS 02-1276)

Proposed approach for estimating workplace risk (CIS 02-1599)

Guide to employee health management aimed at company managers (CIS 02-1717)

Evaluation of quantitative approaches to risk assessment (CIS 02-1874)

Economic advantages of mental health care for employees (CIS 02-1988)

Proceedings of a conference on work life in the 21st century (Helsinki, Finland, 15-17 October 2001) (CIS 02-1995)

ECOTOXICOLOGY

Risk assessment in marine environments (ECETOC), 2001 (CIS 02-336)

Criteria document on 2,4,5-trichloroaniline (Germany), 2002 (CIS 02-568)

Criteria document on monochloroacetone, (Germany), 2002 (CIS 02-569)

Criteria document on genistein (Germany), 2001 (CIS 02-571)

Criteria document on propargyl alcohol (Germany), 2001 (CIS 02-572)

Criteria document on chloroacetamide (Germany), 2001 (CIS 02-573)

Proposed methods for evaluating the toxicology and ecotoxicology of chemicals in the marine environment (Germany), 2000 (CIS 02-1130)

Toxicological data for the hazard assessment of seven chemicals (UNEP), 2002 (CIS 02-1560)

Issues relating to the development, selection and use of QSARs (ECETOC), 1998 (CIS 02-1838)

General principles to be adopted when planning environmental monitoring projects, with particular reference to aquatic pollution risk assessment (ECETOC), 1999 (CIS 02-1839)

ECUADOR

Neuro-ototoxicity among workers of the ceramic tile lead-glazing cottage industry workers (CIS 02-1659)

ECZEMA

Contact dermatitis due to primerose (CIS 02-185)

Occupational contact allergy to acrylates and methacrylates (CIS 02-298)

Allergic contact dermatitis due to disperse blue 106 and disperse blue 124 in German and Austrian patients from 1995 to 1999 (CIS 02-299)

Analysis of risk factors for hand eczema among metalworker trainees (CIS 02-312)

Study of the incidence of work-related hand eczema during apprenticeship in the automobile industry (CIS 02-314)

Case studies of occupational allergic contact dermatitis in two hairdressers due to glutaraldehyde (CIS 02-327)

Therapeutic effects of *Nigella sativa* on occupational contact dermatitis (CIS 02-660)

Questionnaire survey on occupational eczema and derived psychological effects (CIS 02-665)

Case study of sensitization dermatitis from colophony in sawdust (CIS 02-791)

Case study of sensitization dermatitis in carpenters (CIS 02-792)

Case study of a sensitization dermatitis from a polyacrylate derivative (CIS 02-793)

Contact dermatitis in Korean dental technicians (CIS 02-820)

Case study of eczema due to an allergic reaction to quaternary ammonium compounds used as disinfectants by nurses (CIS 02-821)

Cases of allergic contact dermatitis in healthcare workers diagnosed as being caused by pharmaceutical drugs (CIS 02-850)

EDGER SAWS → CIRCULAR SAWS

EDUCATIONAL INSTITUTIONS

Safety and health guide for school workers (Canada), 2001 (CIS 02-92)

Regulations on the exemption of laboratories from certain rules related to dangerous substances (New Zealand), 2001 (CIS 02-1038)

Manual for the teaching of occupational safety and health in secondary schools (Spain), 2002 (CIS 02-1563)

EFFLUENTS

Evaluation of control measures for odour pollution and bioaerosols during the secondary treatment of pulp and paper industry effluents (CIS 02-845)

EGGS

Specific immune response to occupational antigens in asymptomatic egg packaging and processing workers (CIS 02-1686)

EL SALVADOR

Decree on radiation safety (El Salvador), 2002 (CIS 02-533)

ELASTOMERS

Assessment of elastomeric floor coverings in workplaces requiring a standing work posture (CIS 02-976)

ELECTRIC ARC WELDING AND CUTTING → ARC WELDING AND CUTTING

ELECTRIC BATTERIES → STORAGE BATTERIES

ELECTRIC FIELDS

Is the reduction in exposure to electrical fields next to VDUs due to filters or the "Hawthorne effect"? (CIS 02-763)

ELECTRIC HOISTS

Monitoring of safety devices in passenger lifts and electric hoists by means of ultrasound testing (CIS 02-1912)

ELECTRIC POWER DISTRIBUTION

Relationship between leukaemia mortality and exposure to magnetic fields among electricity generation and transmission workers in the United Kingdom (CIS 02-1423)

ELECTRIC POWER GENERATION

Evaluation of exposure to polycyclic aromatic hydrocarbons, benzene, toluene and xylenes in workers in an oil-burning power plant in Italy (CIS 02-321)

Exposure evaluation to ceramic fibres during insulating work on electrical equipment (CIS 02-1776)

ELECTRIC POWER GENERATION AND STORAGE

Relationship between leukaemia mortality and exposure to magnetic fields among electricity generation and transmission workers in the United Kingdom (CIS 02-1423)

ELECTRIC POWER TRANSMISSION

Study of the risk of cognitive impairment following exposure to electromagnetic fields from high-voltage transmission lines (CIS 02-1891)

ELECTRIC SHOCK

Analysis of the causes of electrical accidents in the electrical utility sector in Greece (CIS 02-890)

ELECTRIC TESTING AND MEASURING EQUIPMENT

Safety guide for persons carrying out electrical testing (United Kingdom), 2002 (CIS 02-1415)

Guidelines for proof testing of safety instrumented systems in the chemical industry in the United Kingdom (CIS 02-1871)

ELECTRICAL ACCIDENTS

Retrospective analysis of the causes of electrical accidents (Germany), 2002 (CIS 02-891)

Preventing falls from heights and electrical accidents during light and rapidly-executed construction work (CIS 02-1288)

ELECTRICAL EQUIPMENT

Comment on legislation regulating electrical and mechanical equipment in beauty parlours (Italy), 2001 (CIS 02-259)

CD-ROM on occupational safety and health in the electrical and electronic manufacturing sectors (Portugal), 1999 (CIS 02-1306)

Summary of a report on exposures to dust and harmful substances in dust during the disassembly and shredding of discarded electrical and electronic equipment (CIS 02-1832)

Information note on electrical safety during servicing and repair of audio, TV and computer equipment (United Kingdom), 2002 (CIS 02-1882)

ELECTRICAL HAZARDS → ELECTRICITY

ELECTRICAL INSULATION

Safety implications of the ageing of low-voltage cables (CIS 02-393)

Exposure evaluation to ceramic fibres during insulating work on electrical equipment (CIS 02-1776)

ELECTRICAL SAFETY

Safety implications of the ageing of low-voltage cables (CIS 02-393)

Analysis of the causes of electrical accidents in the electrical utility sector in Greece (CIS 02-890)

Information note on protection against static discharges (Spain), 2000 (CIS 02-1416)

Voltage control and earthing in buildings to prevent electrical accidents (CIS 02-1881)

Information note on electrical safety during servicing and repair of audio, TV and computer equipment (United Kingdom), 2002 (CIS 02-1882)

ELECTRICAL SCREENING

Is the reduction in exposure to electrical fields next to VDUs due to filters or the "Hawthorne effect" ? (CIS 02-763)

ELECTRICITY

Training programme on electrical safety in the construction industry (USA), 1997 (CIS 02-103)

Study of mortality patterns among electrical utility workers by occupational category (CIS 02-700)

Analysis of the causes of electrical accidents in the electrical utility sector in Greece (CIS 02-890)

Safety guide for persons carrying out electrical testing (United Kingdom), 2002 (CIS 02-1415)

ELECTROENCEPHALOGRAPHIC CHANGES

Effects of monotonous work at computer terminals on electroencephalographic changes and vigilance (CIS 02-1763)

ELECTROMAGNETIC CLUTCHES → ELECTRIC POWER TRANSMISSION

ELECTROMAGNETIC FIELDS

Effects of electric field reduction in visual display units on skin symptoms (CIS 02-1421)

Investigation of the relationship between breast cancer in men and exposure to electromagnetic fields (CIS 02-1425)

Using databases for evaluating exposure to electromagnetic fields in Germany (CIS 02-1426)

Study of the risk of cognitive impairment following exposure to electromagnetic fields from high-voltage transmission lines (CIS 02-1891)

Method for calculation of safe distances for the occupational exposure to mobile phone antennas (CIS 02-1892)

ELECTROMAGNETIC RADIATION

Reduction of the risk of interference between cellular telephones and pacemakers (CIS 02-764)

Review article on the risks associated with extremely low frequency and intermediate frequency electromagnetic fields (France), 2001 (CIS 02-914)

ELECTRON MICROSCOPY

Criteria document on dimethylbenzylamine (Germany), 1997 (CIS 02-1543)

ELECTRONIC EQUIPMENT

Study of the exposure to dangerous substances during the recycling of electronic waste in Germany (CIS 02-1384)

ELECTRONIC MEASURING EQUIPMENT

Testing of calibration equipment for air sampling pumps (CIS 02-266)

ELECTRONICS INDUSTRY

Incidence of carpal tunnel syndrome among workers in an Egyptian electronics assembly factory (CIS 02-457)

CD-ROM on occupational safety and health in the electrical and electronic manufacturing sectors (Portugal), 1999 (CIS 02-1306)

ELECTROPLATING

Development of a methodology to design and evaluate effective risk messages and its application to the electroplating industry (CIS 02-354)

Practical guide to the ventilation of surface treatment vats and tanks (France), 2001 (CIS 02-358)

Information leaflet on the hazards of electroplating (Singapore) (CIS 02-1158)

Survey of the level of understanding of chemical hazards by workers in the small enterprises in the electroplating industry (CIS 02-1820)

ELECTROSTATIC DISCHARGES → STATIC ELECTRICITY

ELECTROTHERAPY → PHYSIOTHERAPY

ELEVATORS → PASSENGER LIFTS

EMERGENCY EXITS

Emergency stairway regulations (Costa Rica), 1977, 1980 (CIS 02-529)

EMERGENCY ORGANIZATION

Assessing the impact on safety of staffing reductions in the chemical and allied industries (United Kingdom), 2001 (CIS 02-386)

Assessment of emergency preparedness in industries exposed to major accident hazards (United Kingdom), 2001 (CIS 02-387)

Regulations on the management of emergencies involving hazardous substances (New Zealand), 2001 (CIS 02-1048)

Organization of emergency and first-aid services at the enterprise level (CIS 02-1181)

Public health risks of railroad accidents in the US involving hazardous substances (CIS 02-1409)

Guidance on the Railways (Safety Case) Regulations (United Kingdom), 2001 (CIS 02-1449)

Defining and implementing an emergency plan (CIS 02-1591)

Description of a workers' union occupational safety and health training programme in the hazardous waste industry (CIS 02-1740)

Generic modules for responding to crisis situations (ILO), 2002 (CIS 02-1879)

Manual on the assessment of rapid needs following crisis situations (ILO), 2002 (CIS 02-1880)

Guide to the implementation of the Radiation (Emergency Preparedness and Public Information) Regulations 2001 (United Kingdom), 2002 (CIS 02-1905)

EMERGENCY SERVICES

Assessment of the long-term impact of a union-based programme for industrial emergency response training (CIS 02-382)

Assessment of emergency preparedness in industries exposed to major accident hazards (United Kingdom), 2001 (CIS 02-387)

Proceedings of a workshop on the psychological preparation and follow-up of occupational groups faced with emergency situations (Germany, 15 June 2000) (CIS 02-499)

Preventing injuries from sharp devices among emergency service workers (CIS 02-923)

Fire hazards caused by aluminium regulators on oxygen cylinders (CIS 02-1862)

Study of the frequency of occupational injuries among public safety workers (CIS 02-1941)

EMERGENCY STOP DEVICES

Standard on pressure-sensitive bumpers for unmanned vehicles as a means of prevention of collision hazards (France), 2000 (CIS 02-1441)

Analysis of clutch-brake systems (CIS 02-1914)

EMERGENCY TREATMENT

Guide to basic first aid and resuscitation (Pakistan), 2001 (CIS 02-88)

EMERGENCY-TREATMENT ORGANIZATION

Control measures of pulmonary oedema resulting from exposure to phosgene (CIS 02-1319)

Information note on preventive measures at workplaces exposed to bioterrorist risks of anthrax (France), 2001 (CIS 02-1464)

EMOTIONAL HEALTH → MENTAL HEALTH

EMOTIONAL REACTIONS → PERSONALITY DISORDERS

EMOTIVITY

Information note on OSH and emotional memory (Spain), 2000 (CIS 02-1498)

EMPLOYEE RESPONSIBILITIES → RESPONSIBILITIES OF EMPLOYEES

EMPLOYER-EMPLOYEE RELATIONS → LABOUR-MANAGEMENT RELATIONS

EMPLOYERS LIABILITY FOR HEALTH AND SAFETY → WORKMEN'S COMPENSATION

EMPLOYMENT AND REEMPLOYMENT

Proceedings of a Conference on mentally handicapped people and their work capacity (Milan, Italy, 22-23 Oct. 1998) (CIS 02-749)

EMULSIFIERS

Comment on the contents of the new European standard on emulsifiers (CIS 02-1859)

ENAMELLING

Neurological effects in workers following exposure to manganese (CIS 02-1320)

ENCYCLOPAEDIA

Using the ILO Encyclopaedia of Occupational Health and safety as a source of definitions in the OSH field (CIS 02-1609)

ENDOCRINE EFFECTS

Criteria document on genistein (Germany), 2001 (CIS 02-571)

Suitability of the gene expression assay for evaluating the exposure to harmful chemicals (CIS 02-1788)

ENDOSULFAN

Toxicological profile for endosulfan (USA), update, 2000 (CIS 02-80)

ENDOTOXINS → BACTERIAL TOXINS

ENDURANCE LIMIT

Ergonomic evaluation of endurance limit of fatigue during intermittent overhead work (CIS 02-460)

ENERGY EXPENDITURE

Study of energy costs of dragging sheep during sheep shearing (CIS 02-953)

ENFORCEMENT

Strategic plan of the Health and Safety Executive Local Authority Enforcement Liaison Committee (United Kingdom), 2001-2004 (CIS 02-1193)

Report on safety and health in sectors enforced by local authorities (United Kingdom), 2001 (CIS 02-1194)

Annual report of the Health and Safety Executive Local Authority Enforcement Liaison Committee (HELA) (United Kingdom), 2001 (CIS 02-1195)

Guidance to local authorities on exercising their responsibilities in the enforcement of occupational safety and health regulations (United Kingdom), 2001 (CIS 02-1196)

ENGINEERING CONSTRUCTION INDUSTRY → CIVIL ENGINEERING

ENGINEERING PSYCHOLOGY → ERGONOMICS

ENGLAND

Risk perception leading to risk-taking behaviour among farmers (CIS 02-1993)

ENTERTAINMENT SERVICES

Report on the social situation of musical performers in Africa, Asia and Latin America (ILO), 2001 (CIS 02-1293)

ENTRY PERMITS → PERMITS-TO-WORK

ENVIRONMENTAL CONTROL → POLLUTION CONTROL

ENVIRONMENTAL MONITORING → WORKPLACE MONITORING

ENVIRONMENTAL POLLUTION

Stockholm convention on persistent organic pollutants (UNEP), 2001 (CIS 02-15)

Tool for managing risks to the environment (CIS 02-304)

Data sheet on the remediation of polluted industrial sites (France), 2001 (CIS 02-360)

Occupational safety and health aspects of globalization (CIS 02-613)

Description of an occupational safety and health and environmental protection awareness programme based on multidisciplinary workshops (CIS 02-616)

Control of chemical risks during the remediation of contaminated soil (CIS 02-1345)

Prevention of occupational hazards during polluted site remediation in France (CIS 02-1358)

ENVIRONMENTAL PROTECTION → NEIGHBOURHOOD PROTECTION

ENZYME ACTIVITY

Liver function of workers of a petrochemical plant in Venezuela occupationally exposed to mixed organic solvents (CIS 02-843)

Hepatic enzyme levels in workers exposed to styrene (CIS 02-1365)

Influence of styrene exposure and microsomal epoxide hydrolase phenotype on neurobehavioural changes among workers of a polyester boat building plant (CIS 02-1366)

ENZYMES

Report on exposure, sensitization and allergy to industrial enzymes in Finland (CIS 02-348)

Sensitization to enzymes among workers of the animal feed industry (CIS 02-1367)

Genetic polymorphisms of various enzymes and susceptibility to coal workers' pneumoconiosis (CIS 02-1672)

EPICHLOROHYDRIN

Data sheet on epichlorohydrin (France), 2000 (CIS 02-58)

EPICONDYLITIS

Epidemiologic study on injuries to upper extremities in US workers (CIS 02-1257)

EPIDEMIOLOGIC STUDY

Practical guidance aimed at occupational physicians on how to carry out epidemiological studies (France), 2000 (CIS 02-219)

Literature survey of sex bias in occupational safety and health studies (CIS 02-695)

Special issue on the feasibility of conducting epidemiologic studies on a population of migrant and seasonal farmworkers (CIS 02-1726)

EPIDEMIOLOGICAL ASPECTS

Epidemiological aspects of liver angiosarcoma (CIS 02-1668)

EPIDEMIOLOGY

Glossary of statistical and epidemiological terms (France), 2000 (CIS 02-167)

Data sheet on the method of data collection on the health effects of occupational hazards (France), 2001 (CIS 02-217)

Information note on the mode of collecting data on health effects during epidemiological studies on occupational safety and health (France), 1999 (CIS 02-218)

Statistical models applied to neurobehavioural epidemiology (France), 2000 (CIS 02-497)

Literature review of epidemiological studies of occupational acute traumatic hand injuries (CIS 02-1222)

Alternative method of presenting occupational hazard data in epidemiological studies (CIS 02-1663)

Proceedings of a conference on epidemiology and occupational health (Helsinki, Finland, 8 February 2002) (CIS 02-1713)

Special issue on the feasibility of conducting epidemiologic studies on a population of migrant and seasonal farmworkers (CIS 02-1726)

Confounding factors due to smoking in epidemiological studies on the relation between low levels of exposure to radon and lung cancer (CIS 02-1889)

EPILEPSY

Screening of workers suffering from epilepsy and assessing their ability to perform safety-critical tasks (CIS 02-1674)

EPOXIDE HYDRATASE → EPOXIDE HYDROLASE

EPOXIDE HYDROLASE

Study of the influence of polymorphisms of detoxification enzyme genes on sister chromatid exchange induction by epoxides in cultured human lymphocytes (CIS 02-867)

Influence of styrene exposure and microsomal epoxide hydrolase phenotype on neurobehavioural changes among workers of a polyester boat building plant (CIS 02-1366)

EPOXY RESINS

Case study of sensitization dermatitis in carpenters (CIS 02-792)

Characterization of particulate matter in smoke released during carbon/epoxy composite material combustion (CIS 02-1348)

Study of three cases of occupational contact urticaria caused by airborne methyl hexahydrophthalic anhydride (CIS 02-1354)

EQUILIBRIUM → STABILITY

EQUIPMENT LAYOUT

Information sheet presenting an approach involving planning prior to the design phase applied to workplace design (France), 2000 (CIS 02-1645)

Design guide for the layout of chemical laboratories (France), 2002 (CIS 02-1757)

EQUIPMENT TESTING

Assessment of the protective efficiency and comfort of personal protective equipment in real conditions of use (CIS 02-115)

Evaluation of personal protective equipment items used for industrial rope access (CIS 02-421)

ERECTION AND DISMANTLING

Guidelines of the Mutual Occupational Accident Insurance Association (HVBG) with respect to the erection of suspended platforms (Germany), 1999 (CIS 02-933)

ERGONOMIC EVALUATION

Literature review of observation procedures for job studies (CIS 02-462)

Effects of neutral posture on muscle tension during computer use (CIS 02-464)

Ergonomic method for evaluating occupational hazards at the workplace (CIS 02-969)

Evaluation of the working conditions of supermarket cashiers in Portugal (CIS 02-1294)

Ergonomic job study of helicopter assembly work in Canada (CIS 02-1474)

Ergonomic evaluation of the safety of stepladders (CIS 02-1477)

Literature review of ergonomic evaluations of the safety of stepladders (CIS 02-1478)

Exposure to bioaerosols and ergonomic aspects when using trucks with side-lift arms for collecting household waste (CIS 02-1748)

Study of the ergonomic aspects of using non-keyboard input devices (CIS 02-1766)

Polarized task lighting to reduce reflective glare in open-plan office cubicles (CIS 02-1885)

ERGONOMICS

Guide to the implementation of an office ergonomics programme (Canada), 2001 (CIS 02-112)

Practical guide to ergonomics and OSH organization (ILO), Estonian translation, 2001 (CIS 02-113)

Case studies highlighting the economic advantages of good workplace design (France), 2000 (CIS 02-161)

Aspects to be considered for the safe design of stairways (CIS 02-419)

Collection of articles describing methods and tools for the prevention of musculoskeletal diseases of the upper extremities (CIS 02-442)

Case studies in applied ergonomics (CIS 02-470)

Proceedings of a workshop on the standardization of working performance (Dresden, Germany, 12 December 2000) (CIS 02-473)

Principles and practical examples of good workplace design (France), 2000 (CIS 02-477)

Regulation on the application of ergonomics to the prevention of musculoskeletal disorders (Sweden), 1998 (CIS 02-542)

Ergonomic evaluation of a training course on work posture at CRT display terminals (CIS 02-765)

Integrating the experience of machine operators in standardization efforts (CIS 02-925)

Editorial article giving an overview of published literature on ergonomics in agriculture (CIS 02-950)

Ergonomic interventions in the furniture industry aimed at reducing manual handling loads (CIS 02-958)

Ergonomic interventions in the furniture industry aimed at reducing upper extremity disorders (CIS 02-959)

Effectiveness of an ergonomics training programme in reducing musculoskeletal disorders among video display terminal users (CIS 02-966)

Design and layout of call centres in Germany (CIS 02-975)

Role of management in quality control of work organization and economic aspects (CIS 02-981)

Manual on the prevention of upper limb disorders at the workplace (United Kingdom), 2002 (CIS 02-1155)

Information leaflet on the ergonomic factors applicable to work at visual display unit workstations (Singapore), 1998 (CIS 02-1162)

Practical guide to working at visual display screens (Tunisia) (CIS 02-1163)

Basic ergonomic principles (Costa Rica) (CIS 02-1177)

CD-ROM-based training course for the qualification of senior technician in occupational safety and health with specialization in ergonomics, psychology and sociology (Spain), 2002 (CIS 02-1178)

Method of evaluating the usability of software applications (Germany), 2001 (CIS 02-1309)

Approach for the ergonomic evaluation of VDT workstation layouts in Germany (CIS 02-1310)

Ergonomic assessment of whole-body vibration exposure risk in locomotive driver cabs (CIS 02-1430)

Study of ergonomical and noise problems in small and medium-sized companies for the purpose of designing effective organizational systems for improving the safety and health of workers in Germany (CIS 02-1432)

Study of the influence of ergonomic and psychosocial factors on the capacity of workers suffering from upper extremity disorders to perform their normal work (CIS 02-1468)

Ergonomic study of women cashiers at a large Tunisian retailer (CIS 02-1471)

Special feature on ergonomic risks at work and their prevention (CIS 02-1475)

Guide to technical devices for ergonomically adapting workplaces to the needs of handicapped workers (Germany), 1999 (CIS 02-1479)

Encyclopaedia and practical guide to occupational safety and health (France), 2002 (CIS 02-1635)

Ergonomic study of vehicle access and handling of tools among fire fighters (CIS 02-1747)

Evaluation of ergonomically-designed tools on lightening the physical workload in four construction-industry tasks (CIS 02-1950)

Use of check-lists to evaluate chair comfort (CIS 02-1956)

Proposed improved model for evaluating lifting tasks (CIS 02-1957)

Effect of supervisors' presence on the effectiveness of a training programme to improve musculoskeletal health (CIS 02-1959)

Study of the effects of shift work on the psychological health of workers (CIS 02-1960)

Special issue on ergonomics in Australia (CIS 02-1962)

Practical guidance on ergonomic sitting postures at the workplace (United Kingdom), 2002 (CIS 02-1976)

ERGOTHERAPY → PHYSIOTHERAPY

ERYTHEMA

Case study of an allergic contact dermatitis from a perinone-type dye in spectacle frames (CIS 02-800)

ERYTHROCYTE COUNT → BLOOD COUNT

ESCAPE AND EXIT

Defining and implementing an emergency plan (CIS 02-1591)

ESPARTO INDUSTRY → FIBRE-ROPE INDUSTRY

ESTONIA

Practical guide to ergonomics and OSH organization (ILO), Estonian translation, 2001 (CIS 02-113)

ETHANEDIAL → GLYOXAL

ETHANETHIOL

Data sheet on methylmercaptan, ethanethiol and butanethiol (France), 1992 (CIS 02-61)

ETHANOL

ETHYL ACRYLATE

Summary of toxicology and ecotoxicology of 11 chemicals (Germany), 2001 (CIS 02-1128)

ETHYL ALCOHOL → ETHANOL

ETHYL CARBAMATE POLYMER → POLYURETHANES

ETHYL MERCAPTAN → ETHANETHIOL

ETHYLENE DIBROMIDE → DIBROMOETHANE

ETHYLENE DICHLORIDE → 1,2-DICHLOROETHANE

ETHYLENE GLYCOL DIMETHACRYLATE

Occupational contact allergy to acrylates and methacrylates (CIS 02-298)

ETHYLENE GLYCOL ETHYL ETHER → ETHOXYETHANOL

ETHYLENE GLYCOL ETHYL ETHER ACETATE → 2-ETHOXYETHYL ACETATE

ETHYLENE GLYCOL METHACRYLATE → HYDROXYETHYL METHACRYLATE

ETHYLENE GLYCOL MONOETHYL ETHER → ETHOXYETHANOL

ETHYLENE OXIDE

Data sheet on ethylene oxide (France), 1992 (CIS 02-1072)

1,4-ETHYLENEPIPERAZINE → TRIETHYLENEDIAMINE

ETHYLENETHIOUREA

Criteria document on ethylenethiourea (Germany), 1995 (CIS 02-581)

2-ETHYLHEXYL DIPHENYL PHOSPHATE

Criteria document on 2-ethylhexyl diphenyl phosphate (Germany), 1995 (CIS 02-1550)

EVALUATION OF CONTROL MEASURES

Regulation on evaluation of the employer's capacity to perform/authorize OSH-related tasks (Croatia), 2002 (CIS 02-1005)

EVALUATION OF DISABILITIES → EXPERTISE

EVALUATION OF EQUIPMENT

Safety implications of the ageing of low-voltage cables (CIS 02-393)

Evaluation of a portable blood lead analyser with populations occupationally exposed to lead (CIS 02-796)

Evaluation of equipment of a prototype infrared spectrophotometer for monitoring air contamination (CIS 02-1371)

EVALUATION OF SAFETY PROPAGANDA

Safety and health promotion in Italy (CIS 02-1708)

EVALUATION OF TECHNIQUE

Evaluation of commercially-available tests for psychoactive drug screening in France (CIS 02-1482)

EXAMINATION OF EQUIPMENT → INSPECTION

EXCAVATING → TRENCHING AND EXCAVATING

EXECUTIVES

Study of the impact of frequent business travel on stress and family life (CIS 02-982)

EXERCISE TESTS

Comparison between pulmonary function tests and a cardiopulmonary exercise test for evaluating patients with chronic obstructive pulmonary disease (CIS 02-1662)

Metabolic processes during ergometric tests (CIS 02-1964)

EXHALATION

Work capacity modifications in workers wearing respirators through different breathing resistances (CIS 02-459)

EXHAUST GASES

Survey of exposure to diesel engine exhaust emissions in the workplace (CIS 02-283)

Method for diesel exhaust filtration (CIS 02-287)

Model for predicting the efficiency of protective measures against explosions in smoke chambers (Germany), 1997 (CIS 02-384)

Information note on hot work on vehicle wheels (United Kingdom), 2001 (CIS 02-392)

Information note on the prevention of fire and explosion risks during maintenance and repair of LPG-powered industrial trucks (France) (CIS 02-1412)

Proposed minimum distances between the point of storage of explosives and neighbouring buildings in the United Kingdom (CIS 02-1867)

Analysis of the possibly difficulties of enterprises to comply with proposed legislation concerning separation distances for premises storing fireworks in the United Kingdom (CIS 02-1868)

Guide to the selection of appropriate explosion effects models for explosives for hazard analysis and risk management (United Kingdom), 2000 (CIS 02-1876)

EXPLOSION PREVENTION

Model for predicting the efficiency of protective measures against explosions in smoke chambers (Germany), 1997 (CIS 02-384)

Decree modifying the explosion prevention provisions of the Labour Code (France), 2002 (CIS 02-1525)

EXPLOSION PROTECTION

Proposed guidelines of the Mutual Occupational Accident Insurance Association (HVBG) with respect to fire and explosion hazard prevention requirements for machinery and equipment used for the machining, melting and casting of magnesium (Germany), 1999 (CIS 02-889)

Decree on the obligation of building contractors to provide for explosion protection in workplaces they are constructing (France), 2002 (CIS 02-1526)

EXPLOSION-PROOF CONSTRUCTION

Carburettor-design changes of LPG-powered fork-lift trucks (CIS 02-378)

Decree on the obligation of building contractors to provide for explosion protection in workplaces they are constructing (France), 2002 (CIS 02-1526)

EXPLOSIONS

Description of an explosion in a fertilizer plant in France (CIS 02-885)

Analysis of the causes of an accidental explosion in a chemical plant (CIS 02-1410)

Hazards due to the formation of carbon monoxide when using explosives in civil engineering work (CIS 02-1842)

EXPLOSIVE ATMOSPHERE DETECTION

Manual on methods for the detection and measurement of explosive and toxic substances in air (CIS 02-1375)

EXPLOSIVE ATMOSPHERES

Information note on protection against static discharges (Spain), 2000 (CIS 02-1416)

EXPLOSIVE SUBSTANCES

Regulations on controls for class 1-5 hazardous substances (New Zealand), 2001 (CIS 02-1039)

EXPLOSIVES

Comparison of British Explosives Transport Regulations and ADR 2001 for the transport of explosives by road (United Kingdom), 2001 (CIS 02-383)

Ordinance on safety in the production of explosives in the workplace (Finland), 2002 (CIS 02-532)

Safety techniques and development of a pyrotechnic system for hot mass blasting (CIS 02-886)

Regulations on the safe use of explosives (South Africa), 2003 (CIS 02-1528)

Proposed minimum distances between the point of storage of explosives and neighbouring buildings in the United Kingdom (CIS 02-1867)

Guide to the selection of appropriate explosion effects models for explosives for hazard analysis and risk management (United Kingdom), 2000 (CIS 02-1876)

EXPOSURE

Case-control study of the relationship between the risk of colon cancer in men and exposures to various occupational agents (CIS 02-171)

Relationship between occupational exposure and risk of endometrial and cervix cancer in Finland (CIS 02-173)

Meta-analysis of the association between systemic sclerosis and exposure to solvents (CIS 02-805)

EXPOSURE EVALUATION

Presentation of the task exposure matrix (TEM) as an improvement of the job exposure matrix (JEM) (CIS 02-116)

Review article on biological exposure indices (CIS 02-272)

Database of hydrocarbon solvent exposure (CIS 02-285)

Comment on the Royal Decree 374/2001 (Spain) concerning the protection of workers' health and safety against risks from chemicals at the place of work (CIS 02-291)

Short reports on workplace evaluations of occupational exposure to lead (USA), 2001 (CIS 02-334)

Exposure to noise among discotheque employees (CIS 02-395)

Heat exposure study in the workplace in a glass manufacturing unit in India (CIS 02-405)

Statistical trends in occupational safety and health in Europe (2002) (CIS 02-627)

Rhinitis and respiratory disorders among workers at a Tunisian textile mill (CIS 02-771)

Literature review of mathematical models for evaluating the exposure to volatile chemicals used at the workplace (CIS 02-781)

Relationship between smoking and blood cadmium concentrations among young workers in a cadmium and zinc extraction facility (CIS 02-783)

Survey of occupational exposure to lead (France), 2002 (CIS 02-788)

Study of exposure to formaldehyde in anatomy laboratory work (CIS 02-797)

Biological monitoring of exposure to harmful chemicals (CIS 02-827)

Supplement to the NIOSH manual of analytical methods for monitoring exposure to toxic substances (USA), 1998 (CIS 02-866)

Study of the exposure to pesticide deposits on agricultural spraying equipment (CIS 02-869)

Thermal perception thresholds in the hands of workers exposed to vibration (CIS 02-894)

Development of a method for evaluating heat load risk during work in hot environments (CIS 02-900)

Algorithm for estimating the radiation dose of flight attendants (CIS 02-906)

Respiratory symptoms, lung function and cell surface markers among workers in the hemp fibre processing industry (CIS 02-1248)

Statistical assessment of variability of biomonitoring data (CIS 02-1346)

Reliability of workplace exposure assessment models as a function of containment source, air inlet and exhaust locations (CIS 02-1347)

Variation in exposure levels for asbestos, beryllium and ionizing radiation based on published data from monitoring programmes (CIS 02-1349)

Study of the exposure of workers in hospital oncology units to cytostatic substances (CIS 02-1350)

Review of European gasoline exposure data (CONCAWE), 1993-1998 (CIS 02-1383)

Information note on the evaluation of daily exposure to chemicals (Spain), 2000 (CIS 02-1391)

Information note on the evaluation of short-term exposure to chemicals (Spain), 2000 (CIS 02-1392)

Information note on sampling and evaluation of daily exposure to chemicals (Spain), 2000 (CIS 02-1398)

Description of a software tool for evaluating the hazards from exposure to optical radiation sources (CIS 02-1422)

Development of a carcinogen exposure assessment system for an international study on cancer risks among paper industry workers (CIS 02-1690)

Check list for the assessment of occupational exposure to repetitive movements of the upper limbs (CIS 02-1704)

Suitability of the gene expression assay for evaluating the exposure to harmful chemicals (CIS 02-1788)

Determination of toluene and xylenes in urine as biological indicators of low-level exposure (CIS 02-1796)

Study of the exposure of farmers to dust in various types of farms in Poland (CIS 02-1811)

Research in the fields of occupational medicine and occupational safety and health in Italy (CIS 02-1833)

Evaluation of gasoline distribution workers' exposure to major gasoline components in Finland (CIS 02-1836)

Report on the experimental evaluation of dermal exposure during pesticide spraying (United Kingdom), 2002 (CIS 02-1840)

Taking account of work environment in addition to job description in assessing exposure to magnetic fields (CIS 02-1890)

Simplified method for evaluating exposure to infrared radiation in glass factories (CIS 02-1900)

EXPOSURE LIMITS → LIMITATION OF EXPOSURE

EXPOSURE TESTS

Biological monitoring of employees exposed to 4,4'-methylene-bis-(2-ortho-chloraniline) (CIS 02-273)

Evaluation of the exposure to benzene among automobile repair shop mechanics and tank-truck drivers (CIS 02-279)

Lip lead as an alternative measure for lead exposure of battery assembly workers (CIS 02-284)

Induction of DNA and cytogenic damage in lymphocytes among farm workers exposed to pesticides in Poland (CIS 02-288)

Occupational exposure to airborne mercury during gold mining in Venezuela (CIS 02-309)

Assessment of benzene exposure among car mechanics (CIS 02-311)

Efficacy of serial medical surveillance for chronic beryllium disease in a beryllium machining plant (CIS 02-315)

Effects of exposure to solvents among graffiti removers (CIS 02-328)

Information note on the advantages and disadvantages of exposure evaluation by atmospheric sampling and biological monitoring (France), 1999 (CIS 02-365)

Information note on toxicodynamics and biological monitoring of organophosphorus pesticides (Spain), 1999 (CIS 02-368)

Relationship between exposure assessment and lung function in pig and poultry farmers (CIS 02-675)

Pesticide exposures among farmers of an ethnic minority in Thailand (CIS 02-833)

Work-related symptoms among Finnish sawmill workers exposed to monoterpenes and wood dust (CIS 02-844)

Setting occupational exposure limits based on evaluations of human response to sensory irritation (CIS 02-1221)

Total plasma protein adducts of allergenic hexahydrophthalic and methylhexahydrophthalic anhydrides as biomarkers of long-term exposure (CIS 02-1318)

Effects of occupational exposure to lead on immune parameters (CIS 02-1339)

Biological monitoring of exposure to benzene in service station and dry cleaning workers (CIS 02-1341)

Exposure evaluation to mercury in gold mining workers (CIS 02-1362)

Biological monitoring of benzene at low exposure (EEC), 1998 (CIS 02-1382)

Retrospective survey of occupationally-relevant sensitizers in employed persons with a report of a skin disease (CIS 02-1679)

Determination of serum cotinine to evaluate occupational exposure to passive smoking (CIS 02-1782)

Workplace monitoring of occupational exposure to sevoflurane (CIS 02-1794)

Determination of firefighter exposure to polycyclic aromatic hydrocarbons and benzene using biological indicators (CIS 02-1831)

Exposure of workers to pesticides in greenhouses and evaluation of re-entry times (CIS 02-1841)

Serum levels of ochratoxin A as a measure of occupational exposure (CIS 02-1928)

EXTINGUISHING AGENTS

Comment on the contents of the new European standard on emulsifiers (CIS 02-1859)

EXTRA LOW VOLTAGE

Safety implications of the ageing of low-voltage cables (CIS 02-393)

EXTRA WORK

Mortality among women and men relative to underemployment, part time work, overtime work, and extra work (CIS 02-646)

EXTRINSIC ALLERGIC ALVEOLITIS

Isolation of a rapidly growing mycobacterium involved in the contamination of metalworking fluids in a production plant (CIS 02-1935)

EYE IRRITATION

Ocular discomfort and conjunctival alterations among workers in operating theatres (CIS 02-1279)

EYE PROTECTORS → SAFETY SPECTACLES

EYE SHIELDS → FACE SHIELDS

EYES

Training booklet on the eyes, vision problems and risks to vision (Costa Rica), 2000 (CIS 02-87)

Eye and respiratory symptoms among farmers exposed to airborne microbial agents (CIS 02-1453)

Literature review on visual fatigue during work on screens (CIS 02-1762)

F

FABRIC DUST COLLECTORS → FILTER DUST COLLECTORS

FABRICS INSPECTION

Study of the substitution of trichloroethylene as a spot remover in the textile industry (CIS 02-1824)

FACE GUARDS → FACE SHIELDS

FACE SHIELDS

Automatic setting of the glare protection level of arc welding protection filters in Germany (CIS 02-911)

FACTORY DOCTORS → INDUSTRIAL PHYSICIANS

FAILURE ANALYSIS → SAFETY ANALYSIS

FALL ARRESTERS

Evaluation of personal protective equipment items used for industrial rope access (CIS 02-421)

FALLS FROM HEIGHTS

Recommendations for the prevention of construction industry accidents involving falls from low heights in Germany (CIS 02-931)

Preventing falls from heights and electrical accidents during light and rapidly-executed construction work (CIS 02-1288)

Preventing falls from heights in the building industry (CIS 02-1439)

Information note on preventing falls from height in the food and drink industries (United Kingdom), 2001 (CIS 02-1447)

Description of an automated system for cleaning the glazing at a new airport passenger terminal (CIS 02-1761)

FALLS OF PERSONS

Role of the managers of postal delivery offices in the prevention of accidents in mail delivery (CIS 02-117)

Safety guide on the prevention of injuries and deaths falls during construction and maintenance of telecommunication towers (USA), 2001 (CIS 02-427)

Statistical analysis of occupational injuries (Norway), 1991-1996 (CIS 02-1185)

Study of the risk factors of fatal and serious nonfatal accidents involving falls through roofs (CIS 02-1916)

Special issue on slipping, tripping and falling accidents (CIS 02-1921)

FALLS ON THE LEVEL

Collection of articles on accidents due to slips, trips and falls (CIS 02-924)

New theory to explain falls due to slippery floors (CIS 02-1911)

FAMOXADONE

Modification of Directive 91/414/EEC, adding 6 new substances to the list of active plant protection products (European Union), 2002 (CIS 02-1518)

FARM TRACTORS → TRACTORS

FARMER'S LUNG

Work-related respiratory symptoms in New Zealand farmers (CIS 02-1245)

Analysis of the relationship between the occurrence of farmer's lung disease and meteorological conditions over a 20-year period (CIS 02-1680)

FARMING → AGRICULTURE

FASTENERS

Design and testing of swaged screw-bolt joints for steel-wire ropes (CIS 02-932)

FASTENING OF LOADS → SECURING OF LOADS

FATALITIES

Overview of work-related fatalities (Australia), 1989-1992 (CIS 02-125)

Trends in occupational safety and health indicators in small and medium-sized enterprises in Poland during the transition to a market economy (CIS 02-134)

Statistical analysis of fatal occupational accidents (Germany), 1998-2000 (CIS 02-142)

Fatal injuries in farming, forestry and horticulture (United Kingdom), 2000-2001 (CIS 02-<->249)

Fatalities from inhalation of toxic substances among construction workers in the United States between 1990 and 1999 (CIS 02-<->1357)

Analysis of information contained in a database on fatal road accidents involving employees during the course of their work (CIS 02-<->1435)

Information note on hazards from tanker truck rollovers in firefighting operations (USA), 2001 (CIS 02-<->1448)

Working documents of a training course on the prevention of fatal occupational accidents in Brazil (CIS 02-<->1565)

Leaflet explaining the services of the Incident Contact Centre with respect to reporting of injuries, diseases and dangerous occurrences (United Kingdom), 2002 (CIS 02-<->1578)

Special feature on the management of serious occupational accidents (CIS 02-<->1587)

Statistical analysis of fatal occupational accidents in Italy (CIS 02-<->1595)

Fatal occupational accident statistics (USA), 1980-1995 (CIS 02-<->1616)

Alternative method of presenting occupational hazard data in epidemiological studies (CIS 02-<->1663)

Fatalities among firefighters in the United States in 2001 (CIS 02-<->1864)

Study of the risk factors of fatal and serious nonfatal accidents involving falls through roofs (CIS 02-<->1916)

Special feature on road traffic accidents involving workers in the construction industry (CIS 02-<->1917)

Impact of workplace fatalities on the deceased workers' relatives, colleagues and friends (CIS 02-<->1990)

Information pack for families of victims of fatal occupational accidents (United Kingdom), 2002 (CIS 02-<->1999)

FATIGUE

Ergonomic evaluation of endurance limit of fatigue during intermittent overhead work (CIS 02-<->460)

Effects of job and family conditions on cumulative fatigue of working mothers (CIS 02-<->1484)

Study of the efficiency of controlled breaks as a fatigue countermeasure among airline pilots on intercontinental flights (CIS 02-<->1958)

Sleepiness and road accidents among traffic policemen on shift-work on Italian highways (CIS 02-1963)

FATIGUE ASSESSMENT

Ergonomic evaluation of endurance limit of fatigue during intermittent overhead work (CIS 02-460)

FAULT DETECTION → INSPECTION

FAULTY OPERATION → UNSAFE PRACTICES

FAULTY WORKING METHODS → UNSAFE PRACTICES

FEED PRODUCTION

Report on exposure, sensitization and allergy to industrial enzymes in Finland (CIS 02-348)

Sensitization to enzymes among workers of the animal feed industry (CIS 02-1367)

FELLMONGERING → SHEEP SHEARING

FERROUS ALLOYS

Risk of bronchopulmonary cancer in a stainless and alloyed steels plant in France (CIS 02-1247)

FERTILIZER INDUSTRY

Description of an explosion in a fertilizer plant in France (CIS 02-885)

FERTILIZERS

Analysis of the causes of an accidental explosion in a chemical plant (CIS 02-1410)

FERTILIZING

Guidance for controlling risks to workers from bio-solids used for land fertilization (USA), 2002 (CIS 02-1948)

FIBRE COUNTS

Thoracic sampling of fibres (CIS 02-331)

Characterization of airborne silica dust and asbestos fibres (CIS 02-772)

FIBRE-ROPE INDUSTRY

Respiratory symptoms, lung function and cell surface markers among workers in the hemp fibre processing industry (CIS 02-1248)

FIBREBOARD

Study on dust emission, particle size distribution and formaldehyde concentration during machining of medium density fibreboard (CIS 02-325)

Dermatitis among workers of a particleboard manufacturing facility (CIS 02-1250)

FIBROUS GLASS → GLASS FIBRE

FIBROUS GLASS INDUSTRY

Hepatic enzyme levels in workers exposed to styrene (CIS 02-1365)

FIELD TRIPS → SAFETY CHECKS

FILTER DUST COLLECTORS

Equipment testing of filter dust collectors (CIS 02-265)

Experimental determination of relationship between dust mass and differential pressure across filters (CIS 02-1312)

FILTER RESPIRATORS → AIR PURIFYING RESPIRATORS

FILTER TESTING

Method for testing the performance of filter media used in industrial dust filtration (CIS 02-1769)

FILTERS → FILTRATION

FILTRATION

Report on the prevention of hazards from exposure to diatomaceous earths during wine filtration (CIS 02-352)

FILTRATION EFFICIENCY

Is the reduction in exposure to electrical fields next to VDUs due to filters or the "Hawthorne effect"? (CIS 02-763)

FINANCING OF PROGRAMMES

Occupational safety and health development programmes funded by the European Union (CIS 02-614)

Trends in governmental financial assistance for promoting occupational health services in small-scale enterprises in Japan (CIS 02-692)

Good practice guidelines for occupational health research funded by the private sector in the United States (CIS 02-1598)

FINGERS

Thermal perception thresholds in the hands of workers exposed to vibration (CIS 02-894)

Study of the type, location and severity of traumatic occupational hand injuries (CIS 02-1670)

Long-term follow-up study on patients with vibration-induced white finger (CIS 02-1896)

FINLAND

Regulation on carcinogens (Finland), 2000 (CIS 02-17)

Proposed indicators for occupational safety and health applicable at regional or national levels (Finland), 2001 (CIS 02-139)

Epidemiology of skin and respiratory diseases among hairdressers in Finland (CIS 02-209)

Statistics of occupational diseases (Finland), 1999 (CIS 02-211)

Guide for planning and supervising company-level occupational health policies and programs (Finland), 2001 (CIS 02-213)

Proceedings of an expert meeting on advances in radiology and screening of asbestos-related diseases (Espoo, Finland, 9-11 Feb. 2000) (CIS 02-347)

Ordinance on safety in the production of explosives in the workplace (Finland), 2002 (CIS 02-532)

Law on occupational safety and health (Finland), 2002 (CIS 02-1001)

Ordinance regarding the occupational health monitoring of workers exposed to special health risks (Finland), 2001 (CIS 02-1022)

Ordinance concerning good occupational health practice (Finland), 2001 (CIS 02-1023)

Cohort study on the relationship between brain and nervous-system cancers and occupational exposures among Finnish women (CIS 02-1241)

Work and health profiles of twenty-two European countries (Finland), 2002 (CIS 02-1622)

Report of activities of the Asian-Pacific regional programme on occupational safety and health (ILO), 1995 (CIS 02-1625)

Proceedings of a conference on epidemiology and occupational health (Helsinki, Finland, 8 February 2002) (CIS 02-1713)

Report on factors favouring the continued ability to work (Finland), 2002 (CIS 02-1716)

Evaluation of gasoline distribution workers' exposure to major gasoline components in Finland (CIS 02-1836)

Proceedings of a conference on work life in the 21st century (Helsinki, Finland, 15-17 October 2001) (CIS 02-1995)

FIRE

Description of the intervention following a fire in a tunnel (CIS 02-1860)

FIRE CODE → FIRE SERVICE ORGANIZATION

FIRE EXITS → EMERGENCY EXITS

FIRE FIGHTING

Identification of groups having different levels of exposure among firefighters (CIS 02-737)

Study on work-related injuries among firefighters (CIS 02-738)

Comparison of firefighters' hearing with that of the general population in the United States (CIS 02-1278)

Ergonomic study of vehicle access and handling of tools among fire fighters (CIS 02-1747)

Determination of firefighter exposure to polycyclic aromatic hydrocarbons and benzene using biological indicators (CIS 02-1831)

Comment on the contents of the new European standard on emulsifiers (CIS 02-1859)

Fire hazards caused by aluminium regulators on oxygen cylinders (CIS 02-1862)

Fatalities among firefighters in the United States in 2001 (CIS 02-1864)

Study of the frequency of hepatitis C among public safety workers (CIS 02-1941)

Study of the relation between occupational exposures and the risk of hepatitis B virus infection among public safety workers (CIS 02-1942)

FIRE FIGHTING INSTALLATIONS → FIXED EXTINGUISHING SYSTEMS

FIRE HAZARDS

Training booklet on fire and explosions hazards of chemicals and their control (Canada) (CIS 02-102)

Results of a survey on fire safety in Spanish enterprises (CIS 02-380)

Safety guide on fire hazards (CIS 02-888)

Method for evaluating fire risk (CIS 02-1408)

Information note on the prevention of fire and explosion risks during maintenance and repair of LPG-powered industrial trucks (France) (CIS 02-1412)

Assessment of the effectiveness of current United Kingdom guidance for controlling fire hazards at workplaces containing flammable substances (CIS 02-1869)

FIRE PREVENTION

Decree on fire safety in industry (Spain), 2001 (CIS 02-21)

Legal aspects of fire prevention at the workplace (France), 2000 (CIS 02-389)

Fire protection yearbook (United Kingdom), 2002 (CIS 02-887)

Safety guide on fire hazards (CIS 02-888)

Regulation on fire safety in the workplace (Nicaragua), 2002 (CIS 02-1529)

Information note on fire safety on construction sites (United Kingdom), 2002 (CIS 02-1878)

FIRE PROTECTION

Decree on fire safety in industry (Spain), 2001 (CIS 02-21)

Comments and considerations on the new Spanish regulation on fire safety at industrial sites (CIS 02-379)

Results of a survey on fire safety in Spanish enterprises (CIS 02-380)

Fire protection yearbook (United Kingdom), 2002 (CIS 02-887)

Proposed guidelines of the Mutual Occupational Accident Insurance Association (HVBG) with respect to fire and explosion hazard prevention requirements for machinery and equipment used for the machining, melting and casting of magnesium (Germany), 1999 (CIS 02-889)

Method for evaluating fire risk (CIS 02-1408)

Regulation on fire safety in the workplace (Nicaragua), 2002 (CIS 02-1529)

Information note on fire safety on construction sites (United Kingdom), 2002 (CIS 02-1878)

FIRE RETARDANT MATERIALS → FLAME RETARDANTS

FIRE RISKS → FIRE HAZARDS

FIRE SERVICE ORGANIZATION

Fire protection yearbook (United Kingdom), 2002 (CIS 02-887)

FIRE SERVICES

Respiratory symptoms among active firefighters (CIS 02-192)

Study of the risk of testicular cancer among fire fighters (CIS 02-699)

Adverse respiratory effects following overhaul in firefighters (CIS 02-735)

Identification of groups having different levels of exposure among firefighters (CIS 02-737)

Information note on hazards from tanker truck rollovers in firefighting operations (USA), 2001 (CIS 02-1448)

Safe distances for firefighters in boiling liquid expanding vapour explosions (CIS 02-1863)

FIREBRICK INDUSTRY → REFRACTORY BRICK INDUSTRY

FIRED PRESSURE VESSELS

Official standard on the safe operation of pressure vessels and boilers (Mexico), 2002 (CIS 02-538)

Regulation on the safe operation of steam-generating equipment and boilers (Nicaragua), 2002 (CIS 02-1533)

FIREWORKS → PYROTECHNICAL PRODUCTS

FIRST AID

Guide to basic first aid and resuscitation (Pakistan), 2001 (CIS 02-88)

Information note on first aid in cases of bruises and wounds (Spain), 2000 (CIS 02-1265)

Survey of the ability of health care providers to treat and prevent pesticide poisoning in agricultural areas of Tanzania (CIS 02-1808)

FIRST-AID AND RESCUE ORGANIZATION

Organization of emergency and first-aid services at the enterprise level (CIS 02-1181)

Fire hazards caused by aluminium regulators on oxygen cylinders (CIS 02-1862)

FIRST-AID SERVICES

Guidance on the regulations and approved code of practice for health care and first aid on offshore installations and pipeline works (United Kingdom), 2000 (CIS 02-1296)

FISH

Case of fatal occupational asthma following exposure to shark cartilage dust (CIS 02-1665)

FISHERMEN → FISHING

FISHING

Analysis of the causes of fatal and non-fatal occupational injuries among Alaskan commercial fishermen (CIS 02-713)

Risk factors for accidents in commercial shipping in the United States (CIS 02-1267)

Decrease in the incidence of decompression illness among Australian tuna farm divers due to government intervention (CIS 02-1428)

Regulations on the safe operation of fishing vessels (Ireland), 1999 (CIS 02-1515)

Series of five documents presenting the objectives, tasks, conclusions and proposed actions of a project aimed at promoting OSH activities in fisheries and construction industries in Vietnam (ILO), 1997 (CIS 02-1627)

Procedure for evaluating occupational hazards in Spanish fishing vessels in Spain (CIS 02-1724)

Collection of articles on the prevention of occupational accidents in commercial fishing (CIS 02-1727)

FISHING VESSELS → TRAWLERS

FIXED EXTINGUISHING SYSTEMS

Foam fire-extinguishing systems for petroleum storage tanks in India (CIS 02-884)

FLAME PERMITS → PERMITS-TO-WORK

FLAME RETARDANTS

Criteria document on diethyl phosphite (Germany), 1995 (CIS 02-567)

Criteria document on 2-ethylhexyl diphenyl phosphate (Germany), 1995 (CIS 02-1550)

FLAMEPROOFERS → FLAME RETARDANTS

FLAMMABLE ATMOSPHERE DETECTION → EXPLOSIVE ATMOSPHERE DETECTION

FLAMMABLE ATMOSPHERES → EXPLOSIVE ATMOSPHERES

FLAMMABLE GASES

Planning and design of gas alarm systems in chemical plants (CIS 02-324)

New index for assessing the combustion hazard of hydrofluorocarbon refrigerants (CIS 02-1861)

FLAMMABLE LIQUIDS

Safe distances for firefighters in boiling liquid expanding vapour explosions (CIS 02-1863)

FLAMMABLE SUBSTANCES

Regulations on controls for class 1-5 hazardous substances (New Zealand), 2001 (CIS 02-1039)

Assessment of the effectiveness of current United Kingdom guidance for controlling fire hazards at workplaces containing flammable substances (CIS 02-1869)

FLARES → PETROLEUM REFINING

FLASH WELDING → RESISTANCE WELDING

FLEXIBLE CORDS → CABLES

FLEXIBLE WORKING TIME

Flexible shift schedules for public transport drivers (CIS 02-446)

Impact of flexible shift schedules on the sleep duration and social life of nurses (CIS 02-453)

FLOATING DOCKS → SHIPYARDS

FLOOR LAYING

Radiographic knee osteoarthritis in floorlayers and carpenters (CIS 02-722)

Questionnaire for the evaluation of safety and health hazards associated with the use of resins during the laying of floorcovering (CIS 02-840)

Long-term follow-up study of the cognitive performance of floor layers formerly exposed to solvents (CIS 02-1801)

FLOORING

Questionnaire for the evaluation of safety and health hazards associated with the use of resins during the laying of floorcovering (CIS 02-840)

Assessment of elastomeric floor coverings in workplaces requiring a standing work posture (CIS 02-976)

FLORASULAM

Modification of Directive 91/414/EEC, adding 6 new substances to the list of active plant protection products (European Union), 2002 (CIS 02-1518)

FLOUR

Review article on respiratory allergies in bakeries and confectionaries (CIS 02-1688)

Allergic respiratory diseases among bakery workers in France (CIS 02-1737)

FLOWER AND PERFUME-PLANT GROWING

Contact dermatitis due to primerose (CIS 02-185)

FLOWERS

Contact dermatitis due to primerose (CIS 02-185)

Guide to hazard prevention in flower shops (Spain), 2002 (CIS 02-1576)

FLUE GASES → SMOKE

FLUORIDES

Environmental health criteria on fluorides (WHO), 2002 (CIS 02-1547)

FLUORINATED HYDROCARBONS

Literature review of reported cases of poisoning from halogenated hydrocarbon substitutes (CIS 02-277)

Investigation of an accident in a sewer leading to exposure to fluorinated hydrocarbons (CIS 02-1322)

New index for assessing the combustion hazard of hydrofluorocarbon refrigerants (CIS 02-1861)

FLUORINE

Data sheet on fluorine (France), 1992 (CIS 02-1107)

1-FLUORO-1,1-DICHLOROETHANE

Data sheet on 1-fluoro-1,1-dichloroethane (France), 1999 (CIS 02-1141)

FLUOROBENZENE

Criteria document on fluorobenzene (Germany), 1995 (CIS 02-564)

FLUOROCARBONS → FLUORINATED HYDROCARBONS

FLUOSILICATES

Data sheet on potassium hexafluorosilicate (IPCS, Spain), 1991-1999 (CIS 02-1083)

FOAM EXTINGUISHERS

Foam fire-extinguishing systems for petroleum storage tanks in India (CIS 02-884)

FOAMED PLASTICS → EXPANDED PLASTICS

FOLLOW-UP STUDY → LONG-TERM STUDY

FOOD ADDITIVES

Concise chemical assessment document on benzoic acid and sodium benzoate (WHO), 2000 (CIS 02-1393)

FOOD INDUSTRY

Factors associated with respiratory symptoms among crab processing workers in Alaska (CIS 02-238)

Model for predicting the efficiency of protective measures against explosions in smoke chambers (Germany), 1997 (CIS 02-384)

Guide to the supply of personal protective equipment during the use of hand knives in the food industry (CIS 02-411)

Evaluation of health hazards associated with physical workload in the food retail sector (CIS 02-455)

Using vegetable fats for protection against irritant contact dermatitis in the food industry (CIS 02-666)

Evaluation of occupational musculoskeletal diseases associated with physical workload in the food retail sector (CIS 02-963)

Information note on controlling exposure to disinfectants used in the food and drink industries (United Kingdom), 2001 (CIS 02-1406)

Information note on safeguarding thermoform, fill and seal packaging machines (United Kingdom), 2001 (CIS 02-1444)

Information note on safeguarding palletizing and depalletizing packaging machines (United Kingdom), 2001 (CIS 02-1445)

Information note on safeguarding pre-formed rigid container packaging machines (United Kingdom), 2001 (CIS 02-1446)

Information note on preventing falls from height in the food and drink industries (United Kingdom), 2001 (CIS 02-1447)

Specific immune response to occupational antigens in asymptomatic egg packaging and processing workers (CIS 02-1686)

Report on frequency rates of musculoskeletal disorders in the food and drink industries as a function of the

weight of the loads lifted (United Kingdom), 2002 (CIS 02-1742)

Information note on measures to reduce noise exposure in the food and drink industries (United Kingdom), 2002 (CIS 02-1755)

Information note on the prevention of health hazards due to chloramines in swimming pools and in the food industry (France), 2000 (CIS 02-1854)

Serum levels of ochratoxin A as a measure of occupational exposure (CIS 02-1928)

FOOT DROP → NEUROMUSCULAR DISORDERS

FOOT INJURIES

Survey on the acceptance of the wearing of safety shoes at work (CIS 02-416)

FOOTWEAR MANUFACTURE → SHOE INDUSTRY

FOREARM SUPPORTS

Ergonomic evaluation of arm supports during the use of the mouse and keyboard when working on computers (CIS 02-465)

FORESTRY

Safe working methods with top-handled chainsaws (CIS 02-420)

Booklet on personal protective equipment of forestry workers (Switzerland), 2002 (CIS 02-598)

Lyme's disease among forestry workers in the Belgian region of Flanders (CIS 02-940)

Summary of papers presented at a symposium on occupational diseases in the forestry sector (Tours, France, 22 June 2001) (CIS 02-1270)

Physiological and biochemical status of reforestation workers during the tree planting season (CIS 02-1728)

FORESTRY AND LOGGING

Fatal injuries in farming, forestry and horticulture (United Kingdom), 2000-2001 (CIS 02-249)

FORK-LIFT TRUCKS

Carburettor-design changes of LPG-powered fork-lift trucks (CIS 02-378)

FORMALDEHYDE

Case-control study of relationship of exposure to formaldehyde and various dusts and laryngeal and hypopharyngeal cancers (CIS 02-296)

Study on dust emission, particle size distribution and formaldehyde concentration during machining of medium density fibreboard (CIS 02-325)

Criteria document on formaldehyde (WHO), 2002 (CIS 02-576)

Study of the suitability of the micronucleus assay in assessing of mutagenic risk among workers occupationally exposed to formaldehyde (CIS 02-790)

Study of exposure to formaldehyde in anatomy laboratory work (CIS 02-797)

Meta-analysis of formaldehyde exposure and pancreatic cancer (CIS 02-1317)

FORMOSA → TAIWAN (CHINA)

FORMS OF WRITTEN NOTICE OF ACCIDENT → NOTIFICATION OF OCCUPATIONAL ACCIDENTS

FOUNDRIES

Booklet on hand-arm vibration in foundries (United Kingdom), 2001 (CIS 02-105)

Mortality at an foundry and machining complex of an automotive engine plant (CIS 02-679)

Study of pregnancy outcomes among workers at a smelter in Sweden and nearby residents (CIS 02-720)

Cancer mortality study of employees at lead battery plants and lead smelters in the US (CIS 02-1246)

Case-control study of lung disease in ferrous foundry workers exposed to chemical binders (CIS 02-1714)

Cross-sectional study of noise exposure and hearing conservation practices in the foundry industry (CIS 02-1899)

Information note on the selection of vibration-reduced tools in foundries (United Kingdom), 2002 (CIS 02-1909)

FOUNDRY FEVER → METAL FUME FEVER

FOURIER TRANSFORM SPECTROSCOPY

Evaluation of equipment of a prototype infrared spectrophotometer for monitoring air contamination (CIS 02-1371)

FRACTURES

Case of occupational stress fracture in a health care worker (CIS 02-684)

Epidemiologic study of frequency rate of fractures in West Virginia derived from workers' compensation data (CIS 02-1230)

FRANCE

Order establishing workers' compensation insurance premiums depending on the level of occupational risk (France) 2001 (CIS 02-11)

Ordinance concerning the consultation of workers or of their representatives in connection with the safety and health aspects of the introduction of new technologies (France) 2001 (CIS 02-14)

Decree for the prevention of the hazards of carcinogenicity, mutagenicity and reproductive toxicity associated with workplace exposures to chemical substances (France) 2001 (CIS 02-18)

Ordinance concerning protection against ionizing radiation (France) 2001 (CIS 02-23)

Data sheet on hydroquinone (France) 1992 (CIS 02-40)

Data sheet on bis(2-ethylhexyl) phthalate (France) 1994 (CIS 02-41)

Data sheet on methyl isocyanate (France) 1992 (CIS 02-42)

Data sheet on hexamethylene diisocyanate (France) 1988 (CIS 02-43)

Data sheet on isophorone diisocyanate (France) 1988 (CIS 02-44)

Data sheet on hexylene glycol (France) 1988 (CIS 02-45)

Data sheet on sodium nitrite (France) 1987 (CIS 02-46)

Data sheet on benzyl alcohol (France) 1992 (CIS 02-47)

Data sheet on glutaraldehyde (France) 1992 (CIS 02-48)

Data sheet on tributyltin oxide (France) 1997 (CIS 02-49)

Data sheet on epichlorohydrin (France) 2000 (CIS 02-58)

Data sheet on boranes (France) 1987 (CIS 02-59)

Data sheet on dieldrin (France) 1992 (CIS 02-60)

Data sheet on methylmercaptan, ethanethiol and butanethiol (France) 1992 (CIS 02-61)

Data sheet on alkali metal and alkali-earth fluorides (France) 1992 (CIS 02-62)

Data sheet on arsenic and its inorganic compounds (France) 1992 (CIS 02-63)

Data sheet on decamethrin (France) 1987 (CIS 02-64)

Data sheet on polychlorinated biphenyls (France) 1992 (CIS 02-65)

Data sheet on potassium ferricyanide and potassium hexacyanoferrate(II) (France) 1987 (CIS 02-66)

Data sheet on 2,4,5-trichlorophenol and 2,4,6-trichlorophenol (France) 2000 (CIS 02-67)

Guide containing information sheets on the most common occupational hazards and their corresponding preventive measures (France) 2000 (CIS 02-85)

Literature review of the interactions between maintenance and production operators possibly impacting safety (France) 2000 (CIS 02-135)

Comments on laws and court rulings in the area of occupational safety and health (France) 2001 (CIS 02-146)

GAS CYLINDERS

Guidance on the regulations and approved Code of Practice for the safety of pressure systems (United Kingdom), 2000 (CIS 02-1413)

Standard on the inspection of cylinders in bundles for permanent and liquefiable gases (Singapore), 2000 (CIS 02-1877)

GAS DISTRIBUTION

Retrospective study of compensated asbestos-related diseases among workers of the French national electrical and gas utility (CIS 02-1804)

GAS EXPLOSIONS

Survey of hazards from LPG storage tanks at several industrial sites in India (CIS 02-883)

GAS INDUSTRY

Control of chemical risks during the remediation of contaminated soil (CIS 02-1345)

GAS MASKS → GAS REMOVING RESPIRATORS

GAS REMOVING RESPIRATORS

Review of substitutes for carbon tetrachloride in measuring activated carbon activity in gas removing respirators (CIS 02-303)

GAS STORAGE TANKS

Survey of hazards from LPG storage tanks at several industrial sites in India (CIS 02-883)

GASES

Exposure evaluation of tunnelling workers to dust and gases (CIS 02-310)

Literature review of mathematical models for evaluating the exposure to volatile chemicals used at the workplace (CIS 02-781)

GASOLINE → MOTOR FUEL

GASOLINE (EINECS)

Monitoring for skin contamination in workers in the petrochemical industry (CIS 02-1685)

GASTROINTESTINAL CANCER

European case-control study of the relationship between small bowel adenocarcinoma and occupation (CIS 02-170)

Case-control study of the relationship between the risk of colon cancer in men and exposures to various occupational agents (CIS 02-171)

Study of the relationship between occupation and stomach cancer (Sweden), 1971-1989 (CIS 02-659)

Cohort study of cancer morbidity in the pulp and paper industry in British Columbia (Canada) (CIS 02-1252)

Population-based case-control study of occupational risk factors for small bowel carcinoid tumours in Europe (CIS 02-1655)

GAUNTLETS → PROTECTIVE GLOVES

GENETIC EFFECTS

Induction of DNA and cytogenetic damage in lymphocytes among farm workers exposed to pesticides in Poland (CIS 02-288)

Review article on exposure evaluation and medical supervision of workers exposed to genotoxic substances (France), 2002 (CIS 02-875)

Impairment of colour vision in workers exposed to organic solvents (CIS 02-1323)

Genetic polymorphisms of various enzymes and susceptibility to coal workers' pneumoconiosis (CIS 02-1672)

Literature survey on the genotoxicity of inorganic arsenic compounds (CIS 02-1786)

Suitability of the gene expression assay for evaluating the exposure to harmful chemicals (CIS 02-1788)

GENETIC SCREENING

Racial differences in the prevalence of a genetic marker used in pre-employment screening for susceptibility to berylliosis (CIS 02-1800)

GEOGRAPHICAL VARIABLES

Compilation of population data for use in major hazard accident modelling in the United Kingdom (CIS 02-1411)

GLARE

Polarized task lighting to reduce reflective glare in open-plan office cubicles (CIS 02-1885)

GLASS

Guide to hazard prevention in paper, glass and plastic recycling plants (Spain), 2002 (CIS 02-1569)

GLASS FIBRE

Proceedings of a seminar on safe work with fibre-based materials (Ottobrun, Germany, 1-3 September 1998) (CIS 02-332)

Data sheet on man-made fibres (Italy), 2001 (CIS 02-356)

Characterization of airborne silica dust and asbestos fibres (CIS 02-772)

Exposure evaluation to ceramic fibres during insulating work on electrical equipment (CIS 02-1776)

Evaluation of the carcinogenic risks of man-made vitreous fibres (IARC), 2002 (CIS 02-1834)

GLASS FIBRE REINFORCED PLASTICS

Skin diseases among workers in several small glass fibre reinforced plastics enterprises (CIS 02-668)

GLASS INDUSTRY

Heat exposure study in the workplace in a glass manufacturing unit in India (CIS 02-405)

Simplified method for evaluating exposure to infrared radiation in glass factories (CIS 02-1900)

GLASS WOOL → GLASS FIBRE

GLAZING

Description of an automated system for cleaning the glazing at a new airport passenger terminal (CIS 02-1761)

GLUES → ADHESIVES

GLUTARALDEHYDE

Data sheet on glutaraldehyde (France), 1992 (CIS 02-48)

Relationship between symptoms and respiratory functions, and glutaraldehyde exposure among endoscopy nursing staff (CIS 02-326)

Case studies of occupational allergic contact dermatitis in two hairdressers due to glutaraldehyde (CIS 02-327)

Information note on the prevention of glutaraldehyde exposure in hospitals (Spain), 1999 (CIS 02-377)

Study of allergic contact dermatitis from glutaraldehyde in health-care workers (CIS 02-849)

GLUTATHIONE TRANSFERASE

Study of the influence of polymorphisms of detoxification enzyme genes on sister chromatid exchange induction by epoxides in cultured human lymphocytes (CIS 02-867)

GLYCIDYL METHACRYLATE

Toxicological data for the hazard assessment of seven chemicals (UNEP), 2002 (CIS 02-1560)

GLYCIDYL PHENYL ETHER

Data sheet on glycidyl phenyl ether (USA), Spanish translation, 2003 (CIS 02-1558)

GLYOXAL

Criteria document on glyoxal (Germany), 1997 (CIS 02-586)

GOLD MINING

Occupational exposure to airborne mercury during gold mining in Venezuela (CIS 02-309)

Exposure evaluation to mercury in gold mining workers (CIS 02-1362)

GOODS LIFTS

Comment on the incorporation into national legislation of European standards concerning safety rules for the construction and installation of passenger lifts and builder hoists (Italy), 1999 (CIS 02-926)

GOVERNMENT SERVICES

Decree for approving the regulations on safety measures within the state administration (Spain), 2002 (CIS 02-5)

New method for estimating the cost of occupational injuries and illnesses by US government agencies (CIS 02-611)

Research priorities and future trends in OSH (Italy) (CIS 02-620)

Organizational downsizing and musculoskeletal problems in Finnish workers (CIS 02-972)

Strategic plan of the Health and Safety Executive Local Authority Enforcement Liaison Committee (United Kingdom), 2001-2004 (CIS 02-1193)

Report on safety and health in sectors enforced by local authorities (United Kingdom), 2001 (CIS 02-1194)

Annual report of the Health and Safety Executive Local Authority Enforcement Liaison Committee (HELA) (United Kingdom), 2001 (CIS 02-1195)

Guidance to local authorities on exercising their responsibilities in the enforcement of occupational safety and health regulations (United Kingdom), 2001 (CIS 02-1196)

Study of the state of health and occupational exposures among office workers near the World Trade Center disaster site (CIS 02-1370)

Study of the influence of ergonomic and psychosocial factors on the capacity of workers suffering from upper extremity disorders to perform their normal work (CIS 02-1468)

Cohort study of the relation between work environment, alcohol consumption and health in the United Kingdom (CIS 02-1493)

GRAIN FARMING → CEREAL FARMING

GRAMOXONE → PARAQUAT

GRASPING DEVICES → LIFTING APPLIANCES

GRAVEL PITS → QUARRYING INDUSTRY

GREASE GUNS → LUBRICATION

GREEN-TOBACCO SICKNESS

Incidence of green tobacco sickness among Latino farm workers in the United States (CIS 02-1244)

GRINDING MACHINES

Exposure evaluation of aerosols in the metalworking industry (bearings and grinding machines) (CIS 02-768)

Safety regulations and application directive for grinding and brushing tools (Germany), 2002 (CIS 02-1531)

GROUND CONTROL → SUPPORT OF MINEWORKINGS

GROUNDING → EARTHING

GROUP OCCUPATIONAL HEALTH SERVICES → INTERPLANT MEDICAL SERVICES

GUANIDINES

Criteria document on di-o-tolylguanidine (Germany), 1997 (CIS 02-1545)

GUARDS → SAFETY DEVICES

H

HAEMANGIOSARCOMA → ANGIOSARCOMA

HAEMATOLOGICAL CHANGES

Changes in cellular immunity among workers exposed to styrene in a plastics lamination plant (CIS 02-323)

HAEMOGLOBIN

Job study on the association in Japanese workers between neuropsychic stress and glycosylated haemoglobin A1c levels (CIS 02-1489)

HAEMOGRAM → BLOOD COUNT

HAFNIUM

Data sheet on hafnium (IPCS, Spain), 1991-1999 (CIS 02-1081)

HAIRDRESSING

Epidemiology of skin and respiratory diseases among hairdressers in Finland (CIS 02-209)

Guidance note on occupational safety and health for hairdressers (CIS 02-240)

Cancer mortality among hairdressers and barbers in the United States (CIS 02-242)

Case studies of occupational allergic contact dermatitis in two hairdressers due to glutaraldehyde (CIS 02-327)

Study of the relevance of skin physiological parameters as predictors of irritant contact dermatitis in wet work (CIS 02-683)

Efficacy of a protective cream against hand irritation among apprentice hairdressers (CIS 02-848)

Prevalence and risk factors of occupational asthma among hairdressers in Turkey (CIS 02-1691)

HALF FINGER GLOVES → PROTECTIVE GLOVES

HALLUCINOGENS → NARCOTICS

HAND

Effect of cold hands on the use of computer pointing devices (CIS 02-262)

Analysis of risk factors for hand eczema among metalworker trainees (CIS 02-312)

Efficacy of a protective cream against hand irritation among apprentice hairdressers (CIS 02-848)

Thermal perception thresholds in the hands of workers exposed to vibration (CIS 02-894)

Prevention of occupational hand dermatitis among bakers, confectioners and employees in the catering trades (CIS 02-1249)

Occupational contact dermatitis among nurses with hand eczema (CIS 02-1254)

Study of the type, location and severity of traumatic occupational hand injuries (CIS 02-1670)

HAND INJURIES

Literature review of epidemiological studies of occupational acute traumatic hand injuries (CIS 02-1222)

Population-based study of the relationship between self-reported hand and wrist arthritis and occupation in the United States (CIS 02-1677)

HAND KNIVES

Test equipment for the evaluation of hand knives employed in the poultry processing industry (CIS 02-410)

Guide to the supply of personal protective equipment during the use of hand knives in the food industry (CIS 02-411)

HAND TOOLS

Test equipment for the evaluation of hand knives employed in the poultry processing industry (CIS 02-410)

Study of the relationship between exposure to vibrations from vibrating hand tools and the prevalence of hand-arm vibration syndrome (CIS 02-1897)

Evaluation of ergonomically-designed tools on lightening the physical workload in four construction-industry tasks (CIS 02-1950)

HAND-ARM VIBRATION

Directive concerning the protection of workers against vibration (European Union), 2002 (CIS 02-24)

Booklet on hand-arm vibration in foundries (United Kingdom), 2001 (CIS 02-105)

Development of a method for evaluating occupational exposure to hand-transmitted vibration and whole-body vibration (CIS 02-907)

Design, building and testing of a control system for a mechanical hand-arm model (CIS 02-1308)

Survey of risk factors for hand-arm vibration syndrome in the United Kingdom (CIS 02-1427)

Guidance on the hazards of hand-arm vibration and control programmes (United Kingdom), 2001 (CIS 02-1434)

Long-term follow-up study on patients with vibration-induced white finger (CIS 02-1896)

Study of the relationship between exposure to vibrations from vibrating hand tools and the prevalence of hand-arm vibration syndrome (CIS 02-1897)

HANDICAPPED WORKERS

Commentary on current Italian law concerning lack of fitness to work (CIS 02-124)

Self-rating assessment of residual work capability for occupational permanent disabilities (CIS 02-441)

Evaluation of hazards for handicapped workers (CIS 02-744)

Workers' rehabilitation and return to work following disabling illness or injury (CIS 02-1710)

Personal accounts of vision-impaired workers working in normal working environments (CIS 02-1971)

HANDICRAFTS

Hazard evaluation of the arduous working conditions of art restorers (CIS 02-245)

HANDLING AIDS → MANUAL HANDLING

HANDLING OF ANIMALS

Information note on common zoonoses in agriculture (United Kingdom), 2002 (CIS 02-945)

Study of energy costs of dragging sheep during sheep shearing (CIS 02-953)

Long-term study of allergies to laboratory animals among exposed workers (CIS 02-1932)

HARBOURS

Proceedings of a workshop on occupational safety and health in the port sector (Mumbai, India, 24-27 September 2001) (CIS 02-1750)

HARDBOARD → FIBREBOARD

HARDNESS OF HEARING → HEARING LOSS

HARDWOODS

Relationship between respiratory symptoms and bronchial reactivity and occupational exposure to oak and beech dust (CIS 02-179)

HARMFUL EFFECTS → BIOLOGICAL EFFECTS

HARMFUL PHYSICAL AGENTS

Information note on the workplace hazards sheet (CIS 02-120)

Exposure limits for toxic substances and physical agents, and biological exposure indices (Switzerland), 2001 (CIS 02-1014)

Evaluation of the hazards due to physical agents in quarries and cement plants (CIS 02-1731)

1,1,1,3,3,3-HEXAFLUORO-2-(FLUOROMETHOXY) PROPANE → SEVOFLURANE

HEXAFLUMURON

Data sheet on hexaflumuron (IPCS, Spain), 1991-1999 (CIS 02-1082)

HEXAHYDROPHthalic ANHYDRIDE

Total plasma protein adducts of allergenic hexahydrophthalic and methylhexahydrophthalic anhydrides as biomarkers of long-term exposure (CIS 02-1318)

HEXAMETHYLENE DIISOCYANATE

Data sheet on hexamethylene diisocyanate (France), 1988 (CIS 02-43)

Immunological and physiological responses in hexamethylene diisocyanate-exposed auto body shop workers (CIS 02-313)

HEXAMETHYLPHOSPHORIC TRIAMIDE

Data sheet on hexamethylphosphoric triamide (IPCS, Spain), French and Spanish versions, 1991-1999 (CIS 02-1086)

2,5-HEXANEDIOL

Data sheet on 2,5-hexanediol (IPCS, Spain), French and Spanish versions, 1991-1999 (CIS 02-1087)

HEXONE

Data sheet on hexone (France), 1997 (CIS 02-1059)

HEXYLENE GLYCOL

Data sheet on hexylene glycol (France), 1988 (CIS 02-45)

HFA-123 → 1,1-DICHLORO-2,2,2-TRIFLUOROETHANE

HFA-141B → 1-FLUORO-1,1-DICHLOROETHANE

HIGH VOLTAGE

Voltage control and earthing in buildings to prevent electrical accidents (CIS 02-1881)

HIGH-FREQUENCY RADIATION → RADIOFREQUENCY RADIATION

HIGH-RISK GROUPS

Job-exposure relation and antifertility effects in male workers in Italy (CIS 02-274)

Case study of harmful exposure of a nurse to antineoplastic drugs (CIS 02-275)

Statistical evaluation of morbidity and mortality in small enterprises in the United States (CIS 02-1184)

HIGHWAYS → ROAD TRANSPORT

HISTOPATHOLOGY

Pathologic analysis of 1,517 cases of malignant mesothelioma (CIS 02-658)

Monitoring for skin contamination in workers in the petrochemical industry (CIS 02-1685)

HIVES → URTICARIA

HOBBIING MACHINES → MILLING MACHINES

HOISTING APPARATUS → LIFTING EQUIPMENT

HOLDUPS → VIOLENCE

HOLLAND → NETHERLANDS

HOME WORK

Consequences on occupational safety and health of the new forms of work organization resulting from the decentralization of production (CIS 02-751)

Report on working conditions of home workers in the textile, clothing and footwear industries (ILO), 2000 (CIS 02-1292)

HOMOZYGOSITY → HEREDITARY VARIABLES

HONDURAS

Regulations on occupational safety and health (Honduras), 2002 (CIS 02-507)

HONG KONG

Metabolic studies and shift work in nursing personnel (CIS 02-1473)

Evaluation of physiological work demands and low back neuromuscular fatigue among nurses working in geriatric wards (CIS 02-1738)

Latex allergies in hospitals and preventive measures (CIS 02-1792)

Smoking among the staff of an Italian hospital (CIS 02-1802)

Effects of hospital staffing and organizational climate on needlestick injuries to nurses (CIS 02-1940)

Method for testing the containment of hospital isolation rooms (CIS 02-1946)

HOT GALVANISING → GALVANIZING

HOT WORK → LIVE WORK

HOT WORK PERMITS → PERMITS-TO-WORK

HOT WORKPLACES

Heat exposure study in the workplace in a glass manufacturing unit in India (CIS 02-405)

Evaluation of heat stress among foundry workers in India (CIS 02-898)

Development of a method for evaluating heat load risk during work in hot environments (CIS 02-900)

Study of body core temperature of underground miners (CIS 02-901)

New method for evaluating heat stress, and its validation (CIS 02-902)

Approach for the management of occupational hazards applied to workplace thermal environments (CIS 02-1888)

Report on the development of a heat stress assessment method (United Kingdom), 2002 (CIS 02-1903)

HOTEL INDUSTRY

Safety and health guide aimed at food service workers (Canada), 2002 (CIS 02-93)

Prevention of occupational hand dermatitis among bakers, confectioners and employees in the catering trades (CIS 02-1249)

Information note on safety during emptying and cleaning of fryers in restaurants (United Kingdom), 2001 (CIS 02-1298)

Information note on reporting accidents in the catering industry (United Kingdom), 2001 (CIS 02-1299)

Information note on safety and health for waiting staff (United Kingdom), 2001 (CIS 02-1300)

Information note on safety and health of young workers in catering (United Kingdom), 2001 (CIS 02-1301)

Study of occupational safety and health issues among apprentice machinists and cooks (CIS 02-1636)

Survey of the perception of indoor air quality and comfort in hotel and entertainment environments (CIS 02-1887)

Case of occupational protein contact dermatitis in a cook due to contact with shrimps (CIS 02-1937)

HOTHOUSES → HORTICULTURE

HOURS OF WORK

Survey on employment and hours of work in Europe (CIS 02-150)

Study of the appropriateness of 12-hours shift systems for nurses (CIS 02-451)

Survey of sex-linked preferences with respect to employment and hours of work in Europe (CIS 02-471)

Survey of working time preferences as a function of workers' age in Europe (CIS 02-475)

Mortality among women and men relative to underemployment, part time work, overtime work, and extra work (CIS 02-646)

Analysis of working time and conditions of professional drivers in the road transport industry (CIS 02-1276)

Analysis of the relationship between working hours spent on repeated activities and prevalence of back pain (CIS 02-1678)

Report providing background information and a basis for discussions on the evolution of employment, working time and training in the mining industry aimed at delegates attending a tripartite conference held in Geneva (ILO), 2002 (CIS 02-1744)

HOUSEKEEPING

CD-ROM-based training programme on cleanliness and housekeeping in the enterprise (Costa Rica), 2001 (CIS 02-1151)

Influence of building maintenance, environmental factors and seasonal climatic changes on airborne contaminants in pigpens (CIS 02-1933)

HUMAN BEHAVIOUR

Survey on the acceptance of the wearing of safety shoes at work (CIS 02-416)

Improving safety and health performance through an understanding of human behaviour (CIS 02-493)

General considerations on sexual harassment at the workplace (CIS 02-496)

Implementing a safe behaviour programme within the company (United Kingdom), 2002 (CIS 02-633)

Study of unsafe work practices during pesticide handling among small-scale farmers in Nicaragua (CIS 02-831)

Impact of behavioural health risks on worker absenteeism (CIS 02-983)

Retrospective cross-sectional study of mobbing (CIS 02-985)

Cross-sectional study of the smoking behaviour of asbestos workers (CIS 02-989)

Psychosocial approach to risk perception (CIS 02-992)

Psychological harassment and employee rights in Spain (CIS 02-993)

Improving workers' compliance in wearing hearing protection based on behavioural studies (CIS 02-1904)

Effectiveness of programmes aimed at modifying attitudes towards safety and quality at work (CIS 02-1982)

Manual on human behaviour at the place of work (CIS 02-1996)

Study of mental models of psychosocial hazards (CIS 02-1997)

Study of the effects of psychotropic medication on the performance of the working population in the United Kingdom (CIS 02-1998)

HUMAN ENGINEERING → ERGONOMICS

HUMAN FACTORS

Study of action-regulating mechanisms during safety-critical maintenance tasks (CIS 02-997)

Reducing psychosocial risks in team work (United Kingdom), 2001 (CIS 02-999)

Safety implications of the interaction between maintenance and production operators (CIS 02-1593)

Using semantics and acoustics in the design of speech warnings (CIS 02-1955)

Report on the application of a methodology for the assessment of human factors in safety critical tasks in offshore oil extraction (CIS 02-1994)

HUMAN FACTORS ENGINEERING → ERGONOMICS

HUMAN FAILURE

Evaluation of eleven human reliability analysis methods (CIS 02-467)

HUMAN RELATIONS

Importance of achievement and social relations values for job satisfaction (CIS 02-491)

Study of bullying at the workplace in Germany (CIS 02-1000)

HUNGARY

Order concerning minimum OSH requirements of workplaces (Hungary), 2002 (CIS 02-509)

Proposals for updating the Chemical Safety Action Plan of Hungary (CIS 02-777)

Ordinance modifying the 1993 Law on occupational safety and health (Hungary), 2002 (CIS 02-1015)

Ordinance modifying the 2000 ordinance on the protection of workers against exposure to carcinogenic substances (Hungary), 2002 (CIS 02-1033)

Order on safe working at heights (Hungary), 2002 (CIS 02-1058)

HYDRAZOBENZENE

Data sheet on hydrazobenzene (IPCS, Spain), French and Spanish versions, 1991-1999 (CIS 02-1088)

HYDROCARBON INDUSTRY → PETROLEUM AND NATURAL GAS INDUSTRY

HYDROCARBONS

Database of hydrocarbon solvent exposure (CIS 02-285)

Foam fire-extinguishing systems for petroleum storage tanks in India (CIS 02-884)

HYDROGEN ARSENIDE → ARSINE

HYDROQUINONE

Data sheet on hydroquinone (France), 1992 (CIS 02-40)

4-HYDROXY-3-(3-OXO-1-PHENYLBUTYL)-2H-1-BENZOPYRAN → WARFARIN

4-HYDROXY-4-METHYL-2-PENTANONE → DIACETONE ALCOHOL

HYDROXYETHYL METHACRYLATE

Occupational contact allergy to acrylates and methacrylates (CIS 02-298)

1-HYDROXYPYRENE

Determination of firefighter exposure to polycyclic aromatic hydrocarbons and benzene using biological indicators (CIS 02-1831)

HYPACUSIS → HEARING LOSS

HYPERBARIC PRESSURE

Information sheet on injuries caused by work under hyperbaric conditions (France), 2002 (CIS 02-1910)

HYPERSENSITIVITY DEVELOPMENT → SENSITIZATION

HYPERSENSITIVITY PNEUMONITIS → EXTRINSIC ALLERGIC ALVEOLITIS

HYPERSENSITIVITY TESTS → ALLERGY TESTS

HYPERTENSION

Study of the relationship between haematocrit and the risk of hypertension in middle-aged Japanese male office workers (CIS 02-1652)

Lead levels in body fluids of workers of an automobile factory with arterial hypertension (CIS 02-1819)

HYPERVENTILATION

Hyperventilation theory for explaining the relation between job stress and musculoskeletal disorders (CIS 02-1978)

HYPOVENTILATION

Work capacity modifications in workers wearing respirators through different breathing resistances (CIS 02-459)

I

IAEA

Safety guide to radiation protection and the safe use of radiation sources (IAEA), 2001 (CIS 02-408)

Guidelines for the implementation of radiation protection measures at the place of work (IAEA), 2002 (CIS 02-913)

IARC

Evaluation of the carcinogenic risks of selected industrial chemicals (CIS 02-335)

Evaluation of the carcinogenic risks of static and extremely low-frequency (ELF) electric and magnetic fields (IARC), 2002 (CIS 02-1433)

Evaluation of the carcinogenic risks of man-made vitreous fibres (IARC), 2002 (CIS 02-1834)

IDENTIFICATION → LABELLING

IGNITION HAZARDS → FIRE HAZARDS

ILO

Practical guide to ergonomics and OSH organization (ILO), Estonian translation, 2001 (CIS 02-113)

Collection of articles on occupational safety and health (CIS 02-119)

Analysis of occupational health and safety management systems and proposals for an international standard (ILO), 1998 (CIS 02-153)

Series of five documents presenting the objectives, tasks, conclusions and proposed actions of a project aimed at promoting OSH activities in fisheries and construction industries in Vietnam (ILO), 1997 (CIS 02-1627)

Guide to preventive measures in hazardous occupations in Asia (ILO), 1994 (CIS 02-1633)

Working documents of an African Regional Occupational Hygiene and Safety Forum (Cotonou, Benin, 5-9 August 2002) (CIS 02-1638)

Encyclopaedia of occupational safety and health - Parts 5-7 (ILO), Korean translation, 1998 (CIS 02-1639)

Resolutions adopted at the 91st Session of the International Labour Conference (ILO), 2003 (CIS 02-1641)

Collection of documents providing background information and a basis for discussions on decent work and the informal economy aimed at delegates attending the 90th International Labour Conference (ILO), 2002 (CIS 02-1646)

CD-ROM containing the Spanish version of the CIS Bulletin (International Occupational Safety and Health Information Centre) for the years 1998 to 2001 (CIS 02-1647)

Practical application of safety and health research in occupational medicine (CIS 02-1709)

Report providing background information and a basis for discussions on the evolution of employment, working time and training in the mining industry aimed at delegates attending a tripartite conference held in Geneva (ILO), 2002 (CIS 02-1744)

Report providing background information and a basis for discussions on the promotion of good industrial relations in oil and gas production and oil refining aimed at delegates attending a tripartite conference held in Geneva (ILO), 2002 (CIS 02-1746)

Proceedings of a workshop on occupational safety and health in the port sector (Mumbai, India, 24-27 September 2001) (CIS 02-1750)

Videotape showing how women working under precarious conditions in India can get help by joining an association (ILO), 2002 (CIS 02-1759)

Generic modules for responding to crisis situations (ILO), 2002 (CIS 02-1879)

Manual on the assessment of rapid needs following crisis situations (ILO), 2002 (CIS 02-1880)

Interactions between the HIV epidemic in sub-Saharan Africa and crises falling under the scope of the ILO's InFocus Programme on Crisis Response and Reconstruction (ILO), 2002 (CIS 02-1947)

IMMUNIZATION

Cost-benefit analysis of hepatitis A prevention strategies among hospital health-care workers (CIS 02-943)

Tetanus prophylaxis at work (CIS 02-1930)

IMMUNOBIOLOGICAL CHANGES

Effects of occupational exposure to lead on immune parameters (CIS 02-1339)

IMMUNODEFICIENCY SYNDROME

Impact of the HIV/AIDS epidemic on safety and health in the South African mining industry (CIS 02-431)

Information material on the Global programme on HIV/AIDS and the world of work (ILO), 2001 (CIS 02-439)

Study of occupational HIV postexposure prophylaxis among health care workers in a medical care facility (CIS 02-944)

Interim results of an ongoing study of occupational HIV and HCV seroconversions among health care workers in France (CIS 02-1943)

Proposed procedure to be adopted in non-hospital environments following injuries by potentially-contaminated blood-stained objects (CIS 02-1945)

Interactions between the HIV epidemic in sub-Saharan Africa and crises falling under the scope of the ILO's InFocus Programme on Crisis Response and Reconstruction (ILO), 2002 (CIS 02-1947)

IMMUNOLOGICAL ACTIVITY → AUTOIMMUNIZATION

IMMUNOLOGY

Immunological and physiological responses in hexamethylene diisocyanate-exposed auto body shop workers (CIS 02-313)

Changes in cellular immunity among workers exposed to styrene in a plastics lamination plant (CIS 02-323)

IMMUNOTOXIC EFFECTS

Exposure evaluation of the pathological risks incurred by Italian police forces and their prevention (CIS 02-224)

IMPACT NOISE

Reduction in exposure to noise in a sheet metal pressing plant achieved through automation (CIS 02-1898)

IMPACT STRENGTH

Study of the impact resistance of several materials used for guards on cutting machine tools according to requirements of draft European safety standards (CIS 02-412)

IMPULSE NOISE

Measurement of impulse noise in metalworking plants (CIS 02-895)

IN-PLANT TRANSPORT

Improving the safety of workers in the vicinity of mobile equipment (CIS 02-417)

Standard on pressure-sensitive bumpers for unmanned vehicles as a means of prevention of collision hazards (France), 2000 (CIS 02-1441)

Survey of control measures to reduce the risk of in-plant transport accidents (CIS 02-1926)

IN-SERVICE TESTING

Guidelines for proof testing of safety instrumented systems in the chemical industry in the United Kingdom (CIS 02-1871)

Information note on electrical safety during servicing and repair of audio, TV and computer equipment (United Kingdom), 2002 (CIS 02-1882)

INCENDIVE ATMOSPHERES → EXPLOSIVE ATMOSPHERES

INCIDENCE → FREQUENCY RATES

INCIDENCE OF A DISEASE → MORBIDITY

INDEXING → CLASSIFICATION

INDIA

Current occupational health situation in Indian factories (CIS 02-123)

Current occupational health situation in Indian mines (CIS 02-232)

Survey on silicosis among ex-workers of the stone-crushing sector in Delhi, India (CIS 02-653)

Survey of asbestos mining and related health problems in India (CIS 02-1361)

Information note on anthrax (India), 2001 (CIS 02-1458)

Proceedings of a workshop on occupational safety and health in the port sector (Mumbai, India, 24-27 September 2001) (CIS 02-1750)

Videotape showing how women working under precarious conditions in India can get help by joining an association (ILO), 2002 (CIS 02-1759)

INDICATING INSTRUMENTS → INSTRUMENTATION

INDIVIDUAL SUSCEPTIBILITY

Importance of genetic factors in the individual susceptibility to diseases caused by occupational exposure at the workplace (CIS 02-180)

Literature review of genetic factors influencing lead metabolism (CIS 02-292)

Information note on multiple chemical sensitivity and related phenomena (Spain), 2000 (CIS 02-1262)

Racial differences in the prevalence of a genetic marker used in pre-employment screening for susceptibility to berylliosis (CIS 02-1800)

INDONESIA

Health care system for seafarers in Indonesia (CIS 02-726)

INDUCTION → ELECTROMAGNETIC FIELDS

INDUCTION TRAINING

Study of occupational safety and health issues among apprentice machinists and cooks (CIS 02-1636)

INDUCTION TRAINING FOR OSH → SAFETY TRAINING IN INDUSTRY

INDUSTRIAL ACCIDENTS FUNDS → COMPENSATION OF OCCUPATIONAL ACCIDENTS

INDUSTRIAL BUILDINGS

Comments and considerations on the new Spanish regulation on fire safety at industrial sites (CIS 02-379)

INDUSTRIAL FATIGUE → FATIGUE

INDUSTRIAL HEALTH LABORATORIES → OCCUPATIONAL HEALTH LABORATORIES

INDUSTRIAL HYGIENE SERVICES → PLANT HEALTH SERVICES

INDUSTRIAL HYGIENE STANDARDS → PERMISSIBLE LEVELS

INDUSTRIAL HYGIENISTS

Basic principles of the discipline of occupational hygiene (France), 2002 (CIS 02-1207)

INDUSTRIAL MEDICAL OFFICERS → INDUSTRIAL PHYSICIANS

INDUSTRIAL MEDICAL RECORDS → HEALTH SERVICE RECORDS

INDUSTRIAL MORBIDITY → MORBIDITY

INDUSTRIAL NURSES

Order concerning the minimum number of occupational health nurses to be employed by employers (Algeria), 2001 (CIS 02-9)

Order establishing standards concerning the basic requirements of occupational medical services (Algeria), 2001 (CIS 02-10)

INDUSTRIAL ORGANIZATION

Occupational safety and health aspects of globalization (CIS 02-613)

Description of an occupational safety and health and environmental protection awareness programme based on multidisciplinary workshops (CIS 02-616)

Impact of globalization on small enterprises and the informal sector (CIS 02-617)

INDUSTRIAL PHYSICIANS

Order establishing standards concerning the basic requirements of occupational medical services (Algeria), 2001 (CIS 02-10)

Training programme aimed at industrial physicians on carcinogens at the place of work (CIS 02-100)

Disability management of low back injuries by employer-retained physicians (CIS 02-193)

Responsibilities of occupational physicians in Italy (CIS 02-194)

Practical guidance aimed at occupational physicians on how to carry out epidemiological studies (France), 2000 (CIS 02-219)

Current occupational health situation in Indian mines (CIS 02-232)

Guidance aimed at occupational physicians for analysing plans for the removal of asbestos-containing friable materials (CIS 02-267)

Decree on the professional qualifications of occupational physicians (France), 2002 (CIS 02-512)

Collection of articles on the experiences of several African countries in the field of occupational medicine (CIS 02-687)

Basic principles of the discipline of occupational hygiene (France), 2002 (CIS 02-1207)

Evaluation of the quality of occupational health services in France for workers previously exposed to asbestos (CIS 02-1372)

Regulation concerning the health surveillance of workers (Belgium), 2003 (CIS 02-1511)

Quality control in the training of occupational physicians in Italy (CIS 02-1693)

Opinions of occupational physicians on workers' aptitude (CIS 02-1695)

Handbook of occupational diseases aimed at health services (Brazil), 2001 (CIS 02-1715)

Smoking among the staff of an Italian hospital (CIS 02-1802)

Review article on bullying aimed at occupational physicians in France (CIS 02-1985)

INDUSTRIAL PRODUCTS

Equipment testing of filter dust collectors (CIS 02-265)

Priorities for the standardization of general product safety (CIS 02-606)

INDUSTRIAL RELATIONS

Information note on sexual harassment at the workplace (Spain), 1999 (CIS 02-500)

INDUSTRIAL SAFETY COMMITTEES → SAFETY AND HEALTH COMMITTEES

INDUSTRIAL TRUCKS

Improving the safety of workers in the vicinity of mobile equipment (CIS 02-417)

Safety aspects of braking systems of pedestrian-operated industrial trucks (CIS 02-423)

Information note on the prevention of fire and explosion risks during maintenance and repair of LPG-powered industrial trucks (France) (CIS 02-1412)

Test bench measurements and numerical modelling applied to designing power trucks with lower levels of vibration (CIS 02-1418)

INDUSTRIAL VENTILATION → MECHANICAL VENTILATION

INDUSTRIAL WASTE

Data sheet on the remediation of polluted industrial sites (France), 2001 (CIS 02-360)

INDUSTRIES

Availability and quality of industry and occupation information in the Massachusetts Cancer Registry (CIS 02-184)

Results of a survey on fire safety in Spanish enterprises (CIS 02-380)

Industrial noise control in Singapore (CIS 02-396)

Analysis of nonfatal occupational injuries among African American women by industrial group (CIS 02-747)

Prevalence of cigarette smoking by occupation and industry in the United States (CIS 02-852)

Inventory of industrial accidents and incidents having occurred during 2001 in France (CIS 02-1594)

Occupational accident statistics (Brazil), 2000 (CIS 02-1615)

INFECTION CONTROL

Regulations concerning the prevention of biological hazards (South Africa), 2001 (CIS 02-29)

Study of the reasons behind the low use of safety glasses by dentists and dental assistants (CIS 02-463)

Guidelines of the Mutual Occupational Accident Insurance Association (HVBG) with respect to the disinfection procedures in health care establishments (Germany), 1999 (CIS 02-759)

INFECTIONS → INFECTIOUS DISEASES

INFECTIOUS DISEASES

Regulations concerning the prevention of biological hazards (South Africa), 2001 (CIS 02-29)

Risks of infection in medical laboratories (CIS 02-436)

Study of the risk of occupational exposure to blood-transmissible diseases among prison guards (CIS 02-941)

Guidance to the prevention of SARS infection among health care workers (Canada), 2003 (CIS 02-1460)

Guidelines for isolation and infection control in relation with SARS (USA), 2002 (CIS 02-1461)

Information sheets on the prevention of SARS infection in an occupational setting (Singapore), 2003 (CIS 02-1462)

Guidance to the prevention of SARS infection in hospitals (WHO), 2003 (CIS 02-1463)

Official standard on the classification and handling of infectious biological residues (Mexico), 2003 (CIS 02-1534)

Relationship between exposure to culturable microorganisms in paper mills and symptoms associated with infections (CIS 02-1938)

INFECTIOUS HEPATITIS

Comparative study of the prevalence of HAV seropositivity among water purification station workers, sewage workers and administration workers (CIS 02-430)

Abnormal liver function associated with occupational exposure to dimethylformamide and hepatitis B virus (CIS 02-815)

Study of the relation between occupational exposures and the risk of hepatitis B virus infection among public safety workers (CIS 02-1942)

Interim results of an ongoing study of occupational HIV and HCV seroconversions among health care workers in France (CIS 02-1943)

Proposed procedure to be adopted in non-hospital environments following injuries by potentially-contaminated blood-stained objects (CIS 02-1945)

INFORMAL SECTOR

Impact of globalization on small enterprises and the informal sector (CIS 02-617)

Collection of documents providing background information and a basis for discussions on decent work and the informal economy aimed at delegates attending the 90th International Labour Conference (ILO), 2002 (CIS 02-1646)

Videotape showing how women working under precarious conditions in India can get help by joining an association (ILO), 2002 (CIS 02-1759)

INFORMATION DISSEMINATION

Examples of effective accident prevention programmes in member states of the European Union (CIS 02-136)

Development of a model describing the process of information transfer in occupational safety and health (CIS 02-637)

Regulations on the tracking of dangerous substances (New Zealand), 2001 (CIS 02-1043)

Study of the most effective means of communicating safety and health guidance to small firms in the United Kingdom (CIS 02-1197)

Safety implications of the interaction between maintenance and production operators (CIS 02-1593)

Audit report on the UK Health and Safety Executive's openness procedures and practices (CIS 02-1630)

Guide to the implementation of the Radiation (Emergency Preparedness and Public Information) Regulations 2001 (United Kingdom), 2002 (CIS 02-1905)

INFORMATION OF PERSONNEL

Establishing effective communications and worker participation in safety and health in the construction industry (CIS 02-250)

Decree on the instruction, information and training of workers in the area of occupational safety and health (Algeria), 2002 (CIS 02-1017)

Information note on procedures for the control of safety and health information and training within the framework of a safety and health management system (Spain), 2000 (CIS 02-1211)

Information note on the procedure for elaboration working instructions as part of a prevention management system (Spain), 2000 (CIS 02-1212)

Farm worker reports of pesticide safety and sanitation at work in the United States (CIS 02-1359)

INFORMATION PROCESSING AND RETRIEVAL

Using the ILO Encyclopaedia of Occupational Health and safety as a source of definitions in the OSH field (CIS 02-1609)

INFORMATION SHEET → DATA SHEET

INFRARED RADIATION

Simplified method for evaluating exposure to infrared radiation in glass factories (CIS 02-1900)

INFRARED SPECTROPHOTOMETRY

Evaluation of equipment of a prototype infrared spectrophotometer for monitoring air contamination (CIS 02-1371)

INGESTION

Environmental health criteria on principles and methods for the assessment of risk from essential trace elements (WHO), 2002 (CIS 02-68)

INHALATION

Physicochemical methods for assessing the pulmonary toxicity of inhaled gases and particles (CIS 02-280)

Review article on irritant-induced asthma (CIS 02-293)

Study of occupational causes of nonfatal inhalation injuries and illnesses (CIS 02-1237)

Evaluation of inhalation exposures to acrylamide in biomedical laboratories (CIS 02-1369)

INHALATION ANAESTHETICS

Workplace monitoring of occupational exposure to sevoflurane (CIS 02-1794)

INHALATION TESTS

Relationship between respiratory symptoms and bronchial reactivity and occupational exposure to oak and beech dust (CIS 02-179)

INHALATION TOXICITY

Inhalation toxicity of dibutylamine in rats (CIS 02-854)

Estimation of the toxicology of substances for which data are limited (CIS 02-855)

Study of occupational causes of nonfatal inhalation injuries and illnesses (CIS 02-1237)

INHIBITION OF PATHOGENESIS → PROPHYLAXIS

INJECTION MOULDING

Optical barrier curtains for minimizing crushing risks during plastics processing operations (CIS 02-917)

INJURIES

Age and gender-linked differences in occupational injuries and illnesses among employees at an university in the United States (CIS 02-191)

Study of accidental injuries of the upper limb among prisoners (CIS 02-247)

Effectiveness of a participatory programme in reducing occupational injuries among cleaners at a hospital (CIS 02-604)

Literature review of methods and data sources for measuring economic consequences of workplace injuries (CIS 02-622)

Study of risk factors for work-related injuries among male farmers in Iowa (CIS 02-707)

Analysis of farm injuries having occurred over a three-year period in South Carolina (CIS 02-712)

Long-term study of non-fatal injuries in Brazilian steelworkers (CIS 02-718)

Study on work-related injuries among firefighters (CIS 02-738)

Analysis of injuries to loggers during skid work in New Zealand (CIS 02-919)

Cohort study of convenience store employee injuries during robberies (CIS 02-979)

Statistical evaluation of morbidity and mortality in small enterprises in the United States (CIS 02-1184)

Statistical analysis of occupational injuries (Norway), 1991-1996 (CIS 02-1185)

Study of occupational causes of nonfatal inhalation injuries and illnesses (CIS 02-1237)

Risk factors for accidents in commercial shipping in the United States (CIS 02-1267)

Statistics of injuries among youth on farms (USA), 1998 (CIS 02-1286)

Statistics of injuries among farm workers (USA), 1995 (CIS 02-1287)

Leaflet explaining the services of the Incident Contact Centre with respect to reporting of injuries, diseases and dangerous occurrences (United Kingdom), 2002 (CIS 02-1578)

Special feature on the management of serious occupational accidents (CIS 02-1587)

Study of the type, location and severity of traumatic occupational hand injuries (CIS 02-1670)

Study of disabling occupational injuries in the construction industry in the United States (CIS 02-1735)

Study of the risk factors of fatal and serious nonfatal accidents involving falls through roofs (CIS 02-1916)

Questionnaire survey on occupational injuries among bicycle messengers in Boston (CIS 02-1919)

Proposed procedure to be adopted in non-hospital environments following injuries by potentially-contaminated blood-stained objects (CIS 02-1945)

INJURIES TO UPPER EXTREMITIES

Epidemiologic study on injuries to upper extremities in US workers (CIS 02-1257)

INLAND WATER TRANSPORT

Update of the European agreement concerning the international carriage of dangerous goods by inland waterways (United Nations), 2001 (CIS 02-1047)

INORGANIC CHEMICALS

Literature survey on the genotoxicity of inorganic arsenic compounds (CIS 02-1786)

INORGANIC DUST → MINERAL DUST

INORGANIC MAN-MADE FIBRES

Code of practice for the safe use of synthetic vitreous fibre insulation wools (ILO), 2001 (CIS 02-376)

INSECTICIDE SPRAYING → PESTICIDE SPRAYING

INSECTICIDES

Data sheet on lindane (France), 1992 (CIS 02-1078)

INSECTS

Long-term study of insect breeding workers with allergies to biological insecticides (CIS 02-1931)

INSPECTION

Guidance on compliance with the regulations concerning the inspection of lifting equipment (United Kingdom), 2002 (CIS 02-927)

Strategic plan of the Health and Safety Executive Local Authority Enforcement Liaison Committee (United Kingdom), 2001-2004 (CIS 02-1193)

Report on safety and health in sectors enforced by local authorities (United Kingdom), 2001 (CIS 02-1194)

Annual report of the Health and Safety Executive Local Authority Enforcement Liaison Committee (HELA) (United Kingdom), 2001 (CIS 02-1195)

Guidance to local authorities on exercising their responsibilities in the enforcement of occupational safety and health regulations (United Kingdom), 2001 (CIS 02-1196)

Evaluation of the effectiveness of safety and health inspections in the United Kingdom (CIS 02-1629)

Procedure for evaluating occupational hazards in Spanish fishing vessels in Spain (CIS 02-1724)

Evaluation of the possibility of using satellite imaging for pipeline routing and surveillance (CIS 02-1870)

Standard on the inspection of cylinders in bundles for permanent and liquefiable gases (Singapore), 2000 (CIS 02-1877)

INSTRUMENTATION

Evaluation of equipment of a prototype infrared spectrophotometer for monitoring air contamination (CIS 02-1371)

Manual on methods for the detection and measurement of explosive and toxic substances in air (CIS 02-1375)

INSULATING BLANKETS

Exposure evaluation to ceramic fibres during insulating work on electrical equipment (CIS 02-1776)

INSULATING MATERIALS

Code of practice for the safe use of synthetic vitreous fibre insulation wools (ILO), 2001 (CIS 02-376)

INSULATING WORK

Case reports of malignant pleural mesothelioma presenting as spontaneous pneumothorax (CIS 02-1238)

INSURANCE AGAINST INDUSTRIAL ACCIDENTS AND DISEASE → WORKMEN'S COMPENSATION

INSURING AGENCIES FOR OCCUPATIONAL DISEASES → COMPENSATION OF OCCUPATIONAL DISEASES

INTELLIGENCE

Information note on OSH and emotional memory (Spain), 2000 (CIS 02-1498)

Information note on the emotional components of verbal communication in OSH (Spain), 2000 (CIS 02-1499)

INTERDISCIPLINARY COOPERATION → COOPERATION

INTERMITTENT WORK

Ergonomic evaluation of endurance limit of fatigue during intermittent overhead work (CIS 02-460)

INTERNAL CONTROL

Factors affecting the compliance of the law on internal control of occupational safety and health by small enterprises in Norway (CIS 02-608)

INTERNATIONAL AGENCY FOR RESEARCH ON CANCER → IARC

INTERNATIONAL AGREEMENTS

Directory of international agreements, instruments, organizations and programmes related to chemicals management (UNEP), 2001 (CIS 02-1380)

Guide to the implementation of an action plan for promoting occupational safety and health in hazardous occupations (ILO), 1994 (CIS 02-1624)

Collection of documents providing background information and a basis for discussions on decent work and the informal economy aimed at delegates attending the 90th International Labour Conference (ILO), 2002 (CIS 02-1646)

Practical application of safety and health research in occupational medicine (CIS 02-1709)

Report providing background information and a basis for discussions on the evolution of employment, working time and training in the mining industry aimed at delegates attending a tripartite conference held in Geneva (ILO), 2002 (CIS 02-1744)

Report providing background information and a basis for discussions on the promotion of good industrial relations in oil and gas production and oil refining aimed at delegates attending a tripartite conference held in Geneva (ILO), 2002 (CIS 02-1746)

INTERNATIONAL ATOMIC ENERGY AGENCY → IAEA

INTERNATIONAL COOPERATION

Occupational safety and health development programmes funded by the European Union (CIS 02-614)

Guidance on good practices in occupational safety and health applicable to contractors (CIS 02-1305)

Directory of international agreements, instruments, organizations and programmes related to chemicals management (UNEP), 2001 (CIS 02-1380)

International trends in occupational health research and practice (CIS 02-1604)

LICENCES FOR GAS FITTERS → QUALIFICATIONS

LICENSING OF UNDERTAKINGS

Regulation on the registration of clothing factories for OSH purposes (Australia - New South Wales), 2001 (CIS 02-1026)

LIFE VESTS → LIFEJACKETS

LIFEJACKETS

Guide to the selection and use of life vests and flotation equipment (Spain), 2002 (CIS 02-1561)

LIFELINE FALL ARRESTERS → FALL ARRESTERS

LIFTING APPLIANCES

Exposure to bioaerosols and ergonomic aspects when using trucks with side-lift arms for collecting household waste (CIS 02-1748)

LIFTING BEAMS → LIFTING APPLIANCES

LIFTING EQUIPMENT

Ergonomic evaluation to reduce musculoskeletal diseases in nursing personnel (CIS 02-461)

Guidance on compliance with the regulations concerning the inspection of lifting equipment (United Kingdom), 2002 (CIS 02-927)

Technical guidance on the safe use of lifting equipment offshore (United Kingdom), 2002 (CIS 02-936)

LIFTING OF LOADS

Study of the effects of lifting unexpectedly heavy objects on low-back loading and balance loss (CIS 02-1954)

Proposed improved model for evaluating lifting tasks (CIS 02-1957)

Proposed method for assessing back load (CIS 02-1966)

Guidance for health care and social workers on controlling musculoskeletal risks when caring for restricted-mobility patients (United Kingdom), 2001 (CIS 02-1975)

LIFTS

Comment on the incorporation into national legislation of European standards concerning safety rules for the construction and installation of passenger lifts and builder hoists (Italy), 1999 (CIS 02-926)

LIGHTING

Study of lighting preferences of VDT workers (CIS 02-1417)

Model to explain the response of drivers to the installation of road lighting (CIS 02-1922)

Study of the effect of an improved work environment on labour productivity in a storage facility (CIS 02-1973)

LIMESTONE

Experimental determination of relationship between dust mass and differential pressure across filters (CIS 02-1312)

LIMESTONE QUARRIES → QUARRYING INDUSTRY

LIMITATION OF EXPOSURE

Occupational hazards among workers in the field of photography (CIS 02-241)

Exposures and prevention measures when applying resins in confined spaces during construction work (CIS 02-270)

Proceedings of a seminar on safe work with fibre-based materials (Ottofurt, Germany, 1-3 September 1998) (CIS 02-332)

Effectiveness of local exhaust ventilation in reducing exposure to dust during concrete cutting and grinding (CIS 02-1364)

Results of a lead-exposure reduction programme in road construction workers (CIS 02-1373)

Information note on the demolition, elimination and maintenance operations involving asbestos-containing materials (Spain), 2000 (CIS 02-1405)

Information note on controlling exposure to disinfectants used in the food and drink industries (United Kingdom), 2001 (CIS 02-1406)

Reducing the exposure to microorganisms during refuse collection (CIS 02-1456)

Description of an automated system for cleaning the glazing at a new airport passenger terminal (CIS 02-1761)

Tables for the adjustment of occupational exposure limits in unusual work schedule situations (CIS 02-1790)

Controlling metalworking fluid aerosols in a machining centre (CIS 02-1818)

Study of measures having reduced the exposure to methylene chloride among furniture strippers (CIS 02-1828)

Update of criteria for occupational exposure limits (United Kingdom), 2002 (CIS 02-1837)

Information note on the control of exposure to silica dust in small potteries (United Kingdom), 2002 (CIS 02-1858)

Proposed measures limiting the risk of tuberculosis among social workers at homeless shelters (CIS 02-1929)

Guidance for controlling risks to workers from bio-solids used for land fertilization (USA), 2002 (CIS 02-1948)

LINDANE

Data sheet on lindane (France), 1992 (CIS 02-1078)

LIPIDS

Metabolic studies and shift work in nursing personnel (CIS 02-1473)

LIQUEFIED GASES

Carburettor-design changes of LPG-powered fork-lift trucks (CIS 02-378)

Safe distances for firefighters in boiling liquid expanding vapour explosions (CIS 02-1863)

Standard on the inspection of cylinders in bundles for permanent and liquefiable gases (Singapore), 2000 (CIS 02-1877)

LIQUEFIED PETROLEUM GAS

Survey of hazards from LPG storage tanks at several industrial sites in India (CIS 02-883)

Information note on the prevention of fire and explosion risks during maintenance and repair of LPG-powered industrial trucks (France) (CIS 02-1412)

LIQUID-COOLED SUITS

Study of the efficiency of cooling systems in reducing heat strain when wearing protective clothing against toxic chemicals (CIS 02-1886)

LIST OF CHEMICAL SUBSTANCES

Supplement to the NIOSH manual of analytical methods for monitoring exposure to toxic substances (USA), 1998 (CIS 02-866)

List of occupational exposure limits (United Kingdom), 2002 (CIS 02-1400)

LIST OF OCCUPATIONS

Decree on a schedule of psychiatric counterindications for certain professional activities (Kazakhstan), 2002 (CIS 02-1536)

LISTS OF NOTIFIABLE OCCUPATIONAL DISEASES → SCHEDULE OF OCCUPATIONAL DISEASES

LITERATURE SURVEY

Computer-assisted tool for carrying out literature surveys, applied to the field of occupational stress (CIS 02-487)

LITHARGE → LEAD OXIDE

LITHIUM FLUORIDE

Data sheet on alkali metal and alkaline-earth fluorides (France), 1992 (CIS 02-62)

LIVE WORK

Safety guide for persons carrying out electrical testing (United Kingdom), 2002 (CIS 02-1415)

LIVER CANCER

Epidemiological aspects of liver angiosarcoma (CIS 02-1668)

LIVER DISEASES → HEPATIC DISEASES

LIVESTOCK REARING

Guide for self-evaluation of occupational hazards in cattle and swine rearing (France), 2001 (CIS 02-257)

Evaluation of the risk associated with the use of pesticides and other chemicals on farms (CIS 02-307)

Relationship between exposure assessment and lung function in pig and poultry farmers (CIS 02-675)

Respiratory symptoms and lung function in livestock farm workers (CIS 02-708)

Influence of building maintenance, environmental factors and seasonal climatic changes on airborne contaminants in pigpens (CIS 02-1933)

LOADING AND UNLOADING

Safety and health guide for work in warehouses (Canada), 1999 (CIS 02-107)

Report on the safety of roll containers (CIS 02-1923)

LOCAL EXHAUST

Numerical simulations to determine the most appropriate welding and ventilation conditions in small enclosed workplaces (CIS 02-317)

Advantages of vertical air flow in open ventilated booths (CIS 02-773)

Information note on the design of local exhaust ventilation systems for woodworking machines (United Kingdom), 2001 (CIS 02-879)

Effectiveness of local exhaust ventilation in reducing exposure to dust during concrete cutting and grinding (CIS 02-1364)

Design and development of efficient exhaust devices for radial saws and numerically-controlled routers (CIS 02-1767)

Information note on dust capture at fixed belt sanding machines (United Kingdom), 2002 (CIS 02-1857)

LOCATION OF SAMPLING POINTS

Air sampling at the chest and ear as representative of the breathing zone (CIS 02-269)

LOCK-OUTS → PREVENTION OF ACCESS

LOCKING FOR SAFETY

Safety guide on lock-out procedures (Singapore) (CIS 02-1175)

LOCOMOTIVES

Ergonomic assessment of whole-body vibration exposure risk in locomotive driver cabs (CIS 02-1430)

Noise level measurement and hearing damage risk criteria in railway locomotive crew (CIS 02-1884)

LOG PONDS → SAWMILLING INDUSTRY

LOGGING

Analysis of injuries to loggers during skid work in New Zealand (CIS 02-919)

Safety manual on the handling of uprooted trees (Switzerland), 2002 (CIS 02-1174)

Heart rate strain among forestry workers who attach felled trees to cable haulage systems in New Zealand (CIS 02-1682)

LOGGING AND FORESTRY OPERATIONS

Comparison of acoustic distress signalling and speech communication units used by forestry workers (CIS 02-1729)

LOGGING EQUIPMENT

Heart rate strain among forestry workers who attach felled trees to cable haulage systems in New Zealand (CIS 02-1682)

LONG-TERM EXPOSURE

Exposure to polycyclic aromatic hydrocarbons by occupation, expressed as benzo[a]pyrene equivalents in Germany (CIS 02-345)

Longitudinal follow-up study of pulmonary function and respiratory symptoms in workers exposed to manganese (CIS 02-677)

Study of neurobehavioural disturbances arising from low-levels of exposure to toluene (CIS 02-824)

Study of the causes of mortality among construction plasterers and cement masons (CIS 02-1274)

Neurological effects in workers following exposure to manganese (CIS 02-1320)

Pulmonary function in long-term asbestos workers in China (CIS 02-1351)

Agricultural exposure to carbamate pesticides and risk of non-Hodgkin lymphoma in the United States (CIS 02-1352)

Study of cancer risk in a population having been exposed over a long time to ammonium perchlorate and trichloroethylene in drinking water (CIS 02-1356)

Study of long-term trends in exposure to nickel aerosols in nickel-producing and nickel-using industries (CIS 02-1770)

Long-term follow-up study of the cognitive performance of floor layers formerly exposed to solvents (CIS 02-1801)

Study of the relationship between exposure to vibrations from vibrating hand tools and the prevalence of hand-arm vibration syndrome (CIS 02-1897)

LONG-TERM STUDY

Long-term study of lung cancer mortality in a French ore sintering plant (CIS 02-719)

Update of a South African mortality study of mesothelioma from exposure to crocidolite (CIS 02-838)

LONGSHORING → DOCK WORK

LORRIES → TRUCKS

LOSS OF VISUAL FUNCTION → BLINDNESS

LOSS PREVENTION CONSULTANTS → SAFETY CONSULTANTS

LOW-BACK PAIN → BACKACHE

LOWER EXTREMITY DISORDERS

Effectiveness of sports shoes with good shock attenuation for reducing lower extremity overuse injuries among newspaper carriers (CIS 02-1961)

LUBRICATING OILS

Evaluation of measuring techniques for metalworking fluids in the metalworking industry (CIS 02-766)

Exposure evaluation to metalworking fluids in the small machine shops (CIS 02-767)

LUBRICATION

Guide to hazard prevention in automobile cleaning and lubricating workshops (Spain), 2002 (CIS 02-1573)

LUMBALGIA → BACKACHE

LUMBAR COLUMN

Practical answers to questions concerning the wearing of back belts at work in cases of backache (CIS 02-181)

Study of low back pain among employees of a large store (CIS 02-190)

Data sheet on chronic occupational disorders of the lumbar spine (France), 2001 (CIS 02-215)

Evaluation of low back pain risks in a beef skinning operation (CIS 02-447)

Cross-sectional study of the prevalence of backache among farmers (CIS 02-714)

Factors associated with medical consultation for low-back pain among scaffolders (CIS 02-721)

Ergonomic interventions in the furniture industry aimed at reducing manual handling loads (CIS 02-958)

Relationship between psychosocial job factors and return-to-work after compensated low back injury in the United States (CIS 02-988)

Study of the relationship between co-morbidity and duration of absenteeism among workers with nonspecific low back pain (CIS 02-1242)

Evaluation of physiological work demands and low back neuromuscular fatigue among nurses working in geriatric wards (CIS 02-1738)

Ergonomic study of vehicle access and handling of tools among fire fighters (CIS 02-1747)

Study of the effects of lifting unexpectedly heavy objects on low-back loading and balance loss (CIS 02-1954)

Literature review of biomechanical and psychophysical research on risk factors associated with low-back pain (CIS 02-1968)

LUMBER INDUSTRY → LOGGING

LUMBERMEN → LOGGING AND FORESTRY OPERATIONS

LUMINOUS WARNING DEVICES → OPTICAL SIGNALLING

LUNG CANCER

Booklet on the detection, reporting and compensation of occupational lung and pleural cancer (CIS 02-205)

Exposure to polycyclic aromatic hydrocarbons by occupation, expressed at benzo[a]pyrene equivalents in Germany (CIS 02-345)

Radon exposure and lung cancer mortality among uranium miners in the former German Democratic Republic (CIS 02-403)

Long-term study of lung cancer mortality in a French ore sintering plant (CIS 02-719)

Review of the carcinogenicity of chrysotile asbestos (CIS 02-779)

Quantitative risk assessment of lung cancer mortality among diatomaceous earth industry workers exposed to silica dusts (CIS 02-803)

Cohort mortality study and nested case-control study of French and Austrian talc workers (CIS 02-806)

Review of asbestos-related lung cancer and mesothelioma in Japan (CIS 02-816)

Analysis of two case-control studies in Germany on the exposure-time-response relationship between occupational asbestos exposure and lung cancer (CIS 02-825)

Study of the possible confounding by carcinogens of the relation between lung cancer risk, silica exposure and silicosis among Chinese mining and pottery industry workers (CIS 02-846)

Lung cancer among workers in the production of chromates (CIS 02-1236)

Risk of bronchopulmonary cancer in a stainless and alloyed steels plant in France (CIS 02-1247)

Association between asbestos exposure, smoking, myeloperoxidase genotypes and lung cancer risk (CIS 02-1664)

Lung cancer and indoor exposure to coal and biomass combustion products in rural China (CIS 02-1669)

Case-control study of lung cancer and non-malignant respiratory disease risk among asphalt roofing manufacturing and asphalt production workers (CIS 02-1683)

Cohort study of the relation between exposure to asbestos and lung and pleural cancer mortality among pulp and paper industry workers (CIS 02-1797)

Relationship between dust exposure and lung cancer mortality among coal miners (CIS 02-1815)

Cohort study of the relationship between asbestos exposure and the risk of lung cancer and mesothelioma among construction workers (CIS 02-1822)

Confounding factors due to smoking in epidemiological studies on the relation between low levels of exposure to radon and lung cancer (CIS 02-1889)

LUNG DISEASES

Information leaflet on occupational lung diseases (Singapore) (CIS 02-1157)

LUXEMBOURG

Regulations implementing EU directives on workplace safety and health (Luxembourg), 1994 (CIS 02-7)

Regulations for chemical safety (Luxembourg), 2002 (CIS 02-520)

Annual report of the Accident Insurance Association (Luxembourg), 2001 (CIS 02-1619)

LYME DISEASE

Literature review of epidemiological studies on the occupational risk of Lyme disease (CIS 02-939)

Lyme's disease among forestry workers in the Belgian region of Flanders (CIS 02-940)

LYMPHATIC LEUKAEMIA

Cohort study of lymphatic leukaemia mortality in the US petrochemical industry (CIS 02-1232)

LYMPHOCYTES

Relationship between occupation and the risk of non-Hodgkin's lymphoma and chronic lymphocytic leukaemia (CIS 02-1650)

Association of low job control with a decrease in memory T lymphocytes in Japanese middle-aged male workers (CIS 02-1705)

LYMPHOMA

Booklet on the detection, reporting and compensation of occupational leukaemia and lymphoma (CIS 02-202)

Agricultural exposure to carbamate pesticides and risk of non-Hodgkin lymphoma in the United States (CIS 02-1352)

Relationship between occupation and the risk of non-Hodgkin's lymphoma and chronic lymphocytic leukaemia (CIS 02-1650)

MACHINE TOOLS

Study of the impact resistance of several materials used for guards on cutting machine tools according to requirements of draft European safety standards (CIS 02-412)

Check list for safe operation of milling machines (Switzerland) (CIS 02-424)

Modification of Directive 91/414/EEC, adding 6 new substances to the list of active plant protection products (European Union), 2002 (CIS 02-1518)

METALS

Long-term study of lung cancer mortality in a French ore sintering plant (CIS 02-719)

Contact dermatitis in Korean dental technicians (CIS 02-820)

METALWORKING INDUSTRY

Hypersensitivity pneumonitis among workers of a metal-working plant (CIS 02-188)

Analysis of risk factors for hand eczema among metalworker trainees (CIS 02-312)

Data sheet on occupational skin diseases caused by cutting fluids (France), 2000 (CIS 02-373)

Exposure evaluation to non-ionizing radiation in the metallurgical working environment (CIS 02-401)

Internal and external factors of injury risk in shift work (CIS 02-458)

Evaluation of measuring techniques for metalworking fluids in the metalworking industry (CIS 02-766)

Exposure evaluation to metalworking fluids in the small machine shops (CIS 02-767)

Exposure evaluation of aerosols in the metalworking industry (bearings and grinding machines) (CIS 02-768)

Measurement of impulse noise in metalworking plants (CIS 02-895)

Case studies of accidents in the metalworking industry (Singapore) (CIS 02-1159)

Safety guide on lock-out procedures (Singapore) (CIS 02-1175)

Study of occupational safety and health issues among apprentice machinists and cooks (CIS 02-1636)

Study of long-term trends in exposure to nickel aerosols in nickel-producing and nickel-using industries (CIS 02-1770)

Study of metalworking fluid aerosol generation at a milling machine (CIS 02-1817)

Controlling metalworking fluid aerosols in a machining centre (CIS 02-1818)

Information note on the implications of the reclassification of trichloroethylene on the metal industry (United Kingdom), 2002 (CIS 02-1851)

Information note on the hazards of cutting fluids (France), 2002 (CIS 02-1855)

Isolation of a rapidly growing mycobacterium involved in the contamination of metalworking fluids in a production plant (CIS 02-1935)

Study on treatments for removing endotoxins from water-soluble metalworking fluids (CIS 02-1936)

METHACRYLALDEHYDE

Data sheet on methacrylaldehyde (Spain), 1991 (CIS 02-38)

METHACRYLATES

Contact dermatitis among dental personnel (CIS 02-799)

Information note on occupational skin diseases caused by polyacrylate and polymethacrylate resins (France), 2001 (CIS 02-1263)

Study of two cohorts of workers exposed to methyl methacrylate in acrylic sheet production (CIS 02-1325)

METHALLYL CHLORIDE

Summary of toxicology and ecotoxicology of 11 chemicals (Germany), 2001 (CIS 02-1128)

METHANAL → FORMALDEHYDE**METHANETHIOL**

Data sheet on methylmercaptan, ethanethiol and butanethiol (France), 1992 (CIS 02-61)

METHODOLOGY → DESCRIPTION OF TECHNIQUE**METHOMYL**

Acute methomyl poisoning in the agricultural sector (CIS 02-306)

METHYL 2-BENZIMIDAZOLYL CARBAMATE

Data sheet on methyl 2-benzimidazolyl carbamate (France), 1992 (CIS 02-1097)

METHYL ACRYLATE

Data sheet on methyl acrylate (USA), Spanish translation, 2001 (CIS 02-1115)

METHYL BROMIDE

Data sheet on methyl bromide (France), 1992 (CIS 02-1070)

Three cases of acute methyl bromide poisoning in a farm family in Japan (CIS 02-1342)

METHYL CHLORIDE → CHLOROMETHANE**METHYL CYANOACRYLATE**

Data sheet on methyl cyanoacrylate (Spain), 1991 (CIS 02-33)

Criteria document on methyl cyanoacrylate and ethyl-2-cyanoacrylate (WHO), 2001 (CIS 02-76)

METHYL HEXAHYDROPHTHALIC ANHYDRIDE

Total plasma protein adducts of allergenic hexahydrophthalic and methylhexahydrophthalic anhydrides as biomarkers of long-term exposure (CIS 02-1318)

Study of three cases of occupational contact urticaria caused by airborne methyl hexahydrophthalic anhydride (CIS 02-1354)

METHYL ISOBUTYL KETONE → HEXONE

METHYL ISOCYANATE

Data sheet on methyl isocyanate (France), 1992 (CIS 02-42)

METHYL MERCAPTAN → METHANETHIOL

METHYL METHACRYLATE

Data sheet on methyl methacrylate (Spain), 1991 (CIS 02-39)

Data sheet on methyl methacrylate (France), 1997 (CIS 02-1065)

Study of two cohorts of workers exposed to methyl methacrylate in acrylic sheet production (CIS 02-1325)

METHYL PROPYL KETONE → PENTANONE

METHYL T-BUTYL ETHER

Evaluation of gasoline distribution workers' exposure to major gasoline components in Finland (CIS 02-1836)

2-METHYL-1-PROPANOL → ISOBUTYL ALCOHOL

4-METHYL-2-PENTANOL

Data sheet on 4-methyl-2-pentanol (USA), Spanish translation, 2002 (CIS 02-52)

Data sheet on 4-methyl-2-pentanol (USA), Spanish translation, 2001 (CIS 02-1114)

4-METHYL-2-PENTANONE → HEXONE

5-METHYL-3-HEPTANONE

Data sheet on 5-methyl-3-heptanone (USA), Spanish translation, 2001 (CIS 02-1113)

METHYLENE CHLORIDE → DICHLOROMETHANE

METHYLENEBIS(2-CHLOROANILINE)

Biological monitoring of employees exposed to 4,4'-methylene-bis-(2-ortho-chloraniline) (CIS 02-273)

METHYLENEDIANILINE

Data sheet on methylenedianiline (France), 2000 (CIS 02-1137)

Toxicological data for the hazard assessment of seven chemicals (UNEP), 2002 (CIS 02-1560)

METHYLISOBUTYL CARBINOL → 4-METHYL-2-PENTANOL

METHYLPYRROLIDINONE

Criteria document on methylpyrrolidone (WHO), 2001 (CIS 02-75)

Biological monitoring of N-methyl-2-pyrrolidone using 5-hydroxy-N-methyl-2-pyrrolidone in plasma and urine (CIS 02-774)

Data sheet on N-methylpyrrolidone (France), 2000 (CIS 02-1096)

MEXICO

Official standard on safety and health in welding and cutting operations (Mexico), 2001 (CIS 02-19)

Official standard on the safe operation of pressure vessels and boilers (Mexico), 2002 (CIS 02-538)

Regulation on the renaming and organization of a National Committee on the Standardization of Occupational Safety and Health (Mexico), 2003 (CIS 02-1509)

Official standard on the classification and handling of infectious biological residues (Mexico), 2003 (CIS 02-1534)

MICROBES → MICROORGANISMS

MICROCLIMATE

Survey of the perception of indoor air quality and comfort in hotel and entertainment environments (CIS 02-1887)

MICROORGANISMS

Guidelines for the management, design and operation of microbiological containment laboratories (United Kingdom), 2001 (CIS 02-438)

Directive amending provisions dealing with micro-organisms in the 1991 Directive on the placing of plant

protection products on the market (European Union), 2001 (CIS 02-540)

Order on the protection of workers against biological hazards (Slovak Republic), 2002 (CIS 02-541)

MICROSCOPIC DETERMINATION

Characterization of airborne silica dust and asbestos fibres (CIS 02-772)

MICROWAVES → RADIOFREQUENCY RADIATION

MIGRANT WORKERS

Study of pesticide-related illness among migrant farm workers in the United States (CIS 02-832)

Incidence of green tobacco sickness among Latino farm workers in the United States (CIS 02-1244)

Farm worker reports of pesticide safety and sanitation at work in the United States (CIS 02-1359)

Special issue on the feasibility of conducting epidemiologic studies on a population of migrant and seasonal farmworkers (CIS 02-1726)

MILLING MACHINES

Check list for safe operation of milling machines (Switzerland) (CIS 02-424)

Study of metalworking fluid aerosol generation at a milling machine (CIS 02-1817)

MINE SUPPORTS → SUPPORT OF

MINEWORKINGS

MINE TIMBERING → SUPPORT OF

MINERAL DUST

Guidance for controlling exposure to stonemasonry dust (United Kingdom), 2001 (CIS 02-355)

Characterization of airborne silica dust and asbestos fibres (CIS 02-772)

MINERAL EXTRACTIVE INDUSTRIES → MINING AND QUARRYING

MINERAL FIBRES

Data sheet on man-made fibres (Italy), 2001 (CIS 02-356)

Characterization of airborne silica dust and asbestos fibres (CIS 02-772)

Health hazards due to industrial fibres (CIS 02-1376)

Exposure to artificial fibres in public buildings (CIS 02-1773)

MINERAL WOOL

Data sheet on man-made fibres (Italy), 2001 (CIS 02-356)

Characterization of airborne silica dust and asbestos fibres (CIS 02-772)

Evaluation of the carcinogenic risks of man-made vitreous fibres (IARC), 2002 (CIS 02-1834)

MINING AND QUARRYING

Guide to the prevention and suppression of dust in mining, tunnelling and quarrying (ILO), 1965 (CIS 02-375)

Law on the safety of quarry workers (Barbados), 1963 (CIS 02-513)

Order on the safety and health protection of workers in the mining industry (Slovak Republic), 2002 (CIS 02-515)

Regulations on OSH in mines (Australia - Victoria), 2002 (CIS 02-1514)

MINING INDUSTRY

Occupational safety and health in the mining industry in Tunisia (CIS 02-230)

Challenges facing the regulatory authorities for improving safety and health in the mining industry (CIS 02-231)

Current occupational health situation in Indian mines (CIS 02-232)

Occupational health issues in the mining industry (CIS 02-248)

Impact of the HIV/AIDS epidemic on safety and health in the South African mining industry (CIS 02-431)

Order on the safety and health protection of workers in the mining industry (Slovak Republic), 2002 (CIS 02-515)

Code of practice on safety and health in coal mines (ILO), Spanish and Mongolian versions, 1986/1996 (CIS 02-643)

Longitudinal follow-up study of pulmonary function and respiratory symptoms in workers exposed to manganese (CIS 02-677)

Radiographic abnormalities in long-tenure Vermont granite workers and the permissible exposure limit for crystalline silica (CIS 02-837)

Study of the possible confounding by carcinogens of the relation between lung cancer risk, silica exposure and silicosis among Chinese mining and pottery industry workers (CIS 02-846)

Encouraging safety consciousness in the Australian mining industry (CIS 02-1271)

Regulations on OSH in mines (Australia - Victoria), 2002 (CIS 02-1514)

Report providing background information and a basis for discussions on the evolution of employment, working time and training in the mining industry aimed at delegates attending a tripartite conference held in Geneva (ILO), 2002 (CIS 02-1744)

Study of long-term trends in exposure to nickel aerosols in nickel-producing and nickel-using industries (CIS 02-1770)

Tables for the adjustment of occupational exposure limits in unusual work schedule situations (CIS 02-1790)

Approach for evaluating the effects of damage on the stability of underground hard rock excavations (CIS 02-1925)

MINIUM → LEAD TETROXIDE

MINUTE VOLUME → CARDIAC OUTPUT

MISCARRIAGE → ABORTION

MITES → ACARIDS

MITTENS → PROTECTIVE GLOVES

MOBILE TELEPHONY

Safety guide on the prevention of injuries and deaths falls during construction and maintenance of telecommunication towers (USA), 2001 (CIS 02-427)

Reduction of the risk of interference between cellular telephones and pacemakers (CIS 02-764)

Method for calculation of safe distances for the occupational exposure to mobile phone antennas (CIS 02-1892)

Health hazards of mobile telephones (CIS 02-1894)

MOLTEN MATERIALS

Simplified method for evaluating exposure to infrared radiation in glass factories (CIS 02-1900)

MONITORING FOR AIR CONTAMINATION

Evaluation of control measures to reduce tetrachloroethylene exposure in dry-cleaning shops (CIS 02-1329)

Evaluation of equipment of a prototype infrared spectrophotometer for monitoring air contamination (CIS 02-1371)

MONITORING FOR SURFACE CONTAMINATION

Air sampling at the chest and ear as representative of the breathing zone (CIS 02-269)

MONITORING OF ULTRAVIOLET RADIATION

Predicting the ultraviolet radiation distribution in a room with multilouvered germicidal fixtures (CIS 02-402)

MONITORING TASKS → VIGILANCE TASKS

MONOBROMOMETHANE → METHYL BROMIDE

MONOCHLOROACETIC ACID

Therapy for acute intoxication from monochloroacetic acid (ECETOC), 2001 (CIS 02-372)

MONOCHLOROACETONE

Criteria document on monochloroacetone, (Germany), 2002 (CIS 02-569)

MONOTONOUS WORK

Cross-sectional study of the relation between the risk of shoulder tendinitis and shoulder loads in monotonous repetitive work (CIS 02-948)

Effects of monotonous work at computer terminals on electroencephalographic changes and vigilance (CIS 02-1763)

MONUMENTAL MASONRY → STONE DRESSING

MORBIDITY

Analysis of respiratory, cardiac, and cancer outcomes in auto industry tool grinding operations using medical insurance claims (CIS 02-678)

Disease pattern among male professional drivers in Denmark (CIS 02-727)

Study of pesticide-related illness among migrant farm workers in the United States (CIS 02-832)

Statistical evaluation of morbidity and mortality in small enterprises in the United States (CIS 02-1184)

Two-year study of morbidity from chronic lower respiratory diseases among elderly persons as a function of air pollution (CIS 02-1239)

Study of the relationship between co-morbidity and duration of absenteeism among workers with nonspecific low back pain (CIS 02-1242)

Nasopharyngeal carcinoma and chronic pharyngitis or sinusitis among workers at a newspaper printing company (CIS 02-1667)

MOROCCO

Decree on the protection of workers against asbestos dust (Morocco), 2001 (CIS 02-20)

Proceedings of the 3rd national congress of the Moroccan society for occupational safety, health and hygiene (Rabat, Morocco, 11-12 November 2000) (CIS 02-148)

Survey of activities on OSH in 5 countries in North Africa (CIS 02-1608)

MORTALITY

Mortality from six work-related cancers among African American and Hispanic workers (CIS 02-177)

Mortality of blue-collar and white-collar workers in a petroleum refining plant in Italy (CIS 02-236)

Cancer mortality among hairdressers and barbers in the United States (CIS 02-242)

Update of cancer mortality in a cohort of workers of the North American vinyl chloride industry (CIS 02-297)

Radon exposure and lung cancer mortality among uranium miners in the former German Democratic Republic (CIS 02-403)

Mortality among women and men relative to underemployment, part time work, overtime work, and extra work (CIS 02-646)

Mortality at an foundry and machining complex of an automotive engine plant (CIS 02-679)

Healthy worker survivor effect in a cohort of workers in the construction industry (CIS 02-680)

Study of mortality patterns among electrical utility workers by occupational category (CIS 02-700)

Long-term mortality study among employees of a chemical company (CIS 02-701)

Cohort mortality study among shipyard workers in Italy (CIS 02-703)

Long-term study of lung cancer mortality in a French ore sintering plant (CIS 02-719)

Cohort study of cancer frequency rates in the rubber industry in the United Kingdom (CIS 02-728)

Quantitative risk assessment of lung cancer mortality among diatomaceous earth industry workers exposed to silica dusts (CIS 02-803)

Cohort mortality study and nested case-control study of French and Austrian talc workers (CIS 02-806)

Mortality in a cohort of viscose plant workers exposed to carbon disulfide (CIS 02-810)

Update of a South African mortality study of mesothelioma from exposure to crocidolite (CIS 02-838)

Statistical evaluation of morbidity and mortality in small enterprises in the United States (CIS 02-1184)

Cancer mortality study of employees at lead battery plants and lead smelters in the US (CIS 02-1246)

Risk of bronchopulmonary cancer in a stainless and alloyed steels plant in France (CIS 02-1247)

Case-referent study of cancer mortality among sulfate process pulp mill workers in Sweden (CIS 02-1251)

Long term mortality study in a petrochemical company in Canada (CIS 02-1266)

Study of the causes of mortality among construction plasterers and cement masons (CIS 02-1274)

Relationship between leukaemia mortality and exposure to magnetic fields among electricity generation and transmission workers in the United Kingdom (CIS 02-1423)

Statistical analysis of fatal occupational accidents in Italy (CIS 02-1595)

Alternative method of presenting occupational hazard data in epidemiological studies (CIS 02-1663)

Cohort study of the relation between exposure to asbestos and lung and pleural cancer mortality among pulp and paper industry workers (CIS 02-1797)

Relationship between dust exposure and lung cancer mortality among coal miners (CIS 02-1815)

MORTAR

Products and processes for the repair of sewers, and consequences for occupational hygiene (Germany), 1997 (CIS 02-351)

MOTIVATION

Development and testing of a presenteeism scale (CIS 02-1984)

MOTOR FUEL

Effects of gasoline used as a degreasing solvent in the clothing industry on the skin of exposed workers (CIS 02-822)

Exposure to harmful products during automobile recycling in Germany (CIS 02-870)

Review of European gasoline exposure data (CONCAWE), 1993-1998 (CIS 02-1383)

Evaluation of gasoline distribution workers' exposure to major gasoline components in Finland (CIS 02-1836)

MOTOR SPIRIT → MOTOR FUEL

MOTOR VEHICLE ENGINEERING → SERVICE STATIONS AND REPAIR SHOPS

MOTOR VEHICLE INDUSTRY

Study of the incidence of work-related hand eczema during apprenticeship in the automobile industry (CIS 02-314)

Assessment of the long-term impact of a union-based programme for industrial emergency response training (CIS 02-382)

Analysis of respiratory, cardiac, and cancer outcomes in auto industry tool grinding operations using medical insurance claims (CIS 02-678)

Shoulder disorders and postural stress among automobile assembly workers (CIS 02-954)

Posture recording and sampling methods for work posture to determine risk factors of backache in the motor vehicle industry (CIS 02-955)

Changes over time in audiometric thresholds in sheet metal stamping and assembly workers in the automobile industry with a hearing conservation programme (CIS 02-1429)

Impact of changing work organization on musculoskeletal disorders in the automobile industry (CIS 02-1469)

Proceedings of a conference on health and safety in the automobile industry (Kassel, Germany, 7-8 March 2002) (CIS 02-1745)

Cross-sectional study of skin problems among workers exposed to toluene diisocyanate at a foam manufacturing facility (CIS 02-1806)

Lead levels in body fluids of workers of an automobile factory with arterial hypertension (CIS 02-1819)

Reduction in exposure to noise in a sheet metal pressing plant achieved through automation (CIS 02-1898)

MOTORCYCLES

Description of the job of motorcycle dispatch workers and related hazards (CIS 02-736)

Guide to hazard prevention in bicycle and motorcycle sales and repair shops (Spain), 2002 (CIS 02-1572)

MOULD FACINGS → PARTING AGENTS

MOULDING

Description of nine devices offering protection against various mechanical hazards in moulding, cutting or machining workshops (Switzerland) (CIS 02-425)

MUCOCHLORIC ACID

Criteria document on mucochloric acid (Germany), 1997 (CIS 02-1540)

TRANS,TRANS-MUCONIC ACID

Determination of firefighter exposure to polycyclic aromatic hydrocarbons and benzene using biological indicators (CIS 02-1831)

MUSCULAR STRENGTH

Effects workplace layout on muscular activity in seated manual handling tasks (CIS 02-440)

MUSCULAR WORK

Case-control study of aerobic power and muscle strength among young and elderly waste-collection workers (CIS 02-1972)

MUSCULOSKELETAL DISEASES

Prevalence of musculoskeletal disorders at various workplaces in China (CIS 02-182)

Collection of articles describing methods and tools for the prevention of musculoskeletal diseases of the upper extremities (CIS 02-442)

Influence of exercise-focused group activities on the physical activity, functional capacity, and work ability of female farmers (CIS 02-443)

Risk factors for musculoskeletal disorders in a handmade brick manufacturing plant (CIS 02-448)

Evaluation of health hazards associated with physical workload in the food retail sector (CIS 02-455)

Ergonomic evaluation to reduce musculoskeletal diseases in nursing personnel (CIS 02-461)

CD-ROM on the prevention of work-related musculoskeletal disorders (USA), 2001 (CIS 02-478)

Long-term study of musculoskeletal disorders in women working as sewing machines operators (CIS 02-664)

Correlations between work and musculoskeletal disorders leading to back problems and activity restriction in Canada (CIS 02-670)

Ergonomic evaluation of a training course on work posture at CRT display terminals (CIS 02-765)

Influence of psychological and organizational factors on wrist musculoskeletal disorders (CIS 02-949)

Shoulder disorders and postural stress among automobile assembly workers (CIS 02-954)

Physical workload of women working in mechanical poultry deboning units (CIS 02-956)

Effectiveness of an ergonomics training programme in reducing musculoskeletal disorders among video display terminal users (CIS 02-966)

Comparison of neck and shoulder postures in symptomatic and asymptomatic office workers (CIS 02-968)

Relationship between physically demanding work, inadequate sleep, pain medication use and absenteeism among registered nurses (CIS 02-970)

Organizational downsizing and musculoskeletal problems in Finnish workers (CIS 02-972)

Study of the relation between various social and occupational factors and the risk of musculoskeletal disease (CIS 02-973)

Information leaflet on the ergonomic factors applicable to work at visual display unit workstations (Singapore), 1998 (CIS 02-1162)

Management of musculoskeletal pain in an aircraft manufacturing plant in the United States (CIS 02-1229)

Proceedings of the XXVth French national conference of occupational medicine in the construction industry devoted to the shoulder (Besançon, France, 14-15 June 2001) (CIS 02-1256)

Impact of changing work organization on musculoskeletal disorders in the automobile industry (CIS 02-1469)

Effects of physical work load and job experience on musculoskeletal disorders among trailer assembly workers (CIS 02-1476)

Questionnaire survey on musculoskeletal diseases as psychosomatic disorders in the motor vehicle repair industry (CIS 02-1488)

Prevalence of psychiatric disorders in patients with chronic work-related musculoskeletal pain disability (CIS 02-1658)

Effectiveness of occupational medicine rehabilitation centres for treating work-related musculoskeletal diseases (CIS 02-1661)

Study of the advantages of a medical care utilization review programme on back and neck injury claims (CIS 02-1671)

Enterprise-level approach for the prevention of musculoskeletal disorders (CIS 02-1673)

Literature review of work-related reproductive, musculoskeletal and mental disorders among Japanese working women (CIS 02-1721)

Associations of length of employment and working conditions with neck, shoulder and arm pain among nursery school teachers (CIS 02-1722)

Exposure to chemical and physical risk factors in hazardous waste management facilities (CIS 02-1723)

Report on frequency rates of musculoskeletal disorders in the food and drink industries as a function of the weight of the loads lifted (United Kingdom), 2002 (CIS 02-1742)

Ergonomic study of vehicle access and handling of tools among fire fighters (CIS 02-1747)

Study of the ergonomic aspects of using non-keyboard input devices (CIS 02-1766)

Study of the relationship between biomechanical and postural stresses, musculoskeletal injury rates, and perceived body discomfort (CIS 02-1951)

Predictors of musculoskeletal disorders among call-centre workers based on job analysis and workers' perceptions (CIS 02-1952)

Study of the job of women supermarket cashiers (CIS 02-1953)

Effect of supervisors' presence on the effectiveness of a training programme to improve musculoskeletal health (CIS 02-1959)

Special issue on ergonomics in Australia (CIS 02-1962)

Evaluation of the risk factors of musculoskeletal disorders during machinery design (CIS 02-1974)

Guidance for health care and social workers on controlling musculoskeletal risks when caring for restricted-mobility patients (United Kingdom), 2001 (CIS 02-1975)

Hyperventilation theory for explaining the relation between job stress and musculoskeletal disorders (CIS 02-1978)

MUSEUMS

NATURAL GAS EXTRACTION → PETROLEUM AND NATURAL GAS INDUSTRY

NATURAL IMMUNITY → AUTOIMMUNIZATION

NATURAL RESINS

Exposure to dust, resin acids and monoterpenes in softwood lumber mills (CIS 02-1813)

NATURAL RUBBER

Case reports of occupational latex contact urticaria in non-health-care occupations (CIS 02-818)

Decrease in natural rubber latex-related occupational asthma claims among health care workers following interventions and changes in glove type (CIS 02-823)

NECK DISORDERS

Long-term study of musculoskeletal disorders in women working as sewing machines operators (CIS 02-664)

Case-control study of the relation between neck and shoulder pain, conditions of work and duration of exposure (CIS 02-1224)

Literature review of biomechanical and psychophysical research on risk factors associated with upper extremity disorders (CIS 02-1969)

NEEDLE-STICK INJURIES

Method for testing the resistance of protective gloves to pricks from cannula used in medicine (CIS 02-349)

Preventing injuries from sharp devices among emergency service workers (CIS 02-923)

Practical guide on the steps to be taken in cases of accidental exposure to blood or biological fluids (Tunisia) (CIS 02-1176)

Guide to the selection of appropriate explosion effects models for explosives for hazard analysis and risk management (United Kingdom), 2000 (CIS 02-1876)

NEOPLASMS

Exposure evaluation of the pathological risks incurred by Italian police forces and their prevention (CIS 02-224)

NERVOUS FATIGUE

Study of burnout among mental health professionals (CIS 02-494)

Validation and further development of a method for assessing the risks from mental fatigue (United Kingdom), 1999 (CIS 02-1494)

NERVOUS STRESS → NEUROPSYCHIC STRESS

NETHERLANDS

Evaluation of the effects of mercury and its compounds on reproduction and recommendation for classification (Netherlands), 2000 (CIS 02-1099)

Evaluation of the effects of nitrous oxide on reproduction and recommendation for classification (Netherlands), 2000 (CIS 02-1100)

Proposals for the standardization of work disability data (CIS 02-1600)

NEURO-ENDOCRINE EFFECTS

Neuroendocrine reactivity and recovery from work with different physical and mental demands (CIS 02-971)

NEUROLOGICAL EFFECTS

Neurological effects in workers following exposure to manganese (CIS 02-1320)

Study of the risk of cognitive impairment following exposure to electromagnetic fields from high-voltage transmission lines (CIS 02-1891)

NEUROMUSCULAR DISORDERS

Risk factors of work-related upper extremity disorders and corrective measures (CIS 02-1666)

Study of the effects of occupational exposure to organophosphate pesticides on nerve and muscular function (CIS 02-1803)

NEUROPSYCHIC EFFECTS

Statistical models applied to neurobehavioural epidemiology (France), 2000 (CIS 02-497)

Study of neurobehavioural disturbances arising from low-levels of exposure to toluene (CIS 02-824)

NEUROPSYCHIC STRESS

Neuropsychic reactions following exposure to traumatic incidents at the place of work (CIS 02-486)

Effect of job insecurity, coping resources and personality dispositions on occupational strain indicators (CIS 02-488)

Role of attributions in psychological reactions to job relocation (CIS 02-489)

Stress in industry - Causes, effects and prevention (ILO), Japanese translation, 1985 (CIS 02-998)

Questionnaire survey of neuropsychic stress among Japanese workers with job insecurity (CIS 02-1486)

Job study on the association in Japanese workers between neuropsychic stress and glycosylated haemoglobin A1c levels (CIS 02-1489)

Neuropsychic stress derived from labour-management relations (CIS 02-1986)

Risk awareness of bullying and mobbing (CIS 02-1987)

NEUROTOXIC EFFECTS

Peripheral neuropathy among workers exposed to nitromethane (CIS 02-301)

Historical review and current issues in work-related neurotoxicity (CIS 02-669)

Evaluation of a questionnaire for neurotoxic symptoms in workers exposed to solvents (CIS 02-802)

Assessment of neurotoxic impairment using cerebral magnetic resonance imaging on solvent-exposed workers (CIS 02-812)

Objectives and scope of a new European Commission research project on the effects of exposure to noise and industrial chemicals on hearing and balance (CIS 02-897)

Influence of styrene exposure and microsomal epoxide hydrolase phenotype on neurobehavioural changes among workers of a polyester boat building plant (CIS 02-1366)

Assessing the suitability of cross-sectional and longitudinal cardiac rhythm tests for identifying the effects of occupational chronic lead exposure (CIS 02-1651)

Neuro-ototoxicity among workers of the ceramic tile lead-glazing cottage industry workers (CIS 02-1659)

Case-control study of the neurological effects of manganese exposure among shipbuilding and electrical industry workers (CIS 02-1787)

Study of the effects of occupational exposure to organophosphate pesticides on nerve and muscular function (CIS 02-1803)

NEUROVEGETATIVE DYSTONIA → PSYCHOSOMATIC DISORDERS

NEUTRON RADIOGRAPHY → RADIOGRAPHIC TESTING

NEW SOUTH WALES

Regulation of occupational health and safety (Australia - New South Wales), 2001 (CIS 02-1018)

Regulation on the registration of clothing factories for OSH purposes (Australia - New South Wales), 2001 (CIS 02-1026)

NICKEL

Data sheet on nickel and its inorganic compounds (France), 1992 (CIS 02-1071)

Comparison of the carcinogenic risk assessment and management of asbestos, nickel and ionizing radiation (CIS 02-1259)

NICKEL AND COMPOUNDS

Data sheet on nickel and its inorganic compounds (France), 1992 (CIS 02-1071)

Study of long-term trends in exposure to nickel aerosols in nickel-producing and nickel-using industries (CIS 02-1770)

NICKEL MINING → METAL MINING

NICKEL SULFATE

Contact dermatitis in Korean dental technicians (CIS 02-820)

NICOTINE

Development of a method for the detection of nicotine in air (CIS 02-1791)

NIGHT WORK

Study of the effects of the length of the night shift on the health and social life of hospital employees (CIS 02-456)

NITROGEN TRICHLORIDE

Study of various gas/liquid contact systems for stripping trichloramine in swimming pool buffer tanks (CIS 02-271)

NITROMETHANE

Peripheral neuropathy among workers exposed to nitromethane (CIS 02-301)

Data sheet on nitromethane (France), 1999 (CIS 02-1093)

NITRON → POLYACRYLATES

2-NITROPROPANE

Data sheet on 2-nitropropane (France), 2000 (CIS 02-1103)

NITROSO AMINES

Manual of analytical methods appropriate for dangerous substances, with related regulations (CIS 02-342)

Manual of analytical techniques for dangerous substances, with related regulations (CIS 02-861)

NITROSODIMETHYLAMINE → DIMETHYLNITROSOAMINE

p-NITROSOPHENOL

Criteria document on p-nitrosophenol (Germany), 1995 (CIS 02-1553)

NITROUS OXIDE

Evaluation of the effects of nitrous oxide on reproduction and recommendation for classification (Netherlands), 2000 (CIS 02-1100)

NOISE

Guide for the control of noise in industry (Canada), 2000 (CIS 02-104)

Exposure evaluation of the pathological risks incurred by Italian police forces and their prevention (CIS 02-224)

Exposure to noise among discotheque employees (CIS 02-395)

Survey of occupational exposure to noise and hearing difficulties (United Kingdom), 2001 (CIS 02-406)

Order on the protection of health of workers exposed to noise and vibration (Slovak Republic), 2002 (CIS 02-536)

Safety guide to hearing protection (Costa Rica) (CIS 02-596)

Study of hearing loss among farmers (CIS 02-715)

Literature review of the relationship between noise and occupational accidents (CIS 02-896)

Objectives and scope of a new European Commission research project on the effects of exposure to noise and industrial chemicals on hearing and balance (CIS 02-897)

Information leaflet on noise-induced deafness (Singapore) (CIS 02-1171)

Information leaflet containing guidance on the application of noise regulations (Singapore) (CIS 02-1172)

Practical guide to the selection of personal hearing protectors (Tunisia) (CIS 02-1173)

Changes over time in audiometric thresholds in sheet metal stamping and assembly workers in the automobile industry with a hearing conservation programme (CIS 02-1429)

Neuro-toxicity among workers of the ceramic tile lead-glazing cottage industry workers (CIS 02-1659)

Cross-sectional study of noise exposure and hearing conservation practices in the foundry industry (CIS 02-1899)

NOISE AND VIBRATION CONTROL

Information note on noise reduction at band re-saws (United Kingdom), 2001 (CIS 02-409)

NOISE CONTROL

Industrial noise control in Singapore (CIS 02-396)

Evaluation, prevention and control of occupational exposure to noise (CIS 02-407)

Information note on safeguarding of rotary knife wood turning lathes and reducing risks to health (United Kingdom), 2001 (CIS 02-429)

Study of ergonomical and noise problems in small and medium-sized companies for the purpose of designing effective organizational systems for improving the safety and health of workers in Germany (CIS 02-1432)

Leaflet on legal requirements for noise control in construction (United Kingdom), 2002 (CIS 02-1584)

Information note on measures to reduce noise exposure in the food and drink industries (United Kingdom), 2002 (CIS 02-1755)

NOISE DAMAGE RISK CRITERIA → HEARING DAMAGE RISK CRITERIA

NOISE DOSIMETRY

Reduction in exposure to noise in a sheet metal pressing plant achieved through automation (CIS 02-1898)

NOISE INJURY → HEARING LOSS

NOISE LEVEL

Measurement of impulse noise in metalworking plants (CIS 02-895)

Environmental corrections when determining machinery noise levels (CIS 02-908)

Study of the reliability of emission sound pressure measurements using the 3-component noise intensity method (CIS 02-909)

Information leaflet on noise-induced deafness (Singapore) (CIS 02-1171)

Information leaflet containing guidance on the application of noise regulations (Singapore) (CIS 02-1172)

Changes over time in audiometric thresholds in sheet metal stamping and assembly workers in the automobile industry with a hearing conservation programme (CIS 02-1429)

Leaflet on legal requirements for noise control in construction (United Kingdom), 2002 (CIS 02-1584)

NOISE LEVEL MEASUREMENT

Checking the accuracy of noise emission measurements in Germany (CIS 02-1431)

Noise level measurement and hearing damage risk criteria in railway locomotive crew (CIS 02-1884)

NOISE MEASUREMENT

Environmental corrections when determining machinery noise levels (CIS 02-908)

Study of the reliability of emission sound pressure measurements using the 3-component noise intensity method (CIS 02-909)

NON-ALCOHOLIC BEVERAGE INDUSTRY

Report on frequency rates of musculoskeletal disorders in the food and drink industries as a function of the weight of the loads lifted (United Kingdom), 2002 (CIS 02-1742)

NON-FERROUS METAL INDUSTRIES

Directive introducing an absolute prohibition of the use of hexachloroethane in the manufacturing and processing of non-ferrous metals (European Union), 2001 (CIS 02-1034)

NON-INJURY ACCIDENTS → DANGEROUS OCCURRENCES

NON-IONIZING RADIATION

Exposure evaluation to non-ionizing radiation in the metallurgical working environment (CIS 02-401)

Properties, biological effects and potential health effects of non ionizing radiation (CIS 02-912)

Review article on the risks associated with extremely low frequency and intermediate frequency electromagnetic fields (France), 2001 (CIS 02-914)

Pregnancy outcome following exposure to short-wave radiation among female physiotherapists in Israel (CIS 02-1424)

Evaluation of the carcinogenic risks of static and extremely low-frequency (ELF) electric and magnetic fields (IARC), 2002 (CIS 02-1433)

Health hazards of mobile telephones (CIS 02-1894)

NON-OCCUPATIONAL ACCIDENTS

Summary statistics on occupational injuries, dangerous occurrences and gas safety (United Kingdom), 2000/2001 (CIS 02-141)

NORDIC COUNTRIES

Occupational safety and health training and information in northeastern Europe (CIS 02-612)

NORTH AFRICA

Survey of activities on OSH in 5 countries in North Africa (CIS 02-1608)

NORWAY

Ordinance concerning the use of work equipment (Norway), 1998-2000 (CIS 02-4)

Survey on employment and hours of work in Europe (CIS 02-150)

Comparison of occupational health services in 17 European countries (CIS 02-212)

Survey of sex-linked preferences with respect to employment and hours of work in Europe (CIS 02-471)

Survey of working time preferences as a function of workers' age in Europe (CIS 02-475)

Factors affecting the compliance of the law on internal control of occupational safety and health by small enterprises in Norway (CIS 02-608)

Statistical analysis of occupational injuries (Norway), 1991-1996 (CIS 02-1185)

Ordinance on chemical safety (Norway), 2001, amended to 2003 (CIS 02-1519)

NOTIFICATION OF ACCIDENTS AND DISEASES

Law on the notification of occupational accidents and diseases (Barbados), 1952 (CIS 02-503)

Comparison of the frequency rates of pesticide-related illness and injuries among banana workers in Costa Rica between 1993 and 1996 (CIS 02-835)

Leaflet explaining the services of the Incident Contact Centre with respect to reporting of injuries, diseases and dangerous occurrences (United Kingdom), 2002 (CIS 02-1578)

NOTIFICATION OF DANGEROUS SUBSTANCES

Order modifying the 1995 regulations on the notification, classification, packaging and labelling of dangerous chemicals (Spain), 2002 (CIS 02-521)

Law on radiation protection (Barbados), 1971 (CIS 02-535)

Resolution on the National Registry of Carcinogenic Substances and Agents (Argentina), 2002 (CIS 02-1032)

Ordinance modifying the 2000 ordinance on the protection of workers against exposure to carcinogenic substances (Hungary), 2002 (CIS 02-1033)

Regulation concerning the export and import of dangerous chemicals (European Union), 2003 (CIS 02-1045)

NOTIFICATION OF OCCUPATIONAL ACCIDENTS

Information note on reporting accidents in the catering industry (United Kingdom), 2001 (CIS 02-1299)

Order establishing a new system for the notification of occupational accidents (Spain), 2002 (CIS 02-1508)

NOTIFICATION OF OCCUPATIONAL DISEASES

Reporting, recognition and compensation of occupational respiratory diseases in France (CIS 02-168)

Booklet on the detection, reporting and compensation of occupational cancers (CIS 02-201)

Booklet on the detection, reporting and compensation of occupational leukaemia and lymphoma (CIS 02-202)

Booklet on the detection, reporting and compensation of occupational bladder cancer (CIS 02-203)

Booklet on the detection, reporting and compensation of occupational skin cancer (CIS 02-204)

Booklet on the detection, reporting and compensation of occupational lung and pleural cancer (CIS 02-205)

Booklet on the detection, reporting and compensation of occupational ENT cancers (CIS 02-206)

System of recognition and compensation of occupational diseases in the Czech Republic (CIS 02-694)

Revised recording requirements for occupational hearing loss (USA), 2002 (CIS 02-1054)

NUCLEAR POWER STATIONS

DNA damage induced by UV-C irradiation in leukocytes of Chernobyl accident clean-up workers (CIS 02-904)

Description of a workers' union occupational safety and health training programme in the hazardous waste industry (CIS 02-1740)

NUCLEAR REACTORS → REACTORS

NUMBER CONCENTRATION DETERMINATION

Characterization of the thoracic fraction of airborne particulate matter in an urban area and in an adjacent office building in Italy (CIS 02-1775)

NURSES → NURSING PERSONNEL

NURSING MOTHERS

Leaflet describing INHST publications on occupational risks to reproduction and pregnancy (Spain), 2002 (CIS 02-1568)

General overview and conclusions of a European Union project aimed at improving the protection of workers from risks to reproductive health and pregnancy (CIS 02-1718)

Guide to good practices for improving the protection of workers from risks to reproductive health and pregnancy (Spain), 2002 (CIS 02-1719)

NURSING PERSONNEL

Relationship between symptoms and respiratory functions, and glutaraldehyde exposure among endoscopy nursing staff (CIS 02-326)

Effects of a training programme aimed at modifying working posture during patient-handling activities (CIS 02-449)

Work conditions inducing back injuries among nursing personnel (CIS 02-450)

Study of the appropriateness of 12-hours shift systems for nurses (CIS 02-451)

Impact of flexible shift schedules on the sleep duration and social life of nurses (CIS 02-453)

Ergonomic evaluation to reduce musculoskeletal diseases in nursing personnel (CIS 02-461)

Case study of eczema due to an allergic reaction to quaternary ammonium compounds used as disinfectants by nurses (CIS 02-821)

Relationship between physically demanding work, inadequate sleep, pain medication use and absenteeism among registered nurses (CIS 02-970)

Occupational contact dermatitis among nurses with hand eczema (CIS 02-1254)

Metabolic studies and shift work in nursing personnel (CIS 02-1473)

Smoking among the staff of an Italian hospital (CIS 02-1802)

NUTS (FASTENERS) → FASTENERS

OBNOXIOUS SUBSTANCES → HARMFUL SUBSTANCES

OBSTRUCTIVE VENTILATORY IMPAIRMENT

Comparison of pressure measurement methods in ventilation systems with obstructive ventilatory impairment (CIS 02-264)

Surveillance of groups at high risk of occupational chronic obstructive pulmonary disease (CIS 02-657)

Follow-up study of pulmonary function among Taiwanese refractory brick workers (CIS 02-732)

Comparison between pulmonary function tests and a cardiopulmonary exercise test for evaluating patients with chronic obstructive pulmonary disease (CIS 02-1662)

OCCUPATION DISEASE RELATION

European case-control study of the relationship between small bowel adenocarcinoma and occupation (CIS 02-170)

Case-control study of the relationship between the risk of colon cancer in men and exposures to various occupational agents (CIS 02-171)

Relationship between occupational activity and myopia in Singapore women (CIS 02-178)

Population-based case-control study on the relationship between occupation and leukaemia risk in Iowa and Minnesota (CIS 02-183)

Availability and quality of industry and occupation information in the Massachusetts Cancer Registry (CIS 02-184)

Booklet on the detection, reporting and compensation of occupational cancers (CIS 02-201)

Booklet on the detection, reporting and compensation of occupational leukaemia and lymphoma (CIS 02-202)

Booklet on the detection, reporting and compensation of occupational bladder cancer (CIS 02-203)

Booklet on the detection, reporting and compensation of occupational skin cancer (CIS 02-204)

Booklet on the detection, reporting and compensation of occupational lung and pleural cancer (CIS 02-205)

Booklet on the detection, reporting and compensation of occupational ENT cancers (CIS 02-206)

Collection of articles and short communications on the workplace and cardiovascular disease (CIS 02-207)

Case-control study of occupational risk factors of brain cancer (CIS 02-656)

Study of the association between shift work and cardiovascular disease (CIS 02-671)

Review article on occupational asthma (CIS 02-672)

Association between occupation and contact allergy to the fragrance mix (CIS 02-814)

Rate of suicide by occupation in New Zealand (CIS 02-990)

Population-based case-control study of the relation between occupation and bladder cancer in Iowa (CIS 02-1243)

Relationship between occupation and the risk of non-Hodgkin's lymphoma and chronic lymphocytic leukaemia (CIS 02-1650)

Population-based case-control study of occupational risk factors for small bowel carcinoid tumours in Europe (CIS 02-1655)

Case-control study of the relationship between male infertility and occupational stress (CIS 02-1991)

OCCUPATIONAL ACCIDENTS

Role of the managers of postal delivery offices in the prevention of accidents in mail delivery (CIS 02-117)

Overview of work-related fatalities (Australia), 1989-1992 (CIS 02-125)

Annual report of the Korean Occupational Safety and Health Agency for the year 2000 (CIS 02-126)

OCCUPATIONAL SAFETY AND HEALTH MANAGEMENT SYSTEMS

Compendium of occupational safety and health management systems (France), 2002 (CIS 02-1643)

Guide to the implementation of the OHSAS 18001 occupational safety and health management system (France), 2002 (CIS 02-1644)

OCCUPATIONAL SAFETY AND HEALTH SERVICES → PLANT SAFETY AND HEALTH ORGANIZATION

OCCUPATIONAL SAFETY COMMITTEES → SAFETY AND HEALTH COMMITTEES

OCCUPATIONAL SAFETY LITERATURE → SAFETY LITERATURE

OCCUPATIONS

Occupational categories at risk for Parkinson's disease (CIS 02-172)

Availability and quality of industry and occupation information in the Massachusetts Cancer Registry (CIS 02-184)

Prevalence of cigarette smoking by occupation and industry in the United States (CIS 02-852)

Manual on occupational skin diseases (CIS 02-1260)

OCEAN FISHING → DEEP-SEA FISHING

OCHRATOXIN A

Serum levels of ochratoxin A as a measure of occupational exposure (CIS 02-1928)

ODOUR CONTROL

Evaluation of control measures for odour pollution and bioaerosols during the secondary treatment of pulp and paper industry effluents (CIS 02-845)

OECD

Comparison of the carcinogenic risk assessment and management of asbestos, nickel and ionizing radiation (CIS 02-1259)

Toxicological data for the hazard assessment of seven chemicals (UNEP), 2002 (CIS 02-1560)

OESOPHAGEAL CARCINOMA

Case-control study of the relationship between oesophageal cancer and occupational exposure to rubber (CIS 02-189)

OESTROGENS

Criteria document on genistein (Germany), 2001 (CIS 02-571)

OFFICE CHAIRS

Use of check-lists to evaluate chair comfort (CIS 02-1956)

TRUCK EQUIPMENT

Study of the relationship between health risks and the cost of time away from work (CIS 02-1712)

OFFICE WORK

Safety and health guide on indoor air quality (Canada), 1999 (CIS 02-95)

Guide to the implementation of an office ergonomics programme (Canada), 2001 (CIS 02-112)

Case studies in applied ergonomics (CIS 02-470)

Job stress, upper extremity pain and functional limitations among computer users (CIS 02-479)

Evaluation of workspace layout design (CIS 02-490)

Is the reduction in exposure to electrical fields next to VDUs due to filters or the "Hawthorne effect"? (CIS 02-763)

Ergonomic evaluation of a training course on work posture at CRT display terminals (CIS 02-765)

Effectiveness of an ergonomics training programme in reducing musculoskeletal disorders among video display terminal users (CIS 02-966)

Comparison of neck and shoulder postures in symptomatic and asymptomatic office workers (CIS 02-968)

Method of evaluating the usability of software applications (Germany), 2001 (CIS 02-1309)

Study of the state of health and occupational exposures among office workers near the World Trade Center disaster site (CIS 02-1370)

Study of lighting preferences of VDT workers (CIS 02-1417)

Effects of electric field reduction in visual display units on skin symptoms (CIS 02-1421)

Study of depression-related short-term disability in an employed population (CIS 02-1491)

Cohort study of the relation between work environment, alcohol consumption and health in the United Kingdom (CIS 02-1493)

Basic guide for workers using visual display units (Spain), 2002 (CIS 02-1579)

Study of the relationship between haematocrit and the risk of hypertension in middle-aged Japanese male office workers (CIS 02-1652)

Exposure to artificial fibres in public buildings (CIS 02-1773)

Characterization of the thoracic fraction of airborne particulate matter in an urban area and in an adjacent office building in Italy (CIS 02-1775)

OFFICES

Indoor air quality of metropolitan New York commercial office buildings (CIS 02-1777)

OFFSHORE OIL EXTRACTION

Technical guidance on the safe use of lifting equipment offshore (United Kingdom), 2002 (CIS 02-936)

Guidance on the regulations and approved code of practice for health care and first aid on offshore installations and pipeline works (United Kingdom), 2000 (CIS 02-1296)

Report on the application of a methodology for the assessment of human factors in safety critical tasks in offshore oil extraction (CIS 02-1994)

OIL BATHS

Information note on safety during emptying and cleaning of fryers in restaurants (United Kingdom), 2001 (CIS 02-1298)

OIL ENGINES → DIESEL ENGINES

OIL FIELDS → PETROLEUM AND NATURAL GAS INDUSTRY

OIL MIST

Exposure evaluation of tunnelling workers to dust and gases (CIS 02-310)

OILING DEVICES → LUBRICATION

OLAQUINDOX

Case of airborne allergic contact dermatitis from olaquinox in a rabbit breeder (CIS 02-1810)

OLDER WORKERS

Cases of frontotemporal dementia revealed during work (CIS 02-977)

Study of work-related stress among older police officers (CIS 02-980)

OLFACTION

Evaluation of control measures for odour pollution and bioaerosols during the secondary treatment of pulp and paper industry effluents (CIS 02-845)

ONERUS WORK → HEAVY WORK

ONTARIO

Review of the activities of the Industrial Accident Prevention Association (IAPA) of the province of Ontario, Canada (CIS 02-1588)

OPEN TANKS → VATS

OPERATING THEATRES

Ocular discomfort and conjunctival alterations among workers in operating theatres (CIS 02-1279)

Workplace monitoring of occupational exposure to sevoflurane (CIS 02-1794)

OPHTHALMIA → CONJUNCTIVITIS

OPTICAL INDUSTRY

Exposure to hazardous chemicals in opticians' workshops (CIS 02-1379)

OPTICAL MASERS → LASERS

OPTICAL SIGNALLING

Information note on implementing safety signalling (Spain), 1999 (CIS 02-155)

ORAL INTAKE → INGESTION

ORE MINING → METAL MINING

ORE SINTERING PLANTS

Long-term study of lung cancer mortality in a French ore sintering plant (CIS 02-719)

ORGANIC COMPOUNDS

Using multisorbent tubes for improving the collection of volatile organic compounds in spacecraft air (CIS 02-1760)

Indoor air quality of metropolitan New York commercial office buildings (CIS 02-1777)

Information note on the identification and handling of peroxidizable compounds (France), 2002 (CIS 02-1853)

ORGANIC DUST

Relationship between exposure assessment and lung function in pig and poultry farmers (CIS 02-675)

Occupational airborne contact dermatitis caused by thyme dust among farmers (CIS 02-1353)

Comparison of endotoxin assays using agricultural dusts (CIS 02-1451)

ORGANIC POLYMERS

Questionnaire for the evaluation of safety and health hazards associated with the use of resins during the laying of floorcovering (CIS 02-840)

ORGANIC SOLVENTS

Criteria document on dimethylformamide (WHO), 2001 (CIS 02-72)

Criteria document on methylpyrrolidone (WHO), 2001 (CIS 02-75)

Database of hydrocarbon solvent exposure (CIS 02-285)

Effects of exposure to solvents among graffiti removers (CIS 02-328)

Technical ventilation measures for protection against solvent vapours in the silk-screen printing industry (CIS 02-333)

Relationship between exposure to organic solvents and personality characteristics (CIS 02-801)

Effects of exposure to organic solvents on menstrual cycle length (CIS 02-808)

Assessment of neurotoxic impairment using cerebral magnetic resonance imaging on solvent-exposed workers (CIS 02-812)

Solvent use and time to pregnancy among female personnel in biomedical laboratories in Sweden (CIS 02-813)

Liver function of workers of a petrochemical plant in Venezuela occupationally exposed to mixed organic solvents (CIS 02-843)

Data sheet on xylenes (France), 1992 (CIS 02-1076)

Urinary concentrations of trichloroacetic acid in workers exposed to trichloroethylene (CIS 02-1316)

Impairment of colour vision in workers exposed to organic solvents (CIS 02-1323)

ORGANISATIONS CONCERNED WITH OSH → SAFETY AND HEALTH INSTITUTIONS

ORGANOLEAD COMPOUNDS

Cost-benefit analysis of hospital organizations and role of management in the elimination of workplace risks (CIS 02-746)

ORGANIZATION FOR ECONOMIC COOPERATION AND DEVELOPMENT → OECD

ORGANOLEAD COMPOUNDS

Toxic effects of organolead on the peripheral nervous system (CIS 02-1315)

ORGANOPHOSPHORUS COMPOUNDS

Information note on organophosphorus pesticides and their toxicokinetics (Spain), 1999 (CIS 02-367)

Information note on toxicodynamics and biological monitoring of organophosphorus pesticides (Spain), 1999 (CIS 02-368)

Epidemiology of organophosphate poisoning in Zimbabwe from 1995 to 2000 (CIS 02-807)

Information leaflet on the health hazards of organophosphorus pesticides (Singapore) (CIS 02-1167)

Study of the effects of occupational exposure to organophosphate pesticides on nerve and muscular function (CIS 02-1803)

ORGANOTIN COMPOUNDS

Health hazards to sales personnel in shops selling clothing containing organotin compounds (CIS 02-330)

ORTHOSTATISM → STANDING POSTURE

OSH DOCUMENTATION → SAFETY AND HEALTH DOCUMENTATION

OSTEOARTHRITIS

Radiographic knee osteoarthritis in floorlayers and carpenters (CIS 02-722)

OUTDOOR WORK

Safety and health guide for work in cold weather (Canada), 1999 (CIS 02-106)

Relationship between outdoor work and the risk of pterygia (CIS 02-164)

Effect of cold hands on the use of computer pointing devices (CIS 02-262)

Literature review of epidemiological studies on the occupational risk of Lyme disease (CIS 02-939)

OVARIAN FUNCTION CHANGES → MENSTRUAL DISORDERS

OVERHEAD ELECTRIC LINES

Guidance note on avoidance of danger from overhead electric power lines (United Kingdom), 1997 (CIS 02-892)

Guidelines of the Mutual Occupational Accident Insurance Association (HVBG) with respect to protection against falls during the building and operation of overhead electrical power lines (Germany), 1999 (CIS 02-937)

Study of the risk of cognitive impairment following exposure to electromagnetic fields from high-voltage transmission lines (CIS 02-1891)

OVERTURNING

Numerical simulation of the effectiveness of lap straps in the event of tractor overturning (CIS 02-1437)

Information note on hazards from tanker truck rollovers in firefighting operations (USA), 2001 (CIS 02-1448)

OXALATES

Irritant contact dermatitis caused by needle-like calcium oxalate crystals in *Agave tequilana* among workers in tequila distilleries and agave plantations (CIS 02-1235)

2-OXETANONE → PROPIOLACTONE

OXIDANTS → OXIDIZING SUBSTANCES

OXIDIZING SUBSTANCES

Study of the mechanisms of asbestos-induced toxicity in human lung cells (Finland), 2001 (CIS 02-346)

Regulations on controls for class 1-5 hazardous substances (New Zealand), 2001 (CIS 02-1039)

OXYGEN BREATHING APPARATUS

Fire hazards caused by aluminium regulators on oxygen cylinders (CIS 02-1862)

OXYGEN CONSUMPTION MONITORING

Work capacity modifications in workers wearing respirators through different breathing resistances (CIS 02-459)

PACEMAKER WEARERS

Reduction of the risk of interference between cellular telephones and pacemakers (CIS 02-764)

PACKING IN PLASTIC CONTAINERS

Information note on safeguarding pre-formed rigid container packaging machines (United Kingdom), 2001 (CIS 02-1446)

PACKING, FILLING

Regulations on the packaging of dangerous substances (New Zealand), 2001 (CIS 02-1041)

Information note on safeguarding thermoform, fill and seal packaging machines (United Kingdom), 2001 (CIS 02-1444)

Order modifying the 1993 Order on the classification, packaging and labelling of dangerous chemical substances (Belgium), 2002 (CIS 02-1523)

Study of the relationship between biomechanical and postural stresses, musculoskeletal injury rates, and perceived body discomfort (CIS 02-1951)

PAINT AND VARNISH INDUSTRY

Criteria document on diethyl phosphite (Germany), 1995 (CIS 02-567)

Study of the risk of cancer among painters and workers in the paint manufacturing industry in Sweden (CIS 02-702)

Criteria document on dimethylbenzylamine (Germany), 1997 (CIS 02-1543)

PAINT REMOVAL

Evaluation of a training programme to reduce lead exposure among building industry painters (CIS 02-841)

Evaluation of the exposure to lead-containing dust among painters during renovation work (CIS 02-1821)

PAINTING

Study of the risk of cancer among painters and workers in the paint manufacturing industry in Sweden (CIS 02-702)

Evaluation of a training programme to reduce lead exposure among building industry painters (CIS 02-841)

Results of a lead-exposure reduction programme in road construction workers (CIS 02-1373)

Evaluation of the exposure to lead-containing dust among painters during renovation work (CIS 02-1821)

PAINTS AND VARNISHES

Proceedings of a conference on occupational hazards during the conservation and restoration of cultural heritage objects (CIS 02-1749)

PAKISTAN

Guide to basic first aid and resuscitation (Pakistan), 2001 (CIS 02-88)

PALLADIUM

Environmental health criteria for palladium (WHO), 2002 (CIS 02-1079)

PALLADIUM CHLORIDE

Contact dermatitis in Korean dental technicians (CIS 02-820)

Environmental health criteria for palladium (WHO), 2002 (CIS 02-1079)

PALLETIZATION

Information note on safeguarding palletizing and depalletizing packaging machines (United Kingdom), 2001 (CIS 02-1445)

PANMYELOPATHIES → BONE MARROW DISEASES**PAPER**

Guide to hazard prevention in paper, glass and plastic recycling plants (Spain), 2002 (CIS 02-1569)

PAPER AND PAPER PRODUCTS INDUSTRY

Case-referent study of cancer mortality among sulfate process pulp mill workers in Sweden (CIS 02-1251)

PAPERBOARD MILLS → PULP AND PAPER INDUSTRY**PARALYSIS AGITANS → PARKINSON'S DISEASE****PARAOCCUPATIONAL EXPOSURE**

Case study of paraoccupational asthma due to tolylene diisocyanate (CIS 02-1327)

PARAQUAT

Reducing exposure to paraquat among pesticide sprayers in developing countries (CIS 02-829)

PARENTAL EXPOSURE

Study of the relation between parental occupations and childhood cancer in Sweden (CIS 02-649)

Relationship between maternal occupation in agriculture and the risk of limb defects at birth (CIS 02-706)

Male-mediated spontaneous abortion among spouses of stainless steel welders in Denmark (CIS 02-839)

Literature review of the relation between paternal occupations and birth defects (CIS 02-1223)

Case-control study of parental occupation and neural tube defect pregnancies among Mexican Americans (CIS 02-1240)

PARKINSON'S DISEASE

Occupational categories at risk for Parkinson's disease (CIS 02-172)

Study of the risk of Parkinson's disease among agricultural workers in Denmark (CIS 02-673)

PART PLAYED BY FACTORY INSPECTORATES → ROLE OF LABOUR INSPECTION**PART-TIME EMPLOYMENT**

Survey of conditions of work among part-time and short-term workers in Europe (CIS 02-474)

Mortality among women and men relative to underemployment, part time work, overtime work, and extra work (CIS 02-646)

Survey of conditions of work among part-time and short-term workers in Europe (CIS 02-1480)

PARTICLE COUNTING → NUMBER CONCENTRATION DETERMINATION**PARTICLE MEASUREMENT → DUST MEASUREMENT****PARTICLE SIZE**

Equipment testing of filter dust collectors (CIS 02-265)

Characterization of the thoracic fraction of airborne particulate matter in an urban area and in an adjacent office building in Italy (CIS 02-1775)

PARTICLE SIZE DISTRIBUTION

Experimental determination of relationship between dust mass and differential pressure across filters (CIS 02-1312)

PARTICULATE FILTERS

Equipment testing of filter dust collectors (CIS 02-265)

Experimental determination of relationship between dust mass and differential pressure across filters (CIS 02-1312)

Method for testing the performance of filter media used in industrial dust filtration (CIS 02-1769)

PARTICULATE RADIATION

Study of radiation protection measures applied in health care establishments in France (CIS 02-1893)

PARTING AGENTS

Criteria document on dimethyl sulfoxide (CIS 02-856)

Study of measures having reduced the exposure to methylene chloride among furniture strippers (CIS 02-1828)

PASSENGER LIFTS

Comment on the incorporation into national legislation of European standards concerning safety rules for the construction and installation of passenger lifts and builder hoists (Italy), 1999 (CIS 02-926)

Monitoring of safety devices in passenger lifts and electric hoists by means of ultrasound testing (CIS 02-1912)

PASSIVE SMOKING

Special issue on the health effects of passive smoking (CIS 02-826)

Determination of serum cotinine to evaluate occupational exposure to passive smoking (CIS 02-1782)

PATCH TESTS → SKIN TESTS**PATHOGENIC BACTERIA**

Occupational safety and health issues of biomedical waste treatment (CIS 02-705)

PATHOLOGY

Manual on toxic pathology in an occupational setting (CIS 02-868)

Information note on anthrax (India), 2001 (CIS 02-1458)

PENALTIES

Proceedings of a conference on the coordination of actions with respect to supervision, control and penalties for violation of the regulations on the prevention of occupational hazards (Madrid, Spain, May 2001) (CIS 02-1634)

PENTABORANE

Data sheet on boranes (France), 1987 (CIS 02-59)

PENTAERYTHRITOL DIBROMIDE → 2,2-BIS(BROMOMETHYL)PROPANE-1,3-DIOL**1,5-PENTANEDIAL → GLUTARALDEHYDE****PENTANOLS**

Data sheet on pentanols (France), 1987 (CIS 02-1110)

PENTANONE

Data sheet on pentanone (USA), Spanish translation, 2002 (CIS 02-55)

PEOPLE'S REPUBLIC OF CHINA → CHINA**PERACETIC ACID → PEROXYACETIC ACID****PERCEPTUAL-MOTOR PERFORMANCE**

Self-rating assessment of residual work capability for occupational permanent disabilities (CIS 02-441)

Comparing performance on a simulated 12 hour shift rotation in young and older subjects (CIS 02-964)

PERCHLOROETHYLENE → TETRACHLOROETHYLENE**PERCUTANEOUS PENETRATION → SKIN ABSORPTION****PERFORMANCE → WORK CAPACITY****PERFORMANCE EVALUATION → ASSESSMENT OF WORKING CAPACITY****PERFUMES**

Criteria document on isobutyl alcohol (Germany), 1997 (CIS 02-585)

Association between occupation and contact allergy to the fragrance mix (CIS 02-814)

Criteria document on benzyl chloride (Germany), 1997 (CIS 02-1542)

PERIODICAL CHECKS

Guidance on compliance with the regulations concerning the inspection of lifting equipment (United Kingdom), 2002 (CIS 02-927)

PERIPHERAL NEUROPATHY → DISEASES OF PERIPHERAL NERVOUS SYSTEM**PERITONEAL MESOTHELIOMA**

Mesothelioma in an Italian industrial town (CIS 02-1648)

PERMISSIBLE CONCENTRATIONS → PERMISSIBLE LEVELS**PERMISSIBLE LEVELS**

Setting occupational exposure limits based on evaluations of human response to sensory irritation (CIS 02-1221)

List of occupational exposure limits (United Kingdom), 2002 (CIS 02-1400)

Guidelines for tuberculosis infection risk management in the health care sector (CIS 02-1944)

PERMISSIBLE RADIATION DOSES

Confounding factors due to smoking in epidemiological studies on the relation between low levels of exposure to radon and lung cancer (CIS 02-1889)

PERMITS-TO-WORK

Regulations on information concerning hazardous substances to be included in applications for approval (New Zealand), 2001 (CIS 02-1037)

Information note on information the procedure for permits-to-work for special work as part of a safety and health management system (Spain), 2000 (CIS 02-1214)

Relationship between holding a work permit and occupational safety and hygiene experiences of teenage workers (CIS 02-1741)

PEROXIDASES

Association between asbestos exposure, smoking, myeloperoxidase genotypes and lung cancer risk (CIS 02-1664)

PEROXIDATION

Information note on the identification and handling of peroxidizable compounds (France), 2002 (CIS 02-1853)

PEROXIDES

Information note on peroxides (France), 2002 (CIS 02-1852)

PEROXYACETIC ACID

Criteria document on peroxyacetic acid and its equilibrium solutions (ECETOC), 2001 (CIS 02-69)

PERSONAL HYGIENE

Training booklet on personal hygiene and respiratory equipment (Canada) (CIS 02-99)

Evaluation of control measures for odour pollution and bioaerosols during the secondary treatment of pulp and paper industry effluents (CIS 02-845)

PERSONAL PROTECTIVE EQUIPMENT

Ordinance concerning the use of work equipment (Norway), 1998-2000 (CIS 02-4)

Training programme on personal protective equipment in the construction industry (USA), 1997 (CIS 02-91)

Assessment of the protective efficiency and comfort of personal protective equipment in real conditions of use (CIS 02-115)

Guide to the choice of personal protective equipment (France), 2000 (CIS 02-156)

Guidance aimed at occupational physicians for analysing plans for the removal of asbestos-containing friable materials (CIS 02-267)

Evaluation of personal protective equipment items used for industrial rope access (CIS 02-421)

Guide to the selection and use of personal protective equipment (Costa Rica) (CIS 02-588)

Booklet on personal protective equipment of forestry workers (Switzerland), 2002 (CIS 02-598)

Standardization of personal protective equipment within the European Union from a German perspective (CIS 02-601)

Guide to personal protective equipment selection (Costa Rica) (CIS 02-1170)

Information note on personal protective equipment against biological agents (Spain), 2000 (CIS 02-1465)

Information note on the management of personal protective equipment in health care services (Spain), 2000 (CIS 02-1466)

PERSONAL SAMPLING

Statistical evaluation of different air sampling methods for acrylonitrile (CIS 02-1374)

PERSONALITY → CHARACTER

PERSONALITY DISORDERS

Neuropsychic stress derived from labour-management relations (CIS 02-1986)

Risk awareness of bullying and mobbing (CIS 02-1987)

PERSPEX → POLYACRYLATES

PEST AND WEED CONTROL → CROP PROTECTION

PESTICIDE POISONING

Acute methomyl poisoning in the agricultural sector (CIS 02-306)

Information note on toxicodynamics and biological monitoring of organophosphorus pesticides (Spain), 1999 (CIS 02-368)

Epidemiology of organophosphate poisoning in Zimbabwe from 1995 to 2000 (CIS 02-807)

Survey of the ability of health care providers to treat and prevent pesticide poisoning in agricultural areas of Tanzania (CIS 02-1808)

PESTICIDE SPRAYING

Clinical symptoms among children working in cotton fields in Benin (CIS 02-305)

Survey of working methods among pesticide applicators in a Kenyan district (CIS 02-778)

Reducing exposure to paraquat among pesticide sprayers in developing countries (CIS 02-829)

Study of the exposure to pesticide deposits on agricultural spraying equipment (CIS 02-869)

Hygiene practices of pesticide sprayers when using chlorpyrifos (CIS 02-1360)

Predictors of exposure to herbicides among pesticide sprayers (CIS 02-1812)

Report on the experimental evaluation of dermal exposure during pesticide spraying (United Kingdom), 2002 (CIS 02-1840)

PESTICIDES

Toxicological profile for endosulfan (USA), update, 2000 (CIS 02-80)

Guidance on preventing health risks from the use of pesticides in agriculture (WHO), 2001 (CIS 02-101)

Occupational exposures and risk of pancreatic cancer in Spain (CIS 02-169)

Reliability of reproductive history data obtained by either spouse among agricultural worker couples (CIS 02-186)

Job-exposure relation and antifertility effects in male workers in Italy (CIS 02-274)

Potential exposure of amateurs from wood preservative and antifouling preparations (CIS 02-282)

Induction of DNA and cytogenetic damage in lymphocytes among farm workers exposed to pesticides in Poland (CIS 02-288)

Evaluation of the risk associated with the use of pesticides and other chemicals on farms (CIS 02-307)

Trends of occupational pesticide-related injuries in Costa Rica, 1982-1992 (CIS 02-308)

Information note on organophosphorus pesticides and their toxicokinetics (Spain), 1999 (CIS 02-367)

Directive amending provisions dealing with micro-organisms in the 1991 Directive on the placing of plant protection products on the market (European Union), 2001 (CIS 02-540)

Criteria document on m-chlorobenzotrifluoride (Germany), 1997 (CIS 02-584)

Study of the risk of Parkinson's disease among agricultural workers in Denmark (CIS 02-673)

Safety management system applied to warehouses of a large pesticide manufacturer in India (CIS 02-794)

Proposed actions for reducing the exposure to hazardous pesticides in Central America (CIS 02-830)

Study of unsafe work practices during pesticide handling among small-scale farmers in Nicaragua (CIS 02-831)

Study of pesticide-related illness among migrant farm workers in the United States (CIS 02-832)

Pesticide exposures among farmers of an ethnic minority in Thailand (CIS 02-833)

Study of pesticide-handling practices in coffee and cotton farms in Tanzania (CIS 02-834)

Comparison of the frequency rates of pesticide-related illness and injuries among banana workers in Costa Rica between 1993 and 1996 (CIS 02-835)

Report on pesticide-related incidents investigated by the Health and Safety (United Kingdom), 2001-2001 (CIS 02-860)

Study of the exposure to pesticide deposits on agricultural spraying equipment (CIS 02-869)

Videotape presenting advice on the protection of greenhouse workers against pesticide exposure (CIS 02-882)

Environmental health criteria on 4,6-dinitro-o-cresol (WHO), 2000 (CIS 02-1121)

Agricultural exposure to carbamate pesticides and risk of non-Hodgkin lymphoma in the United States (CIS 02-1352)

Farm worker reports of pesticide safety and sanitation at work in the United States (CIS 02-1359)

Human toxicology of pesticides (CIS 02-1381)

Summary of toxicological evaluations of pesticide residues (IPCS), 2000 (CIS 02-1394)

Criteria document on mucochloric acid (Germany), 1997 (CIS 02-1540)

Criteria document on 4-chlorophenyl isocyanate (Germany), 1997 (CIS 02-1544)

Criteria document on phthalonitrile (Germany), 1995 (CIS 02-1554)

Study of the effects of occupational exposure to organophosphate pesticides on nerve and muscular function (CIS 02-1803)

Effect of safety behaviour when using pesticides on acute symptoms in male and female tobacco farmers in Malaysia (CIS 02-1809)

Exposure of workers to pesticides in greenhouses and evaluation of re-entry times (CIS 02-1841)

Summary of toxicological evaluations of pesticide residues (IPCS), 2002 (CIS 02-1850)

PETROCHEMICAL INDUSTRY

Relationship between exposure to petrochemicals and menstrual disturbances (CIS 02-237)

Control of leaks in the chemical and petroleum industries (CIS 02-381)

Effects of exposure to organic solvents on menstrual cycle length (CIS 02-808)

Liver function of workers of a petrochemical plant in Venezuela occupationally exposed to mixed organic solvents (CIS 02-843)

Epidemiologic study on cancer frequency rates in a US petrochemical research facility (CIS 02-1231)

Cohort study of lymphatic leukaemia mortality in the US petrochemical industry (CIS 02-1232)

Long term mortality study in a petrochemical company in Canada (CIS 02-1266)

Monitoring for skin contamination in the petrochemical industry (CIS 02-1685)

Tables for the adjustment of occupational exposure limits in unusual work schedule situations (CIS 02-1790)

PETROL → MOTOR FUEL

PETROLEUM AND NATURAL GAS INDUSTRY

Description of a workers' union occupational safety and health training programme in the hazardous waste industry (CIS 02-1740)

Report providing background information and a basis for discussions on the promotion of good industrial relations in oil and gas production and oil refining aimed at delegates attending a tripartite conference held in Geneva (ILO), 2002 (CIS 02-1746)

PETROLEUM REFINING

Mortality of blue-collar and white-collar workers in a petroleum refining plant in Italy (CIS 02-236)

Follow-up study of *hprt* mutation frequencies among benzene-exposed oil refinery workers (CIS 02-289)

Report providing background information and a basis for discussions on the promotion of good industrial relations in oil and gas production and oil refining aimed at delegates attending a tripartite conference held in Geneva (ILO), 2002 (CIS 02-1746)

PHARMACEUTICAL INDUSTRY

Criteria document on 4-chlorophenyl isocyanate (Germany), 1997 (CIS 02-1544)

Long-term study of allergies to laboratory animals among exposed workers (CIS 02-1932)

PHARMACEUTICAL PRODUCTS

Cases of allergic contact dermatitis in healthcare workers diagnosed as being caused by pharmaceutical drugs (CIS 02-850)

PHARYNGEAL CANCER

Case-control study of relationship of exposure to formaldehyde and various dusts and laryngeal and hypopharyngeal cancers (CIS 02-296)

PHARYNGITIS

Nasopharyngeal carcinoma and chronic pharyngitis or sinusitis among workers at a newspaper printing company (CIS 02-1667)

PHENOTYPES → HEREDITARY VARIABLES

PHENOXYACETIC ACIDS

Predictors of exposure to herbicides among pesticide sprayers (CIS 02-1812)

PHENYL GLYCIDYL ETHER → GLYCIDYL PHENYL ETHER

PHENYL ISOCYANATE

Criteria document on phenyl isocyanate (Germany), 1997 (CIS 02-1539)

PHOSGENE

Data sheet on phosgene (France), 1992 (CIS 02-1074)
Control measures of pulmonary oedema resulting from exposure to phosgene (CIS 02-1319)

PHOSPHOROUS ACID ESTERS

Criteria document on diethyl phosphite (Germany), 1995 (CIS 02-567)

PHOTOGRAPHIC CHEMICALS

Evaluation of the exposure of radiographers to film-processing chemicals (CIS 02-1785)

PHOTOGRAPHIC METHODS OF DETECTION

Evaluation of the possibility of using satellite imaging for pipeline routing and surveillance (CIS 02-1870)

PHOTOGRAPHIC RECORDING → PHOTOGRAPHIC METHODS OF DETECTION

PHOTOGRAPHY

Occupational hazards among workers in the field of photography (CIS 02-241)

PHTHALATES

Data sheet on safety and health precautions and regulations concerning phthalates (France), 2001 (CIS 02-1397)

PHTHALONITRILE

Criteria document on phthalonitrile (Germany), 1995 (CIS 02-1554)

PHYSICAL APTITUDE → PHYSICAL FITNESS

PHYSICAL DISORDERS OF PSYCHOGENIC ORIGIN → PSYCHOSOMATIC DISORDERS

PHYSICAL FITNESS

Prospective study of the relationship between physical-leisure time activities and long-term sick leave among nurses' aides (CIS 02-1720)

PHYSICAL FITNESS PROGRAMMES

Effectiveness of occupational medicine rehabilitation centres for treating work-related musculoskeletal diseases (CIS 02-1661)

PHYSICAL HAZARDS

Order concerning minimum OSH requirements of workplaces (Hungary), 2002 (CIS 02-509)

Properties, biological effects and potential health effects of non ionizing radiation (CIS 02-912)

PHYSICAL THERAPY → PHYSIOTHERAPY

PHYSICAL WORK CAPACITY → WORK CAPACITY

PHYSICAL WORKLOAD

Method for computing the cardiac strain of jobs (CIS 02-195)

Study of working conditions at asbestos-removal sites (CIS 02-320)

Physical workload among bricklayers (CIS 02-444)

Evaluation of health hazards associated with physical workload in the food retail sector (CIS 02-455)

Literature review of observation procedures for job studies (CIS 02-462)

Regulation on the application of ergonomics to the prevention of musculoskeletal disorders (Sweden), 1998 (CIS 02-542)

Evaluation of occupational musculoskeletal diseases associated with physical workload in the food retail sector (CIS 02-963)

Literature review of the effectiveness of external lumbar supports for low back pain prevention (CIS 02-965)

Relationship between physically demanding work, inadequate sleep, pain medication use and absenteeism among registered nurses (CIS 02-970)

Neuroendocrine reactivity and recovery from work with different physical and mental demands (CIS 02-971)

Effects of physical work load and job experience on musculoskeletal disorders among trailer assembly workers (CIS 02-1476)

Heart rate strain among forestry workers who attach felled trees to cable haulage systems in New Zealand (CIS 02-1682)

Evaluation of physiological work demands and low back neuromuscular fatigue among nurses working in geriatric wards (CIS 02-1738)

Report on frequency rates of musculoskeletal disorders in the food and drink industries as a function of the weight of the loads lifted (United Kingdom), 2002 (CIS 02-1742)

Evaluation of ergonomically-designed tools on lightening the physical workload in four construction-industry tasks (CIS 02-1950)

Study of the relationship between biomechanical and postural stresses, musculoskeletal injury rates, and perceived body discomfort (CIS 02-1951)

Study of the strenuousness of work in sewers based on heart rate measurements (CIS 02-1970)

Study of the relation between stress, sex, endocrine response and work-related upper extremity disorders (CIS 02-1977)

PHYSIOLOGICAL EFFECTS → BIOLOGICAL EFFECTS

PHYSIOLOGY

Physiological and biochemical status of reforestation workers during the tree planting season (CIS 02-1728)

PHYSIOLOGY OF SKIN

Study of the relevance of skin physiological parameters as predictors of irritant contact dermatitis in wet work (CIS 02-683)

PHYSIOLOGY OF VISION

Training booklet on the eyes, vision problems and risks to vision (Costa Rica), 2000 (CIS 02-87)

PHYSIOTHERAPY

Pregnancy outcome following exposure to short-wave radiation among female physiotherapists in Israel (CIS 02-1424)

Effectiveness of occupational medicine rehabilitation centres for treating work-related musculoskeletal diseases (CIS 02-1661)

PICOLINAFEN

Modification of Directive 91/414/EEC, adding 6 new substances to the list of active plant protection products (European Union), 2002 (CIS 02-1518)

PIG BREEDING → LIVESTOCK REARING

PIGMENTS

Criteria document on chlorinated copper phthalocyanine (Germany), 1995 (CIS 02-582)

Substitution of toxic pigments in the pottery industry (CIS 02-847)

Bioavailability of azo pigments following inhalation exposure (CIS 02-1378)

Criteria document on phthalonitrile (Germany), 1995 (CIS 02-1554)

PIGS → SWINE

PILOTS → AIRCRAFT

PIPELAYING

Evaluation of safety training programmes for reducing injuries among plumbers and pipefitters (CIS 02-246)

PIPELINES → PIPING

PIPING

Information note on warning signs on vessels and piping (Spain), 2000 (CIS 02-1414)

Study of pipeline accidents using computerized risk assessment tools (CIS 02-1873)

PLANING MILLS → SAWMILLING INDUSTRY

PLANT AND PROCESS MODIFICATIONS

Information note on the management of modified procedures in the enterprise as part of a safety and health management system (Spain), 2000 (CIS 02-1215)

PLANT FIBRES

Health hazards due to industrial fibres (CIS 02-1376)

Safety guide on fire hazards (CIS 02-888)

Recommendations for the prevention of construction industry accidents involving falls from low heights in Germany (CIS 02-931)

Study of action-regulating mechanisms during safety-critical maintenance tasks (CIS 02-997)

Case studies of accidents in the metalworking industry (Singapore) (CIS 02-1159)

Safety guide on lock-out procedures (Singapore) (CIS 02-1175)

Practical examples of successful safety initiatives taken by enterprises among Member States (European Union), 2001 (CIS 02-1190)

The safety consulting professional (CIS 02-1191)

Manual on an approach to the prevention of occupational accidents (CIS 02-1192)

Information note on the method for the auto-evaluation of total quality management systems based on the updated EFQM audit model (Spain), 2000 (CIS 02-1209)

Encouraging safety consciousness in the Australian mining industry (CIS 02-1271)

Reducing mechanical hazards in a chicken preparation plant by restricting access (CIS 02-1277)

Safety guide for persons carrying out electrical testing (United Kingdom), 2002 (CIS 02-1415)

Guidance on the Railways (Safety Case) Regulations (United Kingdom), 2001 (CIS 02-1449)

Study of the applicability of normal chemical industry plant checks to biotechnology plants (Germany), 2001 (CIS 02-1454)

Encouraging safety consciousness in industry (CIS 02-1483)

Special feature on the management of serious occupational accidents (CIS 02-1587)

Proposed decision-support approach for investing in safety (CIS 02-1589)

Safety implications of the interaction between maintenance and production operators (CIS 02-1593)

Evaluating the effectiveness of a safety culture survey tool in the United Kingdom (CIS 02-1628)

Safety regulations and application directive on qualified persons in the field of occupational safety (Germany), 2002 (CIS 02-1642)

Information note on priorities for safety and health in the dairy industry (United Kingdom), 2002 (CIS 02-1754)

Information note on the identification and handling of peroxidizable compounds (France), 2002 (CIS 02-1853)

Survey of control measures to reduce the risk of in-plant transport accidents (CIS 02-1926)

Collection of articles on workplace violence (CIS 02-1989)

PLANTATIONS

Comparison of the frequency rates of pesticide-related illness and injuries among banana workers in Costa Rica between 1993 and 1996 (CIS 02-835)

Irritant contact dermatitis caused by needle-like calcium oxalate crystals in *Agave tequilana* among workers in tequila distilleries and agave plantations (CIS 02-1235)

PLANTS

Criteria document on genistein (Germany), 2001 (CIS 02-571)

PLASTERING

Study of the causes of mortality among construction plasterers and cement masons (CIS 02-1274)

PLASTICIZERS

Criteria document on isobutyl alcohol (Germany), 1997 (CIS 02-585)

PLASTICS

Guide to hazard prevention in paper, glass and plastic recycling plants (Spain), 2002 (CIS 02-1569)

Case of severe hepatic dysfunction in a synthetic resins industry worker exposed to low concentrations of dimethylformamide (CIS 02-1823)

PLASTICS CONVERTING INDUSTRY

Changes in cellular immunity among workers exposed to styrene in a plastics lamination plant (CIS 02-323)

PLASTICS INDUSTRY

Time to pregnancy among male workers of the reinforced plastics industry (CIS 02-681)

Optical barrier curtains for minimizing crushing risks during plastics processing operations (CIS 02-917)

Study of two cohorts of workers exposed to methyl methacrylate in acrylic sheet production (CIS 02-1325)

PLATFORMS

Report on the safety of roll containers (CIS 02-1923)

PLATINOSIS → ALLERGIC RESPIRATORY DISORDERS

PLEURAL MESOTHELIOMA

Booklet on the detection, reporting and compensation of occupational lung and pleural cancer (CIS 02-205)

Cases of malignant pleural mesothelioma in bakers and pastry cooks in Italy (CIS 02-704)

Review of 557 cases of malignant pleural mesothelioma (CIS 02-817)

Population-based case-control study of the dose-response relationship between low levels of asbestos and pleural mesothelioma (CIS 02-828)

Case reports of malignant pleural mesothelioma presenting as spontaneous pneumothorax (CIS 02-1238)

Mesothelioma in an Italian industrial town (CIS 02-1648)

Pleural mesothelioma among women who had worked as rag sorters for recycling of materials in the textile and the pulp and paper industry in Italy (CIS 02-1649)

Job-exposure relationship of asbestos exposure and mesothelioma in Italy (CIS 02-1772)

Cohort study of the relation between exposure to asbestos and lung and pleural cancer mortality among pulp and paper industry workers (CIS 02-1797)

PLEURAL PLAQUES → PLEURAL THICKENING

PLEURAL THICKENING

Association between pleural plaques and coronary heart disease in Finland (CIS 02-1227)

PLEXIGLAS → POLYACRYLATES

PLUMBING

Evaluation of safety training programmes for reducing injuries among plumbers and pipefitters (CIS 02-246)

PLUMBO-PLUMBIC OXIDE → LEAD TETROXIDE

PLUMBOUS OXIDE → LEAD OXIDE

PNEUMOCONIOSIS

Proceedings of an expert meeting on advances in radiology and screening of asbestos-related diseases (Espoo, Finland, 9-11 Feb. 2000) (CIS 02-347)

Non-malignant asbestos-related diseases among Brazilian asbestos-cement workers (CIS 02-769)

PNEUMONIA

Guidance to the prevention of SARS infection among health care workers (Canada), 2003 (CIS 02-1460)

Guidelines for isolation and infection control in relation with SARS (USA), 2002 (CIS 02-1461)

Information sheets on the prevention of SARS infection in an occupational setting (Singapore), 2003 (CIS 02-1462)

Guidance to the prevention of SARS infection in hospitals (WHO), 2003 (CIS 02-1463)

PNEUMOTHORAX

Case reports of malignant pleural mesothelioma presenting as spontaneous pneumothorax (CIS 02-1238)

PNEUMOTOXIC EFFECTS

Physicochemical methods for assessing the pulmonary toxicity of inhaled gases and particles (CIS 02-280)

POISON INFORMATION CENTRES

Utility of Poison Control Center data for assessing toxic occupational exposures among young workers (CIS 02-851)

POISONING

Literature review of reported cases of poisoning from halogenated hydrocarbon substitutes (CIS 02-277)

Utility of Poison Control Center data for assessing toxic occupational exposures among young workers (CIS 02-851)

Historical review of lead poisoning (CIS 02-1338)

Three cases of acute methyl bromide poisoning in a farm family in Japan (CIS 02-1342)

Fatalities from inhalation of toxic substances among construction workers in the United States between 1990 and 1999 (CIS 02-1357)

Hazards due to the formation of carbon monoxide when using explosives in civil engineering work (CIS 02-1842)

POLAND

Order on the safe use of machinery in coal mines (Poland), 1994 (CIS 02-28)

Approaches for improving occupational safety and health in Poland (CIS 02-131)

Trends in occupational safety and health indicators in small and medium-sized enterprises in Poland during the transition to a market economy (CIS 02-134)

Computer program for assessing chemical risks in the workplace (CIS 02-281)

Induction of DNA and cytogenetic damage in lymphocytes among farm workers exposed to pesticides in Poland (CIS 02-288)

Regulation on the safe operation of construction machinery and equipment (Poland), 2001 (CIS 02-1055)

Situation of occupational safety and health in Poland (CIS 02-1187)

Decree on OSH in the construction industry (Poland), 2003 (CIS 02-1513)

Study of the exposure of farmers to dust in various types of farms in Poland (CIS 02-1811)

POLARIZED LIGHT

Polarized task lighting to reduce reflective glare in open-plan office cubicles (CIS 02-1885)

POLICE FORCES

Exposure evaluation of the pathological risks incurred by Italian police forces and their prevention (CIS 02-224)

Study of work-related stress among older police officers (CIS 02-980)

Study of the frequency of hepatitis C among public safety workers (CIS 02-1941)

Study of the relation between occupational exposures and the risk of hepatitis B virus infection among public safety workers (CIS 02-1942)

Sleepiness and road accidents among traffic policemen on shift-work on Italian highways (CIS 02-1963)

POLLUTION CONTROL

Study of various gas/liquid contact systems for stripping trichloramine in swimming pool buffer tanks (CIS 02-271)

Proceedings of a workshop on the identification and management of dioxins, furans and PCBs (Seoul, Republic of Korea, 24-28 July 2000) (CIS 02-340)

Proceedings of a workshop on the identification and management of PCBs, dioxins and furans (La Habana, Cuba, 23-26 April 2001) (CIS 02-341)

Evaluation of control measures to reduce tetrachloroethylene exposure in dry-cleaning shops (CIS 02-1329)

Report of an ILO mission to China on working conditions and environmental protection (ILO), 1995 (CIS 02-1623)

Issues relating to the development, selection and use of QSARs (ECETOC), 1998 (CIS 02-1838)

General principles to be adopted when planning environmental monitoring projects, with particular reference to aquatic pollution risk assessment (ECETOC), 1999 (CIS 02-1839)

POLYACRYLATES

Case study of a sensitization dermatitis from a polyacrylate derivative (CIS 02-793)

Contact dermatitis in Korean dental technicians (CIS 02-820)

Information note on occupational skin diseases caused by polyacrylate and polymethacrylate resins (France), 2001 (CIS 02-1263)

POLYCARBONATES

Study of the impact resistance of several materials used for guards on cutting machine tools according to requirements of draft European safety standards (CIS 02-412)

POLYCHLORINATED BIPHENYLS

Data sheet on polychlorinated biphenyls (France), 1992 (CIS 02-65)

Proceedings of a workshop on the identification and management of dioxins, furans and PCBs (Seoul, Republic of Korea, 24-28 July 2000) (CIS 02-340)

Proceedings of a workshop on the identification and management of PCBs, dioxins and furans (La Habana, Cuba, 23-26 April 2001) (CIS 02-341)

Toxicological profile for polychlorinated biphenyls (USA), update, 2000 (CIS 02-1125)

POLYCYCLIC HYDROCARBONS

Evaluation of exposure to polycyclic aromatic hydrocarbons, benzene, toluene and xylenes in workers in an oil-burning power plant in Italy (CIS 02-321)

Exposure to polycyclic aromatic hydrocarbons by occupation, expressed at benzo[a]pyrene equivalents in Germany (CIS 02-345)

Adverse reproductive outcome associated with outdoor exposure to airborne polycyclic organic matter (CIS 02-804)

Monitoring for skin contamination in workers in the petrochemical industry (CIS 02-1685)

Determination of firefighter exposure to polycyclic aromatic hydrocarbons and benzene using biological indicators (CIS 02-1831)

POLYETHYL CARBAMATE → POLYURETHANES

POLYMER GOODS INDUSTRY → PLASTICS INDUSTRY

POLYMETHYL METHACRYLATE

Information note on occupational skin diseases caused by polyacrylate and polymethacrylate resins (France), 2001 (CIS 02-1263)

POLYURETHANE

Case study of paraoccupational asthma due to tolylene diisocyanate (CIS 02-1327)

POLYURETHANES

Study of isocyanate emissions following the application of concrete coatings (CIS 02-1780)

Cross-sectional study of skin problems among workers exposed to toluene diisocyanate at a foam manufacturing facility (CIS 02-1806)

PORCELAIN → POTTERY

PORCELAIN INDUSTRY → POTTERY INDUSTRY

PORTLAND CEMENT → CEMENT

PORTS → HARBOURS

PORTUGAL

Order concerning the standard form for the reporting of activities of OSH services (Portugal), 2002 (CIS 02-508)

Collection of decree-laws and regulations transposing European directives on occupational safety and health (Portugal), 2001 (CIS 02-1020)

Updates to the training guide to safety and health management in enterprises (Portugal), 2001 (CIS 02-1148)

Manual for the certification of OSH specialists (Portugal), 2001 (CIS 02-1149)

Manual on the prevention of occupational hazards in the wool industry in Portugal (CIS 02-1160)

CD-ROM on the requirements and procedures for the certification of OSH specialists (Portugal), 2001 (CIS 02-1219)

Evaluation of the working conditions of supermarket cashiers in Portugal (CIS 02-1294)

CD-ROM on occupational safety and health in the electrical and electronic manufacturing sectors (Portugal), 1999 (CIS 02-1306)

Health hazards due to industrial fibres (CIS 02-1376)

POST-GRADUATE TRAINING → REFRESHER TRAINING

POSTAL SERVICES

Role of the managers of postal delivery offices in the prevention of accidents in mail delivery (CIS 02-117)

Information note on preventive measures at workplaces exposed to bioterrorist risks of anthrax (France), 2001 (CIS 02-1464)

POSTURE RECORDING

Posture recording and sampling methods for work posture to determine risk factors of backache in the motor vehicle industry (CIS 02-955)

POTASSIUM CHLORATE

Data sheet on potassium chlorate and sodium chlorate (France), 2000 (CIS 02-1136)

POTASSIUM DICHLOROISOCYANURATE

Data sheet on sodium dichloroisocyanurate and potassium dichloroisocyanurate (France), 1988 (CIS 02-1139)

POTASSIUM DICROMATE

Contact dermatitis in Korean dental technicians (CIS 02-820)

POTASSIUM FERRICYANIDE

Data sheet on potassium ferricyanide and potassium hexacyanoferrate(4⁻) (France), 1987 (CIS 02-66)

POTASSIUM FLUORIDE

Data sheet on alkali metal and alkaline-earth fluorides (France), 1992 (CIS 02-62)

POTASSIUM HEXACYANOFERRATE(4⁻) TRIHYDRATE

Data sheet on potassium ferricyanide and potassium hexacyanoferrate(4⁻) (France), 1987 (CIS 02-66)

POTASSIUM HEXACYANOFERRATE(3⁻) → POTASSIUM FERRICYANIDE

POTASSIUM HEXAFLUOROSILICATE

Data sheet on potassium hexafluorosilicate (IPCS, Spain), 1991-1999 (CIS 02-1083)

POTTERY

Study of the possible confounding by carcinogens of the relation between lung cancer risk, silica exposure and silicosis among Chinese mining and pottery industry workers (CIS 02-846)

POTTERY INDUSTRY

Hazards due to chemicals used in the ceramics industry in Limoges (CIS 02-353)

Estimating historical respirable crystalline silica exposures for workers in pottery and mining industries in China (CIS 02-770)

Substitution of toxic pigments in the pottery industry (CIS 02-847)

POWDER COUPLINGS → ELECTRIC POWER TRANSMISSION

POWER GENERATION AND DISTRIBUTION

Study of mortality patterns among electrical utility workers by occupational category (CIS 02-700)

Analysis of the causes of electrical accidents in the electrical utility sector in Greece (CIS 02-890)

Association of low job control with a decrease in memory T lymphocytes in Japanese middle-aged male workers (CIS 02-1705)

Retrospective study of compensated asbestos-related diseases among workers of the French national electrical and gas utility (CIS 02-1804)

Taking account of work environment in addition to job description in assessing exposure to magnetic fields (CIS 02-1890)

POWER TAKE-OFFS

Report explaining the rationale behind the testing requirements for power take-off shaft guards for agricultural tractors defined in a UK draft standard (CIS 02-1924)

POWER TRUCKS → INDUSTRIAL TRUCKS

PREDICTION

Predictors of hearing loss among New York farmers (CIS 02-399)

Animal models for predicting cancer risk among humans on exposure to 1,3-butadiene (CIS 02-811)

PREGNANCY → EXPECTANT MOTHERS

PREGNANT WOMEN → EXPECTANT MOTHERS

PREMISES

Case studies highlighting the economic advantages of good workplace design (France), 2000 (CIS 02-161)

Legal aspects of fire prevention at the workplace (France), 2000 (CIS 02-389)

Principles and practical examples of good workplace design (France), 2000 (CIS 02-477)

Benefits of installing automated external defibrillators in occupational settings (CIS 02-1702)

Design guide for the layout of chemical laboratories (France), 2002 (CIS 02-1757)

Influence of building maintenance, environmental factors and seasonal climatic changes on airborne contaminants in pigpens (CIS 02-1933)

Study of the effect of an improved work environment on labour productivity in a storage facility (CIS 02-1973)

PREMISES AND WORKPLACES

Quality of indoor air (Spain), 2001 (CIS 02-344)

Full issue on the quality of indoor air (CIS 02-1779)

PRESCRIBED DANGEROUS MACHINERY → PROHIBITION OF USE

PRESSURE MEASUREMENT

Comparison of pressure measurement methods in ventilation systems with obstructive ventilatory impairment (CIS 02-264)

PRESSURE MONITORING

Comparison of pressure measurement methods in ventilation systems with obstructive ventilatory impairment (CIS 02-264)

PRESSURE RELIEF VALVES → SAFETY VALVES

PRESSURE VESSELS

Official standard on the safe operation of pressure vessels and boilers (Mexico), 2002 (CIS 02-538)

Regulation on the safety requirements and inspection of pressurized equipment (Bulgaria), 2001 (CIS 02-1532)

Regulation on the safe operation of steam-generating equipment and boilers (Nicaragua), 2002 (CIS 02-1533)

PRESSURE VESSELS AND SYSTEMS

Control of leaks in the chemical and petroleum industries (CIS 02-381)

Best practice for the inspection of pressure equipment and systems (CIS 02-385)

Survey of the current situation in standardization within the European Union related to the Pressure Equipment Directive (CIS 02-930)

Guidance on the regulations and approved Code of Practice for the safety of pressure systems (United Kingdom), 2000 (CIS 02-1413)

PRESSURE-JET EQUIPMENT

Analysis of hazards from using high-pressure water-jet equipment on building sites (CIS 02-1290)

PREVALENCE → FREQUENCY RATES

PREVENTION OF ACCESS

Safety guide on lock-out procedures (Singapore) (CIS 02-1175)

PREVENTION OF CONTAGION → INFECTION CONTROL

PRINTING INDUSTRY

Use of external health care or company programs neck and upper limb problems among workers at a newspaper (CIS 02-239)

Study of neurobehavioural disturbances arising from low-levels of exposure to toluene (CIS 02-824)

Guide to safety and health in the printing industry (United Kingdom), 2002 (CIS 02-1161)

Guidance on the implementation of harmful substances regulations in the printing industry (United Kingdom), 2000 (CIS 02-1164)

Nasopharyngeal carcinoma and chronic pharyngitis or sinusitis among workers at a newspaper printing company (CIS 02-1667)

Evaluation of occupational stress factors in the printing and publishing industries in France (CIS 02-1736)

PRISON SERVICES

Study of accidental injuries of the upper limb among prisoners (CIS 02-247)

Study of the risk of occupational exposure to blood-transmissible diseases among prison guards (CIS 02-941)

Study of the frequency of hepatitis C among public safety workers (CIS 02-1941)

Study of the relation between occupational exposures and the risk of hepatitis B virus infection among public safety workers (CIS 02-1942)

PRIVATE OSH INSTITUTIONS

Research priorities and future trends in OSH (Italy) (CIS 02-620)

Review of the activities of the Industrial Accident Prevention Association (IAPA) of the province of Ontario, Canada (CIS 02-1588)

PROCESS CONTROL

Safety implications of using internet technology in industrial process control (CIS 02-263)

PROCESS ENGINEERING

Report on practical experience in taking safety and health issues into account during the planning and implementation of an investment project in Germany (CIS 02-630)

Collection of articles on industrial heating and cooling (CIS 02-893)

PROCESS SUPERVISION → VIGILANCE TASKS

PRODUCT SAFETY

Priorities for the standardization of general product safety (CIS 02-606)

PRODUCTION-LINE WORK → ASSEMBLY-LINE WORK

PRODUCTIVITY → WORK EFFICIENCY

PROGRAMME EVALUATION

Summary of a workshop on occupational safety and health recognition schemes (European Union), 2002 (CIS 02-636)

Evaluation of a Korean government programme providing support for occupational health services for small-scale enterprises (CIS 02-750)

Survey of approaches to sharing good practice in safety and health management (United Kingdom), 2002 (CIS 02-1189)

Description of a method for evaluating the performance of occupational safety and health management systems (CIS 02-1601)

Evaluation of the effectiveness of safety and health inspections in the United Kingdom (CIS 02-1629)

Long-term impact of a corporate health promotion programme on employees' health (CIS 02-1698)

Effectiveness of workplace health promotion programmes in reducing cancer risk (CIS 02-1699)

Assessment of the long-term impact of the health care and wellness programme of a large enterprise (CIS 02-1701)

Report on factors favouring the continued ability to work (Finland), 2002 (CIS 02-1716)

New approach for evaluating hearing loss prevention programmes (CIS 02-1883)

PROGRAMMED INSTRUCTION → SAFETY AND HEALTH TRAINING

PROHIBITION OF SALE AND HIRE OF UNSAFE EQUIPMENT → MACHINERY GUARDING REGULATIONS

PROHIBITION OF USE

Manual of analytical methods appropriate for dangerous substances, with related regulations (CIS 02-342)

Manual of analytical techniques for dangerous substances, with related regulations (CIS 02-861)

Manual of analytical techniques for dangerous substances, with related regulations (Germany), 1995 (CIS 02-863)

Directive introducing an absolute prohibition of the use of hexachloroethane in the manufacturing and processing of non-ferrous metals (European Union), 2001 (CIS 02-1034)

PROJECTION WELDING → RESISTANCE WELDING

PROPADIENE

Data sheet on the mixture of methyl acetylene and propadiene (USA), Spanish translation, 2001 (CIS 02-1116)

PROPAGATION OF EXPLOSIONS

Safe distances for firefighters in boiling liquid expanding vapour explosions (CIS 02-1863)

PROPANOL

Data sheet on 1-propanol (France), 1992 (CIS 02-1094)

2-PROPANOL → ISOPROPYL ALCOHOL

PROPARGYL ALCOHOL

Criteria document on propargyl alcohol (Germany), 2001 (CIS 02-572)

PROPHYLAXIS

Study of occupational HIV postexposure prophylaxis among health care workers in a medical care facility (CIS 02-944)

Proposed procedure to be adopted in non-hospital environments following injuries by potentially-contaminated blood-stained objects (CIS 02-1945)

PROPIOLACTONE

Data sheet on propiolactone (USA), Spanish translation, 2002 (CIS 02-56)

n-PROPYL NITRATE

Data sheet on n-propyl nitrate (USA), Spanish translation, 2002 (CIS 02-57)

PROPYLENE DICHLORIDE

Data sheet on propylene dichloride (France), 1997 (CIS 02-1066)

PROPYLENE

Data sheet on the mixture of methyl acetylene and propadiene (USA), Spanish translation, 2001 (CIS 02-1116)

PROSTATIC CANCER

Cohort study of cancer morbidity in the pulp and paper industry in British Columbia (Canada) (CIS 02-1252)

PROTECTION AGAINST COLD

Safety and health guide for work in cold weather (Canada), 1999 (CIS 02-106)

PROTECTION AGAINST FALLS FROM HEIGHTS

Training programme on the protection against falls of persons in the construction industry (USA), 1997 (CIS 02-110)

Guidelines of the Mutual Occupational Accident Insurance Association (HVBG) with respect to protection against falls during the building and operation of overhead electrical power lines (Germany), 1999 (CIS 02-937)

Hazards arising from the inappropriate use of safety belts as fall arresters (CIS 02-1915)

PROTECTIVE CLOTHING

Physiological optimization of cut-resistant protective clothing in Germany (CIS 02-928)

Report on the experimental evaluation of dermal exposure during pesticide spraying (United Kingdom), 2002 (CIS 02-1840)

PROTECTIVE EARTHING → EARTHING

PROTECTIVE FRAMES FOR TRACTORS → SAFETY FRAMES AND CABS

PROTECTIVE GLOVES

Effect of skin protection cream on allergic reactions to latex gloves (CIS 02-300)

Method for testing the resistance of protective gloves to pricks from cannula used in medicine (CIS 02-349)

Guide to the supply of personal protective equipment during the use of hand knives in the food industry (CIS 02-411)

Case reports of occupational latex contact urticaria in non-health-care occupations (CIS 02-818)

Decrease in natural rubber latex-related occupational asthma claims among health care workers following interventions and changes in glove type (CIS 02-823)

PROTECTIVE SLEEVES → ARM GUARDS

PROTEINS

Specific immune response to occupational antigens in asymptomatic egg packaging and processing workers (CIS 02-1686)

PROVISION OF PERSONAL PROTECTIVE EQUIPMENT → SUPPLY OF PERSONAL PROTECTIVE EQUIPMENT

PSYCHIATRIC DISORDERS → MENTAL HEALTH

PSYCHIC DISORDERS → MENTAL DISORDERS

PSYCHOGENIC ILLNESS → PSYCHOSOMATIC DISORDERS

PSYCHOLOGICAL AND PSYCHIATRIC SERVICES

Case study of psychological and psychiatric services in a telecommunications company in the US (CIS 02-1487)

Economic advantages of mental health care for employees (CIS 02-1988)

PSYCHOLOGICAL EFFECTS

Questionnaire survey on occupational eczema and derived psychological effects (CIS 02-665)

Is the reduction in exposure to electrical fields next to VDUs due to filters or the "Hawthorne effect"? (CIS 02-763)

Study of the effects of shift work on the psychological health of workers (CIS 02-1960)

Impact of workplace fatalities on the deceased workers' relatives, colleagues and friends (CIS 02-1990)

PSYCHOLOGICAL TESTS

Neurological effects in workers following exposure to manganese (CIS 02-1320)

Development and testing of a presenteeism scale (CIS 02-1984)

PSYCHOLOGY AND SOCIOLOGY

Development of a questionnaire for monitoring psychosocial stress at work (CIS 02-492)

General considerations on sexual harassment at the workplace (CIS 02-496)

New questionnaire-based instrument for assessing the degree of personal control at work (CIS 02-986)

Relationship between psychosocial job factors and return-to-work after compensated low back injury in the United States (CIS 02-988)

Evaluation of occupational psychosocial hazards (CIS 02-991)

Psychosocial approach to risk perception (CIS 02-992)

Reducing psychosocial risks in team work (United Kingdom), 2001 (CIS 02-999)

CD-ROM-based training course for the qualification of senior technician in occupational safety and health with specialization in ergonomics, psychology and sociology (Spain), 2002 (CIS 02-1178)

Trends in working conditions at start-up enterprises in France (CIS 02-1307)

Study of the influence of ergonomic and psychosocial factors on the capacity of workers suffering from upper extremity disorders to perform their normal work (CIS 02-1468)

Impact of changing work organization on musculoskeletal disorders in the automobile industry (CIS 02-1469)

Special feature on ergonomic risks at work and their prevention (CIS 02-1475)

Effect of supervisors' presence on the effectiveness of a training programme to improve musculoskeletal health (CIS 02-1959)

Occupational stress and its prevention (CIS 02-1981)

Influence of psychosocial factors on manic depression (CIS 02-1983)

Study of mental models of psychosocial hazards (CIS 02-1997)

Information pack for families of victims of fatal occupational accidents (United Kingdom), 2002 (CIS 02-1999)

PSYCHOLOGY OF ACCIDENT PREVENTION

Information note on OSH and emotional memory (Spain), 2000 (CIS 02-1498)

Information note on the emotional components of verbal communication in OSH (Spain), 2000 (CIS 02-1499)

PSYCHOLOGY OF ACCIDENTS

Analysis of processes having an impact on the reliability of accident investigation information (CIS 02-121)

Proceedings of a workshop on the psychological preparation and follow-up of occupational groups faced with emergency situations (Germany, 15 June 2000) (CIS 02-499)

PSYCHOLOGY OF WORK ORGANIZATION

Influence of psychological and organizational factors on wrist musculoskeletal disorders (CIS 02-949)

Impact of changing work organization on musculoskeletal disorders in the automobile industry (CIS 02-1469)

Cohort study of the relation between work environment, alcohol consumption and health in the United Kingdom (CIS 02-1493)

Effects of hospital staffing and organizational climate on needlestick injuries to nurses (CIS 02-1940)

Personal accounts of vision-impaired workers working in normal working environments (CIS 02-1971)

Manual on human behaviour at the place of work (CIS 02-1996)

PSYCHOMOTOR PERFORMANCE → PERCEPTUAL-MOTOR PERFORMANCE

PSYCHOSOMATIC DISORDERS

Questionnaire survey on musculoskeletal diseases as psychosomatic disorders in the motor vehicle repair industry (CIS 02-1488)

PSYCHOTROPES → TRANQUILLIZERS

PUBLIC OSH INSTITUTIONS

Ordinance on instructions for the Work Environment Authority (Sweden), 2000 (CIS 02-3)

Training programme on the role of the Occupational Safety and Health Administration (OSHA) in the construction industry (USA), 1997 (CIS 02-90)

Annual report of the Korean Occupational Safety and Health Agency for the year 2000 (CIS 02-126)

Annual report of the Japan Industrial Safety and Health Association (Japan), 2000 (CIS 02-144)

Strategic plan for 2001-2004 (United Kingdom), 2001 (CIS 02-152)

Future trends in risk management among farmers (CIS 02-226)

Challenges facing the regulatory authorities for improving safety and health in the mining industry (CIS 02-231)

Short reports on workplace evaluations of occupational exposure to lead (USA), 2001 (CIS 02-334)

CD-ROM on the prevention of work-related musculoskeletal disorders (USA), 2001 (CIS 02-478)

Strategic plan of the Health and Safety Executive Local Authority Enforcement Liaison Committee (United Kingdom), 2001-2004 (CIS 02-1193)

Report on safety and health in sectors enforced by local authorities (United Kingdom), 2001 (CIS 02-1194)

Annual report of the Health and Safety Executive Local Authority Enforcement Liaison Committee (HELA) (United Kingdom), 2001 (CIS 02-1195)

Guidance to local authorities on exercising their responsibilities in the enforcement of occupational safety and health regulations (United Kingdom), 2001 (CIS 02-1196)

Study of the most effective means of communicating safety and health guidance to small firms in the United Kingdom (CIS 02-1197)

HSE's decision-making process for reducing risks and protecting workers (United Kingdom), 2001 (CIS 02-1198)

Guide to the occupational safety and health system (United Kingdom), 2002 (CIS 02-1208)

Role of labour inspection in Switzerland (CIS 02-1620)

Evaluating the effectiveness of a safety culture survey tool in the United Kingdom (CIS 02-1628)

Evaluation of the effectiveness of safety and health inspections in the United Kingdom (CIS 02-1629)

Audit report on the UK Health and Safety Executive's openness procedures and practices (CIS 02-1630)

Resolutions adopted at the 91st Session of the International Labour Conference (ILO), 2003 (CIS 02-1641)

Proceedings of a conference on epidemiology and occupational health (Helsinki, Finland, 8 February 2002) (CIS 02-1713)

PUBLIC SERVICES → COMMUNITY SERVICES

PUBLIC TRANSPORT

Flexible shift schedules for public transport drivers (CIS 02-446)

Classification of the causes of public transport bus accidents in Sweden (CIS 02-1918)

Collection of articles on workplace violence (CIS 02-1989)

PUBLICATIONS ON OSH → SAFETY LITERATURE

PULL CORDS → EMERGENCY STOP DEVICES

PULMONARY EDEMA → PULMONARY OEDEMA

PULMONARY FIBROSIS

Interstitial lung fibrosis among coal miners (CIS 02-187)

PULMONARY FUNCTION

Respiratory symptoms among active firefighters (CIS 02-192)

Cross-sectional study of respiratory symptoms and lung function among heavy and highway construction workers (CIS 02-234)

Relationship between symptoms and respiratory functions, and glutaraldehyde exposure among endoscopy nursing staff (CIS 02-326)

Relationship between exposure assessment and lung function in pig and poultry farmers (CIS 02-675)

Longitudinal follow-up study of pulmonary function and respiratory symptoms in workers exposed to manganese (CIS 02-677)

Follow-up study of respiratory health of newly-hired female cotton textile workers in China (CIS 02-730)

Adverse respiratory effects following overhaul in firefighters (CIS 02-735)

Rhinitis and respiratory disorders among workers at a Tunisian textile mill (CIS 02-771)

Pulmonary function in long-term asbestos workers in China (CIS 02-1351)

PULMONARY FUNCTION IMPAIRMENT → RESPIRATORY IMPAIRMENT

PULMONARY FUNCTION TESTS → RESPIRATORY FUNCTION TESTS

PULMONARY MALIGNANCY → LUNG CANCER

PULMONARY OEDEMA

Control measures of pulmonary oedema resulting from exposure to phosgene (CIS 02-1319)

PULP AND PAPER INDUSTRY

Evaluation of control measures for odour pollution and bioaerosols during the secondary treatment of pulp and paper industry effluents (CIS 02-845)

The safety consulting professional (CIS 02-1191)

Cohort study of cancer morbidity in the pulp and paper industry in British Columbia (Canada) (CIS 02-1252)

Pleural mesothelioma among women who had worked as rag sorters for recycling of materials in the textile and the pulp and paper industry in Italy (CIS 02-1649)

Development of a carcinogen exposure assessment system for an international study on cancer risks among paper industry workers (CIS 02-1690)

Cohort study of the relation between exposure to asbestos and lung and pleural cancer mortality among pulp and paper industry workers (CIS 02-1797)

Relationship between exposure to culturable microorganisms in paper mills and symptoms associated with infections (CIS 02-1938)

PULSE RATE

Method for computing the cardiac strain of jobs (CIS 02-195)

Study of circadian rhythm of heart rate, urinary cortisol excretion and sleep in civil air traffic controllers (CIS 02-445)

Assessing the suitability of cross-sectional and longitudinal cardiac rhythm tests for identifying the effects of occupational chronic lead exposure (CIS 02-1651)

Study of the strenuousness of work in sewers based on heart rate measurements (CIS 02-1970)

PYRALENE → POLYCHLORINATED BIPHENYLS

PYROLYSIS

Characterization of particulate matter in smoke released during carbon/epoxy composite material combustion (CIS 02-1348)

PYROTECHNICAL PRODUCTS

Regulations on the safe use of fireworks (New Zealand), 2001 (CIS 02-1049)

Analysis of the possibly difficulties of enterprises to comply with proposed legislation concerning separation distances for premises storing fireworks in the United Kingdom (CIS 02-1868)

Q

QUALIFICATIONS

Manual of analytical methods appropriate for dangerous substances, with related regulations (CIS 02-342)

Decree on the professional qualifications of occupational physicians (France), 2002 (CIS 02-512)

Manual of analytical techniques for dangerous substances, with related regulations (CIS 02-861)

Manual of analytical techniques for dangerous substances, with related regulations (Germany), 1995 (CIS 02-863)

Manual of analytical techniques for dangerous substances, with related regulations (Germany), 1996 (CIS 02-864)

Guidance on compliance with the regulations concerning the inspection of lifting equipment (United Kingdom), 2002 (CIS 02-927)

Regulation on the professional examination of OSH experts (Croatia), 2002 (CIS 02-1004)

Regulations on the qualifications of personnel involved in the handling of dangerous substances (New Zealand), 2001 (CIS 02-1030)

Practical guide on the required qualifications for OSH personnel (France), 2001 (CIS 02-1206)

QUALITY CONTROL

Occupational safety and health management in the Polish enterprises implementing total quality management systems (CIS 02-130)

Information note on standard operating procedures for quality assurance in industrial hygiene laboratories (Spain), 1999 (CIS 02-160)

Evaluating the quality and degree of implementation of occupational safety and health measures in enterprises and public administrations in Germany (CIS 02-639)

Reports on experiences with quality management and integrated occupational safety and health in a large food retailing chain (CIS 02-755)

Role of management in quality control of work organization and economic aspects (CIS 02-981)

Information note on the method for the auto-evaluation of total quality management systems based on the updated EFQM audit model (Spain), 2000 (CIS 02-1209)

Quality control in the training of occupational physicians in Italy (CIS 02-1693)

Quality control of spirometry in risk evaluation in Italy (CIS 02-1694)

QUARRYING INDUSTRY

Guidance for controlling exposure to stonemasonry dust (United Kingdom), 2001 (CIS 02-355)

Law on the safety of quarry workers (Barbados), 1963 (CIS 02-513)

Cohort mortality study and nested case-control study of French and Austrian talc workers (CIS 02-806)

Safety regulations and application directive for grinding and brushing tools (Germany), 2002 (CIS 02-1531)

Safety regulations and application directive on qualified persons in the field of occupational safety (Germany), 2002 (CIS 02-1642)

Evaluation of the health hazards due to chemicals in quarries and cement plants (CIS 02-1730)

Evaluation of the hazards due to physical agents in quarries and cement plants (CIS 02-1731)

QUARTZ

Exposure evaluation of tunnelling workers to dust and gases (CIS 02-310)

Concise chemical assessment document on quartz (WHO), 2000 (CIS 02-1123)

Study of exposures to quartz, diesel, dust, and welding fumes in selected jobs in the construction industry (CIS 02-1363)

Description of a method for the determination of the respirable fraction of crystalline silica (CIS 02-1814)

QUATERNARY AMMONIUM COMPOUNDS

Case study of eczema due to an allergic reaction to quaternary ammonium compounds used as disinfectants by nurses (CIS 02-821)

QUAYS → HARBOURS

QUEBEC

Law modifying the legislative measures concerning the provincial occupational health and safety fund and obliging the Occupational Health and Safety Commission to publish a declaration concerning its objectives (Canada - Quebec), 2003 (CIS 02-1502)

Regulations on occupational health and safety (Canada - Quebec), 2001 (CIS 02-1506)

QUESTIONNAIRE SURVEY

Development of a questionnaire for monitoring psychosocial stress at work (CIS 02-492)

QUINOL → HYDROQUINONE

R

RACE-LINKED DIFFERENCES

Mortality from six work-related cancers among African American and Hispanic workers (CIS 02-177)

Case-control study of parental occupation and neural tube defect pregnancies among Mexican Americans (CIS 02-1240)

Racial differences in the prevalence of a genetic marker used in pre-employment screening for susceptibility to berylliosis (CIS 02-1800)

RADIATION ACCIDENTS

Review article on radiation accidents (CIS 02-903)
DNA damage induced by UV-C irradiation in leukocytes of Chernobyl accident clean-up workers (CIS 02-904)

RADIATION INJURY

Review article on radiation accidents (CIS 02-903)

RADIATION MONITORING

Information note on the workplace hazards sheet (CIS 02-120)

RADIATION PROTECTION

Law concerning nuclear safety (Slovak Republic), 2000 (CIS 02-22)

Ordinance concerning protection against ionizing radiation (France), 2001 (CIS 02-23)

Modification of the Order on radiation protection (Belgium), 2002 (CIS 02-25)

Ordinance on radiation protection in non-medical establishments where ionizing radiation is produced (Switzerland), 2001 (CIS 02-26)

Exposure evaluation to non-ionizing radiation in the metallurgical working environment (CIS 02-401)

Predicting the ultraviolet radiation distribution in a room with multilouvered germicidal fixtures (CIS 02-402)

Safety guide to radiation protection and the safe use of radiation sources (IAEA), 2001 (CIS 02-408)

Decree on radiation safety (El Salvador), 2002 (CIS 02-533)

Law on nuclear safety (Bulgaria), 2002 (CIS 02-534)

Law on radiation protection (Barbados), 1971 (CIS 02-535)

Order concerning the medical supervision of people occupationally exposed to ionizing radiation (Romania), 2001 (CIS 02-537)

Guidelines for the implementation of radiation protection measures at the place of work (IAEA), 2002 (CIS 02-913)

Law on protection against ionizing radiation and on nuclear safety (Slovenia), 2002 (CIS 02-1053)

Decree on radiation protection (Madagascar), 2002 (CIS 02-1530)

Study of radiation protection measures applied in health care establishments in France (CIS 02-1893)

Guide to the implementation of the Radiation (Emergency Preparedness and Public Information) Regulations 2001 (United Kingdom), 2002 (CIS 02-1905)

Controlling health risks from the use of UV tanning equipment (United Kingdom), 2002 (CIS 02-1906)

International standard on the calibration of radiation protection devices (ISO), 2000 (CIS 02-1907)

RADIO CONTROL SYSTEMS → REMOTE CONTROL

RADIOACTIVE CONTAMINATION MONITORING → RADIATION MONITORING

RADIOACTIVE SOURCES

Safety guide to radiation protection and the safe use of radiation sources (IAEA), 2001 (CIS 02-408)

International standard on the calibration of radiation protection devices (ISO), 2000 (CIS 02-1907)

RADIOACTIVE SUBSTANCES

Review article on radiation accidents (CIS 02-903)

Information sheet on radioactive iodine (France), 2002 (CIS 02-1387)

Decree on radiation protection (Madagascar), 2002 (CIS 02-1530)

RADIOACTIVITY → PARTICULATE RADIATION

RADIOFREQUENCY EQUIPMENT

Comparison of acoustic distress signalling and speech communication units used by forestry workers (CIS 02-1729)

RADIOFREQUENCY RADIATION

Reduction of the risk of interference between cellular telephones and pacemakers (CIS 02-764)

Review article on the occupational hazards of exposure to radiofrequency electromagnetic radiation (France), 2001 (CIS 02-915)

Health hazards of mobile telephones (CIS 02-1894)

RADIOGRAPHIC TESTING

Evaluation of the exposure of radiographers to film-processing chemicals (CIS 02-1785)

RADIOISOTOPES → RADIOACTIVE SUBSTANCES

RADIOLOGICAL CHANGES

Predictive factors of radiological progression among silicosis patients (CIS 02-652)

Radiographic abnormalities in long-tenure Vermont granite workers and the permissible exposure limit for crystalline silica (CIS 02-837)

RADIOLOGICAL CLASSIFICATIONS

Predictive factors of radiological progression among silicosis patients (CIS 02-652)

RADIOLOGICAL DIAGNOSIS

High-resolution computed tomography classification of lung fibrosis for patients with asbestos-related disease (CIS 02-1220)

RADIOLOGICAL PROTECTION → RADIATION PROTECTION

RADIOLOGICAL SERVICES

Study of radiation protection measures applied in health care establishments in France (CIS 02-1893)

RADIOLOGY

Evaluation of the exposure of radiographers to film-processing chemicals (CIS 02-1785)

RADIOTHERAPY

Pregnancy outcome following exposure to short-wave radiation among female physiotherapists in Israel (CIS 02-1424)

RADON

Radon exposure and lung cancer mortality among uranium miners in the former German Democratic Republic (CIS 02-403)

Measurements of radon concentrations at the workplace (CIS 02-404)

Confounding factors due to smoking in epidemiological studies on the relation between low levels of exposure to radon and lung cancer (CIS 02-1889)

RAGS

Pleural mesothelioma among women who had worked as rag sorters for recycling of materials in the textile and the pulp and paper industry in Italy (CIS 02-1649)

RAIL TRANSPORT

Report on the safety record of railways (United Kingdom), 2000-2001 (CIS 02-1291)

Guidance on developing and maintaining safety and health competence among workers in the railway transportation sector (United Kingdom), 2002 (CIS 02-1304)

Public health risks of railroad accidents in the US involving hazardous substances (CIS 02-1409)

Guidance on the Railways (Safety Case) Regulations (United Kingdom), 2001 (CIS 02-1449)

Report on the changes in the latest edition of the UN regulations concerning the international carriage of dangerous goods by rail (CIS 02-1875)

Collection of articles on workplace violence (CIS 02-1989)

RAILROAD INDUSTRY → RAIL TRANSPORT

RAILWAY ENGINEERING → RAILWAY EQUIPMENT

RAILWAY EQUIPMENT

Noise level measurement and hearing damage risk criteria in railway locomotive crew (CIS 02-1884)

RATRON → WARFARIN

RAYNAUD'S PHENOMENON

Diagnostic methods and classification of work-related Raynaud's phenomenon (CIS 02-165)

Survey of risk factors for hand-arm vibration syndrome in the United Kingdom (CIS 02-1427)

Long-term follow-up study on patients with vibration-induced white finger (CIS 02-1896)

RAYON INDUSTRY → VISCOSE RAYON INDUSTRY

REACH TRUCKS → FORK-LIFT TRUCKS

REACTIVITY HAZARDS → EXPLOSION HAZARDS

REACTORS

DNA damage induced by UV-C irradiation in leukocytes of Chernobyl accident clean-up workers (CIS 02-904)

REAGENTS

Risk from reagents and wastes in hospital diagnostic laboratories in Italy (CIS 02-276)

REAMING MACHINES → DRILLING MACHINES

RECIRCULATION OF EXHAUST AIR → AIR PURIFICATION

RECOIL GUARDS → KICKBACK PREVENTERS

RECOMMENDATION → DIRECTIVE

RECOMMENDATIONS (ILO) → INTERNATIONAL AGREEMENTS

RECORDING OF DANGEROUS SUBSTANCES → CONTROL OF ISSUE OF DANGEROUS MATERIALS

RECOVERY AFTER EFFORT

Neuroendocrine reactivity and recovery from work with different physical and mental demands (CIS 02-971)

RECTAL CANCER

Cohort study of cancer morbidity in the pulp and paper industry in British Columbia (Canada) (CIS 02-1252)

RECTAL TEMPERATURE → BODY-CORE TEMPERATURE

RECYCLING OF MATERIALS

Preventive measures applicable to the selective demolition and dismantling aimed at the re-use of materials (Germany), 1999 (CIS 02-251)

Exposure to harmful products during automobile recycling in Germany (CIS 02-870)

Special feature on the waste treatment industry (CIS 02-1283)

Study of the exposure to dangerous substances during the recycling of electronic waste in Germany (CIS 02-1384)

Guide to hazard prevention in paper, glass and plastic recycling plants (Spain), 2002 (CIS 02-1569)

Pleural mesothelioma among women who had worked as rag sorters for recycling of materials in the textile and the pulp and paper industry in Italy (CIS 02-1649)

Summary of a report on exposures to dust and harmful substances in dust during the disassembly and shredding of discarded electrical and electronic equipment (CIS 02-1832)

RED LEAD → LEAD TETROXIDE

REFINERIES → PETROLEUM REFINING

REFRACTORY BRICK INDUSTRY

Follow-up study of pulmonary function among Taiwanese refractory brick workers (CIS 02-732)

REFRESHER TRAINING

Training needs for occupational physicians in the agricultural sector in the United States (CIS 02-745)

REFRESHMENT SERVICES → CANTEENS

REFRIGERANTS

Concise chemical assessment document on 1,1-dichloro-2,2,2-trifluoroethane (WHO), 2000 (CIS 02-1122)

Case description of a refrigerator serviceman who died of a heart attack following exposure to chlorodifluoromethane decomposition products (CIS 02-1799)

New index for assessing the combustion hazard of hydrofluorocarbon refrigerants (CIS 02-1861)

REFUSE COLLECTION

Information sheet on toxicity associated with municipal waste and its treatment (France), 2002 (CIS 02-1403)

Reducing the exposure to microorganisms during refuse collection (CIS 02-1456)

Study of microbial exposure during the collection and transport of garbage (CIS 02-1457)

Exposure to bioaerosols and ergonomic aspects when using trucks with side-lift arms for collecting household waste (CIS 02-1748)

Case-control study of aerobic power and muscle strength among young and elderly waste-collection workers (CIS 02-1972)

REGISTERS OF OCCUPATIONAL DISEASES

Proposals for the standardization of work disability data (CIS 02-1600)

REGULATORS → DAMPERS

REHABILITATION

Factors influencing successful reintegration of injured workers (European Union), 2002 (CIS 02-634)

Report on the treatment of alcohol problems in the US through employment-based health insurance (CIS 02-1496)

Effectiveness of occupational medicine rehabilitation centres for treating work-related musculoskeletal diseases (CIS 02-1661)

Supervisors' attitudes toward the return to work of subordinate employees after a myocardial infarction or a coronary bypass (CIS 02-1706)

Workers' rehabilitation and return to work following disabling illness or injury (CIS 02-1710)

REINFORCED PLASTICS

Effect of cumulative exposure to styrene on visual functions among workers in the reinforced plastics industry (CIS 02-1344)

Characterization of particulate matter in smoke released during carbon/epoxy composite material combustion (CIS 02-1348)

RELAXED VIGILANCE

Effects of monotonous work at computer terminals on electroencephalographic changes and vigilance (CIS 02-1763)

RELIABILITY

Analysis of processes having an impact on the reliability of accident investigation information (CIS 02-121)

Safety implications of using internet technology in industrial process control (CIS 02-263)

Information note on the failure modes and reliability of safety valves (Spain), 1999 (CIS 02-390)

Evaluation of eleven human reliability analysis methods (CIS 02-467)

Study of the reliability of emission sound pressure measurements using the 3-component noise intensity method (CIS 02-909)

Study of the reliability of malfunction alarms of dust control equipment used in the woodworking industry (CIS 02-1314)

Assessment of the reliability of the Linux computer operating system for safety-related applications (United Kingdom), 2002 (CIS 02-1764)

RELIEF VALVES → SAFETY VALVES

REMOTE CONTROL

Description of remote medical surveillance systems for long-duration manned spaceflights (CIS 02-1697)

REMOVAL FROM EXPOSURE → TRANSFER TO OTHER WORK

REMOVAL OF DEPOSITED DUST

Equipment testing of filter dust collectors (CIS 02-265)

RENAL DAMAGE

Occupational exposure to airborne mercury during gold mining in Venezuela (CIS 02-309)

RENDERING (PLASTER) → PLASTERING

REPAIR GARAGES → VEHICLE REPAIR AND SERVICING

REPAIR WORK

Investigation of the relationship between breast cancer in men and exposure to electromagnetic fields (CIS 02-1425)

REPETITIVE STRAIN INJURY

Ergonomic evaluation of risk factors for back injury among vineyard workers in California (United States) (CIS 02-951)

Effectiveness of sports shoes with good shock attenuation for reducing lower extremity overuse injuries among newspaper carriers (CIS 02-1961)

REPETITIVE WORK

Evaluation of health hazards associated with physical workload in the food retail sector (CIS 02-455)

Improving worker productivity in repetitive tasks by participative production standard setting (CIS 02-466)

Association between plasma testosterone and work-related neck and shoulder disorders among female workers (CIS 02-655)

Cross-sectional study of the relation between the risk of shoulder tendinitis and shoulder loads in monotonous repetitive work (CIS 02-948)

Shoulder disorders and postural stress among automobile assembly workers (CIS 02-954)

Analysis of the Danish action plan against repetitive work (CIS 02-1472)

Population-based study of the relationship between self-reported hand and wrist arthritis and occupation in the United States (CIS 02-1677)

Analysis of the relationship between working hours spent on repeated activities and prevalence of back pain (CIS 02-1678)

Check list for the assessment of occupational exposure to repetitive movements of the upper limbs (CIS 02-1704)

Study of the relation between stress, sex, endocrine response and work-related upper extremity disorders (CIS 02-1977)

REPORT OF ACTIVITIES

Annual report of the Korean Occupational Safety and Health Agency for the year 2000 (CIS 02-126)

Annual report of the Japan Industrial Safety and Health Association (Japan), 2000 (CIS 02-144)

CD-ROM on the prevention of work-related musculoskeletal disorders (USA), 2001 (CIS 02-478)

Order concerning the standard form for the reporting of activities of OSH services (Portugal), 2002 (CIS 02-508)

REPORTING OF ACCIDENTS AND DANGEROUS OCCURRENCES → NOTIFICATION OF OCCUPATIONAL ACCIDENTS

REPRODUCTIVE EFFECTS → ANTIFERTILITY EFFECTS

REPUBLIC OF SOUTH AFRICA → SOUTH AFRICA

RESCUE ORGANIZATION

Description of the intervention following a fire in a tunnel (CIS 02-1860)

RESEARCH

Proceedings of a meeting on the role of research in promoting occupational safety and health (Bangkok, Thailand, 10-13 Oct. 2000) (CIS 02-151)

Focus areas for occupational health research (CIS 02-199)

Characteristics of job stress among Japanese scientific researchers (CIS 02-481)

Survey of occupational health research priorities in Malaysia (CIS 02-610)

Research priorities and future trends in OSH (Italy) (CIS 02-620)

Proposed research areas on factors affecting the duration of disability and return-to-work after work-related injury and illness (CIS 02-623)

Review of papers presented at a conference on the social and economic consequences of workplace illness and injury (13-15 June 1999, Denver, Colorado, USA) (CIS 02-995)

Delphi study of the identification of research needs in occupational medicine in Italy (CIS 02-1707)

Practical application of safety and health research in occupational medicine (CIS 02-1709)

Literature review of biomechanical and psychophysical research on risk factors associated with low-back pain (CIS 02-1968)

Literature review of biomechanical and psychophysical research on risk factors associated with upper extremity disorders (CIS 02-1969)

RESEARCH ESTABLISHMENTS

Research priorities and future trends in OSH (Italy) (CIS 02-620)

Regulations on the exemption of laboratories from certain rules related to dangerous substances (New Zealand), 2001 (CIS 02-1038)

Epidemiologic study on cancer frequency rates in a US petrochemical research facility (CIS 02-1231)

Good practice guidelines for occupational health research funded by the private sector in the United States (CIS 02-1598)

Assessment of exposure to laser radiation in Italian research laboratories (CIS 02-1895)

RESINOUS WOODS → SOFTWOODS

RESISTANCE WELDING

Review article on magnetic field exposure during resistance welding (France), 2002 (CIS 02-1908)

RESPIRABLE DUST

Accelerated silicosis among Chinese workers exposed to agate dust (CIS 02-268)

Survey of exposure to diesel engine exhaust emissions in the workplace (CIS 02-283)

Literature survey of the relationship between copper exposure and metal fume fever (CIS 02-295)

Case-control study of relationship of exposure to formaldehyde and various dusts and laryngeal and hypopharyngeal cancers (CIS 02-296)

Effectiveness of measures to control exposure to inhalable particulate and dermal contamination in the rubber manufacturing industry (CIS 02-322)

Thoracic sampling of fibres (CIS 02-331)

Proceedings of a seminar on safe work with fibre-based materials (OttoBrun, Germany, 1-3 September 1998) (CIS 02-332)

Surveillance of groups at high risk of occupational chronic obstructive pulmonary disease (CIS 02-657)

Rhinitis and respiratory disorders among workers at a Tunisian textile mill (CIS 02-771)

Collection of articles on health risks due to particles in the ambient air (CIS 02-775)

Adverse reproductive outcome associated with outdoor exposure to airborne polycyclic organic matter (CIS 02-804)

Radiographic abnormalities in long-tenure Vermont granite workers and the permissible exposure limit for crystalline silica (CIS 02-837)

Exposure to harmful products during automobile recycling in Germany (CIS 02-870)

Guidance note on asbestos exposure limits and measurement of airborne dust concentrations (United Kingdom), 2001 (CIS 02-871)

Literature survey on sampling and analysis of airborne endotoxins (France), 2002 (CIS 02-938)

Study of exposures to quartz, diesel, dust, and welding fumes in selected jobs in the construction industry (CIS 02-1363)

Effectiveness of local exhaust ventilation in reducing exposure to dust during concrete cutting and grinding (CIS 02-1364)

Case of fatal occupational asthma following exposure to shark cartilage dust (CIS 02-1665)

Cross-sectional study of respiratory symptoms and lung function among Danish furniture industry workers (CIS 02-1689)

Evaluation of the health hazards due to chemicals in quarries and cement plants (CIS 02-1730)

Description of a method for the determination of the respirable fraction of crystalline silica (CIS 02-1814)

Relationship between dust exposure and lung cancer mortality among coal miners (CIS 02-1815)

Summary of a report on exposures to dust and harmful substances in dust during the disassembly and shredding of discarded electrical and electronic equipment (CIS 02-1832)

Information note on occupational safety and health regulations applicable to asbestos substitutes (France), 2000 (CIS 02-1856)

Information note on the control of exposure to silica dust in small potteries (United Kingdom), 2002 (CIS 02-1858)

RESPIRATORS

Training booklet on personal hygiene and respiratory equipment (Canada) (CIS 02-99)

Work capacity modifications in workers wearing respirators through different breathing resistances (CIS 02-459)

Survey of working methods among pesticide applicators in a Kenyan district (CIS 02-778)

Safety data sheet on respirators (France), 2002 (CIS 02-1404)

Overview of respirators (CIS 02-1807)

RESPIRATORY DISEASES

Reporting, recognition and compensation of occupational respiratory diseases in France (CIS 02-168)

Epidemiology of skin and respiratory diseases among hairdressers in Finland (CIS 02-209)

Data sheet on the toxic hazards and occupational diseases related to the soldering of metals (France), 2001 (CIS 02-214)

Asthma and other respiratory symptoms among New Zealand pine processing sawmill workers (CIS 02-229)

Factors associated with respiratory symptoms among crab processing workers in Alaska (CIS 02-238)

Data sheet on respiratory diseases due to asbestos (France), 2001 (CIS 02-371)

Analysis of respiratory, cardiac, and cancer outcomes in auto industry tool grinding operations using medical insurance claims (CIS 02-678)

Respiratory symptoms and lung function in livestock farm workers (CIS 02-708)

Identification of groups having different levels of exposure among firefighters (CIS 02-737)

Rhinitis and respiratory disorders among workers at a Tunisian textile mill (CIS 02-771)

Cohort mortality study and nested case-control study of French and Austrian talc workers (CIS 02-806)

Survey of frequency rates of occupational asthma (United Kingdom), 1989-1997 (CIS 02-1233)

Study of occupational causes of nonfatal inhalation injuries and illnesses (CIS 02-1237)

Work-related respiratory symptoms in New Zealand farmers (CIS 02-1245)

Respiratory symptoms, lung function and cell surface markers among workers in the hemp fibre processing industry (CIS 02-1248)

Eye and respiratory symptoms among farmers exposed to airborne microbial agents (CIS 02-1453)

Leaflet on the responsibilities of employers in the prevention of occupational asthma (United Kingdom), 2002 (CIS 02-1581)

Case-control study of lung cancer and non-malignant respiratory disease risk among asphalt roofing manufacturing and asphalt production workers (CIS 02-1683)

Cross-sectional study of respiratory symptoms and lung function among Danish furniture industry workers (CIS 02-1689)

Case-control study of lung disease in ferrous foundry workers exposed to chemical binders (CIS 02-1714)

Case description of a refrigeration serviceman who died of a heart attack following exposure to chlorodifluoromethane decomposition products (CIS 02-1799)

Exposure to dust, resin acids and monoterpenes in softwood lumber mills (CIS 02-1813)

Case-control study of the relationship between respiratory symptoms and dust exposure among male workers in small-scale wood industries in Tanzania (CIS 02-1830)

RESPIRATORY DISTRESS → DYSPONOEA

Videotape showing how women working under precarious conditions in India can get help by joining an association (ILO), 2002 (CIS 02-1759)

ROLL-OVER PROTECTIVE STRUCTURES → SAFETY FRAMES AND CABS

ROLLERS → SKIDS

ROLLING BEARINGS → BEARINGS

ROLLING STOCK

Noise level measurement and hearing damage risk criteria in railway locomotive crew (CIS 02-1884)

ROMANIA

Order concerning the medical supervision of people occupationally exposed to ionizing radiation (Romania), 2001 (CIS 02-537)

ROOF SUPPORTS → SUPPORT OF MINERWORKINGS

ROOFING

Current practices for reducing worker exposures to asphalt fumes during the manufacture of asphalt roofing products (CIS 02-339)

Case-control study of lung cancer and non-malignant respiratory disease risk among asphalt roofing manufacturing and asphalt production workers (CIS 02-1683)

ROPE DRUMS → WIRE ROPES

ROPE MAKING → FIBRE-ROPE INDUSTRY

ROPES

Evaluation of personal protective equipment items used for industrial rope access (CIS 02-421)

ROSIN → COLOPHONY

ROTORCRAFT → HELICOPTERS

ROUND-THE-CLOCK WORK → SHIFT WORK

RUBBER CHEMICALS

Study of occupational contact and allergic contact dermatitis among healthcare workers (CIS 02-1692)

RUBBER INDUSTRY

Case-control study of the relationship between oesophageal cancer and occupational exposure to rubber (CIS 02-189)

Effectiveness of measures to control exposure to inhalable particulate and dermal contamination in the rubber manufacturing industry (CIS 02-322)

Criteria document on ethylenethiourea (Germany), 1995 (CIS 02-581)

Cohort study of cancer frequency rates in the rubber industry in the United Kingdom (CIS 02-728)

Long-term study of the relationship between benzene exposure and haematopoietic mortality (CIS 02-1805)

RUPTURED DISC → DISC LESIONS

RURAL INDUSTRY → AGRICULTURE

RUSSIAN FEDERATION

Occupational safety and health training and information in northeastern Europe (CIS 02-612)

S

SAFE CLEARANCES → SAFE DISTANCES

SAFE DISTANCES

Safe distances for firefighters in boiling liquid expanding vapour explosions (CIS 02-1863)

Analysis of the possibly difficulties of enterprises to comply with proposed legislation concerning separation distances for premises storing fireworks in the United Kingdom (CIS 02-1868)

Method for calculation of safe distances for the occupational exposure to mobile phone antennas (CIS 02-1892)

SAFE LAYOUT

Principles and practical examples of good workplace design (France), 2000 (CIS 02-477)

Safety data sheet on the design or modification of supply-chain warehouses (France) (CIS 02-1440)

Information sheet presenting an approach involving planning prior to the design phase applied to workplace design (France), 2000 (CIS 02-1645)

Design guide for the layout of chemical laboratories (France), 2002 (CIS 02-1757)

SAFE LEVELS OF EXPOSURE → PERMISSIBLE LEVELS

SAFE WORKING METHODS

Guidance on preventing health risks from the use of pesticides in agriculture (WHO), 2001 (CIS 02-101)

Code of practice for the safe use of synthetic vitreous fibre insulation wools (ILO), 2001 (CIS 02-376)

Safe working methods with top-handled chainsaws (CIS 02-420)

Information note on safety in the use of narrow band sawing saws (United Kingdom), 2001 (CIS 02-428)

Handbook on healthy work practices and lifestyles in Singapore (CIS 02-590)

Guide to the safe handling of chemicals (Costa Rica) (CIS 02-591)

Guide to working safely with compressed gases (Costa Rica) (CIS 02-594)

Guide to occupational safety and health measures for work in confined spaces (Costa Rica) (CIS 02-595)

Safety guide to the use of safety devices for machinery (Costa Rica) (CIS 02-597)

Survey of working methods among pesticide applicators in a Kenyan district (CIS 02-778)

Description of a fatal accident in a woodworking shop caused by the weight of particleboard panels (CIS 02-921)

Information leaflet on occupational lung diseases (Singapore) (CIS 02-1157)

Information leaflet on the hazards of electroplating (Singapore) (CIS 02-1158)

Case studies of accidents in the metalworking industry (Singapore) (CIS 02-1159)

Information leaflet on the ergonomic factors applicable to work at visual display unit workstations (Singapore), 1998 (CIS 02-1162)

Practical guide to working at visual display screens (Tunisia) (CIS 02-1163)

Information leaflet on the health hazards of benzene (Singapore) (CIS 02-1165)

Information leaflet on the hazards of solvents (Singapore) (CIS 02-1166)

Information leaflet on the health hazards of organophosphorus pesticides (Singapore) (CIS 02-1167)

Recommendations concerning the prevention of hazards during maintenance work (Germany), 1999 (CIS 02-1218)

Construction site health and safety checklist (United Kingdom), 2001 (CIS 02-1297)

Information note on safety during emptying and cleaning of fryers in restaurants (United Kingdom), 2001 (CIS 02-1298)

Guidance on good practices in occupational safety and health applicable to contractors (CIS 02-1305)

Information note on the demolition, elimination and maintenance operations involving asbestos-containing materials (Spain), 2000 (CIS 02-1405)

Information note on the prevention of fire and explosion risks during maintenance and repair of LPG-powered industrial trucks (France) (CIS 02-1412)

Information note on preventive measures at workplaces exposed to bioterrorist risks of anthrax (France), 2001 (CIS 02-1464)

Proceedings of a workshop on occupational safety and health in the port sector (Mumbai, India, 24-27 September 2001) (CIS 02-1750)

Standard on safety management systems for construction sites (Singapore), 1999 (CIS 02-1752)

Standard on the distribution of hazardous chemicals (Singapore), 1999 (CIS 02-1846)

Standard for entering and working in confined spaces (Singapore), 2000 (CIS 02-1847)

Standard on the inspection of cylinders in bundles for permanent and liquefiable gases (Singapore), 2000 (CIS 02-1877)

Guidance for controlling risks to workers from bio-solids used for land fertilization (USA), 2002 (CIS 02-1948)

SAFETY ANALYSIS

Advantages and limits of safety audits (CIS 02-118)

Evaluation of eleven human reliability analysis methods (CIS 02-467)

SAFETY AND HEALTH CAMPAIGNS

Booklet describing the initiatives taken by insurance companies in the field of occupational safety and health (CIS 02-128)

SAFETY AND HEALTH COMMITTEES

Guidance on the safety representatives and safety committees regulations (United Kingdom), 1996 (CIS 02-94)

Proceedings of the 3rd national congress of the Moroccan society for occupational safety, health and hygiene (Rabat, Morocco, 11-12 November 2000) (CIS 02-148)

Responsibilities of occupational physicians in Italy (CIS 02-194)

Collection of occupational safety and health management system standards (Costa Rica), 2000 (CIS 02-510)

Ministerial Resolution concerning the organization of safety and health within enterprises (Nicaragua), 2001 (CIS 02-1009)

Ministerial Resolution concerning joint health and safety committees in enterprises (Nicaragua), 2001 (CIS 02-1011)

Practical guide to the occupational safety and health committee (Tunisia) (CIS 02-1147)

Approach in the European Union for setting occupational exposure limits for sensory irritants (CIS 02-1340)

SAFETY AND HEALTH DOCUMENTATION

Research priorities and future trends in OSH (Italy) (CIS 02-620)

Development of a model describing the process of information transfer in occupational safety and health (CIS 02-637)

Leaflet describing INHST publications on occupational risks to reproduction and pregnancy (Spain), 2002 (CIS 02-1568)

Proposals for the standardization of work disability data (CIS 02-1600)

Sources of safety information and documentation available in Spain and on the World Wide Web (CIS 02-1602)

Work and health profiles of twenty-two European countries (Finland), 2002 (CIS 02-1622)

Encyclopaedia and practical guide to occupational safety and health (France), 2002 (CIS 02-1635)

CD-ROM containing the Spanish version of the CIS Bulletin (International Occupational Safety and Health Information Centre) for the years 1998 to 2001 (CIS 02-1647)

SAFETY AND HEALTH INSTITUTIONS

Complete database on CD-ROM of accident prevention directives (Germany), 2002 (CIS 02-645)

Occupational safety and health in the agricultural sector in Africa (CIS 02-710)

SAFETY AND HEALTH ORGANIZATION

Current occupational health situation in Indian factories (CIS 02-123)

Analysis of occupational health and safety management systems and proposals for an international standard (ILO), 1998 (CIS 02-153)

Guidelines on occupational safety and health management systems (ILO), 2001 (CIS 02-162)

Establishing effective communications and worker participation in safety and health in the construction industry (CIS 02-250)

Law on the introduction of measures to encourage improvements in the safety and health of workers at work (Germany), 1996-2002 (CIS 02-501)

Evaluating the quality and degree of implementation of occupational safety and health measures in enterprises and public administrations in Germany (CIS 02-639)

Decree on the coordination of safety and health activities during the planning of construction projects (France), 2003 (CIS 02-1025)

Regulations on OSH management within companies (United Kingdom), 1999 (CIS 02-1507)

SAFETY AND HEALTH PERSONNEL

Regulation on evaluation of the employer's capacity to perform/authorize OSH-related tasks (Croatia), 2002 (CIS 02-1005)

CD-ROM-based training course for the qualification of senior technician in occupational safety and health with specialization in occupational safety (Spain), 2002 (CIS 02-1145)

CD-ROM-based training course for the qualification of senior technician in occupational safety and health with specialization in occupational hygiene (Spain), 2002 (CIS 02-1146)

CD-ROM containing the basic elements of the training course for the qualification of senior technician in occupational safety and health (Spain), 2002 (CIS 02-1153)

CD-ROM-based training course for the qualification of senior technician in occupational safety and health with specialization in ergonomics, psychology and sociology (Spain), 2002 (CIS 02-1178)

Practical guide on the required qualifications for OSH personnel (France), 2001 (CIS 02-1206)

Decree modifying the Labour Code, concerning occupational safety and health intermediaries in the workplace (France), 2003 (CIS 02-1505)

Latex allergies in hospitals and preventive measures (CIS 02-1792)

SAFETY AND HEALTH POLICIES → PLANT SAFETY AND HEALTH ORGANIZATION

SAFETY AND HEALTH PROPAGANDA

Safety and health promotion in Italy (CIS 02-1708)

SAFETY AND HEALTH TRAINING

Training booklet on controlling chemical health hazards (Canada) (CIS 02-98)

Booklet offering practical guidance on the regulatory requirements with respect to the safety training of employees (France), 2000 (CIS 02-159)

Safety guide to radiation protection and the safe use of radiation sources (IAEA), 2001 (CIS 02-408)

Need to introduce manual handling training in the curriculum of health care personnel (CIS 02-414)

Effects of a training programme aimed at modifying working posture during patient-handling activities (CIS 02-449)

Occupational safety and health training and information in northeastern Europe (CIS 02-612)

Guide for the basic occupational safety and health training of workers and their representatives (CIS 02-619)

Regulation on the OSH training of workers (Croatia), 2002 (CIS 02-1006)

CD-ROM-based training course for the qualification of senior technician in occupational safety and health with specialization in occupational safety (Spain), 2002 (CIS 02-1145)

CD-ROM-based training course for the qualification of senior technician in occupational safety and health with specialization in occupational hygiene (Spain), 2002 (CIS 02-1146)

CD-ROM-based training course in occupational safety and health management systems (Costa Rica), 2000 (CIS 02-1150)

CD-ROM-based training programme on cleanliness and housekeeping in the enterprise (Costa Rica), 2001 (CIS 02-1151)

CD-ROM-based training course on the prevention of occupational hazards (Spain), 2002 (CIS 02-1152)

CD-ROM containing the basic elements of the training course for the qualification of senior technician in occupational safety and health (Spain), 2002 (CIS 02-1153)

CD-ROM-based training course for the qualification of senior technician in occupational safety and health with specialization in ergonomics, psychology and sociology (Spain), 2002 (CIS 02-1178)

Practical guide on the required qualifications for OSH personnel (France), 2001 (CIS 02-1206)

Information note on procedures for the control of safety and health information and training within the framework of a safety and health management system (Spain), 2000 (CIS 02-1211)

Information note on the procedure for elaboration working instructions as part of a prevention management system (Spain), 2000 (CIS 02-1212)

Study of occupational safety and health issues among apprentice machinists and cooks (CIS 02-1636)

SAFETY AND PRODUCTIVITY

Factors affecting safety in coal mines (CIS 02-717)

SAFETY AND THE LAW → LEGISLATION

SAFETY AUDITS

Advantages and limits of safety audits (CIS 02-118)

Working documents of a course on occupational safety and health strategy in Brazil (CIS 02-1567)

SAFETY BELTS

Numerical simulation of the effectiveness of lap straps in the event of tractor overturning (CIS 02-1437)

Hazards arising from the inappropriate use of safety belts as fall arresters (CIS 02-1915)

SAFETY BONUSES → SAFETY INCENTIVES

SAFETY BY DESIGN

Occupational safety and the prevention of occupational hazards (CIS 02-122)

Case studies highlighting the economic advantages of good workplace design (France), 2000 (CIS 02-161)

Planning and design of gas alarm systems in chemical plants (CIS 02-324)

Safe design of ambulances (CIS 02-415)

Aspects to be considered for the safe design of stairways (CIS 02-419)

Principles and practical examples of good workplace design (France), 2000 (CIS 02-477)

Study of problems related to the use of safety-related software applications (France), 2002 (CIS 02-603)

Preventing injuries from sharp devices among emergency service workers (CIS 02-923)

Information note on the design of laboratories taking occupational safety and health criteria into account (Spain), 2000 (CIS 02-1303)

Safety data sheet on the design or modification of supply-chain warehouses (France) (CIS 02-1440)

Information sheet presenting an approach involving planning prior to the design phase applied to workplace design (France), 2000 (CIS 02-1645)

Design guide for the layout of chemical laboratories (France), 2002 (CIS 02-1757)

SAFETY CHECKS

Best practice for the inspection of pressure equipment and systems (CIS 02-385)

Guidance on compliance with the regulations concerning the inspection of lifting equipment (United Kingdom), 2002 (CIS 02-927)

Study of the effectiveness of construction site safety inspections in reducing occupational accidents (CIS 02-1733)

SAFETY CLOTHING → PROTECTIVE CLOTHING

SAFETY COLOURS

Guide to the official standard on the use of safety colours (Costa Rica) (CIS 02-593)

SAFETY CONSCIOUSNESS

Development of a methodology to design and evaluate effective risk messages and its application to the electroplating industry (CIS 02-354)

Implementing a safe behaviour programme within the company (United Kingdom), 2002 (CIS 02-633)

Evaluation of the effectiveness of a worker training programme in safety and health (CIS 02-1180)

Practical examples of successful safety initiatives taken by enterprises among Member States (European Union), 2001 (CIS 02-1190)

Encouraging safety consciousness in the Australian mining industry (CIS 02-1271)

Survey on safety culture in the construction industry in the United States (CIS 02-1438)

Encouraging safety consciousness in industry (CIS 02-1483)

Evaluating the effectiveness of a safety culture survey tool in the United Kingdom (CIS 02-1628)

Effect of safety behaviour when using pesticides on acute symptoms in male and female tobacco farmers in Malaysia (CIS 02-1809)

Improving workers' compliance in wearing hearing protection based on behavioural studies (CIS 02-1904)

Survey of control measures to reduce the risk of in-plant transport accidents (CIS 02-1926)

SAFETY CONSULTANTS

Evaluation of occupational safety and health hazards within the enterprise (CIS 02-618)

Role of the professional working-environment consultant (CIS 02-1182)

The safety consulting professional (CIS 02-1191)

SAFETY DEVICES

Study of the impact resistance of several materials used for guards on cutting machine tools according to requirements of draft European safety standards (CIS 02-412)

Improving the safety of workers in the vicinity of mobile equipment (CIS 02-417)

Description of nine devices offering protection against various mechanical hazards in moulding, cutting or machining workshops (Switzerland) (CIS 02-425)

Information note on safeguarding of rotary knife wood turning lathes and reducing risks to health (United Kingdom), 2001 (CIS 02-429)

Safety guide to the use of safety devices for machinery (Costa Rica) (CIS 02-597)

Information note on machine guards (Spain), 2000 (CIS 02-1442)

Information note on safeguarding thermoform, fill and seal packaging machines (United Kingdom), 2001 (CIS 02-1444)

Information note on safeguarding palletizing and depalletizing packaging machines (United Kingdom), 2001 (CIS 02-1445)

Information note on safeguarding pre-formed rigid container packaging machines (United Kingdom), 2001 (CIS 02-1446)

Proposed simplified requirements for low complexity safety related systems (CIS 02-1765)

SAFETY DIRECTORS → SAFETY OFFICERS

SAFETY EDUCATION → SAFETY AND HEALTH TRAINING

SAFETY EDUCATION IN INDUSTRY → SAFETY TRAINING IN INDUSTRY

SAFETY ENGINEERING

Assessment of the reliability of the Linux computer operating system for safety-related applications (United Kingdom), 2002 (CIS 02-1764)

Review article on industrial vision applied to human presence detection in hazardous areas (CIS 02-1913)

SAFETY FRAMES AND CABS

Numerical simulation of the effectiveness of lap straps in the event of tractor overturning (CIS 02-1437)

SAFETY GOGGLES → SAFETY SPECTACLES

SAFETY INCENTIVES

Tax incentives for controlling chemical hazards in Singapore (CIS 02-286)

Survey of health insurance coverage among farmers in Iowa (United States) (CIS 02-711)

SAFETY LITERATURE

Complete database on CD-ROM of accident prevention directives (Germany), 2002 (CIS 02-645)

SAFETY OFFICERS

Guidance on the safety representatives and safety committees regulations (United Kingdom), 1996 (CIS 02-94)

Booklet offering guidance on organizing safety within the enterprise (Switzerland), 2001 (CIS 02-158)

Manual for the certification of OSH specialists (Portugal), 2001 (CIS 02-1149)

CD-ROM on the requirements and procedures for the certification of OSH specialists (Portugal), 2001 (CIS 02-1219)

Safety regulations and application directive on qualified persons in the field of occupational safety (Germany), 2002 (CIS 02-1642)

SAFETY ORGANISATION IN INDUSTRY → PLANT SAFETY ORGANIZATION

SAFETY PLANNING

Delphi study of the identification of research needs in occupational medicine in Italy (CIS 02-1707)

SAFETY POLICIES (PLANT LEVEL) → PLANT SAFETY ORGANIZATION

SAFETY PROGRAMMES

Literature review of the effectiveness of worker safety and health education programmes in the United States (CIS 02-132)

Examples of effective accident prevention programmes in member states of the European Union (CIS 02-136)

Evaluation of safety training programmes for reducing injuries among plumbers and pipefitters (CIS 02-246)

Assessment of the long-term impact of a union-based programme for industrial emergency response training (CIS 02-382)

Effectiveness of a participatory programme in reducing occupational injuries among cleaners at a hospital (CIS 02-604)

Evaluation of the effectiveness of a worker training programme in safety and health (CIS 02-1180)

Statistical analysis of occupational injuries (Norway), 1991-1996 (CIS 02-1185)

Guidance on developing and maintaining safety and health competence among workers in the railway transportation sector (United Kingdom), 2002 (CIS 02-1304)

Encouraging safety consciousness in industry (CIS 02-1483)

Collection of articles on safety issues involving temporary workers in the construction industry (CIS 02-1734)

Effectiveness of programmes aimed at modifying attitudes towards safety and quality at work (CIS 02-1982)

SAFETY PROMOTION MATERIALS → AUDIOVISUAL TRAINING

SAFETY RESEARCH → RESEARCH

SAFETY SHOES

Survey on the acceptance of the wearing of safety shoes at work (CIS 02-416)

Development of a method for measuring the interior dimensions of safety shoes (CIS 02-974)

SAFETY SPECTACLES

Study of the reasons behind the low use of safety glasses by dentists and dental assistants (CIS 02-463)

Assessment of exposure to laser radiation in Italian research laboratories (CIS 02-1895)

SAFETY SUPERVISORS → SAFETY OFFICERS

SAFETY TRAINING IN INDUSTRY

Evaluation of safety training programmes for reducing injuries among plumbers and pipefitters (CIS 02-246)

Description of the job of motorcycle dispatch workers and related hazards (CIS 02-736)

Evaluation of a training programme to reduce lead exposure among building industry painters (CIS 02-841)

Regulation on the OSH training of workers (Croatia), 2002 (CIS 02-1006)

Decree on the instruction, information and training of workers in the area of occupational safety and health (Algeria), 2002 (CIS 02-1017)

Regulations on the qualifications of personnel involved in the handling of dangerous substances (New Zealand), 2001 (CIS 02-1030)

Decree on the training of workers concerning the dangers of asbestos (France), 2002 (CIS 02-1044)

Evaluation of the effectiveness of a worker training programme in safety and health (CIS 02-1180)

Manual on an approach to the prevention of occupational accidents (CIS 02-1192)

Survey on methods preferred by farmers for the dissemination of safety information (CIS 02-1268)

Safety and health training programmes in civil engineering companies in the United States (CIS 02-1272)

Guidance on developing and maintaining safety and health competence among workers in the railway transportation sector (United Kingdom), 2002 (CIS 02-1304)

Farm worker reports of pesticide safety and sanitation at work in the United States (CIS 02-1359)

Report providing background information and a basis for discussions on the evolution of employment, working time and training in the mining industry aimed at delegates attending a tripartite conference held in Geneva (ILO), 2002 (CIS 02-1744)

Improvements in acceptance of skin protection measures in bakers' apprentices through an intervention programme (CIS 02-1827)

Improving workers' compliance in wearing hearing protection based on behavioural studies (CIS 02-1904)

SAFETY TRAINING IN SCHOOLS

Manual for the teaching of occupational safety and health in secondary schools (Spain), 2002 (CIS 02-1563)

SAFETY VALVES

Information note on the failure modes and reliability of safety valves (Spain), 1999 (CIS 02-390)

Information note on the selection of safety valves (Spain), 1999 (CIS 02-391)

SAFETY WEEKS → SAFETY AND HEALTH CAMPAIGNS

SALES FORCES

Case studies in applied ergonomics (CIS 02-470)

Cross-sectional survey on stress and depressive state among sales representatives (CIS 02-978)

SAMPLING AND ANALYSIS

Biological monitoring of employees exposed to 4,4'-methylene-bis-(2-ortho-chloraniline) (CIS 02-273)

New method for the sampling and analysis of acetic acid in workplace air (CIS 02-789)

Supplement to the NIOSH manual of analytical methods for monitoring exposure to toxic substances (USA), 1998 (CIS 02-866)

Laboratory method for the determination of mercury and its inorganic divalent compounds in air (United Kingdom), 2002 (CIS 02-872)

Statistical assessment of variability of biomonitoring data (CIS 02-1346)

Statistical evaluation of different air sampling methods for acrylonitrile (CIS 02-1374)

Information note on the evaluation of daily exposure to chemicals (Spain), 2000 (CIS 02-1391)

Information note on the evaluation of short-term exposure to chemicals (Spain), 2000 (CIS 02-1392)

Information note on sampling and evaluation of daily exposure to chemicals (Spain), 2000 (CIS 02-1398)

SAMPLING INSTRUMENTS

Evaluation of a portable blood lead analyser with populations occupationally exposed to lead (CIS 02-796)

SAMPLING LOCATION → LOCATION OF SAMPLING POINTS

SAMPLING METHODS

Thoracic sampling of fibres (CIS 02-331)

Statistical evaluation of different air sampling methods for acrylonitrile (CIS 02-1374)

SANCTIONS → PENALTIES

SAND PITS → QUARRYING INDUSTRY

SANDING MACHINES (WOOD)

Information note on dust capture at fixed belt sanding machines (United Kingdom), 2002 (CIS 02-1857)

SANITARY FACILITIES

Review of regulations concerning sanitary facilities in enterprises (France), 1999 (CIS 02-221)

SARS → SEVERE ACUTE RESPIRATORY SYNDROME

SAWDUST

Case study of sensitization dermatitis from colophony in sawdust (CIS 02-791)

SAWMILLING INDUSTRY

Asthma and other respiratory symptoms among New Zealand pine processing sawmill workers (CIS 02-229)

Work-related symptoms among Finnish sawmill workers exposed to monoterpenes and wood dust (CIS 02-844)

Exposure to dust, resin acids and monoterpenes in softwood lumber mills (CIS 02-1813)

SCAFFOLDS

Training programme on the safety of scaffolds in the construction industry (USA), 1997 (CIS 02-109)

Factors associated with medical consultation for low-back pain among scaffolders (CIS 02-721)

SCALES → VISUAL DISPLAYS

SCHEDULE OF OCCUPATIONAL DISEASES

Law on the notification of occupational accidents and diseases (Barbados), 1952 (CIS 02-503)

Ordinance on the schedule of occupational diseases (Germany), 1997-2002 (CIS 02-511)

Occupational diseases newly recognized for purposes of workers' compensation in Belgium (CIS 02-1675)

SCHOOLS → EDUCATIONAL INSTITUTIONS

SCIENTIFIC INSTITUTES → RESEARCH ESTABLISHMENTS

SCLERODACTYLIA → SCLERODERMA

SCLERODERMA

Meta-analysis of the association between systemic sclerosis and exposure to solvents (CIS 02-805)

SCLEROSIS

Meta-analysis of the association between systemic sclerosis and exposure to solvents (CIS 02-805)

SCREEN PRINTING

Technical ventilation measures for protection against solvent vapours in the silk-screen printing industry (CIS 02-333)

SCREENING TESTS → EXPOSURE TESTS

SCREWS → FASTENERS

SEA TRANSPORT

Analysis of injuries and diseases among Australian seafarers (CIS 02-235)

Notification concerning biological agents on offshore installations (Denmark), 2002 (CIS 02-539)

Occupational accidents aboard Danish merchant ships between 1993 and 1997 (CIS 02-724)

Deaths due to disease of seafarers on board ships (Singapore), 1986-1995 (CIS 02-725)

Health care system for seafarers in Indonesia (CIS 02-726)

Report on working conditions in docks (ILO), 2002 (CIS 02-753)

Risk factors for accidents in commercial shipping in the United States (CIS 02-1267)

Approach for detecting hazardous situations on board ocean-going ships (CIS 02-1492)

Regulations on the safe operation of fishing vessels (Ireland), 1999 (CIS 02-1515)

Catalogue of maritime labour conventions and recommendations (ILO), Spanish version, 2000 (CIS 02-1517)

SEALANTS

Study of isocyanate emissions following the application of concrete coatings (CIS 02-1780)

SEAM WELDING → RESISTANCE WELDING

SEASONAL VARIATION

Influence of building maintenance, environmental factors and seasonal climatic changes on airborne contaminants in pigpens (CIS 02-1933)

SEATS

Test bench measurements and numerical modelling applied to designing power trucks with lower levels of vibration (CIS 02-1418)

Practical guidance on ergonomic sitting postures at the workplace (United Kingdom), 2002 (CIS 02-1976)

SECURING OF LOADS

Safe design of ambulances (CIS 02-415)

SEDATIVES → TRANQUILLIZERS

SEEDS

Case studies of amaranth-induced allergy in five bakery workers (CIS 02-433)

SELECTION OF EQUIPMENT

Information note on the selection of safety valves (Spain), 1999 (CIS 02-391)

Guide to the selection and use of personal protective equipment (Costa Rica) (CIS 02-588)

Safety data sheet on two-hand control devices (France), 2001 (CIS 02-934)

Guide to personal protective equipment selection (Costa Rica) (CIS 02-1170)

Safety data sheet on respirators (France), 2002 (CIS 02-1404)

Selecting operating procedures and equipment in biotechnology laboratories in Germany (CIS 02-1455)

Personal protective equipment buyers' guide (CIS 02-1611)

Compendium of standards on the selection, use and maintenance of personal protective equipment (France), 2000 (CIS 02-1640)

Information note on the selection of vibration-reduced tools in foundries (United Kingdom), 2002 (CIS 02-1909)

SENSATION THRESHOLDS

Thermal perception threshold testing for the evaluation of small sensory nerve fibre injury among patients with hand-arm vibration syndrome (CIS 02-397)

Thermal perception thresholds in the hands of workers exposed to vibration (CIS 02-894)

SENSE OF SMELL → OLFACTION

SENSITIZATION

Data sheet on occupational asthma with and without latency (France), 2001 (CIS 02-216)

Relationship between beryllium particulate exposure and disease among workers of a beryllium machining plant (CIS 02-316)

Latex symptoms and sensitisation among health care workers (CIS 02-329)

Development of a diagnostic approach for the detection of workers sensitized to high-molecular-weight protein allergens (CIS 02-1225)

Sensitization to enzymes among workers of the animal feed industry (CIS 02-1367)

Specific immune response to occupational antigens in asymptomatic egg packaging and processing workers (CIS 02-1686)

SENSITIZATION DERMATITIS

Case study of sensitization dermatitis from colophony in sawdust (CIS 02-791)

Case study of sensitization dermatitis in carpenters (CIS 02-792)

Study of depression-related short-term disability in an employed population (**CIS 02-1491**)

Proposals for the standardization of work disability data (**CIS 02-1600**)

Prevalence of psychiatric disorders in patients with chronic work-related musculoskeletal pain disability (**CIS 02-1658**)

Workers' rehabilitation and return to work following disabling illness or injury (**CIS 02-1710**)

Prospective study of the relationship between physical-leisure time activities and long-term sick leave among nurses' aides (**CIS 02-1720**)

Development and testing of a presenteeism scale (**CIS 02-1984**)

SIGHT TESTS → VISION TESTS

SILICA

Cost-effective way to identify worksites presenting a risk of silicosis (**CIS 02-174**)

Interstitial lung fibrosis among coal miners (**CIS 02-187**)

Accelerated silicosis among Chinese workers exposed to agate dust (**CIS 02-268**)

Report on the prevention of hazards from exposure to diatomaceous earths during wine filtration (**CIS 02-352**)

Estimating historical respirable crystalline silica exposures for workers in pottery and mining industries in China (**CIS 02-770**)

Characterization of airborne silica dust and asbestos fibres (**CIS 02-772**)

Quantitative risk assessment of lung cancer mortality among diatomaceous earth industry workers exposed to silica dusts (**CIS 02-803**)

Risk of silicosis among Chinese tin miners exposed to silica (**CIS 02-836**)

Radiographic abnormalities in long-tenure Vermont granite workers and the permissible exposure limit for crystalline silica (**CIS 02-837**)

Study of the possible confounding by carcinogens of the relation between lung cancer risk, silica exposure and silicosis among Chinese mining and pottery industry workers (**CIS 02-846**)

Effectiveness of local exhaust ventilation in reducing exposure to dust during concrete cutting and grinding (**CIS 02-1364**)

Description of a method for the determination of the respirable fraction of crystalline silica (**CIS 02-1814**)

Information note on the control of exposure to silica dust in small potteries (United Kingdom), 2002 (**CIS 02-1858**)

SILICON DIOXIDE → SILICA

SILICOSIS

Cost-effective way to identify worksites presenting a risk of silicosis (**CIS 02-174**)

Interstitial lung fibrosis among coal miners (**CIS 02-187**)

Accelerated silicosis among Chinese workers exposed to agate dust (**CIS 02-268**)

Survey on silicosis among ex-workers of the stone-crushing sector in Delhi, India (**CIS 02-653**)

Study of cancer mortality of Belgian coal miners having received compensation for silicosis (**CIS 02-676**)

Risk of silicosis among Chinese tin miners exposed to silica (**CIS 02-836**)

Polymorphisms of the IL-1 gene complex in coal miners with silicosis (**CIS 02-1226**)

SIMULATION FACILITIES

Pilot-scale experiments to simulate the spreading of liquids leaking from bulk storage tanks (**CIS 02-1866**)

SINGAPORE

Relationship between occupational activity and myopia in Singapore women (**CIS 02-178**)

Tax incentives for controlling chemical hazards in Singapore (**CIS 02-286**)

Industrial noise control in Singapore (**CIS 02-396**)

Epidemiology of occupational skin disease (Singapore), 1989 - 1998 (**CIS 02-662**)

Deaths due to disease of seafarers on board ships (Singapore), 1986-1995 (**CIS 02-725**)

Information leaflet on occupational skin diseases (Singapore) (**CIS 02-1156**)

Information leaflet on occupational lung diseases (Singapore) (**CIS 02-1157**)

Information leaflet on the hazards of electroplating (Singapore) (**CIS 02-1158**)

Case studies of accidents in the metalworking industry (Singapore) (**CIS 02-1159**)

Information leaflet on the ergonomic factors applicable to work at visual display unit workstations (Singapore), 1998 (**CIS 02-1162**)

Information leaflet on the health hazards of benzene (Singapore) (**CIS 02-1165**)

Information leaflet on the hazards of solvents (Singapore) (**CIS 02-1166**)

Information leaflet on the health hazards of organophosphorus pesticides (Singapore) (**CIS 02-1167**)

Information leaflet on material safety data sheets (Singapore) (**CIS 02-1168**)

Information leaflet on noise-induced deafness (Singapore) (**CIS 02-1171**)

Information leaflet containing guidance on the application of noise regulations (Singapore) (**CIS 02-1172**)

Safety guide on lock-out procedures (Singapore) (**CIS 02-1175**)

Occupational skin diseases among national servicemen and military personnel in Singapore between 1989 and 1999 (**CIS 02-1253**)

Information sheets on the prevention of SARS infection in an occupational setting (Singapore), 2003 (**CIS 02-1462**)

Standard on safety management systems for construction sites (Singapore), 1999 (**CIS 02-1752**)

Standard on the distribution of hazardous chemicals (Singapore), 1999 (**CIS 02-1846**)

Standard for entering and working in confined spaces (Singapore), 2000 (**CIS 02-1847**)

Standard on the inspection of cylinders in bundles for permanent and liquefiable gases (Singapore), 2000 (**CIS 02-1877**)

SINTERED METALS

Long-term study of lung cancer mortality in a French ore sintering plant (**CIS 02-719**)

SINUS ARRHYTHMIA

Assessing the suitability of cross-sectional and longitudinal cardiac rhythm tests for identifying the effects of occupational chronic lead exposure (**CIS 02-1651**)

SINUSITIS

Nasopharyngeal carcinoma and chronic pharyngitis or sinusitis among workers at a newspaper printing company (**CIS 02-1667**)

SISAL INDUSTRY → FIBRE-ROPE INDUSTRY

SITTING POSTURE

Effects workplace layout on muscular activity in seated manual handling tasks (**CIS 02-440**)

Effects of neutral posture on muscle tension during computer use (**CIS 02-464**)

Ergonomic evaluation of arm supports during the use of the mouse and keyboard when working on computers (**CIS 02-465**)

Practical guidance on ergonomic sitting postures at the workplace (United Kingdom), 2002 (**CIS 02-1976**)

SIZING OF EQUIPMENT → DESIGN OF EQUIPMENT

SKIDS

Analysis of injuries to loggers during skid work in New Zealand (**CIS 02-919**)

SKIN ABSORPTION

Evaluation of exposure to polycyclic aromatic hydrocarbons, benzene, toluene and xylenes in workers in an oil-burning power plant in Italy (**CIS 02-321**)

Monitoring for skin contamination in workers in the petrochemical industry (**CIS 02-1685**)

Report on the experimental evaluation of dermal exposure during pesticide spraying (United Kingdom), 2002 (**CIS 02-1840**)

SKIN ALLERGIES

Occupational contact allergy to acrylates and methacrylates (**CIS 02-298**)

Allergic contact dermatitis due to disperse blue 106 and disperse blue 124 in German and Austrian patients from 1995 to 1999 (**CIS 02-299**)

Effect of skin protection cream on allergic reactions to latex gloves (**CIS 02-300**)

Study of the incidence of work-related hand eczema during apprenticeship in the automobile industry (**CIS 02-314**)

Case studies of occupational allergic contact dermatitis in two hairdressers due to glutaraldehyde (**CIS 02-327**)

Therapeutic effects of *Nigella sativa* on occupational contact dermatitis (**CIS 02-660**)

Skin test results in 542 patients with suspected contact dermatitis (**CIS 02-667**)

Association between occupation and contact allergy to the fragrance mix (**CIS 02-814**)

Study of allergic contact dermatitis from glutaraldehyde in health-care workers (**CIS 02-849**)

Cross-sectional study of skin problems among workers exposed to toluene diisocyanate at a foam manufacturing facility (**CIS 02-1806**)

SKIN CANCER

Booklet on the detection, reporting and compensation of occupational skin cancer (**CIS 02-204**)

SKIN CONTAMINATION

Effectiveness of measures to control exposure to inhalable particulate and dermal contamination in the rubber manufacturing industry (**CIS 02-322**)

SKIN CREAMS

Effect of skin protection cream on allergic reactions to latex gloves (**CIS 02-300**)

Using vegetable fats for protection against irritant contact dermatitis in the food industry (**CIS 02-666**)

SKIN DISEASES

Epidemiology of skin and respiratory diseases among hairdressers in Finland (**CIS 02-209**)

Data sheet on occupational skin diseases caused by cutting fluids (France), 2000 (**CIS 02-373**)

Sex-related differences in prevalence of occupational skin diseases (**CIS 02-661**)

Epidemiology of occupational skin disease (Singapore), 1989 - 1998 (**CIS 02-662**)

Questionnaire survey on occupational eczema and derived psychological effects (**CIS 02-665**)

Skin diseases among workers in several small glass fibre reinforced plastics enterprises (**CIS 02-668**)

Effects of gasoline used as a degreasing solvent in the clothing industry on the skin of exposed workers (**CIS 02-822**)

Efficacy of a protective cream against hand irritation among apprentice hairdressers (**CIS 02-848**)

Information leaflet on occupational skin diseases (Singapore) (**CIS 02-1156**)

Special feature on occupational skin diseases caused by cement (**CIS 02-1234**)

Occupational skin diseases among national servicemen and military personnel in Singapore between 1989 and 1999 (**CIS 02-1253**)

Manual on occupational skin diseases (**CIS 02-1260**)

Information note on occupational skin diseases caused by polyacrylate and polymethacrylate resins (France), 2001 (**CIS 02-1263**)

Information note on occupational skin diseases due to cement (France), 2001 (**CIS 02-1264**)

Review of skin diseases due to colophony (**CIS 02-1355**)

Information sheet on cement (France), 2002 (**CIS 02-1401**)

Retrospective survey of occupationally-relevant sensitizers in employed persons with a report of a skin disease (**CIS 02-1679**)

SKIN PROTECTION

Improvements in acceptance of skin protection measures in bakers' apprentices through an intervention programme (**CIS 02-1827**)

SKIN TEMPERATURE

Thermal perception threshold testing for the evaluation of small sensory nerve fibre injury among patients with hand-arm vibration syndrome (**CIS 02-397**)

SKIN TESTS

Skin test results in 542 patients with suspected contact dermatitis (**CIS 02-667**)

Contact dermatitis in Korean dental technicians (**CIS 02-820**)

Case study of eczema due to an allergic reaction to quaternary ammonium compounds used as disinfectants by nurses (**CIS 02-821**)

Retrospective survey of occupationally-relevant sensitizers in employed persons with a report of a skin disease (**CIS 02-1679**)

SLAG WOOL → MINERAL WOOL

SLAUGHTERING

Guide for self-evaluation of occupational hazards in cattle and swine rearing (France), 2001 (**CIS 02-257**)

Risk factors for Nipah virus infection among abattoir workers in Singapore (CIS 02-432)

Evaluation of low back pain risks in a beef skinning operation (CIS 02-447)

Efforts undertaken by an enterprise in the slaughterhouse and meat packaging industry for improving safety during cutting operations (CIS 02-1920)

SLEEP

Impact of flexible shift schedules on the sleep duration and social life of nurses (CIS 02-453)

Sleepiness and road accidents among traffic policemen on shift-work on Italian highways (CIS 02-1963)

SLEEP DISTURBANCES

Study of circadian rhythm of heart rate, urinary cortisol excretion and sleep in civil air traffic controllers (CIS 02-445)

Summary of papers presented at a conference on the topic of sleep, vigilance and work (Paris, France, 23 March 2001) (CIS 02-484)

Relationship between physically demanding work, inadequate sleep, pain medication use and absenteeism among registered nurses (CIS 02-970)

Study of sleep disturbances during and after an intercontinental trip (CIS 02-1967)

SLEEP PATTERN

Sleep pattern of medical residents in hospitals in Israel (CIS 02-454)

Summary of papers presented at a conference on the topic of sleep, vigilance and work (Paris, France, 23 March 2001) (CIS 02-484)

Effects of monotonous work at computer terminals on electroencephalographic changes and vigilance (CIS 02-1763)

Study of sleep disturbances during and after an intercontinental trip (CIS 02-1967)

SLEEVELETS → ARM GUARDS

SLIME CONTROL AGENTS → FUNGICIDES

SLING FITTINGS → LIFTING APPLIANCES

SLIPPERY FLOORS

New theory to explain falls due to slippery floors (CIS 02-1911)

Special issue on slipping, tripping and falling accidents (CIS 02-1921)

SLOVAK REPUBLIC

Law on occupational safety and health (Slovak Republic), 2001 (CIS 02-2)

Law concerning nuclear safety (Slovak Republic), 2000 (CIS 02-22)

Order on the safety and health protection of workers in the mining industry (Slovak Republic), 2002 (CIS 02-515)

Order on the protection of workers against carcinogenic and mutagenic agents (Slovak Republic), 2002 (CIS 02-523)

Order on the protection of workers against chemical hazards (Slovak Republic), 2002 (CIS 02-524)

Order on the protection of workers against the hazards of exposure to asbestos (Slovak Republic), 2002 (CIS 02-525)

Order on the protection of health of workers exposed to noise and vibration (Slovak Republic), 2002 (CIS 02-536)

Order on the protection of workers against biological hazards (Slovak Republic), 2002 (CIS 02-541)

SLOVENIA

Regulations concerning the preventive medical examination of workers (Slovenia), 2002 (CIS 02-1021)

Law on protection against ionizing radiation and on nuclear safety (Slovenia), 2002 (CIS 02-1053)

SLUDGE

Evaluation of control measures for odour pollution and bioaerosols during the secondary treatment of pulp and paper industry effluents (CIS 02-845)

Guidance for controlling risks to workers from bio-solids used for land fertilization (USA), 2002 (CIS 02-1948)

SMALL ENTERPRISES

Trends in occupational safety and health indicators in small and medium-sized enterprises in Poland during the transition to a market economy (CIS 02-134)

Quality of jobs in micro firms in the European Union (CIS 02-149)

Occupational health survey in small-scale industries in China (CIS 02-198)

Second evaluation of the Manual Handling Operations Regulations (1992) and guidance (United Kingdom), 2001 (CIS 02-418)

Factors affecting the compliance of the law on internal control of occupational safety and health by small enterprises in Norway (CIS 02-608)

Survey of occupational safety and health practices in small businesses in New Zealand (CIS 02-609)

Impact of globalization on small enterprises and the informal sector (CIS 02-617)

Occupational safety and health in Taiwan (CIS 02-625)

Skin diseases among workers in several small glass fibre reinforced plastics enterprises (CIS 02-668)

Trends in governmental financial assistance for promoting occupational health services in small-scale enterprises in Japan (CIS 02-692)

Survey of working conditions in the beedi industry (CIS 02-731)

Evaluation of a Korean government programme providing support for occupational health services for small-scale enterprises (CIS 02-750)

Questionnaire for the evaluation of safety and health hazards associated with the use of resins during the laying of floorcovering (CIS 02-840)

Evaluation of a training programme to reduce lead exposure among building industry painters (CIS 02-841)

Cohort study of convenience store employee injuries during robberies (CIS 02-979)

Statistical evaluation of morbidity and mortality in small enterprises in the United States (CIS 02-1184)

Study of the most effective means of communicating safety and health guidance to small firms in the United Kingdom (CIS 02-1197)

Government support for programmes aimed at improving working conditions in small and medium enterprises in the Philippines (CIS 02-1285)

Occupational safety and health in the small farming and forestry sectors (ISSA) (CIS 02-1295)

Trends in working conditions at start-up enterprises in France (CIS 02-1307)

Advantages of variable-flow exhaust ventilation systems in small woodworking shops (CIS 02-1368)

Technical support from automobile industry manufacturers for limiting the exposure to harmful substances in automobile repair shops in Germany (CIS 02-1385)

Study of ergonomical and noise problems in small and medium-sized companies for the purpose of designing effective organizational systems for improving the safety and health of workers in Germany (CIS 02-1432)

Guide to the management of occupational safety and health in small and medium enterprises (Spain), 2001 (CIS 02-1577)

Case-control study of the relationship between respiratory symptoms and dust exposure among male workers in small-scale wood industries in Tanzania (CIS 02-1830)

Information note on the control of exposure to silica dust in small potteries (United Kingdom), 2002 (CIS 02-1858)

Study of the means of encouraging small enterprises in Denmark to adopt workplace hazard assessment (CIS 02-1965)

SMELTING PLANTS

Relationship between smoking and blood cadmium concentrations among young workers in a cadmium and zinc extraction facility (CIS 02-783)

Study of long-term trends in exposure to nickel aerosols in nickel-producing and nickel-using industries (CIS 02-1770)

SMOKE

Model for predicting the efficiency of protective measures against explosions in smoke chambers (Germany), 1997 (CIS 02-384)

Characterization of particulate matter in smoke released during carbon/epoxy composite material combustion (CIS 02-1348)

Lung cancer and indoor exposure to coal and biomass combustion products in rural China (CIS 02-1669)

SMOKING

Effectiveness of a smoking-cessation intervention at a worksite in Japan (CIS 02-495)

Relationship between smoking and blood cadmium concentrations among young workers in a cadmium and zinc extraction facility (CIS 02-783)

Prevalence of cigarette smoking by occupation and industry in the United States (CIS 02-852)

Cross-sectional study of the smoking behaviour of asbestos workers (CIS 02-989)

Association between asbestos exposure, smoking, myeloperoxidase genotypes and lung cancer risk (CIS 02-1664)

Smoking among the staff of an Italian hospital (CIS 02-1802)

Guide to fighting smoking in the enterprise (CIS 02-1843)

SOAPS

Study of occupational contact and allergic contact dermatitis among healthcare workers (CIS 02-1692)

SOCIAL ASPECTS

Impact of flexible shift schedules on the sleep duration and social life of nurses (CIS 02-453)

Evaluation of workspace layout design (CIS 02-490)

Importance of achievement and social relations values for job satisfaction (CIS 02-491)

Literature review of psychosocial hazard evaluation methods (United Kingdom), 2001 (CIS 02-498)

Report on working conditions in docks (ILO), 2002 (CIS 02-753)

Study of the relation between various social and occupational factors and the risk of musculoskeletal disease (CIS 02-973)

Evaluation of occupational psychosocial hazards (CIS 02-991)

Review of papers presented at a conference on the social and economic consequences of workplace illness and injury (13-15 June 1999, Denver, Colorado, USA) (CIS 02-995)

Literature review on the social consequences of occupational injuries and diseases (CIS 02-996)

Job study on the association in Japanese workers between neuropsychic stress and glycosylated haemoglobin A1c levels (CIS 02-1489)

Association of low job control with a decrease in memory T lymphocytes in Japanese middle-aged male workers (CIS 02-1705)

Collection of articles on living conditions of low-income women in the United States (CIS 02-1992)

Proceedings of a conference on work life in the 21st century (Helsinki, Finland, 15-17 October 2001) (CIS 02-1995)

SOCIAL ASSISTANCE SERVICES

Proceedings of a Conference on mentally handicapped people and their work capacity (Milan, Italy, 22-23 Oct. 1998) (CIS 02-749)

SOCIAL CLIMATE

Report providing background information and a basis for discussions on the promotion of good industrial relations in oil and gas production and oil refining aimed at delegates attending a tripartite conference held in Geneva (ILO), 2002 (CIS 02-1746)

SOCIAL SECURITY → WORKMEN'S COMPENSATION

SOCIAL WORKERS

Study of the occupation of housekeeping assistant (CIS 02-243)

Proposed measures limiting the risk of tuberculosis among social workers at homeless shelters (CIS 02-1929)

Guidance for health care and social workers on controlling musculoskeletal risks when caring for restricted-mobility patients (United Kingdom), 2001 (CIS 02-1975)

SODIUM α -CHLOROPROPIONATE

Criteria document on α -chloropropionic acid and sodium α -chloropropionate (Germany), 1995 (CIS 02-1557)

SODIUM ARSENITE

Data sheet on arsenic and its inorganic compounds (France), 1992 (CIS 02-63)

SODIUM BENZOATE

Concise chemical assessment document on benzoic acid and sodium benzoate (WHO), 2000 (CIS 02-1393)

SODIUM CHLORATE

Data sheet on potassium chlorate and sodium chlorate (France), 2000 (CIS 02-1136)

SODIUM DICHLOROISOCYANURATE

Data sheet on sodium dichloroisocyanurate and potassium dichloroisocyanurate (France), 1988 (CIS 02-1139)

SODIUM FLUORIDE

Data sheet on alkali metal and alkaline-earth fluorides (France), 1992 (CIS 02-62)

SODIUM HYDROSULFITE

Data sheet on sodium hydrosulfite (France), 1995 (CIS 02-1140)

SODIUM NITRITE

Data sheet on sodium nitrite (France), 1987 (CIS 02-46)

SOFTWOODS

Exposure to dust, resin acids and monoterpenes in softwood lumber mills (CIS 02-1813)

SOLUBLE SUBSTANCES

Data sheet on soluble thallium compounds (USA), Spanish translation, 2001 (CIS 02-1111)

SOLUTIONS

Criteria document on peroxyacetic acid and its equilibrium solutions (ECETOC), 2001 (CIS 02-69)

Criteria document on aqueous metal degreasing agents (CIS 02-857)

SOLVENTS

Occupational exposures and risk of pancreatic cancer in Spain (CIS 02-169)

Job-exposure relation and antifertility effects in male workers in Italy (CIS 02-274)

Exposure evaluation of dry cleaning workers to aromatic compounds and to tetrachloroethylene (CIS 02-290)

Criteria document on isobutyl alcohol (Germany), 1997 (CIS 02-585)

Criteria document on isoamyl alcohol (Germany), 1997 (CIS 02-587)

Historical review and current issues in work-related neurotoxicity (CIS 02-669)

Time to pregnancy among male workers of the reinforced plastics industry (CIS 02-681)

Evaluation of a questionnaire for neurotoxic symptoms in workers exposed to solvents (CIS 02-802)

Meta-analysis of the association between systemic sclerosis and exposure to solvents (CIS 02-805)

Criteria document on dimethyl sulfoxide (CIS 02-856)

Criteria document on aqueous metal degreasing agents (CIS 02-857)

Criteria document on 1-bromopropane (CIS 02-858)

Objectives and scope of a new European Commission research project on the effects of exposure to noise and industrial chemicals on hearing and balance (CIS 02-897)

Information leaflet on the hazards of solvents (Singapore) (CIS 02-1166)

Exposure to hazardous chemicals in opticians' workshops (CIS 02-1379)

Safety data sheet on degreasing solvents (France) (CIS 02-1395)

Study of occupational contact and allergic contact dermatitis among healthcare workers (CIS 02-1692)

Determination of toluene and xylenes in urine as biological indicators of low-level exposure (CIS 02-1796)

Long-term follow-up study of the cognitive performance of floor layers formerly exposed to solvents (CIS 02-1801)

Study of the substitution of trichloroethylene as a spot remover in the textile industry (CIS 02-1824)

Information note on the implications of the reclassification of trichloroethylene on the metal industry (United Kingdom), 2002 (CIS 02-1851)

SORBENTS

Using multisorbent tubes for improving the collection of volatile organic compounds in spacecraft air (CIS 02-1760)

SOUND LEVEL MEASUREMENT → NOISE LEVEL MEASUREMENT

SOUND PRESSURE → NOISE LEVEL

SOUTH AFRICA

Regulations on diving safety (South Africa), 2001 (CIS 02-13)

Regulations concerning the prevention of biological hazards (South Africa), 2001 (CIS 02-29)

Impact of the HIV/AIDS epidemic on safety and health in the South African mining industry (CIS 02-431)

Regulations on lead (South Africa), 2001 (CIS 02-528)

Occupational health indicators for South Africa (CIS 02-693)

Regulations on the safe use of explosives (South Africa), 2003 (CIS 02-1528)

SOUTH CAROLINA

Analysis of farm injuries having occurred over a three-year period in South Carolina (CIS 02-712)

SOUTH KOREA → KOREA, REPUBLIC OF

SOUTH WEST AFRICA → NAMIBIA

SOUTHERN RHODESIA → ZIMBABWE

SPACE TRAVEL

Description of remote medical surveillance systems for long-duration manned spaceflights (CIS 02-1697)

Using multisorbent tubes for improving the collection of volatile organic compounds in spacecraft air (CIS 02-1760)

Evaluation of the possibility of using satellite imaging for pipeline routing and surveillance (CIS 02-1870)

SPACECRAFT INDUSTRY → AIRCRAFT INDUSTRY

SPAIN

Decree for approving the regulations on safety measures within the state administration (Spain), 2002 (CIS 02-5)

Decree on fire safety in industry (Spain), 2001 (CIS 02-21)

Data sheet on magnesium pellets (Spain), 1991 (CIS 02-30)

Data sheet on mancozeb (Spain), 1991 (CIS 02-31)

SPECIAL RADIOLOGICAL TECHNIQUES

Proceedings of an expert meeting on advances in radiology and screening of asbestos-related diseases (Espoo, Finland, 9-11 Feb. 2000) (CIS 02-347)

SPEECH COMMUNICATION

Information note on the emotional components of verbal communication in OSH (Spain), 2000 (CIS 02-1499)

Using semantics and acoustics in the design of speech warnings (CIS 02-1955)

SPICES

Case of protein contact dermatitis from spices in a butcher (CIS 02-1826)

SPILLS

Pilot-scale experiments to simulate the spreading of liquids leaking from bulk storage tanks (CIS 02-1866)

SPINAL COLUMN

Disability management of low back injuries by employer-retained physicians (CIS 02-193)

SPINDLE MOULDERS

Information sheet on the selection of workpiece holding devices for limiting kickback risks at vertical axis spindle moulders (France), 2000 (CIS 02-1927)

SPIROMETRY

Longitudinal follow-up study of pulmonary function and respiratory symptoms in workers exposed to manganese (CIS 02-677)

Quality control of spirometry in risk evaluation in Italy (CIS 02-1694)

SPORES

Information note on anthrax (India), 2001 (CIS 02-1458)

SPORTS AND RECREATION

Cross-sectional study of ski-lift operators' deficiencies and incapacities (CIS 02-244)

Influence of exercise-focused group activities on the physical activity, functional capacity, and work ability of female farmers (CIS 02-443)

Mathematical model for assessing the economic impact of injuries in professional football (CIS 02-1436)

Prospective study of the relationship between physical-leisure time activities and long-term sick leave among nurses' aides (CIS 02-1720)

SPORTS FACILITIES

Cross-sectional study of ski-lift operators' deficiencies and incapacities (CIS 02-244)

SPOT WELDING → RESISTANCE WELDING

SPRAY COATING

Exposures and prevention measures when applying resins in confined spaces during construction work (CIS 02-270)

SPREAD OF EXPLOSIONS → PROPAGATION OF EXPLOSIONS

SPREADERS → LIFTING APPLIANCES

STABILITY

Approach for evaluating the effects of damage on the stability of underground hard rock excavations (CIS 02-1925)

STABILITY TESTS

Ergonomic evaluation of the safety of stepladders (CIS 02-1477)

STAINERS → PIGMENTS

STAINLESS STEEL

Male-mediated spontaneous abortion among spouses of stainless steel welders in Denmark (CIS 02-839)

STAIRS

Training programme on the safety of stairways and ladders in the construction industry (USA), 1997 (CIS 02-111)

Aspects to be considered for the safe design of stairways (CIS 02-419)

Emergency stairway regulations (Costa Rica), 1977, 1980 (CIS 02-529)

STANDARDIZATION

Guide to the supply of personal protective equipment during the use of hand knives in the food industry (CIS 02-411)

Standardization of personal protective equipment within the European Union from a German perspective (CIS 02-601)

Priorities for the standardization of general product safety (CIS 02-606)

Integrating the experience of machine operators in standardization efforts (CIS 02-925)

Survey of the current situation in standardization within the European Union related to the Pressure Equipment Directive (CIS 02-930)

Regulation on the renaming and organization of a National Committee on the Standardization of Occupational Safety and Health (Mexico), 2003 (CIS 02-1509)

STANDARDS INSTITUTIONS

Guide to the supply of personal protective equipment during the use of hand knives in the food industry (CIS 02-411)

STANDING POSTURE

Relationship between standing at work and progression of carotid atherosclerosis (CIS 02-688)

Ergonomic evaluation of book replacement tasks among clerks at a university library (CIS 02-960)

Assessment of elastomeric floor coverings in workplaces requiring a standing work posture (CIS 02-976)

STATE OF HEALTH

Ageing and work aptitude in Italy (CIS 02-196)

Working and health conditions air traffic controllers in Italy (CIS 02-480)

Cross-sectional study of the state of health of workers in large retail chains in France (CIS 02-1284)

Study of the state of health and occupational exposures among office workers near the World Trade Center disaster site (CIS 02-1370)

Proceedings of the 27th National Congress of Occupational Medicine and Health (Grenoble, France, 4-7 June 2002) (CIS 02-1696)

Assessment of the long-term impact of the health care and wellness programme of a large enterprise (CIS 02-1701)

Study of the relationship between health risks and the cost of time away from work (CIS 02-1712)

Development and testing of a presenteeism scale (CIS 02-1984)

STATIC ELECTRICITY

Information note on protection against static discharges (Spain), 2000 (CIS 02-1416)

STATIC ELECTRICITY ELIMINATION

Effects of electric field reduction in visual display units on skin symptoms (CIS 02-1421)

STATIC ELIMINATORS → STATIC ELECTRICITY ELIMINATION

STATICS → MECHANICS

STATISTICAL ASPECTS

New Brazilian OSH systems and incidence and mortality indicators of occupational accidents (CIS 02-1631)

STATISTICAL EVALUATION

Statistical assessment of variability of biomonitoring data (CIS 02-1346)

Comparison of endotoxin assays using agricultural dusts (CIS 02-1451)

STATISTICAL RECORDING → COMPILATION OF STATISTICS

STATISTICAL TRENDS

Trends in occupational safety and health indicators in small and medium-sized enterprises in Poland during the transition to a market economy (CIS 02-134)

Statistical trends in occupational safety and health in Europe (2002) (CIS 02-627)

Ten-year trends in working conditions in the European Union (CIS 02-642)

STEAM BOILERS

Regulation on the safe operation of steam-generating equipment and boilers (Nicaragua), 2002 (CIS 02-1533)

STEEL WIRE ROPE → WIRE ROPES

STEELWORKS

Report on practical experience in taking safety and health issues into account during the planning and implementation of an investment project in Germany (CIS 02-630)

Long-term study of non-fatal injuries in Brazilian steelworkers (CIS 02-718)

Evaluation of heat stress among foundry workers in India (CIS 02-898)

Risk of bronchopulmonary cancer in a stainless and alloyed steels plant in France (CIS 02-1247)

STENOSIS

Relationship between standing at work and progression of carotid atherosclerosis (CIS 02-688)

STEP LADDERS

Ergonomic evaluation of the safety of stepladders (CIS 02-1477)

Literature review of ergonomic evaluations of the safety of stepladders (CIS 02-1478)

STEPPING ON OBJECTS → STRIKING AGAINST OBJECTS

STEPS → STEP LADDERS

STERILANTS → DISINFECTANTS

STERILIZATION → DISINFECTION OF EQUIPMENT

STIBINE

Data sheet on stibine (France), 1992 (CIS 02-1106)

STOMACH CANCER → GASTROINTESTINAL CANCER

STONE CRUSHING

Survey on silicosis among ex-workers of the stone-crushing sector in Delhi, India (CIS 02-653)

STONE DRESSING

Accelerated silicosis among Chinese workers exposed to agate dust (CIS 02-268)

Advantages of vertical air flow in open ventilated booths (CIS 02-773)

STONE QUARRYING → QUARRYING INDUSTRY

STORAGE

Safety and health guide for work in warehouses (Canada), 1999 (CIS 02-107)

Proposed minimum distances between the point of storage of explosives and neighbouring buildings in the United Kingdom (CIS 02-1867)

Report on the safety of roll containers (CIS 02-1923)

STORAGE BATTERIES

Relationship between lead exposure and blood pressure and left ventricular mass among workers of a battery manufacturing facility (CIS 02-318)

Accident risks during the handling of lead acid batteries (CIS 02-1732)

STORAGE MITES → ACARIDS

STORAGE TANKS

Foam fire-extinguishing systems for petroleum storage tanks in India (CIS 02-884)

Pilot-scale experiments to simulate the spreading of liquids leaking from bulk storage tanks (CIS 02-1866)

STOWING → SECURING OF LOADS

STRATA CONTROL → SUPPORT OF MINEWORKINGS

STRENGTH OF MATERIALS

Method for testing the resistance of protective gloves to pricks from cannula used in medicine (CIS 02-349)

STRESS CORROSION

Safety implications of the ageing of low-voltage cables (CIS 02-393)

STRESS EVALUATION

Information note on a methodology for assessing stress among teachers (Spain), 2000 (CIS 02-1497)

STRESS FACTORS

Exposure evaluation of the pathological risks incurred by Italian police forces and their prevention (CIS 02-224)

Characteristics of job stress among Japanese scientific researchers (CIS 02-481)

Computer-assisted tool for carrying out literature surveys, applied to the field of occupational stress (CIS 02-487)

Development of a questionnaire for monitoring psychosocial stress at work (CIS 02-492)

Influence of psychological and organizational factors on wrist musculoskeletal disorders (CIS 02-949)

Cross-sectional survey on stress and depressive state among sales representatives (CIS 02-978)

Ways of avoiding occupational stress (Sweden), 2000 (CIS 02-1495)

Information note on a methodology for assessing stress among teachers (Spain), 2000 (CIS 02-1497)

Association of low job control with a decrease in memory T lymphocytes in Japanese middle-aged male workers (CIS 02-1705)

Evaluation of occupational stress factors in the printing and publishing industries in France (CIS 02-1736)

Study of the relation between stress, sex, endocrine response and work-related upper extremity disorders (CIS 02-1977)

Hyperventilation theory for explaining the relation between job stress and musculoskeletal disorders (CIS 02-1978)

Occupational stress and its prevention (CIS 02-1981)

Study of mental models of psychosocial hazards (CIS 02-1997)

STRIKING AGAINST OBJECTS

Standard on pressure-sensitive bumpers for unmanned vehicles as a means of prevention of collision hazards (France), 2000 (CIS 02-1441)

STRIPPING AGENTS → PARTING AGENTS

STRUCTURE BORNE NOISE → VIBRATION

STRUCTURES → BUILDINGS

STYRENE

Changes in cellular immunity among workers exposed to styrene in a plastics lamination plant (CIS 02-323)

Time to pregnancy among male workers of the reinforced plastics industry (CIS 02-681)

Effect of cumulative exposure to styrene on visual functions among workers in the reinforced plastics industry (CIS 02-1344)

Hepatic enzyme levels in workers exposed to styrene (CIS 02-1365)

Influence of styrene exposure and microsomal epoxide hydrolase phenotype on neurobehavioural changes among workers of a polyester boat building plant (CIS 02-1366)

SUBCONTRACTORS

Indicators for the measurement of safety performance in building contractors' workplaces in Australia (CIS 02-743)

Consequences on occupational safety and health of the new forms of work organization resulting from the decentralization of production (CIS 02-751)

Information note on occupational safety and health management systems applicable to subcontracted work (Spain), 2000 (CIS 02-1216)

Guidance on good practices in occupational safety and health applicable to contractors (CIS 02-1305)

Prevention of occupational hazards in temporary work, in temporary work agencies and in contracts and subcontracts (Spain), 2002 (CIS 02-1751)

SUBJECT VARIABILITY

Statistical assessment of variability of biomonitoring data (CIS 02-1346)

Variation in exposure levels for asbestos, beryllium and ionizing radiation based on published data from monitoring programmes (CIS 02-1349)

SUBJECTIVE ASSESSMENT

Study of the consistency of responses of keyboard operators to the upper extremity questionnaire (CIS 02-962)

Survey of psychosocial job stressors and their implications for health among employed persons in Taiwan (CIS 02-1485)

Assessment of the reliability and validity of an occupational health history questionnaire (CIS 02-1660)

SUBSTITUTION

Substitution of toxic pigments in the pottery industry (CIS 02-847)

Criteria document on dimethyl sulfoxide (CIS 02-856)

Criteria document on aqueous metal degreasing agents (CIS 02-857)

Criteria document on 1-bromopropane (CIS 02-858)

Guide to the hazard evaluation and the substitution of dangerous substances (Germany), 1999 (CIS 02-862)

Videotape showing alternative methods of controlling weeds without using herbicides (CIS 02-881)

Study of the substitution of trichloroethylene as a spot remover in the textile industry (CIS 02-1824)

Information note on occupational safety and health regulations applicable to asbestos substitutes (France), 2000 (CIS 02-1856)

SUBTHRESHOLD EXPOSURE

Study of neurobehavioural disturbances arising from low-levels of exposure to toluene (CIS 02-824)

Information note on multiple chemical sensitivity and related phenomena (Spain), 2000 (CIS 02-1262)

Research in the fields of occupational medicine and occupational safety and health in Italy (CIS 02-1833)

SUICIDE

Rate of suicide by occupation in New Zealand (CIS 02-990)

SULFAMIC ACID

Data sheet on sulfamic acid (France), 1987
(CIS 02-1092)

SULFATES

Case-referent study of cancer mortality among sulfate process pulp mill workers in Sweden (CIS 02-1251)

SULFITES

Cohort study of cancer morbidity in the pulp and paper industry in British Columbia (Canada) (CIS 02-1252)

SULFUR AND COMPOUNDS

Evaluation of control measures for odour pollution and bioaerosols during the secondary treatment of pulp and paper industry effluents (CIS 02-845)

SULFUR HEXAFLUORIDE

Air sampling at the chest and ear as representative of the breathing zone (CIS 02-269)

Method for testing the containment of hospital isolation rooms (CIS 02-1946)

SUPERMARKETS

Job study of work in frozen-food departments (CIS 02-223)

Reports on experiences with quality management and integrated occupational safety and health in a large food retailing chain (CIS 02-755)

Ergonomic study of women cashiers at a large Tunisian retailer (CIS 02-1471)

Report on the safety of roll containers (CIS 02-1923)

Study of the job of women supermarket cashiers (CIS 02-1953)

SUPPLEMENTARY WORK → EXTRA WORK

SUPPLY OF INFORMATION

Notification concerning the special obligations of producers, suppliers and importers of substances and materials under the Working Environment Act (Denmark), 2002 (CIS 02-1027)

Regulations on information concerning hazardous substances to be included in applications for approval (New Zealand), 2001 (CIS 02-1037)

Regulations on the tracking of dangerous substances (New Zealand), 2001 (CIS 02-1043)

Regulation concerning the export and import of dangerous chemicals (European Union), 2003 (CIS 02-1045)

Study of the most effective means of communicating safety and health guidance to small firms in the United Kingdom (CIS 02-1197)

Information note on the procedure for hazard communication and improvement proposals as part of a prevention management system (Spain), 2000 (CIS 02-1213)

Survey on methods preferred by farmers for the dissemination of safety information (CIS 02-1268)

Audit report on the UK Health and Safety Executive's openness procedures and practices (CIS 02-1630)

Communicating information during crisis situations (CIS 02-1865)

SUPPLY OF PERSONAL PROTECTIVE EQUIPMENT

Guide to the supply of personal protective equipment during the use of hand knives in the food industry (CIS 02-411)

SUPPORT OF MINEWORKINGS

Risks of ground collapse in underground coal mine roadways (United Kingdom), 2001 (CIS 02-437)

Approved Code of Practice and guidance note on the control of ground movement in mines (United Kingdom), 1999 (CIS 02-1443)

SURFACE COATING

Exposures and prevention measures when applying resins in confined spaces during construction work (CIS 02-270)

SURVEY

Survey on employment and hours of work in Europe (CIS 02-150)

Comparison of occupational health services in 17 European countries (CIS 02-212)

Potential exposure of amateurs from wood preservative and antifouling preparations (CIS 02-282)

SUSPENDED CARS → SUSPENDED PLATFORMS

SUSPENDED PLATFORMS

Study of the relationship between occupation and stomach cancer (Sweden), 1971-1989 (CIS 02-659)

Fatal accidents in Swedish farming and forestry (Sweden), 1988-1997 (CIS 02-1269)

Ways of avoiding occupational stress (Sweden), 2000 (CIS 02-1495)

Study of the relation between time spent driving tractors and self-reported low-back and hip symptoms (CIS 02-1949)

SWIMMING POOLS

Study of various gas/liquid contact systems for stripping trichloramine in swimming pool buffer tanks (CIS 02-271)

Visual scanning methods and attention span in lifeguards (CIS 02-483)

Information note on the prevention of health hazards due to chloramines in swimming pools and in the food industry (France), 2000 (CIS 02-1854)

SWINE

Influence of building maintenance, environmental factors and seasonal climatic changes on airborne contaminants in pigpens (CIS 02-1933)

SWITZERLAND

Ordinance on radiation protection in non-medical establishments where ionizing radiation is produced (Switzerland), 2001 (CIS 02-26)

Booklet offering guidance on organizing safety within the enterprise (Switzerland), 2001 (CIS 02-158)

Comparison of occupational health services in 17 European countries (CIS 02-212)

Check list for safe operation of milling machines (Switzerland) (CIS 02-424)

Description of nine devices offering protection against various mechanical hazards in moulding, cutting or machining workshops (Switzerland) (CIS 02-425)

Booklet on personal protective equipment of forestry workers (Switzerland), 2002 (CIS 02-598)

Framework for carrying out analyses of accident causes within the company (Switzerland), 2002 (CIS 02-644)

Literature survey on the economic consequences of working conditions that are hazardous to health (CIS 02-696)

Exposure limits for toxic substances and physical agents, and biological exposure indices (Switzerland), 2001 (CIS 02-1014)

Safety manual on the handling of uprooted trees (Switzerland), 2002 (CIS 02-1174)

Training booklet on the risks of accident in occupational settings, and their prevention (Switzerland), 2002 (CIS 02-1564)

Role of labour inspection in Switzerland (CIS 02-1620)

Guide for the prevention of violence at the workplace (Switzerland), 2002 (CIS 02-2000)

SYLLABUS → TRAINING COURSE

SYMPTOMS

Respiratory symptoms among active firefighters (CIS 02-192)

Clinical symptoms among children working in cotton fields in Benin (CIS 02-305)

Relationship between symptoms and respiratory functions, and glutaraldehyde exposure among endoscopy nursing staff (CIS 02-326)

General review article on bullying (CIS 02-485)

Neuropsychic reactions following exposure to traumatic incidents at the place of work (CIS 02-486)

Follow-up study of respiratory health of newly-hired female cotton textile workers in China (CIS 02-730)

Evaluation of a questionnaire for neurotoxic symptoms in workers exposed to solvents (CIS 02-802)

Effects of gasoline used as a degreasing solvent in the clothing industry on the skin of exposed workers (CIS 02-822)

Study of neurobehavioural disturbances arising from low-levels of exposure to toluene (CIS 02-824)

Cases of irritation and toxicity among aircrew exposed to chemicals in aircraft (CIS 02-842)

Work-related symptoms among Finnish sawmill workers exposed to monoterpenes and wood dust (CIS 02-844)

Survey of psychosocial job stressors and their implications for health among employed persons in Taiwan (CIS 02-1485)

New approaches for better understanding the root causes of low-back pain (CIS 02-1656)

Relationship between exposure to culturable microorganisms in paper mills and symptoms associated with infections (CIS 02-1938)

SYNOVITIS → TENOVAGINITIS

SYNTHESIS

Criteria document on dimethylbenzylamine (Germany), 1997 (CIS 02-1543)

Criteria document on dimethyl chlorothiophosphate (Germany), 1995 (CIS 02-1548)

SYNTHETIC RESINS → PLASTICS

SYNTHETIC RUBBER

Case-control study of the relationship between oesophageal cancer and occupational exposure to rubber (CIS 02-189)

SYSTEMIC POISONS → TOXIC SUBSTANCES

T

TAGGING OUT → PREVENTION OF ACCESS

TAIWAN (CHINA)

Relationship between occupation and risk of permanent disability in the elderly in Taiwan (CIS 02-600)

Occupational safety and health in Taiwan (CIS 02-625)

Follow-up study of pulmonary function among Taiwanese refractory brick workers (CIS 02-732)

Survey of psychosocial job stressors and their implications for health among employed persons in Taiwan (CIS 02-1485)

TALC

Cohort mortality study and nested case-control study of French and Austrian talc workers (CIS 02-806)

TANK TRUCKS

Information note on hazards from tanker truck rollovers in firefighting operations (USA), 2001 (CIS 02-1448)

Evaluation of gasoline distribution workers' exposure to major gasoline components in Finland (CIS 02-1836)

TANK VEHICLES → TANK TRUCKS

TANKS → CONTAINERS

TANNING

Study of the effects of chromium in occupationally-exposed tannery workers (CIS 02-1825)

TANZANIA, UNITED REPUBLIC OF

Study of pesticide-handling practices in coffee and cotton farms in Tanzania (CIS 02-834)

Survey of the ability of health care providers to treat and prevent pesticide poisoning in agricultural areas of Tanzania (CIS 02-1808)

Case-control study of the relationship between respiratory symptoms and dust exposure among male workers in small-scale wood industries in Tanzania (CIS 02-1830)

TAPPING MACHINES → DRILLING MACHINES

TARRING → ASPHALTING

TCA → TRICHLOROACETIC ACID

TDI → TOLYLENE DIISOCYANATE

TEACHING

Need to introduce manual handling training in the curriculum of health care personnel (CIS 02-414)

Risk factors for occupational health impairments among elementary school teachers (CIS 02-740)

Job study of nursery school helpers in France (CIS 02-1281)

Information note on a methodology for assessing stress among teachers (Spain), 2000 (CIS 02-1497)

Manual for the teaching of occupational safety and health in secondary schools (Spain), 2002 (CIS 02-1563)

Study of occupational safety and health issues among apprentice machinists and cooks (CIS 02-1636)

TECHNICAL DEVELOPMENT

Evaluation of equipment to reduce tetrachloroethylene exposure in dry-cleaning shops (CIS 02-1328)

Evaluation of control measures to reduce tetrachloroethylene exposure in dry-cleaning shops (CIS 02-1329)

TEENAGERS → YOUNG PERSONS

TELECOMMUNICATIONS

Safety implications of using internet technology in industrial process control (CIS 02-263)

Case study of psychological and psychiatric services in a telecommunications company in the US (CIS 02-1487)

TELECOMMUNICATIONS EQUIPMENT

Safety guide on the prevention of injuries and deaths falls during construction and maintenance of telecommunication towers (USA), 2001 (CIS 02-427)

TELEGRAPHISTS → TELEPHONE EXCHANGES

TELEOPERATORS → REMOTE CONTROL

TELEPHONE EXCHANGES

Study of workplaces which require the use of both computer screens and telephones in call centres (CIS 02-482)

Design and layout of call centres in Germany (CIS 02-975)

TELEPHONE OPERATORS → TELEPHONE EXCHANGES

TELLURIUM HEXAFLUORIDE

Data sheet on tellurium hexafluoride (USA), Spanish translation, 2001 (CIS 02-1112)

TEMPORARY EMPLOYMENT

Survey of conditions of work among part-time and short-term workers in Europe (CIS 02-474)

Survey of conditions of work among part-time and short-term workers in Europe (CIS 02-1480)

Prevention of occupational hazards in temporary work, in temporary work agencies and in contracts and subcontracts (Spain), 2002 (CIS 02-1751)

TEMPORARY WORKERS

Responsibilities of employers with respect to the safety of temporary workers (CIS 02-254)

Legal aspects of temporary work (France), 2001 (CIS 02-258)

Collection of articles on safety issues involving temporary workers in the construction industry (CIS 02-1734)

Occupational accidents among temporary workers in Italy (CIS 02-1739)

Prevention of occupational hazards in temporary work, in temporary work agencies and in contracts and subcontracts (Spain), 2002 (CIS 02-1751)

TENDINITIS

Cross-sectional study of the relation between the risk of shoulder tendinitis and shoulder loads in monotonous repetitive work (CIS 02-948)

Epidemiologic study on injuries to upper extremities in US workers (CIS 02-1257)

TENNIS ELBOW → EPICONDYLITIS

TENOSYNOVITIS → TENOVAGINITIS

TENOVAGINITIS

Epidemiologic study on injuries to upper extremities in US workers (CIS 02-1257)

TERATOGENIC EFFECTS

Environmental health criteria on principles for evaluating health risks to reproduction associated with exposure to chemicals (WHO), 2001 (CIS 02-70)

Relationship between maternal occupation in agriculture and the risk of limb defects at birth (CIS 02-706)

Evaluation of the effects of mercury and its compounds on reproduction and recommendation for classification (Netherlands), 2000 (CIS 02-1099)

Evaluation of the effects of nitrous oxide on reproduction and recommendation for classification (Netherlands), 2000 (CIS 02-1100)

Literature review of the relation between paternal occupations and birth defects (CIS 02-1223)

Case-control study of parental occupation and neural tube defect pregnancies among Mexican Americans (CIS 02-1240)

Literature review of the reproductive toxicity and carcinogenicity of lead (CIS 02-1337)

TERMS OF EMPLOYMENT

Trends and implications of changing working conditions for occupational safety and health (European Union), 2002 (CIS 02-635)

TERPENES

Work-related symptoms among Finnish sawmill workers exposed to monoterpenes and wood dust (CIS 02-844)

Exposure to dust, resin acids and monoterpenes in softwood lumber mills (CIS 02-1813)

TERRORISM

Information note on preventive measures at workplaces exposed to bioterrorist risks of anthrax (France), 2001 (CIS 02-1464)

Collection of short articles on occupational safety and health issues related to terrorist attacks based on experience gained since September 11, 2001 (CIS 02-1610)

Fatalities among firefighters in the United States in 2001 (CIS 02-1864)

TEST AEROSOL GENERATION

Experimental determination of relationship between dust mass and differential pressure across filters (CIS 02-1312)

TEST EQUIPMENT

Test equipment for the evaluation of hand knives employed in the poultry processing industry (CIS 02-410)

TEST FACILITIES → TEST LABORATORIES

TEST LABORATORIES

Risk from reagents and wastes in hospital diagnostic laboratories in Italy (CIS 02-276)

Comparison of endotoxin assays using agricultural dusts (CIS 02-1451)

TESTICULAR CANCER

Study of the risk of testicular cancer among fire fighters (CIS 02-699)

TESTING

Testing of vibrating tools in dental services (CIS 02-394)

Recommendations on the transport of dangerous goods (United Nations), English version, 2001 (CIS 02-530)

Recommendations on the transport of dangerous goods (United Nations), Spanish version, 2001 (CIS 02-531)

Recommendations on the transport of dangerous goods (United Nations), French version, 2001 (CIS 02-1050)

Recommendations on the transport of dangerous goods (United Nations), Russian version, 2001 (CIS 02-1051)

Recommendations on the transport of dangerous goods (United Nations), Arabic version, 2002 (CIS 02-1052)

Report explaining the rationale behind the testing requirements for power take-off shaft guards for agricultural tractors defined in a UK draft standard (CIS 02-1924)

TESTOSTERONE

Association between plasma testosterone and work-related neck and shoulder disorders among female workers (CIS 02-655)

TESTS ON MODELS

Design, building and testing of a control system for a mechanical hand-arm model (CIS 02-1308)

TETANUS

Tetanus prophylaxis at work (CIS 02-1930)

1,1,1,2-TETRACHLORO-2,2-DIFLUOROETHANE

Data sheet on 1,1,1,2-tetrachloro-2,2-difluoroethane (USA), Spanish translation, 2002 (CIS 02-50)

TETRACHLOROETHYLENE

Exposure evaluation of dry cleaning workers to aromatic compounds and to tetrachloroethylene (CIS 02-290)

Criteria document on tetrachloroethylene (ECETOC), 1999 (CIS 02-570)

Evaluation of equipment to reduce tetrachloroethylene exposure in dry-cleaning shops (CIS 02-1328)

Evaluation of control measures to reduce tetrachloroethylene exposure in dry-cleaning shops (CIS 02-1329)

TETRACHLOROMETHANE → CARBON TETRACHLORIDE

TETRACHLORONAPHTHALENE

Data sheet on tetrachloronaphthalene (USA), Spanish translation, 2001 (CIS 02-561)

TETRAETHYLLEAD

Summary of toxicology and ecotoxicology of 11 chemicals (Germany), 2001 (CIS 02-1128)

TETRAMETHYLLEAD

Summary of toxicology and ecotoxicology of 11 chemicals (Germany), 2001 (CIS 02-1128)

TETRAMETHYLSUCCINONITRILE

Data sheet on tetramethylsuccinonitrile (USA), Spanish translation, 2001 (CIS 02-1120)

TETRAMETHYLTHIURAM DISULFIDE

Data sheet on tetramethylthiuram disulfide (USA), Spanish translation, 2001 (CIS 02-562)

TEXTILE CHEMICALS

Health hazards of sales personnel in shops selling clothing containing organotin compounds (CIS 02-330)

TEXTILE INDUSTRY

Criteria document on dimethylol dihydroxyethylene urea (Germany), 1995 (CIS 02-583)

Association between plasma testosterone and work-related neck and shoulder disorders among female workers (CIS 02-655)

Regulation on the registration of clothing factories for OSH purposes (Australia - New South Wales), 2001 (CIS 02-1026)

Report on working conditions of home workers in the textile, clothing and footwear industries (ILO), 2000 (CIS 02-1292)

Study of the substitution of trichloroethylene as a spot remover in the textile industry (CIS 02-1824)

TEXTILES

Allergic contact dermatitis due to disperse blue 106 and disperse blue 124 in German and Austrian patients from 1995 to 1999 (CIS 02-299)

THAILAND

Proceedings of a meeting on the role of research in promoting occupational safety and health (Bangkok, Thailand, 10-13 Oct. 2000) (CIS 02-151)

Pesticide exposures among farmers of an ethnic minority in Thailand (CIS 02-833)

THALLIUM

Data sheet on soluble thallium compounds (USA), Spanish translation, 2001 (CIS 02-1111)

THALLIUM AND COMPOUNDS

Data sheet on soluble thallium compounds (USA), Spanish translation, 2001 (CIS 02-1111)

THAUMATINS → PROTEINS

THEATRES

Prevention of hazards linked to scenographic activities (CIS 02-252)

THEFT

Approach adopted by a bank for preventing armed robberies (CIS 02-1979)

THERAPY → MEDICAL TREATMENT

THERMAL COMFORT

Assessment of the protective efficiency and comfort of personal protective equipment in real conditions of use (CIS 02-115)

Physiological optimization of cut-resistant protective clothing in Germany (CIS 02-928)

Survey of the perception of indoor air quality and comfort in hotel and entertainment environments (CIS 02-1887)

THERMAL DECOMPOSITION → PYROLYSIS

THERMAL DISCOMFORT

Study of working conditions at asbestos-removal sites (CIS 02-320)

THERMAL ENVIRONMENT

Study of the effect of an improved work environment on labour productivity in a storage facility (CIS 02-1973)

THERMAL STRESS → HEAT LOAD

THIOLS → MERCAPTANS

THIOUREA

Criteria document on thiourea (Germany), 1995 (CIS 02-580)

Summary of toxicology and ecotoxicology of 11 chemicals (Germany), 2001 (CIS 02-1128)

THIRAM → TETRAMETHYLTHIURAM DISULFIDE

THIRD PARTY PROTECTION → NEIGHBOURHOOD PROTECTION

THRESHOLD LIMIT VALUES

Data sheet on maneb (Spain), 1991 (CIS 02-32)

Data sheet on methyl cyanoacrylate (Spain), 1991 (CIS 02-33)

Data sheet on mercury (Spain), 1991 (CIS 02-36)

Data sheet on glycidyl phenyl ether (USA), Spanish translation, 2003 (CIS 02-1558)

Toxicological data for the hazard assessment of seven chemicals (UNEP), 2002 (CIS 02-1560)

Occupational exposure limits for chemicals (Spain), 2003 (CIS 02-1849)

THYROID CANCER

Epidemiologic study on cancer frequency rates in a US petrochemical research facility (CIS 02-1231)

TIMBER GETTING INDUSTRY → LOGGING

TIMBER YARDS → SAWMILLING INDUSTRY

TIN AND COMPOUNDS

Data sheet on the toxicity of tin and its compounds (France), 2001 (CIS 02-363)

TIN MINING → METAL MINING

TIRES → TYRES

TLV LIST

Regulations for chemical safety (Luxembourg), 2002 (CIS 02-520)

Order on the protection of workers against carcinogenic and mutagenic agents (Slovak Republic), 2002 (CIS 02-523)

Order on the protection of workers against chemical hazards (Slovak Republic), 2002 (CIS 02-524)

TMTD → TETRAMETHYLTHIURAM DISULFIDE

TOBACCO FARMING

Incidence of green tobacco sickness among Latino farm workers in the United States (CIS 02-1244)

Effect of safety behaviour when using pesticides on acute symptoms in male and female tobacco farmers in Malaysia (CIS 02-1809)

TOBACCO INDUSTRY

Survey of working conditions in the beedi industry (CIS 02-731)

TOLUENE

Toxicological profile for toluene (USA), update, 2000 (CIS 02-84)

Exposure evaluation of dry cleaning workers to aromatic compounds and to tetrachloroethylene (CIS 02-290)

Evaluation of exposure to polycyclic aromatic hydrocarbons, benzene, toluene and xylenes in workers in an oil-burning power plant in Italy (CIS 02-321)

Study of neurobehavioural disturbances arising from low-levels of exposure to toluene (CIS 02-824)

Determination of toluene and xylenes in urine as biological indicators of low-level exposure (CIS 02-1796)

TOLUENE DIISOCYANATE → TOLYLENE DIISOCYANATE

o-TOLUIDINE

Data sheet on o-toluidine (France), 1992 (CIS 02-1101)

TOLYLENE DIISOCYANATE

Case-referent study of exposure to isocyanates and occupational asthma (CIS 02-1326)

Case study of paraoccupational asthma due to tolylene diisocyanate (CIS 02-1327)

Cross-sectional study of skin problems among workers exposed to toluene diisocyanate at a foam manufacturing facility (CIS 02-1806)

2,4-TOLYLENE DIISOCYANATE

Data sheet on tolylene diisocyanate (France), 1997 (CIS 02-543)

Data sheet on 2,4-tolylene diisocyanate (USA), Spanish translation, 2001 (CIS 02-1119)

2,6-TOLYLENE DIISOCYANATE

Data sheet on tolylene diisocyanate (France), 1997 (CIS 02-543)

1,3-DI-O-TOLYLGUANIDINE

Criteria document on di-o-tolyguanidine (Germany), 1997 (CIS 02-1545)

TOMOGRAPHY

High-resolution computed tomography classification of lung fibrosis for patients with asbestos-related disease (CIS 02-1220)

TOOL GRINDERS

Analysis of respiratory, cardiac, and cancer outcomes in auto industry tool grinding operations using medical insurance claims (CIS 02-678)

Evaluation of the exposure of mechanics to benzene (CIS 02-1783)

VELOCITY OF FLOW

Air sampling at the chest and ear as representative of the breathing zone (CIS 02-269)

VENEZUELA

Occupational exposure to airborne mercury during gold mining in Venezuela (CIS 02-309)

Exposure evaluation to mercury in gold mining workers (CIS 02-1362)

VENTILATION

Technical ventilation measures for protection against solvent vapours in the silk-screen printing industry (CIS 02-333)

Review of regulations concerning ventilation of workplaces (France), 1999 (CIS 02-359)

Survey of the perception of indoor air quality and comfort in hotel and entertainment environments (CIS 02-1887)

Influence of building maintenance, environmental factors and seasonal climatic changes on airborne contaminants in pigpens (CIS 02-1933)

VENTILATION DESIGN

Practical guide to the ventilation of surface treatment vats and tanks (France), 2001 (CIS 02-358)

Advantages of vertical air flow in open ventilated booths (CIS 02-773)

Information note on the design of local exhaust ventilation systems for woodworking machines (United Kingdom), 2001 (CIS 02-879)

Reliability of workplace exposure assessment models as a function of containment source, air inlet and exhaust locations (CIS 02-1347)

Effectiveness of local exhaust ventilation in reducing exposure to dust during concrete cutting and grinding (CIS 02-1364)

Improving the use of mixing factors for dilution ventilation design (CIS 02-1778)

VENTILATION DUCTS → DUCTS

VENTILATION SYSTEMS

Comparison of pressure measurement methods in ventilation systems with obstructive ventilatory impairment (CIS 02-264)

VENTILATORY IMPAIRMENT → RESPIRATORY IMPAIRMENT

VESSELS → CONTAINERS

VIBRATING TOOLS

Testing of vibrating tools in dental services (CIS 02-394)

Survey of risk factors for hand-arm vibration syndrome in the United Kingdom (CIS 02-1427)

Study of the relationship between exposure to vibrations from vibrating hand tools and the prevalence of hand-arm vibration syndrome (CIS 02-1897)

Information note on the selection of vibration-reduced tools in foundries (United Kingdom), 2002 (CIS 02-1909)

VIBRATION

Directive concerning the protection of workers against vibration (European Union), 2002 (CIS 02-24)

Order on the protection of health of workers exposed to noise and vibration (Slovak Republic), 2002 (CIS 02-536)

Software application for the design and calculation of antivibratory damping of machinery and equipment (CIS 02-910)

Test bench measurements and numerical modelling applied to designing power trucks with lower levels of vibration (CIS 02-1418)

Comment on a draft European Directive on hazards to health due to vibrations (CIS 02-1419)

VIBRATION CONTROL

Booklet on hand-arm vibration in foundries (United Kingdom), 2001 (CIS 02-105)

Guidance on the hazards of hand-arm vibration and control programmes (United Kingdom), 2001 (CIS 02-1434)

Information note on the selection of vibration-reduced tools in foundries (United Kingdom), 2002 (CIS 02-1909)

VIBRATION DAMAGE RISK CRITERIA

Long-term exposure to lead and vibration perception threshold (CIS 02-1324)

VIBRATION DISEASE

Booklet on hand-arm vibration in foundries (United Kingdom), 2001 (CIS 02-105)

Diagnostic methods and classification of work-related Raynaud's phenomenon (CIS 02-165)

Thermal perception threshold testing for the evaluation of small sensory nerve fibre injury among patients with hand-arm vibration syndrome (CIS 02-397)

Guidance on the hazards of hand-arm vibration and control programmes (United Kingdom), 2001 (CIS 02-1434)

VIBRATION ISOLATION

Software application for the design and calculation of antivibratory damping of machinery and equipment (CIS 02-910)

VIBRATION MEASUREMENT

Development of a method for evaluating occupational exposure to hand-transmitted vibration and whole-body vibration (CIS 02-907)

VIBRATION PERCEPTION THRESHOLD

Long-term exposure to lead and vibration perception threshold (CIS 02-1324)

VICTORIA

Future trends in risk management among farmers (CIS 02-226)

Risk factors of occupational accidents in Victoria (Australia) by sector of activity (CIS 02-602)

Risk factors of occupational accidents in the construction industry in Victoria (Australia) (CIS 02-723)

VIRUSES

Risk factors for Nipah virus infection among abattoir workers in Singapore (CIS 02-432)

VISCOSE RAYON INDUSTRY

Mortality in a cohort of viscose plant workers exposed to carbon disulfide (CIS 02-810)

VISIBLE RADIATION

Description of a software tool for evaluating the hazards from exposure to optical radiation sources (CIS 02-1422)

VISION TESTS

Effect of cumulative exposure to styrene on visual functions among workers in the reinforced plastics industry (CIS 02-1344)

VISORS → FACE SHIELDS

VISUAL AIDS FOR SAFETY TRAINING → AUDIOVISUAL TRAINING

VISUAL COMFORT

Ocular discomfort and conjunctival alterations among workers in operating theatres (CIS 02-1279)

Polarized task lighting to reduce reflective glare in open-plan office cubicles (CIS 02-1885)

VISUAL DISPLAYS

Is the reduction in exposure to electrical fields next to VDUs due to filters or the "Hawthorne effect"? (CIS 02-763)

VISUAL FATIGUE

Influence of psychological factors on visual fatigue when working with video display terminals (CIS 02-761)

Literature review on visual fatigue during work on screens (CIS 02-1762)

VISUAL FUNCTION DISORDERS

Effect of cumulative exposure to styrene on visual functions among workers in the reinforced plastics industry (CIS 02-1344)

VISUAL TASKS

Visual scanning methods and attention span in lifeguards (CIS 02-483)

Tests on models and assessment of working capacity in visual tasks in computer aided design work (CIS 02-762)

VITICULTURE → VINEYARDS

VOCATIONAL SELECTION

Ageing and work aptitude in Italy (CIS 02-196)

VOCATIONAL TRAINING

Comment on legislation regulating electrical and mechanical equipment in beauty parlours (Italy), 2001 (CIS 02-259)

VOLATILE SUBSTANCES

Literature review of mathematical models for evaluating the exposure to volatile chemicals used at the workplace (CIS 02-781)

Setting occupational exposure limits based on evaluations of human response to sensory irritation (CIS 02-1221)

Approach in the European Union for setting occupational exposure limits for sensory irritants (CIS 02-1340)

Review of European gasoline exposure data (CONCAWE), 1993-1998 (CIS 02-1383)

Using multisorbent tubes for improving the collection of volatile organic compounds in spacecraft air (CIS 02-1760)

Indoor air quality of metropolitan New York commercial office buildings (CIS 02-1777)

Study of isocyanate emissions following the application of concrete coatings (CIS 02-1780)

Spectrophotometric determination of organic soluble matter in bitumen fumes (CIS 02-1781)

VULCANIZATION ACCELERATORS

Criteria document on ethylenethiourea (Germany), 1995 (CIS 02-581)

Criteria document on di-o-tolylguanidine (Germany), 1997 (CIS 02-1545)

VULCANIZING AGENTS

Criteria document on zinc ethylphenyldithiocarbamate (Germany), 1995 (CIS 02-1551)

Criteria document on p-nitrosophenol (Germany), 1995 (CIS 02-1553)

W

WAITERS, WAITRESSES AND BARTENDERS

Exposure to noise among discotheque employees (CIS 02-395)

Information note on safety and health for waiting staff (United Kingdom), 2001 (CIS 02-1300)

WALES

Risk perception leading to risk-taking behaviour among farmers (CIS 02-1993)

WAREHOUSES

Safety and health guide for work in warehouses (Canada), 1999 (CIS 02-107)

Safety data sheet on the design or modification of supply-chain warehouses (France) (CIS 02-1440)

Study of the effect of an improved work environment on labour productivity in a storage facility (CIS 02-1973)

WAREHOUSING

Practical answers to questions concerning the wearing of back belts at work in cases of backache (CIS 02-181)

Safety management system applied to warehouses of a large pesticide manufacturer in India (CIS 02-794)

WARFARIN

Data sheet on warfarin (France), 1987 (CIS 02-1135)

WARNING NOTICES

Development of a methodology to design and evaluate effective risk messages and its application to the electroplating industry (CIS 02-354)

Information leaflet on material safety data sheets (Singapore) (CIS 02-1168)

Order modifying the 1993 Order on the classification, packaging and labelling of dangerous chemical substances (Belgium), 2002 (CIS 02-1523)

Approved guide for the classification and labeling of dangerous substances (United Kingdom), 2002 (CIS 02-1845)

WARNING SIGNS → HAZARD IDENTIFICATION

WASTE DISPOSAL

Comparative study of the prevalence of HAV seropositivity among water purification station workers, sewage workers and administration workers (CIS 02-430)

Law on waste disposal (Uzbekistan), 2002 (CIS 02-517)

Regulations on the disposal of dangerous substances (New Zealand), 2001 (CIS 02-1042)

Special feature on the waste treatment industry (CIS 02-1283)

Information sheet on toxicity associated with municipal waste and its treatment (France), 2002 (CIS 02-1403)

Exposure to chemical and physical risk factors in hazardous waste management facilities (CIS 02-1723)

WASTE SITE CLEANUP

Control of chemical risks during the remediation of contaminated soil (CIS 02-1345)

Prevention of occupational hazards during polluted site remediation in France (CIS 02-1358)

WATER POLLUTION

Risk assessment in marine environments (ECETOC), 2001 (CIS 02-336)

Proposed methods for evaluating the toxicology and ecotoxicology of chemicals in the marine environment (Germany), 2000 (CIS 02-1130)

Issues relating to the development, selection and use of QSARs (ECETOC), 1998 (CIS 02-1838)

General principles to be adopted when planning environmental monitoring projects, with particular reference to aquatic pollution risk assessment (ECETOC), 1999 (CIS 02-1839)

WATER SUPPLY

Study of the strenuousness of work in sewers based on heart rate measurements (CIS 02-1970)

WATER TREATMENT

Comparative study of the prevalence of HAV seropositivity among water purification station workers, sewage workers and administration workers (CIS 02-430)

Study of the risks to which urban waste water treatment plant workers are exposed and their prevention (Portugal), 2002 (CIS 02-1743)

WEED KILLERS → HERBICIDES

WEEDS, PARASITIC PLANTS

Videotape showing alternative methods of controlling weeds without using herbicides (CIS 02-881)

WEIGHT LIFTING → MANUAL LIFTING

WELDING AND CUTTING

Official standard on safety and health in welding and cutting operations (Mexico), 2001 (CIS 02-19)

Safety and health guide aimed at welders (Canada), 1999 (CIS 02-89)

Data sheet on the toxic hazards and occupational diseases related to the soldering of metals (France), 2001 (CIS 02-214)

Information note on hot work on vehicle wheels (United Kingdom), 2001 (CIS 02-392)

Male-mediated spontaneous abortion among spouses of stainless steel welders in Denmark (CIS 02-839)

Case-control study of the neurological effects of manganese exposure among shipbuilding and electrical industry workers (CIS 02-1787)

WELDING FUMES

Numerical simulations to determine the most appropriate welding and ventilation conditions in small enclosed workplaces (CIS 02-317)

Study of exposures to quartz, diesel, dust, and welding fumes in selected jobs in the construction industry (CIS 02-1363)

WELFARE FACILITIES

Review of regulations concerning sanitary facilities in enterprises (France), 1999 (CIS 02-221)

Exercises to be carried out at the workplace by bakery shop saleswomen (CIS 02-1470)

WET DOCKS → SHIPYARDS

WHITE FINGER → RAYNAUD'S PHENOMENON
