Occupational Safety Poster Competition

The competition is organised every year by the Central Institute for Labour Protection - National Research Institute in cooperation with Academies of Fine Arts (Cracow, Warsaw, Lodz). In 2018 the event has been held under the patronage of the Minister of Labour and Social Policy, the Ministry of Culture and National Heritage and Chief Labour Inspector.

The purpose of the competition is to obtain posters promoting the issues of occupational safety and health protection of man in the working environment.
